**PART 1.** Plans and Specifications. Generally, the work to be performed consists of the annual energy and maintenance costs for 35 new streetlights. The street lights to be maintained are identified on the plans and specifications being prepared by Albert A Webb Associates that are entitled "Street Light Location Plan, City of Perris, DPR 07-07-07-0029, PM 36010". It is noted that the referenced plans are for the construction of 59 streetlights. Twenty-four of the streetlights are to be constructed by others and are not of specific benefit to PM 36010.

The site of PM 36010 is shown on the Diagram within Part 4. In addition to the street lights, this area benefits from existing and future traffic signals. Of specific benefit are the traffic signals at the following intersections:

- Harley Knox Blvd at the intersections of Indian Avenue and Patterson Avenue
- Indian Avenue at the intersection of the entrance into PM 36010
- Markham Street at the intersections of Indian Avenue and Perris Boulevard
- Ramona Expressway at the intersection of Indian Avenue

The plans and specifications for all facilities are or will be on file in the City of Perris Office of Community Development and, by reference, are hereby made a part of this report to the same extent as if said plans and specifications were attached hereto. The plans and specifications sufficiently show and describe the general nature, location and extent of the improvements.

The street light improvements are owned by SCE and, upon construction, will be as shown on the SCE Street Light Atlas Maps. The traffic signals are owned by the City of Perris and are shown on the City of Perris Traffic Signal Location Map. Said Map and Atlas are on file in the City of Perris Office of Community Development and are made a part of this report to the same extent as if said documents were attached hereto.

**PART 2.** An Estimate of the cost for the improvements to be maintained and/or improved for a given fiscal year includes labor, materials, electricity, and appurtenances. Incidental costs include engineering, legal, City Clerk, and administration expenses, including the processing of payments and the submittal of billings to the Riverside County Auditor for placement on the tax roll.

The estimated annual cost for maintenance of the facilities is listed on the following page.

Street lighting and the orderly circulation of traffic directly benefits the area to be annexed to MD 84-1. Any share of the benefits received that does not provide a special benefit to the assessed properties is a general benefit provided by the improvements. The cost of the general benefit is not to be assessed to the properties in the district.

The cost of the general benefit is to be contributed by the City. This cost for lights is equal to the unit cost difference between a 9,500 lumen light and a 22,000 (or greater) lumen light. A 9,500 lumen light is the standard required on a local street. Other streets require a standard greater than 9,500 lumens in order to service a capacity greater than the local traffic.
The estimated annual cost for maintenance of the facilities is as follows:

Reference is made to the FY 2014/2015 annual proceedings for Maintenance District No. 84-1, as confirmed and set forth in Resolution 4745 approved on July 8, 2014. Under these proceedings, the benefit for the annual maintenance of streetlight and traffic signals is equal to $46.28 per Benefit Unit, or single family home. For the purposes of this report, this assessment determines the net specific street light and traffic signal benefit.

As a condition of approval, the developer is required by the City to provide certain standard street lighting for the area within the development; and the energy costs for the initial 18-month period. No newly annexed area or portion thereof is assessed prior to the completion of the initial 18-month period.

Zero costs will be incurred by the area within this annexation for the fiscal year commencing July 1, 2014 to June 30, 2015.

**PART 3.**

The Assessment Roll shows the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the exterior boundaries of the Diagram, enclosed herein as Part 4.

The method of assessment is based on units, with a residential dwelling or condominium equal to one benefit unit. The relationship between residential lots and non-residential development has been established at 4.2 residential lots to one assessed acre based on the general density of the City as a whole.
The current annual assessment reflecting the reasonable cost of providing for the maintenance and servicing of the improvements and appurtenant facilities is equal to $46.28 per benefit unit, shown as follows:

\[
\text{Assessed Acre} \times \frac{\$17,993.19}{92.57 \text{ AC}} = 46.28 \text{ per Benefit Unit}
\]

Plus inflation factors not to exceed:

1) the "Common Labor, Construction Cost Index", as published by Engineering News Record in subsequent years, and

2) the Southern California Edison rate increase(s) effective in subsequent years.

The improvements benefiting the property were required for the approval of, and as a consequence of, development of this area. The assessed acreage is the net acreage of the PM 36010.

The current maximum annual assessment, by parcel within PM 36010, is listed as follows:

PART 1.

Plans and Specifications for the improvements to be maintained and/or improved for a fiscal year are in the process of being designed for acceptance by the City of Perris. In general the landscaping, irrigation, hardscape and appurtenances to be maintained are within the public medians and parkways bordering PM 36010. The medians are located in Ramona Expressway and Indian Avenue and the parkways are along Ramona Expressway, Brennan Avenue, Markham Street and Indian Avenue.

Reference is made to the following landscaping plans and specifications:

“Tentative Parcel Map No. 36010, Recycled Water Use Improvements, DPR 07-07-0029, RWIP, Perris Valley Logistics Center LMD”, prepared by Hunter Landscape,

“Landscape Improvement Plans, Markham St, Indian Ave, Brennan Ave, and Ramona Expwy Landscape”, prepared under the supervision of Thomas K. Hayes for Howard Industrial Partners, LLC, and

Webb Associates that are entitled, “Street Improvement Plans, City or Perris, DPR #07-07-0029, PM. 36010, Perris Valley Logistics Center”, and the street improvement plans for the construction of Indian Avenue.

It is noted that the maintenance of all facilities located within the inside property-line is the responsibility of the property owner.

Upon final approval, plans and specifications for the improvements will be on file in the City of Perris Office of Community Development and, by reference, are hereby made a part of this report to the same extent as if said plans and specifications were attached hereto. The plans and specifications will sufficiently show and describe the general nature, location and extent of all the improvements.

PART 2.

An Estimate of the cost for the improvements to be maintained and/or improved for a given fiscal year includes labor, water, electricity, materials and plant replacement, and appurtenances. The annual cost for the public improvements is listed on the following page.

Total Annual Maintenance Costs $58,384.20

Incidentals $8,756.83

**Balance to Assessment** $67,141.03

Due to the soil, water, exposure, and pedestrian traffic, plant replacement is estimated at a 3% die-off rate at 2-feet on-center. Tree trimming is scheduled to occur every other year. Mulch application is scheduled to occur every third year.

Incidental costs include annual engineering, legal, City Clerk, Finance Department, and Public Works expenses, including the processing of payments and the submittal of billings to the Riverside County Auditor for placement on the tax roll.

A 6-month tax roll reserve provides funding for the cost of servicing and maintenance prior to the receipt of tax collections from the County of Riverside. The fiscal year begins July 1 and the first installment from the tax roll collections is usually distributed by the County of Riverside the following January. A 6-month tax roll reserve, based on the annual cost of the improvements is $33,570.51.

The developer shall be responsible for the maintenance and upkeep of the public landscaping set forth herein for a period of one year after acceptance of the improvements by the City. Benefit Zone 96, for the fiscal year commencing July 1, 2014 to June 30, 2015, will incur zero costs.
PART 3. The Assessment Roll shows the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the exterior boundaries of Benefit Zone 96, as shown on the Diagram, enclosed herein as Part 4.

The area within Parcel Map 36010 specifically benefits from the maintenance of the medians and parkways along the streets that provide ingress and egress to all parcels. The method of assessment is based on units, with the benefit units assigned to the net area within Parcel Map 36010.

The current maximum annual assessment reflecting the reasonable cost of providing for the maintenance and servicing of the public improvements and appurtenant facilities is equal to $725.30 per net acre. The annual assessments are subject to inflation factors not to exceed:

1) the "Common Labor, Construction Cost Index", as published by Engineering News Record in subsequent years,
2) the Southern California Edison rate increase(s) effective in subsequent years, and
3) the Eastern Municipal Water District rate increase(s) effective in subsequent years.

The Benefit Units assigned, and corresponding current maximum annual assessment for medians, parkways and total, per parcel, are listed as follows:

NANCY SALAZAR, City Clerk
CITY OF PERRIS
STATE OF CALIFORNIA
A General Description of the flood control improvements includes facilities that will accommodate the storm flow and protect PM 36010 from inundation. These improvements channel, contain and convey the storm flow to the Perris Valley Storm Drain Channel. These improvements are generally described as follows:

Public (City) Facilities:
- Catch basins, under-sidewalk drains and inlets
- 18", 24", 36" and 42" reinforced concrete pipe
- Double reinforced concrete box
- Street Undercossings
- Emergency Spillway
- Earthen Channel and facilities extending from Perris Boulevard to the Perris Valley Storm Drain Channel

Interim Maintenance of RCFC&WCD Facilities:
- 1,350 lineal feet combination concrete trapezoidal channel and underground storm drain system with a concrete bulkhead at its upstream terminus (Line E-Stage 2)
- Maintenance Road adjacent to Line E-Stage 2
- Lift Station
- 50 lineal feet of double reinforced concrete box (Line 2)
- 70 lineal feet of reinforced concrete box (Line 3)
- 1,740 lineal feet combination reinforced concrete box, 48" and 54" reinforced concrete pipes underground storm drain system and its associated transition structure (Lat E-4)

The RCFC&WCD facilities will be maintained on an interim basis until accepted by the Riverside County Flood Control and Water Conservation District. Acceptance is pending the completion of certain additional master plans facilities.

Maintenance and upkeep of these storm drainage facilities includes, but is not be limited to, grading, general cleanup and debris removal, inspections, stenciling, replacement and repairs. Annual photc documentation is scheduled to take place, along with silt removal as required. Depending on that year's storm drain flow and the level of debris in the flow, a system cleaning may be required after the first rain and again during or at the end of the rainy season.

Funds will accumulate in order to apply slurry seal to the maintenance road every six years. It is also anticipated that in the sixth year, funds will be required to for the replacement of lift station equipment.
It is noted that all private on-site facilities and detention basins are to be maintained by the property owner and not the City of Perris.

PART 2. Plans and Specifications for the improvements to be maintained for a fiscal year are being prepared by Albert A. Webb Associates and are entitled as follows:

“Street Improvement Plans, City of Perris, DPR #07-07-0029, PM. 36010, Perris Valley Logistics Center”, and

“Perris Valley MDP, Line “E”, Stage 2, Lateral “E-4”, Stage 1”

Plans and specifications for the catch basins and laterals to be maintained in Indian Avenue were prepared by KCT Consultants, Inc. and are entitled “Perris Valley MDP Line E-3”.

The plans and specifications have been approved by both the City Engineer for the City of Perris and the Chief Engineer for the Riverside County Flood Control and Water Conservation District and are on file in the City of Perris Office of Community Development. The plans and specifications sufficiently show and describe the general nature, location and extent of the improvements, and by reference, are hereby made a part of this report to the same extent as if said plans and specifications were attached hereto.

PART 3. An Estimate of the cost for the public improvements to be maintained and/or improved for a given fiscal year includes labor, equipment, materials, and appurtenances.

Incidentals include annual engineering, legal, City Clerk, and finance expenses to the District, including the processing of payments and the submittal of billings to the Riverside County Auditor for placement on the tax roll.

The maximum annual assessment is based on the estimated cost of maintaining the facilities. The annual assessment levied will be based on the actual expenses incurred by Benefit Zone 72.

With service intervals and staggered maintenance operations, revenue requirements for maintenance will fluctuate year to year. Each year’s maintenance operations will be funded by that year’s assessment plus the fund balance remaining from prior year assessments.

When the improvements are accepted, the City of Perris will assume the expenses of maintaining the improvements twelve months from the acceptance date. Zero costs will be incurred for the fiscal year commencing July 1, 2014 to June 30, 2015.
The estimated annual cost for maintenance of the facilities is listed below.

**PART 4**

The Assessment Roll shows the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the exterior boundaries of the Diagram, enclosed herein as Part 5.

The City and RCFC&WCD facilities will accommodate the storm flow specifically impacting PM 36010. These improvements specifically benefit the area within the annexation; and, the improvements were required for the approval of, and as of consequence of, development of this area.

The earthen channel benefits developing properties that contribute to the storm drain flow being conveyed to the Perris Valley Storm Drain Channel. The specific benefit is equal to the proportionate share of the flow to be accommodated. Accordingly, 30 percent of the annual cost for the maintenance of the earthen channel is assessed to Benefit Zone 72.
The method of assessment is based on units, with the benefit units assigned to the net area within Parcel Map 36010. The current annual assessment reflecting the reasonable cost of providing for the maintenance and servicing of the improvements and appurtenant facilities is equal to $1,439.32 per benefit unit, shown as follows:

\[
\text{Total Annual Cost} = \frac{\$44,973.92 + \$40,694.99}{92.57 \text{ Benefit Units}} = \$925.45 \text{ per Benefit Unit}
\]

The annual assessments are subject to inflation factors not to exceed:
1) the "Common Labor, Construction Cost Index", as published by Engineering News Record in subsequent years,
2) the Southern California Edison rate increase(s) effective in subsequent years, and
3) the Eastern Municipal Water District rate increase(s) effective in subsequent years.

Zero costs will be incurred by the area within this annexation for the fiscal year commencing July 1, 2014 to June 30, 2015.

**PART 3.**

The **Assessment Roll** shows the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the exterior boundaries of the Diagram, enclosed herein as Part 4.

Street lighting and the orderly circulation of traffic directly benefits the area to be annexed to MD 84-1. Any share of the benefits received that does not provide a special benefit to the assessed properties is a general benefit provided by the improvements. The cost of the general benefit is not to be assessed to the properties in the district.

The cost of the general benefit is to be contributed by the City. This cost for lights is equal to the unit cost difference between a 9,500 lumen light and a 22,000 (or greater) lumen light. A 9,500 lumen light is the standard required on a local street. Other streets require a standard greater than 9,500 lumens in order to service a capacity greater than the local traffic.

Reference is made to the FY 2014/2015 annual proceedings for Maintenance District No. 84-1, as confirmed and set forth in Resolution 4745 approved on July 8, 2014. Under these proceedings, the benefit for the annual maintenance of streetlight and traffic signals is equal to $46.28 per Benefit Unit, or single family home. For the purposes of this report, this assessment determines the net specific street light and traffic signal benefit.
As a condition of approval, the developer is required by the City to provide certain standard street lighting for the area within the development; and the energy costs for the initial 18-month period. No newly annexed area or portion thereof is assessed prior to the completion of the initial 18-month period.

The method of assessment is based on units, with a residential dwelling or condominium equal to one benefit unit. The relationship between residential lots and non-residential development has been established at 4.2 residential lots to one assessed acre based on the general density of the City as a whole.

