Copies of the applications are attached for your review.

BUDGET (or FISCAL) IMPACT:

There are no costs associated with this action.
City Council Vacancy Applications
CITY OF PERRIS
City Council Vacancy
Application Form

This application is a public record and will be included with the applicable City Council materials and may be posted on the City’s website. Personal contact information will be redacted.

All applicants must be residents and registered voters in the city of Perris at the time of application. Within 30 days of assuming office, the appointed council member will be required to file a Statement of Economic Interests (Fair Political Practices Commission Form 700).

YOUR CONTACT INFORMATION

The City of Perris is governed by five council members who are elected at large. The City operates with a council-manager form of government, where the City Council appoints a City Manager who administers the daily operations of city government. The City Council also appoints a City Attorney who is responsible for advising the Council on legal issues affecting the City of Perris. The members of the City Council serve on various outside agencies and make appointments to the various city commissions and committees. Regular City Council meetings are held on the second and last Tuesday of each month at the City Council Chambers located at 100 North Perris Boulevard. Special meetings, work sessions and other meetings may be called, as needed. This appointment will fill a seat left vacant. The term for this seat expires in December 2016. An election for this seat shall be held on November 8, 2016. Government Code Section 36502 provides that a candidate for City Council must be a registered voter of the City.

Please provide the following information as it appears on your voter registration. Your voter registration will be confirmed.

SUBMIT YOUR APPLICATION

Completed applications must be submitted to the Office of the City Clerk, City of Perris, at 101 North D Street in Perris not later than 6:00 p.m. on Wednesday, June 10, 2015. Original applications and attachments submitted after the above-stated time will not be considered. No e-mails, postmarks or faxes will be accepted. Applicants must appear at the City Council meeting on Tuesday, June 16, 2015 to be considered and interviewed. Contact Judy Haughney in the City Clerk’s Department (951-956-2925) if you have questions.

Individuals with disabilities requiring any accommodation to participate in the selection process must inform the City Clerk Department at the time this application is submitted.
Open Position for City Council

CONFIDENTIAL INFORMATION

FOR YOUR CONSIDERATION

Prepared by

Ruben Arras
Community Leader
June 10, 2015
Open Position for City Council

To the City Council Members
of the Great City of Perris

June 10, 2015

To the Honorable City Council Members:

Please accept these documents as my formal request for consideration for the open position of Council Member of the City of Perris, California.

I would consider it an honor to be selected for the position of City Council Member. The opportunity to work along with each of you would be a great privilege for me and my family.

You will find in the required city forms as well as the supporting documents the necessary information for you to make a positive decision in my favor.

I believe I am the best candidate for the job and I hope you do as well.

With the highest respect for each of you, I thank you for your consideration.

Best regards,

Ruben Arras
Community Leader
of the Great City of Perris
List your skills, abilities related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future.

As Cesar Chavez, founder of the Farm Workers Union, once said “the purpose of one’s life should be to Serve Mankind.” I Ruben Arras do intend to run in 2016 for Perris City Council. Some skills that I have acquired through my career, education, and previous board experience are Knowledge of concepts and principles, Knowledge of government affairs, Inspecting buildings, Inspecting equipment, Interacting with various people, Interpersonal communication skills, Interpreting languages, Managing organizations, Managing people, Mediating between people, Meeting deadlines, Raising funds, Researching, and Interviewing. I have the ability to make an immediate impact in our community because I have healthy working relationships throughout our community that I have developed over time as School District Board member for 10 years and as a productive community member for 25 years. I strive to help as many community members as I can by volunteering in various church organizations, Perris City Events showing interest and care for our community. I attend Mayor Pro Term Tonya Burke’s Coffee and Conversation. I do this because I believe this helps the community provide input on what they want or need from City officials and Community members. I attend the Chamber of Commerce events and network with the Business Community. I am involved with the social events with Chamber of Commerce and the City of Perris Live Well events. I also attend Armando Hurtado Hispanic Small Business Non Profit Organizations which also is a very informative organization for the City of Perris.

I represent St. James Church at the annual Cops and Clergy meetings hosted by City Council member Rita Rogers. It’s very important to be involved in this committee because they reach out to the community and active members of the church congregation. This also serves as an information center from the upcoming events and education on local governments. It is an honor to have our Police Chief present at the Cops and Clergy Committee as I believe this is needed as a show of support for our community.

