COMMISSION and CITY are sometimes referred to individually as "Party" and collectively as "Parties."

2. Recitals.

2.1 The Parties have executed a Comprehensive License Agreement for Railroad Tracks and Other Improvements dated March 7, 2013 (the "Master Agreement").

2.3 The Parties have agreed to include additional property owned by COMMISSION within the definition of the Perris Depot property, and therefore within the Licensed Property.

2.4 The Parties desire to enter into this Amendment for the purpose of amending Exhibits "B" and "C" of the Master Agreement related to the Perris Depot property to reflect the additional property included as part of the Licensed Property.

2.5 The Master Agreement also provides that COMMISSION intends to convey that property described as the "Museum Line property" to the CITY. Upon completion of the conveyance and recordation of a quitclaim deed or other document transferring the Museum Line Property to CITY, the Museum Line Property shall automatically be removed from the Licensed Property without any further amendment of the Master Agreement or action by COMMISSION or CITY, as described in Section 3.5 below.

NOW, THEREFORE, for and in consideration of the mutual covenants and conditions hereinafter stated, the Parties agree as follows:

17336.00603901016573
3. **Terms.**

3.1 Exhibit "B" and Exhibit "C" of the Master Agreement related to the Perris Depot property are hereby replaced in their entirety by the versions of Exhibit "B" and Exhibit "C" attached to this Amendment and incorporated herein by reference.

3.2 Section 3.3 of the Master Agreement is hereby amended and replaced in its entirety with the following:

3.3 **Licensed Property.** The term "Licensed Property" means and refers to, collectively, that portion of the COMMISSION’s property further described and defined herein as the Perris Depot property, the New Track property, and the Museum Line property, and licensed to CITY pursuant to the terms of this Agreement.

3.3 Section 3.5 of the Master Agreement is hereby amended and replaced in its entirety with the following:

3.5 **Museum Line property.** The term "Museum Line property" means and refers to that certain rail right of way, including existing railroad track, railroad crossings and other improvements and appurtenances, in the City of Perris, Riverside County, California generally located south of 7th Street to Mapes Road, and more specifically depicted in Exhibit "A".

3.4 The Master Agreement shall be amended to include a new Section 5.1.6 to read as follows:

5.1.6 **Grant of License for Use of Museum Line Property.** Subject to the terms and conditions hereinafter set forth, COMMISSION hereby grants to CITY a license in, on, over, and across the Museum Line property for use, repair and maintenance of the railroad tracks and related improvements on and across the Museum Line property, and for no other purpose.

Subject to the terms and conditions hereinafter set forth, COMMISSION and CITY agree that CITY shall have the right to assign or sublicense the rights of occupancy granted to CITY related to the Museum Line Property to MUSEUM for the limited purposes of allowing the MUSEUM to use, repair and maintain the property, to operate Trains on the Museum Line property, without limitation on days or hours of such operation, as part of the Museum operations, and for other MUSEUM uses and operations. No operation of Trains on the Museum Line property shall be permitted until evidence of adequate insurance has been provided to COMMISSION, as required herein.

3.5 The Master Agreement shall be amended to include a new Section 5.1.7 to read as follows:
5.1.7 **Conveyance of Museum Line Property.** Upon recordation of a quitclaim deed or other conveyance document conveying the Museum Line property from COMMISSION to CITY, the Museum Line property shall no longer be part of the Licensed Property and Section 5.1.6 shall be of no further force and effect. The conveyance of the Museum Line property shall be subject to the terms and conditions of the quitclaim deed or other conveyance document. Subject to BNSF’s approval of the conveyance, COMMISSION’s Executive Director and CITY’s City Manager are hereby authorized to execute the quitclaim deed or other conveyance document without further action by COMMISSION or CITY.

3.6 The recitals set forth above are true and correct and are incorporated into this Amendment by reference as though fully set forth herein.

3.7 Except as set forth herein, all provisions of the Master Agreement shall remain in full force and effect and shall govern the actions of the Parties and the amended provisions set forth in this Amendment.

RECITALS

1. Optionee owns in fee that certain real property, including the existing railroad track, in the City of Perris, Riverside County, California generally located south of 7th Street to Mapes Road, commonly known as the Near Perris (Old Elsinore Museum Line) (the "Property"), as more fully described in the legal description attached as Exhibit "A" and depicted in the attached Exhibit "B", both incorporated herein by reference.

2. The Property was subject to that certain lease agreement originally entered into by the Atchison, Topeka and Santa Fe Railway Company ("Santa Fe") and the Orange Empire Railway Museum ("OERM") dated February 12, 1979, as subsequently amended (Secretary’s Contract No. 157248, as amended) ("Lease"), which was assumed by Optionee upon transfer of the Property from Santa Fe to Optionee.

3. Optionor and Optionee have entered into that certain Comprehensive License Agreement ("License") to provide for the conveyance of the Property to Optionor and the licensing to Optionor of certain property referred to in the License as the "Perris Depot Property." The Perris Depot Property is adjacent to the Property, and both the Property and the Perris Depot Property properties have been used by OERM for the purpose of conducting museum train movements, both with and without passengers.

4. Pursuant to that certain Quitclaim Deed Containing Covenants and Restrictions Including a Power of Termination, dated of even date herewith ("Quitclaim Deed"), Optionee will convey the Property to Optionor, for continuation of its current use as made by OERM as provided in the License and Quitclaim Deed, subject to certain restrictions and conditions, including a power of termination as set forth therein.
5. In connection with the conveyance to be made under the Quitclaim Deed, and as material consideration therefor, Optionee has negotiated the exclusive right and option ("Option") to purchase the Property or a portion thereof ("Option Property") from Optionor at such future date, if any, as Optionee requires the Property for the purpose of providing commuter rail service.

6. Upon its exercise of the Option, Optionee shall pay the agreed Purchase Price for the Option Property, as set forth herein, and Optionee shall not be required to pay additional consideration for the Option Property.

7. In light of the foregoing, Optionor herein grants an option to Optionee to purchase the Option Property as more particularly set forth herein.

**OPTION AGREEMENT**

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties agree as follows:

A. **Grant of Option.** In consideration of Optionee’s agreement to convey the Property to Optionor pursuant to the Quitclaim Deed, Optionor hereby grants to Optionee the Option to purchase the Option Property, which shall be exercisable by Optionee in the manner and on the terms and conditions set forth in this Agreement. If not previously exercised, the term of the Option ("Option Term") shall expire eighty (80) years after the Agreement Date.

B. **Exercise of Option.** Optionee shall exercise the Option, if at all, by giving ninety (90) calendar days written notice to Optionor during the Option Term that Optionee requires the Option Property for commuter rail or related purposes ("Exercise Notice"). The Exercise Notice shall be accompanied by the Purchase Price described in Section C below. The Exercise Notice shall specify the proposed use of the Option Property. Optionee’s timely delivery of the Exercise Notice and the Purchase Price to Optionor shall create a binding contract for the purchase and sale of the Option Property. Optionee shall not be entitled to exercise the Option for seven (7) years commencing as of the Agreement Date, or five (5) years after the date of completion of the New Track (as defined in the License), whichever is earlier.