The assessed acreage is the net acreage of each parcel as shown on Parcel Map 36462. The current annual assessment reflecting the reasonable cost of providing for the maintenance and servicing of the improvements and appurtenant facilities is equal to $46.28 per benefit unit, shown as follows:

\[
\text{Assessed Acre} \times \frac{18,609.56}{4.2 \text{ Benefit Units}} = \frac{95.74 \text{ AC}}{}
\]

Plus inflation factors not to exceed:

1) the "Common Labor, Construction Cost Index", as published by Engineering News Record in subsequent years, and
2) the Southern California Edison rate increase(s) effective in subsequent years.

The current annual assessment for PM 36462 is further detailed as follows:

The maximum annual assessment is based on the estimated cost of maintaining the improvements at maturity. The annual assessment levied will be based on the actual annual expenses incurred each Benefit Zone.

Due to the soil, water, exposure, and pedestrian traffic, plant replacement is estimated at a 3% die-off rate at 2-feet on-center. Tree trimming is scheduled to occur every other year.

Incidental costs include annual engineering, legal, City Clerk, Finance Department, and Public Works expenses, including the processing of payments and the submittal of billings to the Riverside County Auditor for placement on the tax roll.

A 6-month tax roll reserve provides funding for the cost of servicing and maintenance prior to the receipt of tax collections from the County of Riverside. The fiscal year begins July 1 and the first installment from the tax roll collections is usually distributed by the County of Riverside the following January.

A 6-month tax roll reserve, based on the annual cost of each category of the improvements is listed below.

The developer shall be responsible for the maintenance and upkeep of the public landscaping set forth herein for a period of one year after acceptance of the improvements by the City. Benefit Zone 107 and Benefit Zone 108, for the fiscal year commencing July 1, 2014 to June 30, 2015, will incur zero costs.

**PART 3.**

The Assessment Roll shows the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the exterior boundaries of Benefit Zone 107 and Benefit Zone 108, as shown on the Diagram, enclosed herein as Part 4.

The area within Parcel Map 36462 specifically benefits from the maintenance of the medians and parkways along the streets that provide ingress and egress to the parcels. The improvements benefiting the parcels were required as a condition of approval for Parcel Map 36462.

If the property owner maintains the parkways, the annual assessment will be levied only for the maintenance of the median. If the property owner does not maintain the parkways to standard, the City will assume maintenance and the maximum assessment for the medians and the parkways will be levied.
The method of assessment is based on units, with one benefit unit assigned to each benefit zone. The current maximum annual assessment reflecting the reasonable cost of providing for the maintenance and servicing of the public improvements and appurtenant facilities, per benefit zone, is equal to the following:

PART 1. A General Description of the flood control improvements includes facilities that will accommodate the storm flow impacting PM 36462. These public improvements are generally described as catch basins, parkway catch basins with grates, storm drain pipe, transitions structures and appurtenances that convey the flow from the street to the Perris Valley Storm Drain Channel.

Maintenance and upkeep of these storm drainage facilities includes, but is not be limited to, general cleanup and debris removal, inspections, stencilling, replacement and repairs. Annual photo documentation is scheduled to take place, along with silt removal as required. Depending on that year’s storm drain flow and the level of debris in the flow, a system cleaning may be required after the first rain and again during or at the end of the rainy season.

PART 2. Plans and Specifications for the improvements to be maintained for a fiscal year have been approved by the City of Perris. The improvements are identified on the plans and specifications prepared by Huitt-Zollars, Inc. that are entitled “Storm Drain Improvement Plans for Perris Ridge Commerce Center II, Indian Avenue, Rider Street & Perris Blvd., City of Perris, California”.

Benefit Zone 79 specifically benefits from the improvements identified on these plan and specifications as Line A and Line C. Benefit Zone 80 specifically benefits from the improvements labeled as Line B. The improvements are further described as follows:

Line A: catch basins, transitions structures, 8” PVC in medians, and 18”, 24” and 36” reinforced concrete pipes

Line B: catch basins, transitions structures, 8” PVC in medians, and 18” and 24” reinforced concrete pipes

Line C: catch basins, transitions structures, 8” PVC in medians, and 24” reinforced concrete pipes

The improvements labeled as Line D specially benefit other properties and are not to be maintained by or assessed to Benefit Zones 79 and 80. Reference is also made to the plans and specifications prepared by Thienes Engineering, Inc. for the Riverside County Flood Control and Water Conservation District that are entitled “Perris Valley MDP, Line “A-B”. The laterals shown on these plans that are to be maintained by the City of Perris specially benefit other properties and are not to be maintained by or assessed to Benefit Zones 79 and 80.

The plans and specifications have been approved by both the City Engineer for the City of Perris and the Chief Engineer for the Riverside County Flood Control and Water Conservation District and are on file in the City of Perris Office of Community Development. The plans and specifications sufficiently show and describe the general nature, location and extent of the improvements, and by reference, are hereby made a part of this report to the same extent as if said plans and specifications were attached hereto.
PART 3.

An Estimate of the cost for the public improvements to be maintained and/or improved for a given fiscal year includes labor, equipment, materials, and appurtenances. The estimated annual cost for maintenance of the facilities, by benefit zone, is listed below.

Incidentals and contingency costs include annual engineering, legal, City Clerk, and finance expenses to the District, including the processing of payments and the submittal of billings to the Riverside County Auditor for placement on the tax roll.

With service intervals and staggered maintenance operations, revenue requirements for maintenance will fluctuate year to year. Each year’s maintenance operations will be funded by that year’s assessment plus the fund balance remaining from prior year assessments.

A 6-month tax roll reserve provides funding for the cost of servicing and maintenance prior to the receipt of tax collections from the County of Riverside. The fiscal year begins July 1 and the first installment from the tax roll collections are usually distributed by the County of Riverside the following January. A 6-month tax roll reserve for the current maintenance of the flood control facilities and incidental costs is estimated to be $5,239.30 for Benefit Zone 79 and $1,573.00 for Benefit Zone 80.

When the improvements are accepted, the City of Perris will assume the expenses of maintaining the improvements twelve months from the acceptance date. Zero costs will be incurred for the fiscal year commencing July 1, 2014 to June 30, 2015.

PART 4

The Assessment Roll shows the proportionate amount of the assessment to be charged in proportion to the benefits to be received by each lot or parcel within the exterior boundaries of the Diagram, enclosed herein as Part 5.

The improvements to be maintained will accommodate the storm flow impacting PM 36462. The public flood control improvements to be maintained specifically benefits the area within the area of the annexation; and, the improvements are required for the approval of, and as a consequence of, development of this area.

It is noted that the maintenance of all storm drain facilities located within the inside property-line is the responsibility of the property owner.
The method of assessment is based on units, with one benefit unit assigned to each benefit zone. The current maximum annual assessment reflecting the reasonable cost of providing for the maintenance and servicing of the public improvements and appurtenant facilities, per benefit zone, is equal to the following:

Meeting Date: March 10, 2015

SUBJECT: City of Perris General Plan Housing Element, 2014 Annual Progress Report

REQUESTED ACTION: That the City Council approve the 2014 Annual Progress Report for the General Plan Housing Element.

CONTACT: Darren Madkin, Deputy City Manager

BACKGROUND/DISCUSSION:

On August 27, 2013, the City Council adopted the General Plan Housing Element for the planning period 2014-2021. The Housing Element establishes policies, procedures and incentives in its land use planning and redevelopment activities to guide the development, redevelopment and preservation of a balanced housing supply to adequately accommodate households currently living and expected to live in Perris. The Housing Element also outlines the City’s housing action plan, which is a series of actions and programs to be implemented through 2014 in order to meet its fair share contribution of housing needs for all income groups established by Regional Housing Needs Allocation (RHNA).

The City is required to prepare an annual report each year detailing the progress it has made during the prior year in meeting its Housing Element goals, pursuant to State law (Government Code Section 65400(b)). The annual progress report must be submitted to the California State Department of Housing and Community Development (HCD) and to the Governor’s Office of Planning and Research (OPR). The City’s 2014 annual progress report is attached, which further details the goals, policies, programs and implementation actions implemented in the previous year. The annual progress report covers the three areas of information outlined by HCD, which are listed as follows:

1) Progress in meeting regional housing needs. A total of 233 building permits were issued for new residential construction in 2014, of which (39) permits were issued for the Verano Apartments. Last year’s new building construction activities attributed to the low-moderate RHNA allocations.

2) The effectiveness of the Housing Element in attainment of the community’s goals and objectives. Attached Table C includes a program-by-program status report relative to implementation schedule and status as of 2014. The City of Perris 2014-2021 Housing Element was adopted in August 27, 2013. Measuring the effectiveness of programs is a continued implementation and will be reported in the next annual progress report.

3) Progress towards mitigating governmental constraints identified in the Housing Element. The City of Perris 2014-2021 Housing Element was adopted in August 27, 2013. Measuring the effectiveness of programs is a continued implementation and is reported in attached Table C.

City Staff is requesting that the City Council review and approve the attached 2014 Annual Progress Report. The annual progress report for year 2014 is due on April 1, 2015.

<tr>
<td>Action 2.9:</td>
<td>Pursuant to Government Code Section 65583, the City of Perris is obligated to remove potential and actual governmental constraints upon the maintenance, improvement, or development of housing for all income levels and for persons with disabilities. To address the needs of this population, the City amended the Zoning Code to adopt formal reasonable accommodation procedures. Reasonable accommodation provides a basis for residents with disabilities to request flexibility in the application of land use and zoning regulations or, in some instances, even a waiver of certain restrictions or requirements from the local government to ensure equal access to housing opportunities. The City will provide information regarding the City’s reasonable accommodation ordinance and make information on the program more widely available to residents.</td>
<td>Planning Department</td>
<td>Continued Implementation</td>
<td>City will continue to support reasonable accommodation procedures through the Senior Housing Overlay Zone.</td>
</tr>
<tr>
<td>Action 2.10:</td>
<td>Prioritize resources such as HOME funds, California Housing Finance Agency single-family and multi-family programs, HUD Section 208/811 loans, and HOPE II and III Homeownership programs for the development of rental projects that provide units with two or three bedrooms.</td>
<td>Planning Department/Housing Authority</td>
<td>Ongoing</td>
<td>The City was awarded $500,000.00 from the HOME program. These funds will provide down payment assistance to 3 or more first-time homebuyers. Construction is underway for Verano Apartment. The apartment complex consists of a maximum of forty (40) units, which includes one (1) resident manager’s unit and 27 2-bedroom units and 12 3-bedroom units. All residential units are restricted units for extremely low tenants, very low, and low income tenants.</td>
</tr>
<tr>
<td>Action 2.11:</td>
<td>To facilitate development of affordable housing to accommodate the 1,707 lower-income RHNA, the City adopted the Downtown Specific Plan in 2012 and identified approximately 95 acres of underutilized and vacant land. The Downtown Specific Plan utilizes a form-based approach to regulate land uses. This form-based Regulating Code focuses attention on the form, placement, and appropriate use of buildings (i.e. mass, height, site lay out) rather than traditional development standards such as minimum and maximum densities. Its design standards and guidelines promote an attractive and pedestrian-oriented environment. To demonstrate adequate sites for the City’s 4th cycle housing element update, the City included an adequate sites program (Action 2.11) to rezone sites within the Downtown Specific Plan for higher density residential uses. As these sites were to be rezoned to accommodate the City’s lower-income need the rezoned sites were required to be consistent with Sections 65583.2(h) and (i) and 65583(c)(1) (AB 2348) as follows: Require a minimum density of 20 units per acre; Ensure at least 50 percent of the lower-income need accommodated on sites designated for residential use only; and Permit owner-occupied and rental multifamily uses by-right, without a conditional use or other discretionary review or approval.</td>
<td>Planning Department</td>
<td>Continued Implementation</td>
<td>The City will pursue affordable housing projects to provide housing opportunities and meet RHNA fair share of City’s housing units.</td>
</tr>
</tbody>
</table>
While sites were rezoned, not all of statutory requirements of the adequate sites program requirements were addressed. To comply with AB 2348, at least 50 percent of the remaining lower income need (854 units) will be accommodated on sites designated for exclusively residential uses allowing a minimum 20 dwelling units per acre. To address this requirement the City has identified approximately 45 acres within the Urban Village district which can accommodate approximately 1,575 units and will be zoned exclusively for residential uses as identified in Appendix A, Map 4. To address minimum density requirements the City will ensure sites A through L, as identified in Section VII Housing Resources, as well as exclusively residential Urban Village district sites identified in Map 4 of Appendix A, are developed at a minimum density of 20 units per acre. If a parcel is developed at less than 20 units per acre, pursuant to Government Code Section 56863, the City will immediately identify and zone an alternative site with established minimum density requirements consistent with GC Section 65583.2(h) and (i). The City will report on the progress of development in the Downtown Specific Plan area in its annual progress reports required pursuant to Government Code Section 65400 and due on April 1st of each year. The inventory of available sites will also be made available to the development community through various outreach methods.

**Goal 3: Removal or mitigation of constraints to the maintenance, improvement and development of affordable housing, where appropriate and legally possible.**

**Action 3.1:** The City shall expedite and prioritize development processing time of applications for new construction or rehabilitation of housing for lower and moderate-income households and seniors. Expedited permit processing would allow complete development applications to be reviewed at an accelerated rate by City Staff in order to ensure that permit processing times do not create a potential constraint on the development of affordable units by adding to the overall cost of the project.

**Action 3.2:** Extremely low-income households and households with special needs have limited housing options. Housing types appropriate for these groups include transitional and supportive housing. To ensure consistency with the Perris Valley Airport Land Use Compatibility Plan, areas designated Airport Area I and II and within Compatibility Zones A, B1, B2 and C of the Airport Influence Area as mapped at www.rcaluc.org, will allow transitional and supportive housing subject to all applicable restrictions places on other residential uses permitted within those areas. The County offers a variety of housing assistance programs that can supplement the City’s current housing programs. 303300027-6 AND APPROVING THE OFFER TO PURCHASE
SAID PROPERTY FOR THE MINIMUM PURCHASE PRICE
PURSUANT TO SECTION 3698.5(A) OF THE REVENUE AND
TAXATION CODE, STATE OF CALIFORNIA

CONTACT: Eric Dunn, City Attorney

Background/Discussion:

The City of Perris has learned that property designated by the County Assessor as Assessor’s
Parcel Number 303300027-6, consisting of approximately 16.14 acres, will be advertised for tax
sale at public auction. The property is the hill south of Ramona Expressway in the Villages of
Avalon development.