1. Why do you want to be appointed to the City of Perris City Council?

I have a vision and goal to provide our residents with what they deserve which is safe streets, sound leadership, opportunities for work and education. Increasing job opportunities, helping our youth, and growing small business are my priorities. I want to be a part of our pristine city leadership group so I can be a council member who can contribute immediately. It is my objective to provide safe neighborhoods and schools where students can learn, and families and visitors can enjoy our beautiful city. Provided the opportunity I want to make sure that Perris is a city that can educate, develop, attract and retain the next generation of workforce.

2. How will your education, training, experience, involvement make you a suitable candidate to serve as a member of the City Council?
I was born and raised in East Los Angeles and brought my family to Perris 27 years ago. I am a proud citizen of Perris and I currently possess a Bachelors in business administration. During my upbringing I have been taught to help others and have stayed the course my whole life. I take a hands on approach to everything I do, this trait makes me actively involved in our community. My degree in business administration and additional courses that I have completed successfully and working with organizations give me a strong foundation and understanding of how to run our city as a business. We cannot afford to outspend our revenues. By establishing a sound business plan, frugal allocation funds and resources, treating all management and staff with respect while holding them accountable for their department and individual objectives will help us to guide our city towards controlled growth and prosperity. I am a former Board Member with Perris Elementary school district in which I served for 10 years. During my tenure some of my accomplishments with my fellow Board Members and Administration Team. Include: Building School Sites for our community that are Sky View Elementary, Enchanted Hills, Railway Elementary, and Rob Reiner which is a facility that provides a number of opportunities for low income, English classes, and planned parenting classes. We as Governing Board Members also made Policy Procedure, Budget Cost, Annual Salary expense for Classified /Teacher, Administration Salary. Also having safe and clean environment for students and adopting the best curriculum for the K-6 grade. In my 10 years as being a Governing Board Member we kept secure proper finance to operate Perris Elementary School District. Along with holding a reserve that is kept at 3% percent funding in our budget account in case emergency funding is needed. We also accomplished successfully setting up and with the help of our community passing our Measure S Bond for upgrades for our school sites that needed improvements.

3. In your opinion, what are the most important issues facing the City of Perris?

I care about our city, our small businesses, and our neighborhood along with our parks. I share the same values of the community and each of the present city council members. It takes a team effort to collaborate the goals, vision and I feel Perris needs another City Council member with great character and family values.

4. What vision do you have for future development in the City of Perris?

The Run for Health, Run for Perris annual event to our City of Perris. This event will bring the community together, create business revenues, create jobs, and more importantly bring focus to our city within our County and Southern California. This signature event will combine a "Walk, Ride and Run" 5K and 10K event through our city streets. The details can be provided in a separate proposal to our city council. It is an all-encompassing project that will need the support of each of you, our city management, police department, corporate and small businesses.

Working together as a team, setting goals each year and having a vision for the City of Perris. We need to prepare for the growth of our city's population, which our city has started with the developments of running new sewer lines throughout Perris and providing parks for our youth, however I know I can take our city further with my vision for our city. I also have a plan for future investors to see our great city and increase supply and demand for future business owners investing in the City of Perris.
5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

Community Service: I am a co-founder of the Latino Business Alliance of the Inland Empire Riverside Chapter and will Co-Chair the Advocacy Committee. The focus of the Latino Business Alliance is as follows: 1) Education, 2) Cultural Awareness, 3) Youth Sports, 4) Leadership Development and 5) Business Development.

Business Development and Community Engagement: I will work with the City of Perris, Parks and Recreation, the City Council Perris & Staff Chamber of Commerce Community Leaders and Latino Business Alliance and other community leaders and organizations.

My leadership ability and experience, education makes being the perfect candidate to be selected in being Perris City Council Member. In closing I trust that your decision will be the best for our City.

Respectfully,

Ruben Arras

Dr. Al Harris (Bishop)
Perris, Ca. 92571
9 June 2015

Honorable Members of Perris City Council
101 North “D” Street
Perris, Ca. 92570-1998

Dear Council Members:

I am writing to ask you all to elect Mr. Ruben R. Arras as a suitable replacement for Julio C. Rodriguez.