C. **Purchase Price and Closing Costs.** The purchase price, including any applicable closing costs, for the Option Property ("Purchase Price") shall be One Dollar ($1.00). Optionee shall pay any applicable escrow fees, and any other closing costs.

D. **Conveyance.** Upon Optionee’s timely exercise of the Option, Optionor or its successors or assigns shall, at Optioner’s sole expense, remove from title to the Option Property, prior to the closing date, all encumbrances not existing as of the date of the Quitclaim Deed (including without limitation any monetary liens) and shall thereafter convey by quitclaim deed to Optionee title to the Option Property, as specified in the Exercise Notice, and all improvements thereon. Such conveyance shall be duly acknowledged by Optionor, or its successors or assigns and a notary in a manner suitable for recordation. Optionee may enforce its rights pursuant to this Agreement by means of an action filed in any court of competent jurisdiction. Option Property from Optionor to Optionee, shall become the property of Optionee without further compensation to Optionor.

E. **Operation of Property During Option Term.** During the period commencing on the Agreement Date and ending on the earlier to occur of (a) the recording of the grant deed conveying the Option Property to Optionee or (b) the expiration of the Option:

F. **Expiration Without Exercise; Unenforceability of Option.** Should the Option expire without being exercised or be deemed unenforceable by a court of competent jurisdiction Optionor shall reasonably cooperate with Optionee to execute and acknowledge an instrument providing Optionee an easement for Optionee's use of the Option Property for commuter rail service. This Section F shall survive the termination or expiration of this Agreement.

WHEREAS, Grantor acknowledges that Grantee intends to enter into a new license agreement with OERM for the Licensed Property and the Property ("Sublicense"), for the purpose of conducting museum train movements, both with and without passengers, which movements involve the operation of historic rail equipment which includes one or more diesel locomotives, steam locomotives, electric trains, and one or more passenger cars; and

Section 9. Grantee Indemnity. Commencing as of the Effective Date, and to the fullest extent permitted by law, Grantee shall at all times indemnify and save harmless Grantor against and pay in full all losses, damages, or expenses that Grantor may sustain, incur or become liable for, including, but not limited to, (a) loss of or damage to property, or (b) injury to or death of persons, resulting in any manner from the Property or the use, ownership, maintenance or operation thereof on or after the Effective Date by Grantee or any third party, including, without limitation, any licensee of Grantee. The indemnification and defense obligations set forth in this Section 9 shall apply except to the extent of the sole negligence or willful misconduct of Grantor.

Section 10. Covenants, Conditions and Restrictions Run with the Land. Each of the covenants and agreements contained in this Quitclaim Deed touch and concern the Property and each of them is expressly declared to be a covenant that runs with the land for the benefit of Grantor for the entire period that such covenants are in full force and effect, regardless of whether Grantor is or remains an owner of any land or interest in land to which such covenants relate. Grantor, in the event of any breach of any such covenants, has the right to exercise all of the rights and remedies, and to maintain any actions at law or suits in equity or other proper proceedings, to enforce the curing of such breach, as provided by law.

Section 11. Duration of Covenants, Conditions and Restrictions. The covenants, conditions, restrictions and agreements of this Quitclaim Deed shall have the durations set forth below:

Section 2: in perpetuity
Section 3: in perpetuity
Section 4: in perpetuity
Section 5: in perpetuity
Section 6: in perpetuity
Section 7: in perpetuity
Section 9: in perpetuity

Section 12. Interpretation as Condition Subsequent. It is the intent of Grantor in executing this Quitclaim Deed that all of the covenants, conditions, restrictions and agreements set forth in this Quitclaim Deed be given full force and effect in favor of Grantor, as Grantor would not have executed this Quitclaim Deed without such covenants, conditions, restrictions
and agreements, and that each such covenant, condition, restriction and agreement should be considered, as necessary to its enforcement in favor of the Grantor, as a condition subsequent to the conveyance of this Quitclaim Deed.

Section 13. BNSF Reservation of Easement and License; Obligations of Grantee. Notwithstanding any other provision herein, this Quitclaim Deed and the rights granted hereunder are expressly subject to the Correction Deed and the rights and obligations of the parties thereunder including, but not limited to, BNSF’s “Reserved Rail Freight Service Easement” and “Reserved Rail Freight Service License”, as well as the rights and obligations under the Shared Use Agreement (as referenced in the Correction Deed) as such rights and obligations pertain to the Property. As successor in interest to the Property, Grantee shall be responsible for all obligations of Grantor (as defined herein) under the Correction Deed and the Shared Use Agreement, as such obligations pertain to the Property.

Section 14. Costs and Attorneys' Fees. If legal proceedings are initiated to enforce the rights, duties or obligations of any of the covenants set forth in this Quitclaim Deed, then the prevailing party in such proceeding shall be entitled to collect its reasonable attorney fees and costs from the other party in addition to any other damages or relief obtained in such proceedings.

Section 15. Severability. In the event that any provision of this Quitclaim Deed is held to be invalid, unenforceable or unlawful by a final judgment of a court of competent jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of any other provision of this Quitclaim Deed.

Section 14. Incorporation of Recitals. The Recitals set forth above are true and correct and are incorporated into this Quitclaim Deed by reference as though fully set forth herein.

RIVERSIDE COUNTY TRANSPORTATION COMMISSION
LICENSE AGREEMENT
WITH THE CITY OF PERRIS FOR PARKING
ALONG D STREET BETWEEN 1ST AND 3RD
AND FOR WALKWAY ALONG D STREET BETWEEN 1ST AND 2ND

1. Parties and Date.

THIS LICENSE AGREEMENT (hereinafter referred to as the "Agreement"), is made this ____ day of ________________, 2015 by and between the RIVERSIDE COUNTY TRANSPORTATION COMMISSION, a public agency existing under the authority of the laws of the State of California (hereinafter referred to as "Licensor"), and the CITY OF PERRIS, a public agency existing under the authority of the laws of the State of California (hereinafter referred to as "Licensee"): 

2. Recitals.

2.1 Licensor is the owner in fee of certain real property located along D Street between First Street and Third Street within the City of Perris, California, and improved with a parking lot ("Station Parcel") serving the Perris Valley Line Metrolink Station (the "Station").

2.2 Licensee desires to obtain a license to utilize that portion of the Station Parcel directly to the north of and adjacent to the businesses located on D Street between First and Third Street ("D Street Businesses"), and comprised of 58 total parking spaces, as depicted on Exhibit "A" (the "Licensed Spaces"), in order to provide parking for D Street Business patrons. The term "Licensed Spaces", as used herein, also includes the drive aisle depicted on Exhibit "A", and necessary for access to the parking spaces licensed hereunder.