Under Revenue and Taxation Code section 3695.4, the City may submit a written objection to
the sale of tax-defaulted property that is or may be needed for a public use, along with an
application to purchase the property and thereby halt the sale of the property at auction.

The minimum purchase price of $31,932.10 totals the defaulted taxes and assessments, along
with associated penalties. Should the City adopt the proposed Resolution, the City’s objection
and offer to purchase would be reviewed by the County Board of Supervisors for consideration
and approval, and an Agreement of Sale will be finalized between the City and County. The
Agreement of Sale must ultimately be approved by the State Controller’s Office.

The owner(s) of the property may redeem the property by paying back taxes and any associated
penalties and fees prior to the consummation of the sale either at public auction or the effective
date of the agreement to sell to a public entity such as the City.

The City Council has the opportunity to consider objecting to a tax-default public auction of the
subject property and to authorize filing an application to purchase the property from the County
for the price of $31,932.10.

Budget (or Fiscal) Impact:
The cost to purchase the subject property is $31,932.10. The City will also be required to pay for the
legal notices associated with the sale, which are estimated to be $1,051.75.

The term Consultant includes professionals performing in a consulting capacity. The parties hereto agree as follows:

The City has requested that two separate agreements be provided for the services that had been provided under the current Professional Services Agreement. This Agreement represents terms and conditions for the City’s “South Service Area.” A separate agreement has been prepared representing terms and conditions for the City’s “North Service Area.”

The City and Consultant acknowledge that the base fee provided under this Agreement is based on Consultant providing services to both the North Service Area and South Service Area using shared staffing and other resources, provided that the costs for providing such services shall be allocated appropriately between each Service Area.

1.0 SERVICES OF CONSULTANT

1.1 Scope of Services. In compliance with all terms and conditions of this Agreement, Consultant shall provide the work and services specified in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by this reference. Consultant warrants that all work or services set forth in the Scope of Services will be performed in a competent, professional and satisfactory manner.

1.2 Compliance with Law. All work and services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental agency having jurisdiction.

1.3 Licenses, Permits, Fees and Assessments. Consultant shall have the obligation to pay for any fees, assessments, taxes, including applicable penalties and interest, which may be imposed by law to the extent that same arise from any negligence or willful misconduct of Consultant in its performance of the services required by this Agreement; and shall indemnify, defend and hold harmless City against any claim for such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder. Prior to settlement or payment of any such fines, penalties or damages, the Consultant reserves the right to contest government or private actions, suits or proceedings for violations through administrative procedures or otherwise.

1.4 Familiarity with Work. By executing this Agreement, Consultant warrants that Consultant (a) has thoroughly investigated and considered the scope of services to be performed,
(b) has carefully considered how the work and services should be performed, and (c) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement.

1.5 Additional Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Consultant, incorporating therein any adjustment in (i) the Contract Sum, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Consultant. Any increase in compensation of up to five percent (5%) of the Contract Sum or $25,000, whichever is less, may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively must be approved by the City Council. It is expressly understood by Consultant that the provisions of this Section shall not apply to services specifically set forth in the Scope of Services or reasonably contemplated therein. Any reduction in the Scope of Services resulting in a decrease in of more than five percent (5%) of the annual contract value shall be subject to mutual agreement of the Parties and may require renegotiation of the annual contract value.

1.6 Special Requirements. Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

1.7 Environmental Laws. Consultant shall comply with all applicable environmental laws, ordinances, codes and regulations of Federal, State, and local governments. Consultant shall also comply with all applicable mandatory standards and policies relating to energy efficiency. In the event of any changes in applicable laws that increase Consultant's cost of performance, the parties shall negotiate in good faith to reach an agreement on any required adjustment in compensation hereunder. It is mutually understood between the parties that this Agreement is valid and enforceable only if sufficient funds are made available by the City Council of the City for the purposes of this Agreement. The availability of funding is affected by matters outside the City’s control, including other governmental entities. Accordingly, the City has the option to void the whole Agreement or to amend the Agreement, subject to Consultant’s agreement to any such amendment, to reflect unanticipated reduction in funding for any reason, provided that any termination of the Agreement shall be subject to the notice and termination payment provisions of Section 7.4.

The Contract Officer’s determination shall be final and conclusive upon the parties to this Agreement.

For purposes of this Agreement, the representative may not be replaced nor may his responsibilities be substantially reduced by Consultant without the express written approval of City.

4.2 Contract Officer. The City’s City Manager is hereby designated as the representative of the City authorized to act in its behalf with respect to the work and services and to make all decisions in connection therewith (“Contract Officer”). It shall be the Consultant’s responsibility to assure that the Contract Officer is kept informed of the progress of the performance of the services and the Consultant shall refer any decisions which must be made by City to the Contract Officer. The City may designate another Contract Officer by providing written notice to Consultant.

4.3 Prohibition Against Subcontracting or Assignment. The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred or assigned without the prior written approval of City. A prohibited transfer or assignment shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express written consent of City.

4.4 Independent Contractor. Neither the City nor any of its employees shall have any control over the manner or means by which Consultant, its agents or employees, perform the services required herein, except as otherwise set forth herein. Consultant shall perform all services required herein as an independent contractor of City and shall remain under only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturer or a member of any joint enterprise with Consultant.

The general liability policy shall name the City, its officers, employees and agents ("City Parties") as additional insureds and shall waive all rights of subrogation and contribution it may have against the City and the City's Parties and their respective insurers. All of said policies of insurance shall provide that said insurance may be not cancelled without providing ten (10) days prior written notice by registered mail to the City. In the event any of said policies of insurance are cancelled or amended, Consultant shall, prior to the cancellation or amendment date, submit new evidence of insurance in conformance with this Section 5.1 to the Contract Officer. No work or services under this Agreement shall commence until Consultant has provided City with Certificates of Insurance or appropriate insurance binders evidencing the above insurance coverage and said Certificates of Insurance or binders are approved by City.

Consultant agrees that the provisions of this Section 5.1 shall not be construed as limiting in any way the extent to which Consultant may be held responsible for the payment of damages to any persons or property resulting from Consultant's activities or the activities of any person or persons for which Consultant is otherwise responsible.

The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the Risk Manager of the City due to unique circumstances.

In the event that the Consultant is authorized to subcontract any portion of the work or services provided pursuant to this Agreement, the contract between the Consultant and such subcontractor shall require the subcontractor to maintain suitable and commercially reasonable insurance coverage, taking into account the scope and value of any such work provided by such subcontractor.

(a) **Indemnity for Professional Liability.** When the law establishes a professional standard of care for Consultant’s services, to the fullest extent permitted by law, Consultant shall indemnify, defend and hold harmless City and the City’s Parties from and against any and all third party losses, liabilities, damages, costs and expenses, including attorneys’ fees and costs to the extent same are caused by any negligent or wrongful act, error or omission of Consultant, its officers, agents, employees of subcontractors (or any entity or individual for which Consultant shall bear legal liability) in the performance of professional services under this Agreement.

(b) **Indemnity for Other Than Professional Liability.** Other than in the performance of professional services and to the full extent permitted by law, Consultant shall indemnify, defend and hold harmless City and City’s Parties from and against any liability (including liability for claims, suits, actions, losses, expenses or costs of any kind, whether actual, alleged or threatened, including reasonable attorneys’ fees, court costs, defense costs and expert witness fees), to the extent that same arise out of, in whole or in part, acts or omissions in the performance of this Agreement by Consultant or by any individual or entity for which Consultant is legally liable, including but not limited to officers, agents, employees or subcontractors of Consultant. Such liability of Consultant shall include but not be limited to any fines or penalties related to the operation and maintenance of the Facility.

6.0 **RECORDS AND REPORTS**

6.1 **Reports.** Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement.

6.2 **Records.** Consultant shall keep, and require subcontractors to keep, such books and records as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. The Contract Officer shall have reasonable access to such books and records at all times during normal business hours, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the City shall have access to such records in the event any audit is required.

Consultant may retain copies of such documents for its own use and Consultant shall have an unrestricted right to use
the concepts embodied therein. Any use of such completed documents by City for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant and the City shall indemnify the Consultant for all damages resulting therefrom.

7.0 ENFORCEMENT OF AGREEMENT

7.1 California Law. This Agreement shall be construed and interpreted both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Riverside, State of California, or any other appropriate court in such county, and Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

7.2 Retention of Funds. Consultant hereby authorizes City to withhold for a reasonable time any amount payable to Consultant under this Agreement, (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts which City may be liable to third parties, by reason of Consultant’s acts or omissions in performing or failing to perform Consultant’s obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, City may withhold from any payment due, without liability for interest because of such withholdings, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of the Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.3 Waiver. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary the other party's consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

7.4 Termination Prior to Expiration of Term. Either party may terminate this Agreement at any time, with or without cause, upon sixty (60) days' written notice to the other party. Upon receipt of any notice of termination, Consultant shall cease all work or services hereunder at the time specified in the notice, except as specifically approved by the Contract Officer. Consultant shall be entitled to compensation for the reasonable value of the work product actually produced prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation and City shall be entitled to reimbursement for any compensation paid in excess of the services rendered. Should City terminate this Agreement without cause prior to the expiration of the initial Term, then in addition to paying Consultant for the sixty (60) day period described above, City shall reimburse Consultant in a lump sum for the reasonable costs related to the severance of any new or additional employees who were hired by Consultant specifically to perform the services under this Agreement, provided that City shall not reimburse Consultant
for any costs arising out of any litigation or administrative claims filed by such employees. In
addition, if City terminates this Agreement in the first twelve (12) months, City shall reimburse
Consultant for the remaining lease payments of any new or additional vehicles that were leased
by Consultant specifically to perform the services under this Agreement, unless a vehicle is
redeployed by Consultant to another project, plus the unamortized balance of any Capital
Improvements financed or paid for by the Consultant as reflected on Consultant’s financial
statements.

7.5 Completion of Work After Termination for Default of Consultant. If termination
is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may,
after providing Consultant with notice and sixty (60) days to cure, take over the work and
prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to
the extent that the total cost for completion of the services required hereunder exceeds the
compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate
such damages), and City may withhold any payments to the Consultant for the purpose of set-off
or partial payment of the amounts owed the City as previously stated.

7.6 Attorneys’ Fees. If either party to this Agreement is required to initiate or defend
or made a party to any action or proceeding in any way connected with this Agreement,
including an action or proceeding initiated by either party, the prevailing party in such action or
proceeding, in addition to any other relief which may be granted, shall be entitled to reasonable
attorneys’ fees, whether or not the matter proceeds to judgment, and to all other reasonable costs
for investigating such action, taking depositions and discovery, including all other necessary
costs the court allows which are incurred in such litigation.

7.7 Arbitration. Should any dispute arise out of this Agreement, the Parties agree to
first pursue non-binding arbitration prior to instituting any legal action. Such arbitration shall
be conducted in Riverside County, California before a single arbitrator jointly selected and mutually
approved by the Parties. The arbitration shall be conducted in accordance with the American
Arbitration Association’s rule of commercial arbitration. The Parties shall share equally the fees
and expenses of the arbitration.

8.0 CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees. No officer or employee of the City
shall be personally liable to the Consultant, or any successor in interest, in the event of any
default or breach by the City or for any amount which may become due to the Consultant or to
its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest; City. No officer or employee of the City shall have any
financial interest in this Agreement nor shall any such officer or employee participate in any
decision relating to the Agreement which affects his financial interest or the financial interest of
any corporation, partnership or association in which he is interested, in violation of any State
statute or regulation.

8.3 Conflict of Interest; Consultant. Consultant warrants that it has not paid or given
and will not pay or give any third party any money or other consideration for obtaining this
Agreement. Consultant shall comply with all conflict of interest laws and regulations including, without limitation, City's Conflict of Interest Code which is on file in the City Clerk's office. Accordingly, should the City Manager determine that Consultant will be performing a specialized or general service for the City and there is substantial likelihood that the Consultant's work product will be presented, either written or orally, for the purpose of influencing a governmental decision, the Consultant and its officers, agents or employees, as applicable, shall be subject to the City's Conflict of Interest Code.

8.4 Covenant Against Discrimination. Consultant covenants that, by and for itself, its executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the performance of this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, marital status, national origin or ancestry.

9.0 MISCELLANEOUS PROVISIONS

9.1 Notice. Any notice or other communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaic, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer, City of Perris, 101 North “D” Street, Perris, CA 92570, and in the case of the Consultant, to the person at the address designated on the execution page of this Agreement. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

9.3 Integration; Amendment. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. This Agreement may be amended at any time by an instrument in writing signed by both parties.

9.4 Severability. Should a portion of this Agreement be declared invalid or unenforceable by a judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.5 Corporate Authority. The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly

Such liability of Consultant shall include but not be limited to any fines or penalties related to the operation and maintenance of the Facility.

the concepts embodied therein. Any use of such completed documents by City for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant and the City shall indemnify the Consultant for all damages resulting therefrom.

7.0 ENFORCEMENT OF AGREEMENT

7.1 California Law. This Agreement shall be construed and interpreted both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Riverside, State of California, or any other appropriate court in such county, and Consultant agrees to submit to the personal jurisdiction of such court in the event of such action.

7.2 Retention of Funds. Consultant hereby authorizes City to withhold for a reasonable time any amount payable to Consultant under this Agreement, (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of the Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.3 Waiver. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary the other party's consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

7.4 Termination Prior to Expiration of Term. Either party may terminate this Agreement at any time, with or without cause, upon sixty (60) days' written notice to the other party. Upon receipt of any notice of termination, Consultant shall cease all work or services hereunder at the time specified in the notice, except as specifically approved by the Contract Officer. Consultant shall be entitled to compensation for the reasonable value of the work product actually produced prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation and City shall be entitled to reimbursement for any compensation paid in excess of the services rendered. Should City terminate this Agreement without cause prior to the expiration of the initial Term, then in addition to paying Consultant for the sixty (60) day period described above, City shall reimburse Consultant in a lump sum for the reasonable costs related to the severance of any new or additional employees who were hired by Consultant specifically to perform the services under this Agreement, provided that City shall not reimburse Consultant
for any costs arising out of any litigation or administrative claims filed by such employees. In addition, if City terminates this Agreement in the first twelve (12) months, City shall reimburse Consultant for the remaining lease payments of any new or additional vehicles that were leased by Consultant specifically to perform the services under this Agreement, unless a vehicle is redeployed by Consultant to another project, plus the unamortized balance of any Capital Improvements financed or paid for by the Consultant as reflected on Consultant’s financial statements.