I have known Mr. Arras for a number of years and he is well respected and loved in the district. In the years I have known him I have never run across a person who is more dedicated to his family and his community. Ruben is actively involved in all aspects of our community. He helps feed the homeless; he’s actively involved in community fundraiser. Mr. Arras does everything within his power to seek people out and ‘listen’. He sits on the Cops and Clergy Board. He was a ten year member of the governing body of the Perris School Board. He works with most Churches in the community regardless of their denomination. I believe he would be an incredible asset to the city council. Because of Mr. Arras community involvement, and his desire to have a positive impact on the world around him, makes him aware of issues that may be developing and he has the tools to address those issues.

I wish you, the City Council Members well in your search to fill the vacant seat, and it is my belief you would be hard pressed to find someone more willing to dedicate himself to serving the community than Ruben Arras.

Sincerely,

Bishop Dr. Al Harris
Letter of recommendation

To whom it may concern:

I have known Ruben Arras for almost one year now and I have seen him work with the community volunteering his time, helping churches and nonprofit organizations.

Ruben is a person of good character and he seems to care for his fellow citizens as he participates in public events that benefit the general public.

He is always willing to give a hand to others in need.

I strongly believe that he would be a good asset to any employer or any organization that is willing to give him an opportunity to be part of their team.

Ruben has helped me unconditionally by assisting me with a non-profit educational event presented to the public free of charge to the public and with no financial gain to him.

If you feel that you need to confirm this information. You may call me at my office (951) 443-111

Sincerely,

[Signature]

June 6, 2015

To Whom It May Concern:

It is my pleasure to write this letter of recommendation on behalf of Mr. Ruben Arras. In my role as the Superintendent of Perris Elementary School District, I have known Mr. Arras for the last twelve years. During this time Mr. Arras served as a member of our Governing Board.

Mr. Arras has demonstrated an ongoing commitment to his professional growth and personal development by completing a program that resulted in the awarding of a Bachelor of Science Degree in Business in December of 2007. Throughout Mr. Arras’ university experience he applied his learnings to improve district practices and procedures, employee accountability, and professional ethics in our school district. Mr. Arras was an active member of the Knights of Columbus and supported community wide events.

Mr. Ruben Arras is a hardworking and forthright person. He has many ideas on how to best serve the needs of students, how to enrich their educational experience, and the importance of involving parents in our schools and community at large.

I encourage you to give Mr. Ruben Arras every consideration as you conduct your search for an interim member of city council.

Please contact me at (951) 657-3118 (office) or (cell) if you would like additional information related to Mr. Ruben Arras.

Respectfully,

LETTER OF RECOMMENDATION

June 8, 2015

To the Perris City Council Members:

On behalf of the Latino Business Alliance of the Inland Empire, we ask you to consider Mr. Ruben Arras for the vacant city council position within the City of Perris.

It is with great pleasure that I write this letter of recommendation on behalf of our organization. As part of our expansion into the County of Riverside, we solicited input from various community leaders for suggestions of names who would fill the position of President of the Perris Latino Business Alliance as well as joining the Board of Directors of the County of Riverside Chapter for the Latino Business Alliance. The name that kept coming up was that of Ruben Arras.

We look for individuals who possess competencies in the areas of leadership, administration, teamwork and a can-do-attitude within a board environment.

Mr. Arras is a results-driven, highly motivated and qualified professional with the educational background and work experiences to lead the newly formed Latino Business Alliance of the City of Perris.

We urge you to give strong consideration to Mr. Ruben Arras for the position of Perris City Council Member.

Please feel free to contact me at (909) 608-7835.

Sincerely,

Amando Yepes
Chairman

To whom it may concern:

I am writing this letter on behalf Ruben Arras to recommend him without any reservations. I have known this hard working friend for the last year, during that time admiration and respects for him have grown immensely. In these times where an individualism and lack of loyalty is so abundant it is refreshing to find a friend that has been a loyal friend, a team player, always ready to give the extra mile when the occasion arose.

Smart and flexible, he will adapt to different workplace scenarios; be certain he will be a valuable member of your organization, as he will work diligently to provide a great great service.