2.3 Patrons of the commercial tenants located on the ground floor of the adjacent senior development located on D Street between First Street and San Jacinto Avenue shall also be considered D Street Business patrons, as that term is used in this Agreement.

2.4 Licensee also desires to obtain a license to utilize that portion of Licensor’s property located directly between the Licensed Spaces and the D Street Businesses between First and Second Street, which is 1,625 sq. feet of unimproved land to be used by Licensee to provide an ADA compliant walkway (the "Walkway") for the D Street Businesses located between First and Second Street to move their trash bins to and from trash pick-up locations to be provided by Licensee or the D Street...
Businesses on First Street and/or Second Street. The Walkway is as depicted on Exhibit "B".

2.5 Licensor desires to grant to Licensee a license for use of the Licensed Spaces and the Walkway subject to the terms and conditions in this Agreement.

3. Terms.

3.1 General Grant of License. Subject to the terms and conditions hereinafter set forth, Licensor hereby grants to Licensee a revocable, non-exclusive license for:

3.1.1 The Licensed Spaces for the purpose of allowing Licensee to provide parking for D Street Business patrons, and, if required by Licensor, to place signage related to such parking, as described in Section 3.2.2 below, and to tow impermissibly parked vehicles if signage is installed.

3.1.2 The Walkway for the purpose of allowing Licensee to provide access for the D Street Businesses to move their trash bins to and from trash pick-up locations to be provided by Licensee or the D Street Businesses on First Street and/or Second Street.

3.1.3 The Licensed Spaces and the Walkway are sometimes referred to herein, collectively, as the "Licensed Property", as depicted in Exhibits “A” and “B”.

3.2 Use.

3.2.1 General Terms of Use. Licensee shall use the Licensed Property solely for the purposes set forth in Section 3.1 above, and the Licensed Property shall not be used for any other purpose whatsoever. No change shall be made by Licensee in the use of the Licensed Property without Licensor's prior written approval.

3.2.2 Special Terms of Use Related to Licensed Spaces. Use of the Licensed Spaces shall be further limited as follows:

A. The intent is that no more than thirty percent (30%) of the Licensed Spaces shall be used, at any one time, for the purpose of providing parking for D Street Business patrons, and that the remainder of the Licensed Spaces shall be available for Station patrons.

B. D Street Business patrons may use the Licensed Spaces for short term parking only. No overnight parking or parking after midnight shall be permitted.

C. The Licensed Spaces shall not be used as residential tenant or visitor parking for the adjacent senior development located on D Street between First Street and San Jacinto Avenue. Patrons of the commercial tenants located on the
ground floor of said development may utilize the Licensed Spaces subject to the limitation set forth herein, and provided that such use does not negatively impact the use of the Station Parcel by the Station Parcel Patrons.

D. This Agreement is entered into based on the understanding and agreement that use of the Licensed Spaces as contemplated hereunder shall not impact the security of the Station or its patrons, and shall not increase vandalism or trash. Licensor shall have the right to terminate this Agreement for cause, pursuant to Section 3.3.1(B) below, if Licensor determines, in its sole discretion, that Licensee's use of the Licensed Spaces is causing a negative impact on security, safety or maintenance of the Station Parcel, or if there is insufficient parking available for Station Parcel Patrons.

E. If required by Licensor, Licensee shall place signage identifying the limitations on use of the Licensed Spaces, and providing for towing of vehicles that violate the permitted usage of the Licensed Spaces. If signage is required by Licensor, Licensee shall, in accordance with applicable law, tow vehicles impermissibly parked in the Licensed Spaces. Licensee shall provide any and all proposed signage to Licensor for review and approval prior to installation.

3.2.3 No Interference. Except as provided herein, Licensee shall not use or allow the use of the Licensed Property in such a manner as to interfere with the rights of Licensor, its guest, invitees and patrons to use and enjoy the Station Parcel. Licensee shall not install, construct, or maintain and shall not permit the installation, construction or maintenance, except by Licensor, of any fence, wall, or other improvement that would block the access or parking rights granted herein. Licensee shall at all times keep a space of twenty-five (25) feet from the nearest rail of any railroad track entirely clear of structures, material and obstructions of every sort owned by Licensee, or any Invitee, employee or contractor of Licensee. Licensee shall remove any such obstructions, regardless of the source, immediately upon notice from Licensor. For the purposes of this Agreement, an “Invitee” shall mean: (i) a D Street Business owner using the Walkway for its intended purpose, or (ii) a D Street Business patron using the Licensed Spaces for its intended purpose.

3.2.4 Concurrent/Overlapping Use of Licensed Spaces. Licensor and Licensee acknowledge that Licensee’s use of the Licensed Spaces will be nonexclusive and that Licensor intends to utilize the Licensed Spaces for pedestrian and vehicular access, ingress, egress and parking in connection with commuter rail and bus services to be provided by Licensor or other transportation agencies. Licensor and Licensee anticipate that the Licensed Spaces will be utilized by commuter rail and bus patrons, tenants, employees and invitees of Licensor (collectively “Station Parcel Patrons”) during normal business hours, including the commuting periods before and after such hours. Licensor and Licensee acknowledge that, subject to the limitations on the Station Parcel described in Sections 3.2.1. and 3.2.2. above, the Licensed Spaces will be available to the general public and the Station Parcel Patrons on a first come, first served basis. Licensor hereby expressly excepts and reserves the right, to be
exercised by Licensor and by any others who have obtained or may obtain permission or authority from Licensor so to do, (a) to operate, maintain, renew and relocate any and all existing pipe, power, and communication lines and appurtenances and other facilities of like character upon, over or under the surface of the Licensed Property; and (b) from time to time to construct, operate, maintain, renew and relocate such additional facilities of the same character.

3.3 Termination of License.

3.3.1 Notwithstanding any other term or provision of this Agreement, Licensor shall have the right to terminate this Agreement and shall have no obligation to reimburse Licensee for any of its improvements to the Licensed Property, under any of the following circumstances:

A. In the event that Licensor determines in its sole discretion that it requires the Licensed Property for its own uses, which determination shall be made by the Executive Director or his or her designee and shall not require proof of or satisfaction of any legal standard of necessity. Should Licensor exercise this option, Licensor may terminate this Agreement by providing sixty (60) days written notice to Licensee of the intent to terminate this Agreement.

B. Licensor may terminate this Agreement at any time for cause, for a breach by Licensee of any covenant or term of this Agreement, or a default by Licensee of any term or provision of this Agreement, which acts of Licensee shall include but not be limited to: (i) the failure by Licensee to pay any amount in full when it is due under this Agreement; or (ii) the failure by Licensee to perform any obligation under this Agreement. Notification of such termination shall be in writing.

3.3.2 Licensee may terminate this Agreement at any time for its convenience by providing written notice to Licensor thirty (30) days prior to the date of termination.