7.5 Completion of Work After Termination for Default of Consultant. If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after providing Consultant with notice and sixty (60) days to cure, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

7.6 Attorneys’ Fees. If either party to this Agreement is required to initiate or defend or make a party to any action or proceeding in any way connected with this Agreement, including an action or proceeding initiated by either party, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, shall be entitled to reasonable attorneys’ fees, whether or not the matter proceeds to judgment, and to all other reasonable costs for investigating such action, taking depositions and discovery, including all other necessary costs the court allows which are incurred in such litigation.

7.7 Arbitration. Should any dispute arise out of this Agreement, the Parties agree to first pursue non-binding arbitration prior to instituting any legal action. Such arbitration shall be conducted in Riverside County, California before a single arbitrator jointly selected and mutually approved by the Parties. The arbitration shall be conducted in accordance with the American Arbitration Association’s rule of commercial arbitration. The Parties shall share equally the fees and expenses of the arbitration.

8.0 CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

8.2 Conflict of Interest; City. 8.3 Conflict of Interest; Consultant. Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this
Agreement. Consultant shall comply with all conflict of interest laws and regulations including, without limitation, City's Conflict of Interest Code which is on file in the City Clerk's office. Accordingly, should the City Manager determine that Consultant will be performing a specialized or general service for the City and there is substantial likelihood that the Consultant's work product will be presented, either written or orally, for the purpose of influencing a governmental decision, the Consultant and its officers, agents or employees, as applicable, shall be subject to the City's Conflict of Interest Code.

Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 **Interpretation.** The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

9.3 **Integration; Amendment.** It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. This Agreement may be amended at any time by an instrument in writing signed by both parties.

9.4 **Severability.** Should a portion of this Agreement be declared invalid or unenforceable by a judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.5 **Corporate Authority.** The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly
authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other Agreement to which said party is bound.

Rent shall be paid at the address designated for notices or such other place as may be designated in writing by Lessor, without prior demand therefor, and without any deduction or offset whatsoever.

1.06 Utilities, Assessments, Taxes.

It is the intent of the parties that the Rent paid hereunder shall be absolutely net to the Lessor, and Lessee shall pay all costs, charges, assessments, taxes and obligations of every kind or nature against or relating to the Premises or the use, occupancy, operation, management, maintenance, ownership, or repair thereof which may arise or become due during the term. Without limiting the generality of the foregoing, Lessee shall pay all charges for utilities and services furnished to the Premises during the term, including but not limited to gas, electricity, heat, power, sewer, water, telephone, refuse collection, internet, all associated connection charges, and all similar utility bills taxed, levied, or charged upon the Premises. To the extent another Lessee operates on the Property, utilities to the Property shall be prorated based on hours of operation by the lessee's use of the Property. Lessee's initial hours of operation shall be Monday through Saturday from 8:00 am – 8:00 pm. Lessee shall notify Lessor immediately with respect to any change in hours of operation. Lessor hereby notifies Lessee that Lessee may be required to pay property taxes with respect to the Premises.

2.00 DEVELOPMENT OF THE PREMISES.

2.01 Construction of Improvements.
Lessor is not obligated to, and shall not, provide any additional improvements to the Premises. Lessee shall not construct any improvements on the Premises without Lessor's written consent, in Lessor's sole and absolute discretion.

2.02 Ownership of Improvements.

During the term of this Lease, title to all improvements constructed or placed on the Premises by Lessee, including buildings, structures, and other tenant improvements are and shall be vested in Lessee, but shall automatically become the property of Lessor upon the expiration or sooner termination of this Lease. Lessee shall have the right to retain any furniture or equipment or any personal property of Lessee not affixed to the buildings constructed on the Premises, all of which property (whether classified as real or personal property) shall be the property of Lessee.

2.03 Mechanics' Liens.

Lessee shall not permit any mechanic's, materialman's, contractor's, subcontractor's or other lien arising from any work or improvement, for any labor done, services performed, or materials, appliances, transportation, or power used or furnished, however it may arise, to stand against the Premises or any improvement thereon.

3.00 USE OF THE PREMISES.

3.01 Uses.

Lessee shall also have non-exclusive use of the hallways and restrooms as shown on the Floor Plan, and the parking lot adjacent to the Property (collectively, “Common Areas”). The Common Area shall include the rear of the building. The foregoing use shall be for Boys and Girls Club of Perris operations only and for no other purposes without Lessor’s written consent, in Lessor’s sole and absolute discretion. Lessee shall not have any right to reserve or otherwise designate parking spaces for the use of its agents, employees, members or patrons. Lessee shall coordinate use of the Common Areas with other tenants of the Property and Lessor. Lessee shall have no right to subdivide, separate, or partition the Premises. Breach of the provisions of the City’s Municipal Code or any conditions imposed on a particular use pursuant thereto shall be a material breach of this Lease and shall be valid and sufficient grounds for Lessor’s termination of this Lease.

The Premises shall be accessed on a sub-master key system. Lessee shall be issued a sub-master key to secure the Premises. Common Areas shall be accessible on a sub-master key. The Property is a public facility and is also used for the storage of city equipment.

Lessee shall indemnify and hold the Lessor
harmless against all actions, claims and damages by reason of (i) Lessee’s failure to perform the terms hereof; or (ii) Lessee’s non-observance or non-performance of any statute, ordinance, order, law, rule, regulation and/or governmental requirement related to Lessee’s use and occupancy of the Premises or the condition thereof.

3.03 Miscellaneous Restrictions.

Lessee agrees in using the Premises:

(a) Not to commit any waste or suffer any waste to be committed upon the Premises.

(b) Not to perform any acts or carry on any practices that may injure adjoining buildings or property or be a nuisance or menace to other persons or businesses in the area or disturb the quiet enjoyment of any person, nor to conduct or permit to be conducted any public or private nuisance on the Premises.

(c) Not to engage in any activity on or about the Premises that violates any “Environmental Law” (as defined below), and to promptly, at Lessee’s sole cost and expense, take all investigatory and/or remedial action required or ordered by any governmental agency or Environmental Law for clean-up and removal of any contamination involving any “Hazardous Material” (as defined below) created or caused by or under Lessee. The term “Environmental Law” shall mean any federal, state or local law, statute, ordinance or regulation pertaining to health, industrial hygiene or the environmental conditions on, under or about the Premises including, without limitation, (i) the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (“CERCLA”), 42 U.S.C. Sections 9601 et seq.; (ii) the Resource Conservation and Recovery Act of 1976 (“RCRA”), 42 U.S.C. Sections 6901 et seq.; (iii) California Health and Safety Code Sections 25100 et seq.; (iv) the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code Section 25249.5 et seq.; (v) the Federal Water Pollution Control Act, 33 U.S.C. Sections 1317 et seq.; (vi) California Water Code Section 1300 et seq.; and (vii) California Civil Code Section 3479 et seq., as such laws are amended and the regulations and administrative codes applicable thereto. The term “Hazardous Material” includes, without limitation, any material or substance which is (i) defined or listed as a “hazardous waste”, “extremely hazardous waste”, “restrictive hazardous waste” or “hazardous substance” or considered a waste, condition or pollution or nuisance under the Environmental Laws; (ii) petroleum or a petroleum product or fraction thereof; (iii) asbestos; and/or (iv) substances known by the State of California to cause cancer and/or reproductive toxicity. It is the intent of the parties hereto to construe the terms “Hazardous Materials” and “Environmental Laws” in their broadest sense. Lessee shall provide all notices required pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code Section 25249.5 et seq. Lessee shall provide prompt written notice to Agency of the existence of Hazardous Substances on the Site and all notices of violation of the Environmental Laws received by Lessee. Lessee’s obligations pursuant to this Section shall be referred to in this Lease as “Environmental Compliance”.

3.04 Maintenance of Property.
(a) **Duty of Lessee to Maintain.**

Lessee covenants and agrees for itself, its successors and assigns, and every successor in interest to the Premises or any part thereof, that Lessee shall be responsible for the maintenance of all interior improvements in a neat, clean, and sanitary condition, free from any accumulation of debris or waste materials. Lessee shall place all rubbish in authorized containers. Lessee shall also, together with other tenants of the Property, maintain the Common Areas in a neat, clean, and sanitary condition, free from any accumulation of debris or waste materials.

(b) **Right of Lessor to Maintain and Repair.**

If Lessee refuses, neglects, or fails to maintain and repair the Premises or Common Areas as required hereunder and to the reasonable satisfaction of Lessor as soon as reasonably possible after written demand, Lessor may enter the Premises and Common Areas at all reasonable times during normal business hours and perform said maintenance or make such repairs or perform any other act required to be performed by Lessee hereunder, without liability to Lessee for any loss or damage that may accrue to Lessee’s merchandise, fixtures, or other property or to Lessee’s business by reason thereof. In the event Lessor makes any repair or maintenance which Lessee has failed to do, then, within ten (10) days following Lessor’s written demand therefor, Lessee shall pay Lessor’s costs in performing such maintenance and making such repairs plus an amount equal to twenty percent (20%) of such cost for Lessor’s overhead. If Lessee fails to make such payment when due, the same shall accrue interest as provided in Section 6.03 and shall be a material breach of this Lease, subject to all rights and remedies herein.

(c) **Duty of Lessor to Maintain.**

Lessor covenants that Lessor shall be responsible for the maintenance of all exterior improvements on the Property. Lessor shall make all necessary replacements, repairs, and alterations to the Property, except Lessee shall be responsible for any damage arising out of Lessee’s use of the Premises.

3.05 **Rights of Access.**

(a) **Generally.**

Lessor or the authorized representatives of Lessor may, without prior written or oral notice to Lessee, enter the Premises at all reasonable times during usual business hours for the purposes of inspecting the same. In addition, as provided in Section 3.04, Lessor or its representatives may enter the Premises to make such repairs or reconstruction required or permitted pursuant to this Lease or to perform any work therein that may be necessary by reason of Lessee’s default under the terms of this Lease.

(b) **Public Improvements.**

Lessor, for itself and for the City of Perris and other public agencies, at their sole risk and expense, reserves the right to enter the Premises or any part thereof at all reasonable times during normal business hours with as little interference as possible for the purpose of construction, reconstruction, relocation, maintenance, repair or service of any public improvements or public
facilities located on the Premises. Any damage or injury to the Premises or to the improvements constructed thereon resulting from such entry shall be promptly repaired at the sole expense of the public agency responsible for the entry.

4.00 INDEMNIFICATION AND INSURANCE.

4.01 Insurance.

(a) Casualty.

If during the Lease Term, any improvement that may be constructed or placed on the Premises by Lessee or any trade fixtures shall be damaged or destroyed by fire or other insured casualty, Lessee shall, with all reasonable diligence, repair, reconstruct or replace such improvement. Any such repair, reconstruction or replacement shall be at the sole cost and expense of Lessee and, upon the completion thereof, shall be free and clear of all liens and encumbrances of any nature whatsoever, including mechanics’ and material men’s liens. If Lessee fails to commence such repair, reconstruction or replacement with all due speed and diligence, but in no event later than six (6) months following such casualty, Lessor shall have the right, without limitation, to collect all insurance proceeds subject to the rights of any leasehold mortgagee.

(b) Fire and Extended Coverage Insurance.

Throughout the Lease Term, Lessor shall, at its sole cost and expense, keep or cause to be kept insured for the mutual benefit of Lessor and Lessee all improvements located on or appurtenant to the Premises against loss or damage by fire and such other risks as are now or hereafter included. The amount of the insurance shall be sufficient to prevent either Lessee or Lessor from becoming a coinsurer under the provisions of the policy, but in no event shall the amount be less than eighty percent (80%) of the then actual replacement cost, excluding costs of replacing excavations and foundations, but without deduction for depreciation.

(c) Public Liability Insurance.

(d) Beginning on the Effective Date hereof and throughout the Lease Term, Lessee shall at its sole cost and expense keep or cause to be kept in force for the mutual benefit of Lessor and Lessee comprehensive broad form general public liability insurance against claims and liability for personal injury or death arising from the use, occupancy, disuse or condition of the Premises, improvements or adjoining areas or ways, or for property damage, in an amount not less than no less than $1,000,00.00 per occurrence for all covered losses, including bodily injury, death and property damage, and no less than $2,000,000.00 general aggregate. Defense costs must be paid in addition to limits.

(e) Other Insurance.
Lessee may procure and maintain any insurance not required by this Lease, but all such insurance shall be subject to all of the provisions hereof pertaining to insurance and shall be for the benefit of Lessor and Lessee.

(f) **Insurance Policy Form, Content and Insurer.**

All insurance required to be provided by Lessee by the express provisions hereof shall be carried only by responsible insurance companies licensed to do business by California, and with a minimum policy holder rating of “A” or “A+” and of financial category Class XI status or better in the most recent edition of Best’s Insurance Guide or similar rating system acceptable to Lessor. All such policies shall contain language, to the extent obtainable, to the effect that (i) any loss shall be payable notwithstanding any act of negligence of Lessor that might otherwise result in the forfeiture of the insurance, (ii) the insurer waives the right of subrogation against Lessor and against Lessor’s agents and representatives; (iii) the policies are primary and noncontributing with any insurance that may be carried by Lessor; and (iv) the policies cannot be cancelled or materially changed except after thirty (30) days notice in writing by the insurer to Lessor or Lessor’s designated representative. The general liability policy shall name Lessor, its officers, employees and agents ("City Parties") as additional insureds. Lessee shall furnish Lessor with copies of all such policies promptly on receipt of them, or with certificates evidencing the insurance. Lessor shall be named as an additional insured on all policies of insurance required to be procured by the terms of this Lease.

(g) **Failure to Maintain Insurance and Proof of Compliance.**

Lessee shall deliver to Lessor, in the manner required for notices, copies of certificates of all insurance policies required hereunder together with evidence satisfactory to Lessor of payment required for procurement and maintenance of each policy within the following time limits:

1. For insurance required at the commencement of this Lease, within thirty (30) days after commencement; and

2. For any renewal or replacement of a policy already in existence, at least ten (10) days before expiration or termination of the existing policy.