Sincerely,

David Hernandez MD

Individuals with disabilities requiring any accommodation to participate in the selection process must inform the City Clerk Department at the time this application is submitted.
INTERESTS / SKILLS / ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

As of today I have 28 plus years of experience in the public sector. I currently work for the Riverside County Third District Supervisor. I am familiar with the demands and the typical needs of constituents as they relate to public service and social issues. My overall work experience has afforded me a firsthand knowledge of the intricate workings of local government and its processes and regulations. I am familiar with the purpose of a general law city. I have the heart for "service" to serve to the best of my ability on behalf of the residents of Perris.

Volunteer Service: Over the past 28 years I have been involved in civic activities that include but are not limited to the following:

- Rotary Club of Perris (President 2000-2001)
- Soroptimist of the Perris Valley
- Perris Valley Chamber of Commerce
- Perris Valley Hispanic Chamber of Commerce
- Various church related programs working with the needy
- Advisory Committee to the Hispanic Association of Small Businesses
- Conference Chair for middle school girl's summit for 3 years
- City of Perris Planning Commission
- Riverside County Women's Commission

Relevant Interest to the office: I simply desire to make decisions that benefit the community at large and as a city council shape and guide the development and quality of life in Perris by crafting a vision and mechanisms to implement said vision.

Intent to run for public office: I believe that I am a good fit and can continue to participate and contribute in the governance and prosperity of Perris. It is likely that I will seek election in 2016.

Why do you want to be appointed to the City of Perris City Council?

I want to be appointed because I am a good fit and can collaborate and work with a diverse council and community. I have no personal agendas other than to serve the community. My knowledge, experience and vision for this city is easily compatible with the current council. My experience in government stems over a period of 28 years and has given me the awareness with which to make decisions regarding the required city services, city processes and regulations. I believe in an open and transparent process and in community outreach. My experience on the planning commission gives me knowledge and familiarity with development goals and needs for our city. My current work experience and network allows me to effectively work with county and regional agencies as well as neighboring cities.

How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

I am a suitable candidate to serve as council member because I love and care about this community where I have lived for 33 years. I am fully vested in this community as I attended elementary, middle school and high school in Perris.

Education: I earned a Bachelor's degree in Sociology & Liberal Studies and a Master's in Business Administration from University of California, Riverside. I partially completed a certificate in the Management of Nonprofit Organizations through UCR Extension.
Experience: My work experience has been in urban planning (Riverside County and the City of Perris) and public administration so I am familiar with the city planning process, business procedures and budget. I am familiar with the city's demographics and the city vision. My current employment as a Legislative Assistant has afforded me an upfront and close view of politics, government relations and the challenges of delivering public services. I have a heart for community and I continue to be persistent in developing community programs and volunteer my time to work on things that bring value to our city and residents. I have a passion for empowering and building leadership in our youth. I have chaired a middle school girl’s event for the past three years. I was a Rotarian (Rotary President: 2001) and also worked on various committees including the original Rotary Honor's Dinner.

In your opinion, what are the most important issues facing the City of Perris?

1. Continued building of city and community vision and leadership.
2. Continued building of a political will for a better Perris.
3. Well thought-out development plans that enhance the city’s opportunity to attract higher paying jobs and quality commercial development.
4. Reimaging/rebranding of our city image to that of a beautiful, clean and desired place to live. The creation of beautification/preservation/community development programs. There is a need to be known for more than just the image of cubes, Wal-Mart and strip commercial. We can showcase the best of what we have and create character and community in everything we do.
5. Continued programs and resources for public safety.
6. Without the above economic development will be minimal.

What vision do you have for future development in the City of Perris? I envision responsible well thought out development. Development standards that are elevated to create community character for commercial, industrial and residential development in a manner that enhances aesthetics, builds community pride and creates a sense of space where people want to go. I envision development that connects to open space and recreation opportunities and ties into the City Wellness Program. I would love to see the Perris “corporate world” more vested into the community. Projects should create “community” by what they offer and connect to and how they are maintained.

Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

I am a team player, a doer, honest, genuine, transparent and passionate about the success of Perris. I embrace diversity, change and quality. I can filter through request of individuals or groups to decipher what is best for the community/city. I look for a balance between what is being asked and what should be approved or granted. I believe sustained change or improvement comes from working hard and working together as a team. I understand the time commitment required to be an effective councilmember.
CITY OF PERRIS
City Council Vacancy
Application Form

This application is a public record and will be included with the applicable City Council materials and may be posted on the City’s website. Personal contact information will be redacted.