3.4 Hazardous Materials Use and Related Indemnity.

3.4.1 Use and Termination. Licensee covenants that it will not handle or transport Hazardous Materials on the Licensed Property. As used in this license, "Hazardous Materials" means any chemical, substance or material which is now or becomes in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, its properties or effects. As used in this preceding sentence, "Environmental Law" means any federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of the courts, permits or permit conditions, currently existing or as amended or adopted in the future which are or become applicable to the Licensee or the Licensed Property. In the event the Licensed Property is now or in the future used in the handling or transporting of Hazardous Materials, Licensee agrees fully to comply with all applicable federal, state, and local laws, rules, regulations, orders, decisions and ordinances.
(hereinafter referred to as "Hazardous Materials Standards") concerning Hazardous Materials. Licensee further agrees that at Licensor's request it will furnish Licensor with proof, satisfactory to Licensor, that Licensee is in such compliance. Should Licensee not comply fully with the above-stated obligations, Licensor may, in its sole discretion, terminate this Agreement as to the Licensee by serving five (5) days' notice of termination upon Licensee. Any waiver by Licensor of any breach of Licensee's obligation shall not constitute a waiver of the right to terminate this Agreement for any subsequent breach which may occur, or to enforce any other provision of this Agreement. Upon termination, Licensee shall restore the Licensed Property and any property of Licensor adjacent to the Licensed Property ("Licensor's Property") as herein provided. Licensee shall require its tenant(s), if any, to comply with the requirements of this paragraph.

3.4.2 Indemnity. Notwithstanding anything else contained in this Agreement and to the extent permitted by law, in case of a breach of the obligations contained in this Section 3.4 or the discharge of Hazardous Materials by the general public, except for the sole negligence or willful misconduct of Licensor, Licensee agrees to assume liability for and to save and hold harmless Licensor from and against any and all injuries to any person, including wrongful death, and damage to property, including without limitation, property of Licensor and Licensee, and all related expenses, including without limitation attorneys' fees, investigators' fees and litigation expenses, resulting in whole or in part from the failure of Licensee or any of its invitees to comply with any Hazardous Materials Standards issued by any governmental authority concerning Hazardous Materials. Licensee, at its cost, shall assume the defense of all claims, in accordance with Section 3.15 hereof. Licensee agrees to reimburse Licensor for all costs of any kind incurred as a result of the Licensee's failure to comply with this Section 3.4, including, but not limited to, fines, penalties, clean-up and disposal costs, and legal costs incurred as a result of the handling, transporting, or disposing of Hazardous Materials on the property of Licensor by the Licensee.

3.5 Fees and Taxes.

3.5.1 Consideration. Licensor shall bill the Licensee yearly, on the first day of January, $1.00 for the use of the License granted hereby.

3.5.2 Taxes. Licensee shall be liable for and agrees to pay promptly and prior to delinquency, any tax or assessment, including but not limited to any possessory interest tax, levied by any governmental authority against the Licensed Property and/or any personal property, fixtures or equipment of Licensee used in connection therewith.

3.6 Maintenance and Repair.

3.6.1 Licensee Obligations for the Walkway. Licensee shall, at its sole cost and expense, maintain and repair the Walkway, and any improvements by Licensee thereto. Any repair and maintenance work shall be done to Licensor's standards. Licensee shall
provide Licensor no less than three (3) days written notice and shall acquire all necessary approvals from Licensor prior to Licensee's commencement of any such repair and maintenance work. If, at any time, Licensee shall, in the judgment of Licensor, fail to perform properly its obligations under this section, Licensor may, at its option, perform such work itself as it deems necessary for the safe operation of its property. In such event, Licensee agrees to pay, within fifteen (15) days after a bill is rendered therefor, the cost so incurred by Licensor. However, failure on the part of Licensor to perform the obligations of Licensee shall not release Licensee from liability hereunder for any loss or damage occasioned thereby.

3.6.2 Licensed Spaces - Joint Obligations. The parties shall determine cost sharing provisions for maintenance of the Licensed Spaces determined appropriate by the parties, and shall enter into an amendment to this Agreement or a separate agreement for maintenance of the Licensed Spaces. Licensee shall, at all times, maintain any signs placed on the Licensed Spaces in good condition and repair. Licensee's City Manager shall be authorized to amend this Agreement to carry out the foregoing joint maintenance obligations without formal action of the Licensee’s City Council.

3.7 Standards. Licensee shall comply with all statutes, ordinances, rules, regulations, orders and decisions (hereinafter referred to as "Standards"), issued by any federal, state or local governmental body or agency established thereby including without limitation, the Interstate Railroad Commission, the California Public Utilities Commission and the Southern California Regional Rail Authority, (hereinafter collectively referred to as "Agency"), relating to Licensee's use of the Licensed Property hereunder. In its use of the Licensed Property, Licensee shall at all times be in full compliance with all Standards, present or future, set by any Agency, including, but not limited to, Standards concerning air quality, water quality, noise, and Hazardous Materials. In the event a Licensee fails to be in full compliance with Standards set by any Agency, Licensor may, but shall not be obligated to, after giving notice of the failure to Licensee, and if Licensee, within fifteen (15) days of such notice, fails to correct such non-compliance, take whatever action it determines in its sole discretion to be necessary to protect the Licensed Property and Licensor's railroad and other adjacent property. Licensee shall reimburse the Licensor for all costs (including but not limited to, consulting, engineering, clean-up and disposal, and legal costs) incurred by the Licensor as a result of the Licensee's failure to comply with such Standards, and also such costs incurred by the Licensor in abating a violation of such Standards, protecting against a threatened violation of such Standards, defending any claim of violation of such Standards in any proceeding before any Agency or court, and paying any fines or penalties imposed for such violations. Licensee shall, to the extent permitted by law, assume liability for and shall save and hold harmless the Licensor from any claim of a violation of the Standards regardless of the nature thereof or the Agency or person asserting such claim, which results from Licensee's use of Licensed Property, whether such claim arises in whole or in part from the negligence or alleged negligence of the
Licensor or otherwise. Licensee, at its cost, shall assume the defense of all such claims as provided for in Section 3.15 hereof.

3.8 Tests and Inspections. Licensor shall have the right at any time to inspect the Licensed Property so as to monitor compliance with this Agreement. If, in Licensor’s sole judgment, any installation on, or use or condition of the Licensed Property may have an adverse effect on its property, adjacent property (whether or not owned by Licensor) or Licensor’s operations, Licensor shall be permitted to conduct any tests or assessments, including but not limited to environmental assessments, of, on or about the Licensed Property, as it determines to be necessary or useful to evaluate the condition of the Licensed Property. Licensee shall cooperate with Licensor in any tests or inspections deemed necessary by Licensor. Licensee shall pay or reimburse Licensor, as appropriate, for all reasonable costs and expenses incurred due to the tests, inspections or any necessary corrective work and inspections thereafter within thirty days of a request for payment.