If Lessee fails or refuses to procure or maintain insurance as required hereby or fails or refuses to furnish Lessor with required proof that the insurance, has been procured and is in force and paid for, Lessor shall have the right, at Lessor's election and on five (5) days notice to Lessee, to procure and maintain such insurance. The premiums paid by Lessor shall be treated as added rent due from Lessee, with interest at the rate specified in Section 6.03, to be paid within ten (10) days after demand therefore by Lessor. Lessor shall give Lessee prompt notice of the payment of premiums, stating the amount paid and the names of the insurer or insurers.

(h) [The City Manager, by written consent, may waive or adjust the Lessee's insurance requirements herein following consultation with the City's Risk Manager.]

4.02 **Indemnification.**
(a) General.

Lessee shall indemnify Lessor, its officers, employees, and agents against, and will hold and save them and each of them harmless from, any and all actions, suits, claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions, or liabilities (herein “claims or liabilities”) that may be asserted or claimed by any person, firm, or entity arising out of or in connection with the work, operations, or activities of Lessee, its agents, employees, subcontractors, or invitees, hereunder, upon the Premises, whether or not there is current passive, or active negligence on the part of Lessor, its officers, agents, or employees and in connection therewith:

1. Lessee will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorneys’ fees incurred in connection therewith;

2. Lessee will promptly pay any judgment rendered against Lessor, its officers, agents, or employees for any such claims or liabilities arising out of or in connection with such work, operations, or activities of Lessee hereunder; and Lessee agrees to save and hold Lessor, its officers, agents, and employees harmless therefrom;

3. In the event Lessor, its officers, agents, or employees is made a party to any action or proceeding filed or prosecuted against Lessee for such damages or other claims arising out of or in connection with the work operation or activities of Lessee hereunder, Lessee agrees to pay to Lessor, its officers, agents, or employees, any and all costs and expenses incurred by Lessor, its officers, agents, or employees in such action or proceeding, including but not limited to legal costs and attorneys’ fees.

(b) Exceptions.

The foregoing indemnity shall not include the following claims or liabilities:

1. Those arising from the sole or gross negligence or willful misconduct of the Lessor, its officers, agents, or employees, who are directly responsible to Lessor.

2. Any arising from acts or omissions of the City, or those of its officers, agents or employees when acting in their governmental or public capacity or under color of such authority in fulfilling the duties of such officers, as distinct from their duties as Lessor hereunder, whether said acts or omissions occur on the Premises or within the public right of way or on public property.

(c) Additional Coverage.

Without limiting the generality of the foregoing, said indemnity shall include any liability arising by reason of:

1. Any claim made by any occupant, subtenant, assignee, employee, agent, visitor, invitee, or user of any portion of the Premises.
2. Any accident or other occurrence in or on the Premises or on any adjoining sidewalk causing injury to any person or property whatsoever;

3. Any failure of Lessee to comply with performance of all of the provisions of this Lease;

4. Lessee’s failure to prevent any employee or any invitee or any other person from entering upon or remaining in any place upon the Premises which is not safe and does not comply with all laws pertaining thereto as they may now or hereafter exist.

(d) **Loss and Damage.**

All property of Lessee kept or stored on the Premises shall be so kept or stored at the risk of Lessee. In the event that any subsurface soils condition, including environmental or soil contamination or hazard, results in loss or damage to Lessee, Lessor may subrogate to Lessee any rights which it may have to recover such losses or damages against any third parties who may have legal liability, but only to the extent of the actual losses or damages of Lessee.

(e) **Waiver of Subrogation.**

Lessee agrees that Lessee shall not make any claim against, or seek to recover from Lessor or its agents, servants, or employees, for any loss or damage to Lessee, or to any person or property, including without limitation, the property of others under the control of Lessee, and Lessee shall give notice to any insurance carrier of the foregoing waiver of subrogation, and obtain from such carrier, a waiver of right to recovery against Lessor, its agents and employees. In furtherance of the foregoing, Lessee agrees that in the event of a sale of the Premises by Lessor, the hereinabove waiver of subrogation shall continue in favor of the original Lessor hereunder, and any subsequent Lessor, and their respective successors and assigns.

5.00 **REMOVAL OF PREMISES.**

5.01 **Destruction of Premises.**

Should any of the buildings on the Premises be totally or substantially destroyed by an uninsured peril, so that all or a substantial portion of the Premises are unfit for the conduct of Lessee’s business, Lessee and Lessor each shall have the right, giving thirty (30) days’ prior notice to Lessor, to terminate this Lease with respect to the portion of the Premises so affected, and all rent and other charges with respect to such portion of the Premises shall be adjusted to the date of such destruction. This Lease shall remain in full force and effect with respect to the unaffected portion of the Premises. If Lessee and/or Lessor elects not to terminate this Lease as to any portion of the Premises affected by such destruction, the Lessor shall, within six (6) months, commence and diligently prosecute to completion the restoration of the destroyed buildings or improvements to a condition which will continue to fulfill the conditions, covenants, and requirements contained herein and Lessee shall continue operations in accordance with the terms hereof. Should the Premises, any part thereof, or any improvement thereon be totally or partially destroyed by an insured peril, the Lessor shall promptly cause the restoration of the destroyed improvements to their original condition and shall continue operations in accordance with the terms hereof if Lessor elects not to terminate the Lease.
6.00 ENFORCEMENT.

6.01 Default and Grounds For Termination Prior to Expiration of Term.

Lessor shall be entitled to declare a default of this Lease and terminate the Lease prior to the expiration of the term where Lessee fails to:

(a) Pay rent to Lessor, as rent is defined in Section 1.04;

(b) Procure or maintain insurance pursuant to Section 4.01 hereof;

(c) Discharge any mechanic's, materialman's, contractor's, subcontractor's or other lien as required by Section 2.03;

(d) Reimburse Lessor for any other loss, fee or charge which is responsibility of Lessee pursuant to this Lease;

(e) Pay charges for utilities and services as provided in Section 1.06;

(f) Comply with all applicable governmental statutes, ordinances, rules, regulations, orders and prior covenants and restrictions of record; provided that failure to so comply shall not be a default so long as Lessee is exercising any legal rights to protest or appeal such statute, rule, regulation, order or covenant and restriction, or so long as no official enforcement action has been commenced by the appropriate agency; or

(g) Perform any other material obligation of Lessee contained in this Lease.

Lessor shall also be entitled to declare a default of this Lease and terminate this Lease prior to the expiration of the Term where Lessee:

(1) Makes an unauthorized transfer of this Lease without the consent of Lessor; or

(2) Vacates or abandons the Premises.
6.02 Procedure For Termination and Opportunity to Cure.

Lessor may terminate the Lease by reason of the foregoing defaults where Lessor has given notice in writing to Lessee specifying the nature of the default and the corrective action required to be taken, and Lessee has not cured such default within thirty (30) days after receipt by Lessee of such notice, or, where the nature of the default is such that it cannot reasonably be cured within such thirty (30) days, then Lessee shall not be in default so long as Lessee commences the actions necessary for cure within such thirty (30) days and diligently prosecutes the same to completion.

Lessor may waive any default hereunder, but such waiver shall not be construed as a waiver of any other default. No acceptance of rent by Lessor or delay in enforcing any obligation shall be construed as a waiver of any default by Lessee. Except as required to protect against further damages, the injured party may not institute legal proceedings against the party in default until after giving the notice required in this Section.

6.03 Interest.

Lessee acknowledges that late payment by Lessee of rent or any sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Any rent or sums due hereunder paid after the due date shall accrue interest commencing ten (10) days following the due date at the rate of one percent (1%) per month or the legal rate, whichever is more, compounded monthly. The parties agree that the foregoing amounts represent a reasonable interest rate, and a fair and reasonable estimate of the cost that Lessor will incur by reason of such late payment. Acceptance of any late payment charge shall not constitute a waiver of any default nor prevent Lessor from exercising any other rights or remedies granted hereunder.

6.04 Surrender of Premises.

(a) General.

In the event of any termination of the Lease, whether by lapse of time, cancellation, forfeiture, default, or otherwise, Lessee shall immediately surrender and deliver the Premises to Lessor, and all rights and claims of Lessee in and to use and enjoyment of such Premises shall cease. Such termination shall not release the Lessee from any liability which accrued under this Lease to Lessor prior to such termination.

(b) Condition of Premises.

Except as otherwise provided in Section 5.01, upon said termination, Lessee shall surrender the Premises neat and clean, in good and tenantable condition, reasonable wear and tear excepted. Lessee shall do all work and make all repairs necessary to place the Premises in said condition at Lessee’s sole expense, and should Lessee fail to do such work and make such repairs after receipt of Lessor’s demand to do so, Lessor may perform such work, and Lessee shall reimburse Lessor for the expense thereof within ten (10) days after being invoiced therefor by Lessor.
(c) Removal of Property.

Upon termination, and provided Lessee is not in default hereunder, Lessee shall have the right to remove from the Premises all furniture, furnishings, fixtures, and equipment placed in the Premises, provided that Lessee shall make all repairs to the Premises required because of such removal. If any of such property shall remain in the Premises after the end of the term hereof, such property shall be and become, at the option of Lessor, the property of Lessor without any claim therein of Lessee; provided that Lessor may direct Lessee to remove such property and if Lessee fails to remove such when directed to do so by Lessor, then Lessor may remove such property and Lessee shall reimburse Lessor for the expense thereof within ten (10) days after being invoiced therefor by Lessor.

(d) Quitclaim Deed.

Upon termination, Lessee shall execute a quitclaim deed quitclaiming all of its right, title, and interest in and to the Premises to Lessor.

(e) Holding Over.

This Lease shall terminate and become null and void without further notice upon expiration of the term herein specified, and any holding over by Lessee after such expiration shall not constitute a renewal hereof or give Lessee any rights under this Lease. If Lessee fails to surrender the Premises, Lessee shall indemnify and hold Lessor harmless from all loss or liability, including any claims made by any succeeding tenant.

6.05 Legal Actions.

(a) Institution of Legal Actions.

In addition to any other rights or remedies, either party may institute legal action to cure, correct or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purpose of this Lease. Legal actions must be instituted and maintained in the Superior Court of the County of Riverside, State of California.

(b) Applicable Law and Forum.

The laws of the State of California shall govern the interpretation and enforcement of this Lease.

6.06 Rights and Remedies are Cumulative.

Except as otherwise expressly stated in this Lease, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.
6.07 Waiver.

Except as otherwise provided in this Lease, waiver by either party of the performance of any covenant, condition, or promise, shall not invalidate this Lease, nor shall it be considered a waiver of any other covenant, condition, or promise. Waiver by either party of the time for performing any act shall not constitute a waiver of time for performing any other act or an identical act required to be performed at a later time. The delay or forbearance by either party in exercising any remedy or right as to any default shall not operate as a waiver of any default or of any rights or remedies or to deprive such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

6.08 Attorney’s Fees.

If either party to this Lease is required to initiate or defend any action or proceeding in any way connected with this Lease, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to receive reasonable attorney’s fees from the other party. Attorney’s fees shall include attorney’s fees on any appeal, and in addition a party entitled to attorney’s fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

7.00 GENERAL PROVISIONS.

7.01 Time of Essence.

Time is of the essence of each and every covenant, term, condition, and provision of this Lease.

7.02 Nonliability of City Officials and Employees; Conflicts of Interest; Commissions.

(a) Personal Liability.

No member, official, employee, agent or contractor of Lessor shall be personally liable to Lessee in the event of any default or breach by Lessor or for any amount which may become due to Lessee or on any obligations under the terms of the Lease; provided, it is understood that nothing in this Section 7.02 is intended to limit Lessor’s liability.

7.03 **Assignment.**

Lessee shall not assign or transfer this Lease or any of Lessee's rights hereunder, or any interest in the Premises or in the improvements thereon, directly or indirectly, voluntarily or by operation of law, except as provided below, without the prior written approval of Lessor, and if so purposed to be transferred, the same shall be null and void.

7.04 **No Partnership.**

7.05 **Severability.**

If any covenant, term, condition, or provision of this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease shall be valid and enforceable to the fullest extent permitted by law unless that covenant, term, condition, or provision declared to be invalid is so material that its invalidity deprives either party of the basic benefit of their bargain or renders the remainder of this Lease meaningless.

Lessee shall provide prompt written notice to Agency of the existence of Hazardous Substances on the Site and all notices of violation of the Environmental Laws received by Lessee. Lessee’s obligations pursuant to this Section shall be referred to in this Lease as “Environmental Compliance”.

3.04 **Maintenance of Property.**
(a) **Duty of Lessee to Maintain.**

Lessee covenants and agrees for itself, its successors and assigns, and every successor in interest to the Premises or any part thereof, that Lessee shall be responsible for the maintenance of all interior improvements in a neat, clean, and sanitary condition, free from any accumulation of debris or waste materials. Lessee shall place all rubbish in authorized containers. Lessee shall also, together with other tenants of the Property, maintain the Common Areas in a neat, clean, and sanitary condition, free from any accumulation of debris or waste materials.

(b) **Right of Lessor to Maintain and Repair.**

If Lessee refuses, neglects, or fails to maintain and repair the Premises or Common Areas as required hereunder and to the reasonable satisfaction of Lessor as soon as reasonably possible after written demand, Lessor may enter the Premises and Common Areas at all reasonable times during normal business hours and perform said maintenance or make such repairs or perform any other act required to be performed by Lessee hereunder, without liability to Lessee for any loss or damage that may accrue to Lessee's merchandise, fixtures, or other property or to Lessee's business by reason thereof. In the event Lessor makes any repair or maintenance which Lessee has failed to do, then, within ten (10) days following Lessor's written demand therefor, Lessee shall pay Lessor's costs in performing such maintenance and making such repairs plus an amount equal to twenty percent (20%) of such cost for Lessor's overhead. If Lessee fails to make such payment when due, the same shall accrue interest as provided in Section 6.03 and shall be a material breach of this Lease, subject to all rights and remedies herein.

(c) **Duty of Lessor to Maintain.**

Lessor covenants that Lessor shall be responsible for the maintenance of all exterior improvements on the Property. Lessor shall make all necessary replacements, repairs, and alterations to the Property, except Lessee shall be responsible for any damage arising out of Lessee's use of the Premises.

3.05 **Rights of Access.**

(a) **Generally.**

Lessor or the authorized representatives of Lessor may, without prior written or oral notice to Lessee, enter the Premises at all reasonable times during usual business hours for the purposes of inspecting the same. In addition, as provided in Section 3.04, Lessor or its representatives may enter the Premises to make such repairs or reconstruction required or permitted pursuant to this Lease or to perform any work therein that may be necessary by reason of Lessee's default under the terms of this Lease.