3.9 Construction and Installation.

3.9.1 Any improvements to the Walkway and the installation, repair and maintenance of signs on the Licensed Spaces (the “Project”) shall be completed at Licensee’s sole cost in accordance with plans approved in advance by Licensor.

3.9.2 The Project shall be accomplished in such a manner so that it will not interfere with or be a source of danger to the safe operation of the Station Parcel. The Project shall be conducted at a distance no less than fifty (50) feet from the tracks. Any aspect of the Project which will interfere with any uses on the Station Parcel, or any other property of Licensor shall be approved in advance by Licensor. Licensor may require that Licensor’s representative be present during some or all of the conducting of the Project. If Licensor’s representative determines that the Project is not being accomplished in accordance with this Agreement, he may, but shall not be required to, halt the work. Notwithstanding the presence of Licensor’s representative, Licensee shall, at all times, retain full liability and responsibility for all aspects of the Project.

3.9.3 Licensee shall reimburse Licensor for any expense incurred by Licensor on account of the Project; including, without limitation, the cost of Licensor’s representatives. Licensee shall notify Licensor’s Property Agent both in writing, at the address provided in Section 3.28 below, and verbally, at (951) 787-7141, at least five (5) days prior to construction.

3.10 Underground Storage Tanks. Licensee shall not install or use any underground storage tanks on the Licensed Property unless specifically approved in advance in writing by Licensor, which approval may be withheld in Licensor’s sole discretion. At Licensor’s option, upon the termination of this Agreement at any time and for any reason, Licensee shall, prior to the effective date of such termination, remove and close all underground storage tanks and related equipment and clean up and
remove all Hazardous Materials in, on, under and about the Licensor's Property, in accordance with the requirements of all federal, state and local environmental laws and to the satisfaction of Licensor and any governmental authorities having jurisdiction thereof, and deliver to Licensor a copy of a certificate of closure issued for such tanks by the appropriate governmental authority.

3.11 Insurance. Licensee, at its sole cost and expense, shall obtain and maintain in full force and effect insurance as required by Licensor in the amounts and coverage specified and issued by insurance companies as described on Exhibit "C". Licensor reserves the right, to review and change the amount and type of insurance coverage it requires in connection with this agreement. Prior to the general public having access to the Licensed Property, Licensee shall furnish Licensor with the insurance endorsements and certificates in the form and amounts specified in Exhibit "C," evidencing the existence, amounts and coverage of the insurance required to be maintained hereunder.

3.12 Subordinate Rights. This Agreement is subject and subordinate to the prior and future rights and obligations of Licensor, its successors and assigns, to use its property in the exercise of its powers and in the performance of its duties, including those as a County transportation commission and a member of the Southern California Regional Rail Authority. Accordingly, there is reserved and retained unto Licensor, its successors, assigns and permittees, the right to construct, reconstruct, maintain and use existing and future rail tracks, facilities and appurtenances and existing and future transportation, communication and other facilities and appurtenances in, upon, over, under, across and along the Licensed Property, and in connection therewith, the right to grant and convey to others, rights and interests to the Licensed Property in on and around the Licensed Property. This Agreement is subject to all licenses, leases, easements, restrictions, conditions, covenants, encumbrances, liens, claims and other matters of title (hereinafter referred to as "Title Exceptions") which may affect the Licensed Property now or hereafter, and the words "grant" or "convey" as used herein shall not be construed as a covenant against the existence of any such Title Exceptions. This Agreement is also subordinate to the Shared Use Agreement executed between the Licensor and Santa Fe dated as of October 30, 1992 and any subsequent amendments thereto.

3.13 indemnity/Hold Harmless. Licensee shall at all times indemnify and save harmless Licensor against and pay in full all losses, damages, or expenses that Licensor may sustain, incur or become liable for, resulting in any manner from (i) the construction, installation, repair or maintenance of the Project, (ii) the use by Licensee, its employees, contractors or Invitees of the Licensed Spaces, (iii) the use and/or maintenance of the Walkway (iii) any towing of vehicles by or on behalf of Licensee. The foregoing shall include, but is not limited to, indemnification for any such losses, damages or expenses arising out of (a) loss of or damage to property, (b) injury to or death of persons, (c) mechanics' or other liens of any character, (d) taxes or assessments of any kind, or (e) interference with the use of the Licensor's tracks.
3.24 **Eviction, Abandonment or Sale.** In the case of the eviction of Licensee by anyone owning or obtaining title to the premises, or the sale or abandonment by Licensor of said premises, Licensor shall not be liable to Licensee for any damage of any nature whatsoever or to refund any payment made by Licensee to Licensor hereunder, except the proportionate part of any recurring rental charge which may have been paid hereunder in advance.

3.25 **Condemnation.** In the event all or any portion of the Licensed Property shall be taken or condemned for public use, any damages arising out of such taking or condemnation awarded to Licensee are hereby assigned by Licensee to Licensor, excepting any portion of damages attributable to improvements constructed or installed by Licensee.

3.26 **Revocable License.** Notwithstanding any improvements made by Licensee to the Licensed Property, or other sums expended by Licensee in furtherance of this Agreement, the license granted herein is revocable and may be terminated by Licensor. This Agreement and the license granted herein is given by Licensor and accepted by the Licensee upon the express condition that it may be terminated at any time by Licensor upon one-hundred eighty (180) days' notice in writing to be served upon Licensee. E. The Parties agree that, subject to RCTC Board budget authorization, RCTC is responsible for major reconstruction of the Facility, unless such reconstruction is required as a result of City’s failure to comply with its maintenance obligations hereunder.

F. This Agreement also includes a license for the City to install and maintain the Future Improvements, as defined in Exhibit “C”, subject to the terms hereof.

G. The purpose of this Agreement is to allow City, as Licensee, to enter a certain portion of property owned by RCTC for the purpose of maintaining and repairing the Facility, as further specified in Item 2 of the Basic License Provisions.
A. **Use and Termination.** Licensee covenants that it will not handle or transport Hazardous Materials on the Licensed Property, or any part thereof, except as provided below in this Section. "Hazardous Materials" shall include, but shall not be limited to, substances defined as "hazardous substances, hazardous materials or toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 USC Section 9601, et seq.; the Hazardous Materials Transportation Act, 49 USC Section 1801, et seq.; the Resource Conservation and Recovery Act, 42 USC Section 6901, et seq.; those substances defined as "hazardous wastes" in Section 25117 of the California Health & Safety Code or as "hazardous substances" in Section 25316 of the California Health & Safety Code; and those chemicals known to cause cancer or reproductive toxicity, as published pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, Section 25249.5, et seq., of the California Health & Safety Code; and in the regulations adopted and publications promulgated pursuant to each of the aforesaid laws), as may be amended. If at any time, Hazardous Materials are utilized or transported by Licensee on the Licensed Property, or any part thereof, Licensee agrees fully to comply with all applicable federal, state, and local laws, rules, regulations, orders, decisions and ordinances (hereinafter referred to as "Hazardous Materials Standards") concerning Hazardous Materials. Licensee further agrees that at RCTC's request it will furnish RCTC with proof, reasonably satisfactory to RCTC, that Licensee is in such compliance. Licensee's failure to comply with the requirements of this Section shall constitute a breach of this Agreement.

B. **Indemnity.** Notwithstanding anything else contained in this Agreement and to the extent permitted by law, in case of a breach of the obligations contained in this Section, Licensee agrees to assume liability for and to save and hold harmless RCTC from and against any and all injuries to any person, including wrongful death, and damage to property, including without limitation, property of or managed by RCTC and Licensee, and all related expenses, including without limitation attorneys' fees, investigators' fees and litigation expenses, resulting in whole or in part from Licensee's failure to comply with any Hazardous Materials Standards issued by any governmental authority concerning Hazardous Materials handled, transported, or disposed on the Licensed Property. Licensee, at its cost, shall assume the defense of all claims, in accordance with Section 15 hereof. Licensee agrees to reimburse RCTC for all costs of any kind incurred as a result of Licensee's failure to comply with this Section, including fines, penalties, clean-up and disposal costs, and legal costs incurred as a result of Licensee's handling, transporting, or disposing of Hazardous Materials on the Licensed Property.

C. **Inapplicability.** It is understood and agreed that a person or entity who does not now, or in the future, generate, handle, transport, treat, store or dispose of Hazardous Materials on the Licensed Property is not subject to the provisions of this Section.

D. **Retained Liabilities.** RCTC shall retain all liability under all Environmental Laws asserted at any time in connection with any set of facts or conditions existing in, on or about the Licensed Property prior to the Effective Date of this Agreement arising from and during RCTC's ownership or use of the Licensed Property (hereinafter referred to as "Retained Environmental Liabilities"). For purposes of this Agreement, "Environmental Laws" shall mean all federal, state or local statutes, regulations, ordinances, codes or rules.
as such have been or may hereafter be enacted, adopted, amended or supplemented and all common law causes of action relating to the protection of human health or the environmental, including without limitations the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. 6. **Fees.** N/A

7. **Permits.** Without limiting the generality of any other provision hereunder, Licensee, at its sole cost and expense, shall obtain and shall comply with any and all permits which may be required by any law, regulation or ordinance for any activities Licensee desires to conduct or have conducted pursuant to this Agreement.

8. **Construction; Maintenance and Repair.**

   A. Licensee may install the Future Improvements in accordance with the plans approved by RCTC, and in accordance with this Section 8. Any deviation from the plans shall be approved in writing by the RCTC's Executive Director or his or her designee.

   The Facility and any Future Improvements shall be maintained, at all times, in good condition and repair. Any Facility repair or maintenance work or repair and maintenance of any Future Improvements shall be done at Licensee's sole cost and expense. Maintenance and repair obligations shall include, but not be limited to, graffiti removal, upkeep and replacement of lighting for signage, re-painting of the Facility, and maintenance of asphalt, concrete, sidewalk, and landscaping included as part of the Facility.

   B. Licensee shall, at its own cost, install the Future Improvements, at its election, and repair and maintain the Facility, and any Future Improvements, as reasonably necessary, so that the Facility, any Future Improvements and the Licensed Property will not at any time be a source of danger to or unreasonable interference with the RCTC Property (which may include present or future tracks and roadbed), or the safe operation of any activities on the RCTC Property. Any installation, repair and maintenance work shall be done to the Standards (defined below). Licensee shall provide RCTC no less than three (3) days written notice and shall acquire all necessary approvals from RCTC prior to Licensee's commencement of any such repair or maintenance work, provided that minor maintenance activities such as graffiti removal shall only require one (1) days prior written notice. Licensee shall notify RCTC's Property Agent at (951) 787-7141, at least thirty (30) days prior to commencing installation of any Future Improvements.
C. Licensee shall comply with its obligations in this Section to RCTC's reasonable satisfaction. If, at any time, Licensee shall, in the judgment of RCTC, fail to perform properly its obligations under this Section, RCTC may, at its option, after providing Licensee with written notice and thirty (30) days to cure, unless such failure poses an immediate threat to persons or property, or unless a shorter period is specified in this Agreement, perform such work itself as it deems necessary for the safe operation and use of the RCTC Property. In such event, Licensee agrees to pay, within thirty (30) days after a bill is rendered therefor, the cost so incurred by RCTC. However, failure on the part of RCTC to perform the obligations of Licensee shall not release Licensee from liability hereunder for any loss or damage occasioned thereby.

9. Standards. Licensee shall comply with all applicable statutes, ordinances, rules, regulations, orders and decisions (hereinafter referred to as "Standards") issued by any federal, state or local governmental body or agency ("Agency") relating to Licensee's use of the Licensed Property hereunder. In its use of the Licensed Property, Licensee shall at all times be in full compliance with all Standards, present or future, set by any Agency, including, but not limited to, Standards concerning air quality, water quality, noise, and Hazardous Materials. In the event Licensee fails to be in full compliance with Standards set by any Agency, RCTC may, but shall not be obligated to, after giving notice of the failure to Licensee, and if Licensee, within fifteen (15) days following receipt of such notice (unless such period is extended by RCTC), fails to correct such non-compliance, take whatever action it determines in its sole discretion to be necessary to protect the RCTC Property. Licensee shall reimburse the RCTC for all costs (including but not limited to, consulting, engineering, clean-up and disposal, and legal costs) incurred by the RCTC as a result of the Licensee's failure to comply with such Standards, and also such costs incurred by the RCTC in abating a violation of such Standards, protecting against a threatened violation of such Standards, defending any claim of violation of such Standards in any proceeding before any Agency or court, and paying any fines or penalties imposed for such violations. Licensee shall, to the extent permitted by law, assume liability for and shall save and hold harmless the RCTC from any claim of a violation of the Standards regardless of the nature thereof or the Agency or person asserting such claim, which results from Licensee's use of the Licensed Property in violation of the Standards, even if such claim arises in whole or in part from the negligence or alleged negligence of the RCTC. Licensee, at its cost, shall assume the defense of all such claims as provided for in Section 15 hereof.

10. Tests and Inspections. RCTC shall have the right at any time to inspect the Licensed Property, the Facility and any Future Improvements so as to monitor compliance with this Agreement. If, in RCTC's judgment, any condition of the Licensed Property may have an adverse effect on the RCTC Property (whether or not owned by RCTC) or RCTC's operations, RCTC shall be permitted to conduct any tests or assessments, including but not limited to environmental assessments, of, on or about the Licensed Property, the Facility and any Future Improvements, as it determines to be necessary or useful to evaluate the condition of the Licensed Property, the Facility and any Future Improvements. Licensee shall cooperate with RCTC in any tests or inspections deemed necessary by RCTC. Where RCTC tests or evaluations pursuant to this Section reveal that activities of the Licensee have caused adverse effect or injury RCTC property, Licensee shall pay or
reimburse RCTC, as appropriate, for all reasonable costs and expenses incurred due to
the tests, inspections or any necessary corrective work and inspections thereafter within
thirty (30) days of a request for payment.