(b) **Public Improvements.**

Lessor, for itself and for the City of Perris and other public agencies, at their sole risk and expense, reserves the right to enter the Premises or any part thereof at all reasonable times during normal business hours with as little interference as possible for the purpose of construction, reconstruction, relocation, maintenance, repair or service of any public improvements or public
facilities located on the Premises. Any damage or injury to the Premises or to the improvements constructed thereon resulting from such entry shall be promptly repaired at the sole expense of the public agency responsible for the entry.

4.00 INDEMNIFICATION AND INSURANCE.

4.01 Insurance.

(a) Casualty.

If during the Lease Term, any improvement that may be constructed or placed on the Premises by Lessee or any trade fixtures shall be damaged or destroyed by fire or other insured casualty, Lessee shall, with all reasonable diligence, repair, reconstruct or replace such improvement. Any such repair, reconstruction or replacement shall be at the sole cost and expense of Lessee and, upon the completion thereof, shall be free and clear of all liens and encumbrances of any nature whatsoever, including mechanics’ and material men’s liens. If Lessee fails to commence such repair, reconstruction or replacement with all due speed and diligence, but in no event later than six (6) months following such casualty, Lessor shall have the right, without limitation, to collect all insurance proceeds subject to the rights of any leasehold mortgagee.

(b) Fire and Extended Coverage Insurance.

Throughout the Lease Term, Lessor shall, at its sole cost and expense, keep or cause to be kept insured for the mutual benefit of Lessor and Lessee all improvements located on or appurtenant to the Premises against loss or damage by fire and such other risks as are now or hereafter included. The amount of the insurance shall be sufficient to prevent either Lessee or Lessor from becoming a co-insurer under the provisions of the policy, but in no event shall the amount be less than eighty percent (80%) of the then actual replacement cost, excluding costs of replacing excavations and foundations, but without deduction for depreciation.

(c) Public Liability Insurance.

(d) Beginning on the Effective Date hereof and throughout the Lease Term, Lessee shall at its sole cost and expense keep or cause to be kept in force for the mutual benefit of Lessor and Lessee comprehensive broad form general public liability insurance against claims and liability for personal injury or death arising from the use, occupancy, disuse or condition of the Premises, improvements or adjoining areas or ways, or for property damage, in an amount not less than no less than $1,000,000.00 per occurrence for all covered losses, including bodily injury, death and property damage, and no less than $2,000,000.00 general aggregate. Defense costs must be paid in addition to limits.

(e) Other Insurance.
Lessee may procure and maintain any insurance not required by this Lease, but all such insurance shall be subject to all of the provisions hereof pertaining to insurance and shall be for the benefit of Lessor and Lessee.

(f) **Insurance Policy Form, Content and Insurer.**

All insurance required to be provided by Lessee by the express provisions hereof shall be carried only by responsible insurance companies licensed to do business by California, and with a minimum policy holder rating of “A” or “A+” and of financial category Class XI status or better in the most recent edition of Best’s Insurance Guide or similar rating system acceptable to Lessor. All such policies shall contain language, to the extent obtainable, to the effect that (i) any loss shall be payable notwithstanding any act of negligence of Lessor that might otherwise result in the forfeiture of the insurance, (ii) the insurer waives the right of subrogation against Lessor and against Lessor’s agents and representatives; (iii) the policies are primary and noncontributing with any insurance that may be carried by Lessor; and (iv) the policies cannot be cancelled or materially changed except after thirty (30) days notice in writing by the insurer to Lessor or Lessor’s designated representative. The general liability policy shall name Lessor, its officers, employees and agents ("City Parties") as additional insureds. Lessee shall furnish Lessor with copies of all such policies promptly on receipt of them, or with certificates evidencing the insurance. Lessor shall be named as an additional insured on all policies of insurance required to be procured by the terms of this Lease.

(g) **Failure to Maintain Insurance and Proof of Compliance.**

Lessee shall deliver to Lessor, in the manner required for notices, copies of certificates of all insurance policies required hereunder together with evidence satisfactory to Lessor of payment required for procurement and maintenance of each policy within the following time limits:

1. For insurance required at the commencement of this Lease, within thirty (30) days after commencement; and

2. For any renewal or replacement of a policy already in existence, at least ten (10) days before expiration or termination of the existing policy.

If Lessee fails or refuses to procure or maintain insurance as required hereby or fails or refuses to furnish Lessor with required proof that the insurance, has been procured and is in force and paid for, Lessor shall have the right, at Lessor’s election and on five (5) days notice to Lessee, to procure and maintain such insurance. The premiums paid by Lessor shall be treated as added rent due from Lessee, with interest at the rate specified in Section 6.03, to be paid within ten (10) days after demand therefore by Lessor. Lessor shall give Lessee prompt notice of the payment of premiums, stating the amount paid and the names of the insurer or insurers.

(h) [The City Manager, by written consent, may waive or adjust the Lessee’s insurance requirements herein following consultation with the City’s Risk Manager.]

4.02 **Indemnification.**
(a) **General.**

Lessee shall indemnify Lessor, its officers, employees, and agents against, and will hold and save them and each of them harmless from, any and all actions, suits, claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions, or liabilities (herein "claims or liabilities") that may be asserted or claimed by any person, firm, or entity arising out of or in connection with the work, operations, or activities of Lessee, its agents, employees, subcontractors, or invitees, hereunder, upon the Premises, whether or not there is current passive, or active negligence on the part of Lessor, its officers, agents, or employees and in connection therewith:

1. Lessee will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorneys’ fees incurred in connection therewith;

2. Lessee will promptly pay any judgment rendered against Lessor, its officers, agents, or employees for any such claims or liabilities arising out of or in connection with such work, operations, or activities of Lessee hereunder; and Lessee agrees to save and hold Lessor, its officers, agents, and employees harmless therefrom;

3. In the event Lessor, its officers, agents, or employees is made a party to any action or proceeding filed or prosecuted against Lessee for such damages or other claims arising out of or in connection with the work operation or activities of Lessee hereunder, Lessee agrees to pay to Lessor, its officers, agents, or employees, any and all costs and expenses incurred by Lessor, its officers, agents, or employees in such action or proceeding, including but not limited to legal costs and attorneys’ fees.

(b) **Exceptions.**

The foregoing indemnity shall not include the following claims or liabilities:

1. Those arising from the sole or gross negligence or willful misconduct of the Lessor, its officers, agents, or employees, who are directly responsible to Lessor.

2. Any arising from acts or omissions of the City, or those of its officers, agents or employees when acting in their governmental or public capacity or under color of such authority in fulfilling the duties of such offices, as distinct from their duties as Lessor hereunder, whether said acts or omissions occur on the Premises or within the public right of way or on public property.

(c) **Additional Coverage.**

Without limiting the generality of the foregoing, said indemnity shall include any liability arising by reason of:

1. Any claim made by any occupant, subtenant, assignee, employee, agent, visitor, invitee, or user of any portion of the Premises.
2. Any accident or other occurrence in or on the Premises or on any adjoining sidewalk causing injury to any person or property whatsoever;

3. Any failure of Lessee to comply with performance of all of the provisions of this Lease;

4. Lessee’s failure to prevent any employee or any invitee or any other person from entering upon or remaining in any place upon the Premises which is not safe and does not comply with all laws pertaining thereto as they may now or hereafter exist.

(d) **Loss and Damage.**

All property of Lessee kept or stored on the Premises shall be so kept or stored at the risk of Lessee. In the event that any subsurface soils condition, including environmental or soil contamination or hazard, results in loss or damage to Lessee, Lessor may subrogate to Lessee any rights which it may have to recover such losses or damages against any third parties who may have legal liability, but only to the extent of the actual losses or damages of Lessee.

(e) **Waiver of Subrogation.**

Lessee agrees that Lessee shall not make any claim against, or seek to recover from Lessor or its agents, servants, or employees, for any loss or damage to Lessee, or to any person or property, including without limitation, the property of others under the control of Lessee, and Lessee shall give notice to any insurance carrier of the foregoing waiver of subrogation, and obtain from such carrier, a waiver of right to recovery against Lessor, its agents and employees. In furtherance of the foregoing, Lessee agrees that in the event of a sale of the Premises by Lessor, the hereinabove waiver of subrogation shall continue in favor of the original Lessor hereunder, and any subsequent Lessor, and their respective successors and assigns.

5.00 **REMOVAL OF PREMISES.**

5.01 **Destruction of Premises.**

Should any of the buildings on the Premises be totally or substantially destroyed by an uninsured peril, so that all or a substantial portion of the Premises are unfit for the conduct of Lessee’s business, Lessee and Lessor each shall have the right, giving thirty (30) days’ prior notice to Lessor, to terminate this Lease with respect to the portion of the Premises so affected, and all rent and other charges with respect to such portion of the Premises shall be adjusted to the date of such destruction. This Lease shall remain in full force and effect with respect to the unaffected portion of the Premises. If Lessee and/or Lessor elects not to terminate this Lease as to any portion of the Premises affected by such destruction, the Lessor shall, within six (6) months, commence and diligently prosecute to completion the restoration of the destroyed buildings or improvements to a condition which will continue to fulfill the conditions, covenants, and requirements contained herein and Lessee shall continue operations in accordance with the terms hereof. Should the Premises, any part thereof, or any improvement thereon be totally or partially destroyed by an insured peril, the Lessor shall promptly cause the restoration of the destroyed improvements to their original condition and shall continue operations in accordance with the terms hereof if Lessor elects not to terminate the Lease.
6.00 ENFORCEMENT.

6.01 Default and Grounds For Termination Prior to Expiration of Term.

Lessor shall be entitled to declare a default of this Lease and terminate the Lease prior to the expiration of the term where Lessee fails to:

(a) Pay rent to Lessor, as rent is defined in Section 1.04;

(b) Procure or maintain insurance pursuant to Section 4.01 hereof;

(c) Discharge any mechanic’s, materialman’s, contractor’s, subcontractor’s or other lien as required by Section 2.03;

(d) Reimburse Lessor for any other loss, fee or charge which is responsibility of Lessee pursuant to this Lease;

(e) Pay charges for utilities and services as provided in Section 1.06;

(f) Comply with all applicable governmental statutes, ordinances, rules, regulations, orders and prior covenants and restrictions of record; provided that failure to so comply shall not be a default so long as Lessee is exercising any legal rights to protest or appeal such statute, rule, regulation, order or covenant and restriction, or so long as no official enforcement action has been commenced by the appropriate agency; or

(g) Perform any other material obligation of Lessee contained in this Lease.

Lessor shall also be entitled to declare a default of this Lease and terminate this Lease prior to the expiration of the Term where Lessee:

(1) Makes an unauthorized transfer of this Lease without the consent of Lessor; or

(2) Vacates or abandons the Premises.
6.02 **Procedure For Termination and Opportunity to Cure.**

Lessor may terminate the Lease by reason of the foregoing defaults where Lessor has given notice in writing to Lessee specifying the nature of the default and the corrective action required to be taken, and Lessee has not cured such default within thirty (30) days after receipt by Lessee of such notice, or, where the nature of the default is such that it cannot reasonably be cured within such thirty (30) days, then Lessee shall not be in default so long as Lessee commences the actions necessary for cure within such thirty (30) days and diligently prosecutes the same to completion.

Lessor may waive any default hereunder, but such waiver shall not be construed as a waiver of any other default. No acceptance of rent by Lessor or delay in enforcing any obligation shall be construed as a waiver of any default by Lessee. Except as required to protect against further damages, the injured party may not institute legal proceedings against the party in default until after giving the notice required in this Section.

6.03 **Interest.**

Lessee acknowledges that late payment by Lessee of rent or any sums due hereunder will cause Lessor to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Any rent or sums due hereunder paid after the due date shall accrue interest commencing ten (10) days following the due date at the rate of one percent (1%) per month or the legal rate, whichever is more, compounded monthly. The parties agree that the foregoing amounts represent a reasonable interest rate, and a fair and reasonable estimate of the cost that Lessor will incur by reason of such late payment. Acceptance of any late payment charge shall not constitute a waiver of any default nor prevent Lessor from exercising any other rights or remedies granted hereunder.

6.04 **Surrender of Premises.**

(a) **General.**

In the event of any termination of the Lease, whether by lapse of time, cancellation, forfeiture, default, or otherwise, Lessee shall immediately surrender and deliver the Premises to Lessor, and all rights and claims of Lessee in and to use and enjoyment of such Premises shall cease. Such termination shall not release the Lessee from any liability which accrued under this Lease to Lessor prior to such termination.

(b) **Condition of Premises.**

Except as otherwise provided in Section 5.01, upon said termination, Lessee shall surrender the Premises neat and clean, in good and tenantable condition, reasonable wear and tear excepted. Lessee shall do all work and make all repairs necessary to place the Premises in said condition at Lessee’s sole expense, and should Lessee fail to do such work and make such repairs after receipt of Lessor’s demand to do so, Lessor may perform such work, and Lessee shall reimburse Lessor for the expense thereof within ten (10) days after being invoiced therefor by Lessor.
(c) **Removal of Property.**

Upon termination, and provided Lessee is not in default hereunder, Lessee shall have the right to remove from the Premises all furniture, furnishings, fixtures, and equipment placed in the Premises, provided that Lessee shall make all repairs to the Premises required because of such removal. If any of such property shall remain in the Premises after the end of the term hereof, such property shall be and become, at the option of Lessor, the property of Lessor without any claim therein of Lessee; provided that Lessor may direct Lessee to remove such property and if Lessee fails to remove such when directed to do so by Lessor, then Lessor may remove such property and Lessee shall reimburse Lessor for the expense thereof within ten (10) days after being invoiced therefor by Lessor.

(d) **Quitclaim Deed.**

Upon termination, Lessee shall execute a quitclaim deed quitclaiming all of its right, title, and interest in and to the Premises to Lessor.

(e) **Holding Over.**

This Lease shall terminate and become null and void without further notice upon expiration of the term herein specified, and any holding over by Lessee after such expiration shall not constitute a renewal hereof or give Lessee any rights under this Lease. If Lessee fails to surrender the Premises, Lessee shall indemnify and hold Lessor harmless from all loss or liability, including any claims made by any succeeding tenant.

6.05 **Legal Actions.**

(a) **Institution of Legal Actions.**

In addition to any other rights or remedies, either party may institute legal action to cure, correct or remedy any default, to recover damages for any default, or to obtain any other remedy consistent with the purpose of this Lease. Legal actions must be instituted and maintained in the Superior Court of the County of Riverside, State of California.