11. **Insurance.** Licensee, at its sole cost and expense, shall obtain and maintain, and
require its contractors and subcontractors to obtain and maintain, in full force and effect
insurance as required by RCTC in the amounts and coverage specified and issued by
insurance companies as described on **Exhibit “D”**. RCTC reserves the right, to review
and change the amount and type of insurance coverage it requires in connection with this
Agreement or the work to be performed on the Facility or for any Future Improvements.
Prior to (i) entering the Licensed Property (ii) performing any work or maintenance on the
Facility or (iii) installing or performing any work or maintenance of any Future
Improvements, Licensee shall furnish RCTC with the insurance endorsements and
certificates in the form and amounts specified in **Exhibit “D”**, evidencing the existence,
amounts and coverage of the insurance required to be maintained hereunder. In most
instances, RCTC does not allow self-insurance, however, if Licensee can demonstrate
assets and retention funds meeting RCTC’s self-insurance requirements, RCTC may
permit Licensee to self-insure; provided, however, that the right to self-insure with respect
to any coverage required to be maintained hereunder may be granted or revoked by RCTC
in its sole and absolute discretion. RCTC shall not be liable for the payment of any
premiums or assessments for insurance required to be maintained by Licensee under this
Agreement.

12. **Subordinate Rights.** This Agreement is subject and subordinate to the prior and
future rights and obligations of RCTC, its successors and assigns, to use its property in the
exercise of its powers and in the performance of its duties, including those as a County
Transportation Commission and a member of the Southern California Regional Rail
Authority. Accordingly, there is reserved and retained unto RCTC, its successors, assigns
and permittees, the right to construct, reconstruct, maintain and use existing and future rail
tracks, facilities and appurtenances and existing and future transportation, communication,
pipeline facility and other facilities and appurtenances in, upon, over, under, across and
along the Licensed Property, and in connection therewith, the right to grant and convey to
others, rights and Interests to the Licensed Property, including, but not limited to, the right
to grant future utility licenses and easements, in, on and around the Licensed Property.
This Agreement is subject to all licenses, leases, easements, restrictions, conditions,
covenants, encumbrances, liens, claims and other matters of title (hereinafter referred to
as “**Title Exceptions**”) which may affect the Licensed Property now or hereafter, and the
words “**grant**” or “**convey**” as used herein shall not be construed as a covenant against
the existence of any such Title Exceptions. If applicable, this Agreement is also
subordinate to the Shared Use Agreement executed between the RCTC and Santa Fe
dated as of October 30, 1992 and any subsequent amendments thereto.

13. **Indemnity.** Licensee shall at all times indemnify and save harmless RCTC and its
subsidiaries, officials, officers, employees, agents, contractors, successors and assigns
(the “**Indemnitees**”) against and pay in full all losses, damages, or expenses that the
Indemnitees may sustain, incur or become liable for, resulting in any manner from the
maintenance, repair, reconstruction, alteration, removal, condition or presence of the
Facility or any Future Improvements (including the installation thereof) or the use and maintenance of the Licensed Property by the Licensee, Licensee's Parties or any person or entity claiming, using or occupying the Licensed Property by, under or through Licensee, or anyone directly or indirectly employed by or for whose acts Licensee is liable, including, but not limited to, any such losses, damages or expenses arising out of (a) loss of or damage to property, (b) injury to or death of persons, (c) mechanics' or other liens of any character, (d) taxes or assessments of any kind, or (e) interference with the use of the RCTC's tracks. It is the intention of the Parties that RCTC's right to indemnity hereunder shall be valid and enforceable against Licensee regardless of negligence (whether active or passive) on the part of the Indemnitees, unless such injury is a result of the sole negligence of RCTC.

14. **Assumption of Risk and Waiver.** To the maximum extent allowed by law, Licensee assumes any and all risk of loss, damage or injury of any kind to any person or property, including without limitation, the Facility, any Future Improvements or appurtenances, if any, the RCTC Property and any other property of, or under the control or custody of, Licensee, which is on or near the Facility or any Future Improvements and the railroad tracks owned or managed by RCTC. Licensee's assumption of risk shall include, without limitation, loss or damage caused by defects in any structure or improvement on the Licensed Property, accident or fire or other casualty on the Licensed Property, or electrical discharge, and noise or vibration resulting from RCTC's transit operations on or near the Licensed Property, if applicable. The term "RCTC" as used in this Section shall include: (i) any transit or rail-related company operating upon or over RCTC's tracks or other property, and (ii) any other persons or companies employed, retained or engaged by RCTC. Licensee, on behalf of itself and its Personnel, as a material part of the consideration for this Agreement, hereby waives all claims and demands against RCTC for any such loss, damage or injury of Licensee and/or its Personnel. In that connection, Licensee waives, for itself and its Personnel, the benefit of California Civil Code Section 1542, which provides as follows:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

The provisions of this Section and of Sections 13 and 15 shall survive the termination of this Agreement. As used in this Section, "Personnel" means the Licensee, or its officers, directors, affiliates, or anyone directly or indirectly employed by Licensee or for whose acts Licensee is liable.

15. **Defense.** Upon written notice from RCTC, Licensee agrees to assume the defense of any lawsuit, administrative action or other proceeding brought against the Indemnitees by any public body, individual, partnership, corporation, or other legal entity, relating to any matter covered by this Agreement for which Licensee has an obligation to assume liability for and/or to indemnify or save and hold harmless the Indemnitees. Licensee shall pay all the costs incident to such defense, including, but not limited to, attorneys' fees, investigators' fees, litigation expenses, settlement payments, and amounts paid in satisfaction of judgments. Any and all lawsuits or administrative actions brought or
threatened on any theory of relief available at law, in equity or under the rules of any administrative agency shall be covered by this Section, including, but not limited to, the theories of intentional misconduct, negligence, breach of statute or ordinance, or upon any theory created by statute or ordinance, state or federal.

16. **Attorneys' Fees.** In any judicial or arbitration proceeding involving performance under this Agreement, or default or breach thereof, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

17. **Successors and Assigns.** All the covenants and provisions of this Agreement shall be binding upon and inure to the benefit of the successors, legal representatives and assigns of the RCTC and Licensee to the same extent and effect as the same are binding upon and insure to the benefit of the Parties hereto.

18. **Survival of Obligations.** All obligations of Licensee hereunder not fully performed as of the termination or cessation of this Agreement in any manner shall survive the termination of this Agreement, including without limitation, all payment obligations with respect to fees and all obligations concerning the condition of the Facility, any Future Improvements and the RCTC Property.