(b) **Applicable Law and Forum.**

The laws of the State of California shall govern the interpretation and enforcement of this Lease.

6.06 **Rights and Remedies are Cumulative.**

Except as otherwise expressly stated in this Lease, the rights and remedies of the parties are cumulative, and the exercise by either party of one or more of its rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.
6.07 Waiver.

Except as otherwise provided in this Lease, waiver by either party of the performance of any covenant, condition, or promise, shall not invalidate this Lease, nor shall it be considered a waiver of any other covenant, condition, or promise. Waiver by either party of the time for performing any act shall not constitute a waiver of time for performing any other act or an identical act required to be performed at a later time. The delay or forbearance by either party in exercising any remedy or right as to any default shall not operate as a waiver of any default or of any rights or remedies or to deprive such party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert, or enforce any such rights or remedies.

6.08 Attorney's Fees.

If either party to this Lease is required to initiate or defend any action or proceeding in any way connected with this Lease, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to receive reasonable attorney's fees from the other party. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

BACKGROUND/DISCUSSION:

At its meeting on January 27, 2015, the City Council of the City of Perris (the “City Council”), acting as Legislative Body of Community Facilities District No. 1-S (South Perris Public Services) (the “District”), adopted Resolution No. 4809 (“Resolution of Intention”), Declaring its Intention to Annex Certain Territory to the District and setting the date of the public hearing to March 10, 2015 as the date for conducting the hearing in connection with the annexation of territory to the District.

These actions were taken, as required by law, pursuant to a petition submitted to the sole property owner (the “Owner”) of the territory proposed for annexation to the District. The Owner, pursuant to the petition submitted concurrently with the Resolution of Intention, submitted a waiver concurrently herewith, waiving certain time periods and noticing requirements required by the Mello-Roos Community Facilities Act of 1982 (“the Act”) and the Elections Code of the State of California.

The holding of the Public Hearing and adopting of the resolutions submitted with this report and the conduct of this election will complete the annexation of territory to the District. The property owner has waived notice and the time period for conducting the election pursuant to the Act. The Clerk has not received any written protests prior to the hearing.
BUDGET / FISCAL IMPACT:

The Annexation of territory into the District increases the tax base to fund the public services to be provided to the residents and businesses within the District. The levy of the Special Tax will begin in the fiscal year for which a building permit was issued prior to March 1st of the previous fiscal year.

WHEREAS, the City Council (the "Council") of the City of Perris, California (the "City"), acting in its capacity as the legislative body (the "Legislative Body") of the Community Facilities District No. 1-S (South Perris Public Services) of the City of Perris (the "District"), on January 27, 2015, has heretofore adopted its Resolution No. 4809 (the "Resolution of Intention") stating its intention to annex certain territory (the "Property") as described therein to the District pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, (the "Act") being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California, and specifically Article 3.5 thereof, and calling a public hearing on the question of the proposed annexation of the Property to the District, including the levying of a special tax on the Property and all other matters as set forth in the Resolution of Intention; and

WHEREAS, a copy of the Resolution of Intention, incorporating a description and map of the proposed boundaries of the territory proposed for annexation to the District, stating the public services to be provided in and for the Property and a plan setting forth sharing of such services provided in common with the existing District, and specifying the special taxes to be levied within the Property and any alteration in the Rate and Method of Apportionment (as defined therein and incorporated herein by this reference) is on file with the City Clerk of the City; and

WHEREAS, the Resolution of Intention set March 10, 2015 as the date of the public hearing and to consider the question of the proposed annexation of the Property to the District, including the levying of a special tax on the Property and all other matters set forth in the Resolution of Intention and this Council held said public hearing as required by law; and

WHEREAS, notice of the public hearing was duly given as required by Section 53339.4 of the Act or has been duly waived by the property owner; and

WHEREAS, the public hearing was held on March 10, 2015; and

WHEREAS, at said hearing all persons not exempt from the special tax desiring to be heard on all matters pertaining to the annexation of the Property to the District, the levy of the special tax on the Property, and all other matters as set forth in the Resolution of Intention were heard and a full and fair hearing was held; and
WHEREAS, at the public hearing evidence was presented to the Legislative Body on the matters before it, and the Legislative Body at the conclusion of the hearing is fully advised as to all matters relating to the proposed annexation of the Property to the District, including the levy of the special tax on the Property; and

WHEREAS, it has now been determined that written protests have not been received by registered voters and/or property owners representing more than one-half (1/2) of the area of land proposed to be annexed to the District or within the original District; and

WHEREAS, there were not at least twelve (12) registered voters residing within the territory proposed to be annexed to the District during each of the ninety (90) days preceding the closing of the March 10, 2015 public hearing; and

WHEREAS, on the basis of the foregoing, the Legislative Body has determined at this time to proceed with the annexation of the Property to the District, and to call an election therein to authorize such annexation, including the levy of the special tax therein (as such tax is more particularly described in the Resolution of Intention) to pay for the public services proposed to be financed by the District;

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Perris, acting in its capacity as the Legislative Body of Community Facilities District No. 1-S (South Perris Public Services) of the City of Perris, California, as follows:

Section 1. That the above recitals are all true and correct.

Section 2. Written protests against the annexation of the Property to the District, or against the furnishing of specified services or the levying of a specified special tax within the District, have not been filed by fifty percent (50%) or more of the registered voters, or six (6) registered voters, whichever is greater, residing within the boundaries of the proposed annexation or within the existing District, nor by owners representing one-half (1/2) or more of the area of land proposed to be annexed to the District or of the existing District. All protests and objections, if any, are hereby overruled.

Section 3. The Legislative Body does declare the annexation of the Property to the existing District, to be known and designated as “Community Facilities District No. 1-S (South Perris Public Services) of the City of Perris, Annexation No. 5.” The Legislative Body hereby finds and determines that all prior proceedings taken with respect to the annexation of the Property to the District were valid and in conformity with the requirements of law, including the Act. This finding is made in accordance with the provisions of Section 53325.1 of the Act.

Section 4. The boundaries and parcels of land to be annexed and in which the public services are to be provided and on which the special taxes will be levied in order to pay the costs and expenses for said public services are generally described as all
that territory proposed to be annexed to the existing District is shown on a map as previously approved by the Legislative Body, said map designated “Annexation Map No. 5 to Community Facilities District No. 1-S, (South Perris Public Services),” a copy of which is on file in the office of the City Clerk and shall remain open for public inspection. The map of the proposed boundaries of Annexation No. 5 to the District has been recorded in the Office of the County Recorder of Riverside County, California in Book 77, Page 91 of the Book of Maps of Assessments and Community Facilities Districts (Document Number 2015-0045660).

Section 5. The Council finds that the Services, generally described as fire protection and suppression services, and ambulance and paramedic services, including all furnishings, equipment and supplies related thereto; police protection services, including, but not limited to, criminal justice services, including all furnishings, equipment and supplies related thereto; park maintenance services, including all furnishings, equipment and supplies related thereto, as set forth in Exhibit “B” hereto, are necessary to meet the increased demand put upon the City as a result of the development within the District.

Section 6. Except where funds are otherwise available, a special tax is hereby authorized, subject to the approval of the landowners as the eligible electors of the District, to levy annually in accordance with procedures contained in the Act, a special tax within the District, secured by recordation of a continuing lien against all nonexempt real property in the District, sufficient to pay for the Services and Incidental Expenses. The rate and method of apportionment and manner of collection of the special tax within the District is described in detail in Exhibit “A” attached hereto and incorporated herein by this reference. Exhibit “A” allows each landowner within the District to estimate the maximum amount that may be levied against each parcel.

Section 7. The Rate and Method of Apportionment of the special tax is based on the expected demand that each parcel of real property within the District will place on the Services, on the cost of making the Services available to each parcel within the Property, and on other factors. The Council hereby determines the rate and method of apportionment of the special tax set forth in Exhibit “A” to be reasonable. The special tax is apportioned to each parcel on the foregoing basis pursuant to Section 53325.3 of the Act and such special tax is not based upon the value or ownership of real property. In the event that a portion of the property within Community Facilities District No. 1-S shall become for any reason exempt, wholly or partially, from the levy of the special tax specified on Exhibit “A,” the Council shall, on behalf of Community Facilities District No. 1-S, cause the levy to be increased, subject to the limitation of the maximum special tax for a parcel as set forth in Exhibit “A,” to the extent necessary upon the remaining property within the District which is not delinquent or exempt in order to yield the special tax revenues required for the purposes described herein. The obligation to pay special taxes may be prepaid as set forth in Exhibit “A.” Upon recordation of a notice of special tax lien pursuant to Streets and Highways Code Section 3114.5, continuing lien to secure each levy of the special tax will attach to all nonexempt parcels within the Property and the lien shall continue in force and effect until the special tax obligation is
permanently satisfied and the lien canceled in accordance with the law or until collection of the special tax by the Legislative Body ceases.

Section 8. Pursuant to Section 53325.7 and 53326 of the Act, a special election is hereby called on behalf of the District on the proposition of levying the special tax on the territory within Annexation No. 5 to the District and establishing an appropriations limit therein. The proposition relating to the District authorizing the levy of the special tax on the Property and establishing an appropriations limit shall be substantially in the form attached hereto as Exhibit "C."

Section 9. The special election for the District on the proposition of authorizing the levy of the special tax on the Property and establishing an appropriations limit shall be held on March 10, 2015.

Section 10. It is hereby found that there were not at least twelve (12) registered voters that resided within the territory of the proposed Annexation No. 5 during each of the ninety (90) days preceding the closing of the March 10, 2015 public hearing regarding the levy of the special tax on the territory within Annexation No. 5 and establishing an appropriations limit therein and, pursuant to Section 53326 of the Act, the ballots for the special election shall be distributed by personal service, or by mail, with return postage prepaid, by the Election Official, to the landowners of record within the District as of the close of the public hearing. Each landowner shall have one (1) vote for each acre or portion thereof that he or she owns within the District, as provided in Section 53326 of the Act and may return the ballot by mail or in person to the Election Official not later than 6:00 p.m. on March 10, 2015, or 6:00 p.m. on another election day mutually agreed to by the Election Official and the landowners. In accordance with Section 53326(d) of the Act, the election shall be closed and the results certified by the Election Official as soon as all qualified electors have voted.

Section 11. If two-thirds (2/3) of the votes cast upon the question of levying such special tax and establishing such appropriations limit are cast in favor of levying such special tax within the District as determined by the Legislative Body after the canvass of the returns of such election, the Legislative Body may levy such special tax within the District under the Act in the amount and for the purposes as specified in this Resolution. Such special tax may be levied only at the rate and may be apportioned only in the manner specified in this Resolution, subject to the Act, except that the special tax may be levied at a rate lower than that specified herein and the maximum annual tax rate may be lowered. Such special tax may be levied so long as it is needed to pay for the financing of the services.

Section 12. If special taxes of the District are levied against any parcel used for private residential purposes, (i) the maximum special tax rate shall not be increased over time except that it may be increased by an amount not to exceed two percent (2.00%) per year to the extent permitted in the rate and method of apportionment; (ii) such tax shall be levied in perpetuity, as further described in Exhibit "A" hereto; and (iii) under no circumstances will such special tax be increased more than ten percent (10%)
as a consequence of delinquency or default by the owner of any other parcels within the District by more than ten percent.

**Section 13.** In the event that a portion of the property in the District shall become for any reason exempt, wholly or partially, from the levy of the special tax specified in Exhibit “A” the Council shall, on behalf of the District, increase the levy to the extent necessary upon the remaining property within the District which is not delinquent or exempt in order to yield the required payments, subject to the maximum tax.

**Section 14.** The Council finds that there is not an ad valorem property tax currently being levied on property within the proposed District for the exclusive purpose of financing the provision of the same services to the territory of the District as provided by the Services.

**Section 15.** An appropriations limit for the District is hereby established as an amount equal to all the proceeds of the special tax collected annually and as defined by Article XIIIB of the California Constitution, as adjusted for changes in the cost of living and changes in population.

**Section 16.** The Elections Official shall cause to be published once in a newspaper of general circulation the text of Proposition A, along with a description of the election proceedings. The publication shall also state that only the qualified electors in the District may vote on the proposition and that the canvass of the election will take place in the office of the City Clerk following the close of the election. Pursuant to the petition and request, the publication of such notice has been waived by the property owner.

**Section 17.** The District shall constitute a single election pursuant for the purpose of holding said election. Following the close of the election, the election shall be canvassed at the office of the City Clerk, 101 North “D” Street, Perris, California 92570.

**Section 18.** The Office of the City Manager, 101 North “D” Street, Perris, California 92570, (909) 943-6100, or its designee, is designated to be responsible for preparing annually a current roll of special tax levy obligations by assessor’s parcel number and for estimating future special tax levies pursuant to Section 53340.2 of the Government Code.

**Section 19.** Pursuant to and in compliance with the provisions of Government Code Section 50075.1, the Legislative Body hereby establishes the following accountability measures pertaining to the levy by the District of the Special Tax described in Section 6 above:
A. Such Special Tax with respect to the District shall be levied for the specific purposes set forth in and Section 5 hereof and Proposition A referred to herein.

B. The proceeds of the levy of such Special Tax shall be applied only to the specific purposes set forth in Section 5 hereof and Proposition A referred to herein.

C. The District shall establish an account or accounts into which the proceeds of such Special Tax shall be deposited.

D. The City Manager or Finance Director, or his or her designee, acting for and on behalf of the District, shall annually file a report with the City Council as required pursuant to Government Code Section 50075.3.

Section 20. The City Clerk is directed to certify and attest to this Resolution, and to take any and all necessary acts to call, hold, canvass and certify an election or elections on the levy of the special tax, and the establishment of the appropriation limit.

Section 21. This Resolution shall take effect immediately upon its adoption.
ADOPTED, SIGNED and APPROVED this 10th day of March, 2015.

1. **Escalation of Maximum Special Tax**

Each Fiscal Year following the Base Year, the Maximum Special Tax Rate shall be increased in accordance with the Annual Tax Escalation Factor and otherwise adjusted as provided in this rate and method of apportionment.