19. **Assignment.** This Agreement and the license granted herein are personal to the Licensee. Licensee shall not assign or transfer (whether voluntary or involuntary) this Agreement in whole or in part, or permit any other person or entity to use the rights or privileges hereby conveyed, without the prior written consent of RCTC, which may be withheld in RCTC's sole and absolute discretion. Any attempted act in violation of this Section shall be void and without effect and give RCTC the right to immediately terminate this Agreement.

20. **Waiver of Covenants or Conditions.** The waiver by RCTC of the performance of any covenant or condition under this Agreement shall not invalidate this Agreement nor shall it be considered a waiver by it of any other covenant or condition under this Agreement.

21. **Amendment.** This Agreement may be amended at any time by the written agreement of RCTC and Licensee. All amendments to this Agreement shall be binding upon the Parties despite any lack of legal consideration, so long as the same shall be in writing and executed by the Parties hereto.

22. **Revocation.** If, at any time, Licensee shall fail or refuse to comply with or carry out any of the covenants herein contained, RCTC may, at its election, immediately revoke and terminate this Agreement unless a longer notice period is specifically provided for elsewhere in this Agreement.

23. **Eviction, Abandonment or Sale.** In the case of the eviction of Licensee by anyone owning or obtaining title to the premises on which the Facility and any Future Improvements are located, or the sale or abandonment by RCTC of said premises, RCTC shall not be liable to Licensee for any damage of any nature whatsoever or to refund any payment made by Licensee to RCTC hereunder.
24. **Condemnation.** In the event all or any portion of the Licensed Property shall be taken or condemned for public use, this Agreement shall terminate and any commission or damages arising out of such taking or condemnation, if any, awarded to Licensee are hereby assigned by Licensee to RCTC.

25. **Revocable Licenses and Termination.** Licensee agrees that notwithstanding any sums expended by Licensee in furtherance of this Agreement, the license granted herein is revocable and may be terminated by RCTC in accordance with the terms of this Agreement.

26. **Notice.** Any notice hereunder to be given by RCTC to Licensee shall be deemed to be properly served on the date it is deposited in the United States Mail, postage prepaid, addressed to such party at its address set forth in the Basic License Provisions. Either RCTC or Licensee may change its address for the receipt of notice by giving written notice thereof to the other party of such change. Notices shall be effective on the date delivered to custody of the U.S. Postal Service.

27. **Interest on Past-due Obligations.** Except as expressly herein provided, any amount due to RCTC which is not paid when due shall bear interest, from the date due, at the rate of ten percent (10%) per annum. Such interest will be due RCTC as it accrues. Payment of such interest shall not excuse or cure any default by Licensee under this Agreement, provided, however, that interest shall not be payable on late charges incurred by Licensee.

28. **Nondiscrimination.** Licensee certifies and agrees that all persons employed thereby and/or the affiliates, subsidiaries, or holding companies thereof and any contractors retained thereby with respect to the Licensed Property, the Facility and any Future Improvements are and shall be treated equally without regard to or because of race, religion, ancestry, national origin, or sex, and in compliance with all federal and state laws prohibiting discrimination in employment, including but not limited to the Civil Rights Act of 1964; the Unruh Civil Rights Act; the Cartwright Act; and the California Fair Employment Practices Act.

29. **Liens.** Licensee shall not suffer or permit to be filed or enforced against the RCTC Property, the Facility, any Future Improvements, or any part thereof, any mechanics', materialmen's, contractors', or subcontractors' liens or stop notices arising from, or any claim for damage growing out of Licensee's use of the Licensed Property hereunder. Licensee shall pay or cause to be paid all such liens, claims or demands, including sums due with respect to stop notices, together with attorneys' fees incurred by RCTC with respect thereto, within ten (10) business days after notice thereof and shall indemnify, hold harmless and defend RCTC from all obligations and claims made against RCTC for and with respect to the above described work, including attorneys' fees. Licensee shall furnish evidence of payment upon request of RCTC. Licensee may contest any lien, claim or demand by furnishing a statutory lien bond or equivalent with respect to stop notices to RCTC in compliance with applicable California law. If Licensee does not discharge any mechanic's lien or stop notice for works performed for Licensee, RCTC shall have the right to discharge same (including by paying the claimant) and Licensee shall reimburse RCTC for the cost of such discharge within ten (10) business days after billing. RCTC reserves
the right at any time to post and maintain on the RCTC Property such notices as may be necessary to protect RCTC against liability for all such liens and claims. The provisions of this Section shall survive the termination of this Agreement.

30. **Further Acts.** Licensee agrees to perform any further acts and to execute and deliver in recordable form any documents which may be reasonably necessary to carry out the provisions of this Agreement, including, at RCTC's sole discretion, the relocation of the Facility, any Future Improvements and the license granted by this Agreement.

31. **Waiver of Relocation Rights.** LICENSEE HEREBY WAIVES ANY RIGHT TO RELOCATION ASSISTANCE, MOVING EXPENSES, GOODWILL OR OTHER PAYMENTS TO WHICH LICENSEE MIGHT OTHERWISE BE ENTITLED, BUT FOR THIS WAIVER AND RCTC'S EXPRESS RIGHT OF TERMINATION, UNDER THE UNIFORM RELOCATION ASSISTANCE AND REAL PROPERTY ACQUISITION POLICIES ACT OF 1970, AS AMENDED, 42 UNITED STATE CODE SECTION 4601 ET SEQ. AND/OR THE CALIFORNIA RELOCATION ASSISTANCE LAW, AS AMENDED, GOVERNMENT CODE SECTION 7260 ET SEQ.

32. **Non-Exclusive License.** The license granted by this Agreement is not exclusive and RCTC specifically reserves the right to grant other licenses within the vicinity of the Facility and any Future Improvements, provided that RCTC and Licensee shall meet and confer to resolve any potential conflicts with Licensee's Project.

33. **Counterparts; Facsimile Signatures.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Facsimile signatures shall be considered original signatures.

34. **Severability.** If any term, covenant, condition or provision of this Agreement, or the application thereof to any person or circumstance, shall to any extent be held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, covenants, conditions, or provisions of this Agreement, or the application thereof to any person or circumstance, shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

35. **Captions.** The Captions included in this Agreement are for convenience only and in no way define, limit, or otherwise describe the scope or intent of this Agreement or any provision hereof, or in any way affect the interpretation of this Agreement.

36. **Time of Essence.** Time is of the essence in this Agreement.

37. **No Recording.** Licensee shall not record or permit to be recorded in the official records of the county where the Licensed Property is located any memorandum of this Agreement or any other document giving notice of the existence of this Agreement or the license granted hereby.

39. **Incorporation of Recitals.** The Recitals set forth above are true and correct and are incorporated into this Agreement by reference as though fully set forth herein.

40. **Governing Law.** This Agreement shall be governed by the laws of the State of California. Venue shall be in Riverside County.