2. **Multiple Land Use Classes**

In some instances an Assessor's Parcel of Developed Property may contain more than one Land Use Class. The Maximum Special Tax levied on an Assessor’s Parcel shall be the sum of the Maximum Special Taxes for all Land Use Classes located on that Assessor’s Parcel. For an Assessor’s Parcel that contains both Residential Property and Non-Residential Property, the Acreage of such Assessor’s Parcel shall be allocated to each type of property based on the amount of Acreage designated for each Land Use Class as determined by reference to the site plan approved for such Assessor’s Parcel. The CFD Administrator’s allocation to each type of property shall be final.
D. **Method of Apportionment**

For each Fiscal Year the Council shall determine the Annual Costs and levy the Special Tax, until the amount of Special Taxes equals the Annual Costs. The Special Tax shall be levied each Fiscal Year as follows:

**First:** Calculate the available Special Tax revenues by taxing each Assessor's Parcel of Taxable Property at 100% of its Maximum Special Tax. If revenues are greater than the Annual Costs, then reduce the Special Tax proportionately against all Assessor's Parcels until the tax levy is set at an amount sufficient to cover the Annual Costs.

**Second:** Levy on each Assessor's Parcel of Taxable Property the amount calculated above. No Special Tax shall be levied on Exempt Property.

The City shall make every effort to correctly assign the number of taxable units and calculate the Special Tax for each Assessor's Parcel. It shall be the burden of the landowner to correct any errors in the determination of the Assessor's Parcels subject to the tax and their Special Tax assignments.

E. **Collection of Special Taxes**

Collection of the Special Tax shall be by the County in the same manner as *ad valorem* property taxes and the Special Tax shall be subject to the same penalties and the same lien priority in the case of delinquency as *ad valorem* taxes; provided, however, that the Council may provide other means of collecting the Special Tax if necessary to meet its financial obligations, including direct billings to the property owners.

F. **Administrative Changes and Appeals**

Any landowner who pays the Special Tax and claims the amount of the Special Tax levied on his or her Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error not later than twelve months after first having paid the first installment of the Special Tax that is disputed. If following such consultation, the CFD Administrator determines that an error has occurred, the CFD Administrator may amend the amount of the Special Tax levied on such Assessor's Parcel. If following such consultation and action, if any by the CFD Administrator, the landowner believes such error still exists, such person may file a written notice with the City Manager or designee of the City appealing the amount of the Special Tax levied on such Assessor's Parcel. Upon the receipt of such notice, the City Manager or designee may establish such procedures as deemed necessary to undertake the review of any such appeal. The City Manager or designee thereof shall interpret this Rate and Method of
Apportionment and make determinations relative to the administration of the Special Tax and any landowner appeals. The decision of the City Manager or designee shall be final and binding as to all persons.

Interpretations may be made by Resolution of the Council for purposes of clarifying any vagueness or ambiguity as it relates to the Special Tax rate, the method of apportionment, the classification of properties, or any definition applicable to the District.

G. **Term of Special Tax**

The Special Tax shall be levied annually in perpetuity, unless terminated earlier by the Council.

CONTACT: Ron Carr, Assistant City Manager
BACKGROUND/DISCUSSION:

1. Formation of the District and Issuance of the Prior District Bonds

Community Facilities District No. 2005-2 (Harmony Grove) of the City of Perris (the “District”) was formed on May 31, 2005, pursuant to Resolution No. 3412, after an election held pursuant to the Mello-Roos Community Facilities Act of 1982. The City also approved the levy of a special tax pursuant to a rate and method of apportionment (the “RMA”) and Resolution No. 3414 and Ordinance No. 1165.

The District is authorized to issue $16,500,000 in bonds. On November 17, 2005, the City Council, acting as legislative body of the District, issued special tax bonds (the “Prior District Bonds”), designated as Community Facilities District No. 2005-2 (Harmony Grove) of the City of Perris Special Tax Revenue Bonds, 2005 Series A, in the principal amount of $14,740,000, of which $13,290,000 remain outstanding. The Prior District Bonds are secured by special tax revenue generated within the District.

2. The Refunding Bonds

In order to refund and/or cancel the Prior District Bonds, the City Council, acting as the legislative body of the District, will approve the delivery of its Community Facilities District No. 2005-2 (Harmony Grove) of the City of Perris Special Tax Refunding Bonds, 2015 Series (the “District Bonds”) in a principal amount not to exceed $14,000,000.

The District Bonds will be secured by special taxes levied within the District, pursuant to the RMA. The District Bonds will be sold to the Perris Joint Powers Authority (the “Authority”), and the proceeds of that sale will be used to refund and discharge the Prior District Bonds.

The Authority proposes to issue its Local Agency Revenue Bonds (CFD No. 2005-2 Refunding), 2015 Series A, in an aggregate principal amount not to exceed $14,000,000 (the “Authority Bonds”). The Authority will use the proceeds of the Authority Bonds to purchase the District Bonds, pay certain costs of issuance and fund reserve funds in connection with the issuance. The Prior District Bonds will then be cancelled. The costs of issuance will be around $242,000 for the Authority Bonds and approximately $67,600 for the District Bonds.

Adoption of the attached resolutions will authorize (a) the issuance of the District Bonds in a principal amount not to exceed $14,000,000, (b) the issuance of the Authority Bonds in a principal amount not to exceed $14,000,000, and (c) the discharge, pay-off, and/or cancellation of the Prior District Bonds. The resolutions will also authorize the execution and delivery of the documents described below.
3. **Savings from the Refunding**

Staff has examined the Prior District Bonds and determined that this refunding is advantageous to effect savings on special taxes. The financial advisor expects a total savings of $3,374,474, or approximately (on average) $8,927 per property owner will be achieved. This comes out to an average savings of $435 per property owner per year. This represents an overall savings of 12.026%.

These amounts are calculated by the Financial Advisor based on market conditions at the time of calculation, and are subject to change depending on the market prior to issuance. However, the attached resolutions contain a maximum interest rate of 5.25% to insure sufficient savings are generated.

4. **The Documents for the Refunding**

Each document required for the refunding will be executed or entered into pursuant to the resolutions. The attached resolutions authorize the officers of the City and the Authority to execute or enter into these documents and other agreements needed to accomplish the purposes set forth herein. All of the documents are or will be on file with the City Clerk and Secretary of the Authority.

The following documents must be executed in order to complete the refunding:

**Fiscal Agent Agreement:** The District Bonds will be issued pursuant to a Fiscal Agent Agreement between the District and U.S. Bank National Association as fiscal agent. The Fiscal Agent Agreement describes the terms of the District Bonds, as well as provisions relating to the redemption, prepayment, defeasance, default and amendment of or to the District Bonds, including conditions under which delinquent property owners will be subject to foreclosure.

**Escrow Agreement:** The Prior District Bonds will be refunded pursuant to an Escrow Deposit and Trust Agreement (the "Escrow Agreement") between the Authority, the District, and U.S. Bank National Association as Escrow Agent. The Escrow Agreement describes the deposit of money and requirements to pay off or cancel the Prior District Bonds.

**Commitment Agreement:** The District Bonds will be sold to the Authority pursuant to the terms of the Commitment Agreement for the Purchase and Sale of Local Obligation Bonds by and between the District and the Authority.

**Indenture:** The Authority Bonds will be issued pursuant to an Indenture of Trust, by and between the Authority and U.S. Bank National Association, as trustee. The Indenture will describe the terms of the Authority Bonds, redemption provisions, defeasance provisions and security provisions. The security for the Authority Bonds will be the District Bond payments and certain funds and moneys described in the Indenture.
**Purchase Contract:** The Authority bonds will be sold to O' Connor & Company Securities, Inc. (the "Underwriter") pursuant to the terms of a Purchase Contract among the Authority, the District and the Underwriter. The parameters set forth in the Resolution for the Sale included a not-to-exceed interest rate of 5.25% and a not-to-exceed Underwriter's discount of 2%.

The Purchase Contract includes representations of the District, including:

- The District was duly organized, is validly existing, has full legal rights to carry out the refinancing, and is not currently in violation of any law or other obligation that may have an adverse effect on the District's ability to issue or otherwise meet its obligations for the District Bonds, including creation of any lien or encumbrance on the property of the District;

- The District does not knowingly lack any authorizations, approvals, licenses, permits consents, and orders required to fully meet its obligations for the issuance of the District Bonds;

- As of the date the District enters into the Purchase Contract, there is no outstanding litigation, inquiry, or investigation at law or in equity pending or threatened that will affect the ability to issue or deliver the District Bonds, or otherwise affecting the ability to levy the special taxes securing the Bonds, nor is there any basis for litigation, inquiry, or investigation;

- As of the date thereof, the Preliminary Official Statement (described below) does not contain any false statements or omissions of material fact that are otherwise misleading to bond purchasers; and

- To the extent some event occurs that renders some material statement in the Official Statement false, or if a fact comes to light that is material and not present in the Official Statement, the District will prepare and pay for a supplement or amendment addressing this fact.

The Purchase Contract contains similar representations of the Authority.

**Official Statement:** The Authority Bonds will also be sold through distribution of the Preliminary Official Statement and the Official Statement to investors. The Official Statement describes the bonds, the relative risks associated with the purchase and other necessary information pertinent to investors. This includes representations related to the security and finances of the City.

The Authority and the District are required to review the Official Statement and make sure it provides to bondholders all material information relevant to the Bonds. The Preliminary Official Statement is included with this report. Material found within the official statement is subject to Rule 15c2-12 of the Securities Exchange Act of 1934 and other laws regulating material misstatements and omissions.
**Continuing Disclosure Agreement:** The District will enter into a continuing disclosure agreement for the purpose of complying with continuing disclosure obligations under Rule 15c2-12 of the Securities Exchange Act of 1934. Willdan Financial Services will serve as Dissemination-Agent thereunder.

The closing date will be on or around April 9, 2015 with the defeasance occurring at closing and pay-off approximately 30 days later. The refunding will constitute a current refunding for the purposes of the federal tax law. Staff recommends the adoption of the two resolutions related to the transaction.

---

**BUDGET (or FISCAL) IMPACT:**

None. Costs will be paid from special taxes or from the proceeds of the bonds.

Section 4. The form of the Fiscal Agent Agreement, a copy of which is on file with the City Clerk, be and is hereby approved in substantially the form thereof or with such changes as may be approved by the Mayor, City Manager, Assistant City Manager or Finance Director (each, an "Authorized Officer"), said Authorized Officer's execution thereof to constitute conclusive evidence of said Authorized Officer's approval of all such changes, and each of said Authorized Officers be and is hereby authorized, together or alone to execute and deliver said Fiscal Agent Agreement. The City Clerk or a duly authorized Deputy or Assistant City Clerk (the "City Clerk") is hereby authorized to attest to said Authorized Officer's signature.

Section 5. Section 8. The form of the Continuing Disclosure Agreement executed and delivered by the District and Willdan Financial Services, as Dissemination Agent thereunder, a copy of which is on file with the City Clerk (the "Continuing Disclosure Agreement"), be and is hereby approved in substantially the form thereof or with such changes as may be approved by an Authorized Officer, said Authorized Officer's execution thereof to constitute conclusive evidence of said Authorized Officer's approval of all such changes, and each Authorized Officer be and is hereby authorized, together or alone, to execute and deliver said Agreement.

The final Official Statement relating to the District Bonds shall be submitted to an Authorized Officer for approval.

The form of the Escrow Deposit and Trust Agreement, by and among the Authority, the District, and U.S. Bank National Association, as Escrow Agent (the "Escrow Agreement"), a form of which is on file with the City Clerk, be and is hereby approved in substantially the form thereof or with such changes as may be approved by an Authorized Officer, said Authorized Officer's execution thereof to constitute conclusive evidence of said Authorized Officer's approval of all such changes, and each of said Authorized Officers be and is hereby authorized, together or alone to execute and deliver said Escrow Agreement.
Section 11. In accordance with the requirements of Section 53345.8 of the Act, the legislative body of the District hereby determines that the value of the real property within the District subject to the respective special taxes to pay debt service on the District Bonds is not less than three times the principal amount of the respective District Bonds and the principal amount of all other bonds outstanding that are secured by a special tax levied pursuant to the Act or a special assessment levied on property within the District. This determination is based on the assessed value of the real property within the District as shown in the records of the County. The District has not prepared an appraisal in connection with the refinancing of the District because the District has already been developed, and therefore, the City waives any requirement in the City's policies related to an appraisal.

Section 12. The City Council approves of the financing and hereby finds that significant public benefits exist in undertaking the financing in accordance with the criteria set forth in Government Code Section 6586, including demonstrable savings in effective interest rate.

SECRETARY
CITY COUNCIL
AGENDA SUBmittAL

Meeting Date: March 10, 2015

SUBJECT: Street Vacation 13-09-0010 – A proposal to vacate a 100’-foot section of 6th Street, between “C” Street and “D” Street, to facilitate construction to the future Downtown Perris Metrolink Station. Applicant: Riverside County Transportation Commission.

REQUESTED ACTION: ADOPT a Resolution (next in order) approving a street vacation of a 100-foot section of 6th Street, between “C” Street and the “D” Street to facilitate construction of the Downtown Metrolink Station.

CONTACT: Clara Miramontes, Director of Development Services

BACKGROUND/DISCUSSION:

RCTC (Riverside County Transportation Commission) is requesting a Street Vacation to vacate a 100-foot section of 6th Street, between “C” Street and “D” Street within the Downtown area to match the width of the existing Railway right-of-way to the south. The portion of 6th Street to be vacated is currently a 60’ foot wide improved street that provides east west access from “C” Street and “D” street with no utility easements. Also, the Street Vacation will not include the proposed future 6th street cul-de-sac right-of-way to east of the vacation. Overall, the Street Vacation is required to facilitate construction and provide pedestrian and vehicular access to the future Downtown Perris Metrolink Station. This application is a Planning Condition of Approval (COA#23 of Major Modification 11-12-0002) for Phase II of the Downtown Perris Metrolink Station.

On February 18, 2015, the Planning Commission recommended that the City Council approve vacating a 100’ foot section of 6th Street. A public hearing notice was sent to all affected agencies and property owners within 300-feet of the subject project and no comments or letters in opposition were received by staff as of writing this report. Also, there is substantial evidence to support the conclusion that the right-of-way is no longer needed for vehicular and pedestrian traffic and is unnecessary for present or future public use.

The project is exempt from CEQA under Section 15061 (b) (3) in that the project has no possibility of having a significant effect on the environment. Therefore, no further CEQA review is required.

BUDGET (or FISCAL) IMPACT: Cost for staff preparation of this item, cost of construction and payment of impact fees are covered by the applicant.