All applicants must be residents and registered voters in the city of Perris at the time of application. Within 30 days of assuming office, the appointed council member will be required to file a Statement of Economic Interests (Fair Political Practices Commission Form 700).

YOUR CONTACT INFORMATION

The City of Perris is governed by five council members who are elected at large. The City operates with a council-manager form of government, where the City Council appoints a City Manager who administers the daily operations of city government. The City Council also appoints a City Attorney who is responsible for advising the Council on legal issues affecting the City of Perris. The members of the City Council serve on various outside agencies and make appointments to the various city commissions and committees. Regular City Council meetings are held on the second and last Tuesday of each month at the City Council Chambers located at 100 North Perris Boulevard. Special meetings, work sessions and other meetings may be called, as needed. This appointment will fill a seat left vacant. The term for this seat expires in December 2016. An election for this seat shall be held on November 8, 2016. Government Code Section 36502 provides that a candidate for City Council must be a registered voter of the City.

Please provide the following information as it appears on your voter registration. Your voter registration will be confirmed.

INTERESTS, SKILLS, ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

* SKILLS - Community Outreach, Public Relations, Understanding of Government
* The Constitution, Ability to Comprehend Legal Documents, Computer & Web Savvy
* Volunteer Services - Write letters to deployed members of our military through Soldiers Angels. Done Pro-bono work for Ft. McMillan Veterans exposed to toxic materials
* Potential Run for Future Office, Decision made

road.
### Supplemental Questionnaire

To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (If additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. Why do you want to be appointed to the City of Perris City Council?

   I want to be a part of the Perris City Council because I believe our city can be more prosperous. I want to be a part of the positive growth Perris sees in the upcoming future.

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

   I believe that my educational and career background would give me a unique insight into how to improve our city for the wellbeing of our residents. Because I've lived in other parts of the nation, I've seen what policies have helped stimulate local economies.

3. In your opinion, what are the most important issues facing the City of Perris?

   The lack of jobs (outside of the logistics industry) is the #1 issue Perris faces. We need to attract high paying jobs and companies to plant their roots here. We need to attract them to hire highly skilled people, to keep them in this area.

4. What vision do you have for future development in the City of Perris?

   I would like to see more high paying jobs and companies come to Perris. Ideally, we would attract more skilled labor to decrease our unemployment rate.

5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

   Please see my resume for a more detailed list of experience.

### Certification and Authorization

I certify that all statements made in this application are true and complete. In compliance with State law, I understand that I will be required to file a Statement of Economic Interests upon appointment to office, and annually thereafter.

June 2, 2015
June 2, 2015

Dear Perris City Council,

I am sending my resume and application, along with this letter, to apply for the vacant city council seat.

This is a very exciting opportunity for me and I feel that my educational background and experience will make me a very suitable candidate for this position.

Throughout my career as a publicist, I have helped business owners with community outreach through a variety of public relations campaigns. This experience has given me valuable insight into concerns for small business owners, their employees and the communities they service.

I believe the City of Perris can attract new businesses outside of the logistics industry that offer high-paying jobs for its residents. That vision can become a reality with the council leading the initiative. I would love to be apart of the council who helps revitalize the City of Perris.

If you require any additional information, please call me at [Redacted]

Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

[Redacted]
BETH BAUMANN
Perris, California 92571

WORK EXPERIENCE

Desmond & Louis Public Relations
Account Coordinator
August 2014 – Present
Yuccaipa, CA
- Managed client accounts
- Pitched clients to local, state, and national media outlets, as well as trade magazines

SUBMIT YOUR APPLICATION

Completed applications must be submitted to the Office of the City Clerk, City of Perris, at 101 North D Street in Perris not later than 6:00 p.m. on Wednesday, June 10, 2015. Original applications and attachments submitted after the above-stated time will not be considered. No e-mails, postmarks or faxes will be accepted. Applicants must appear at the City Council meeting on Tuesday, June 16, 2015 to be considered and interviewed. Contact Judy Haughney in the City Clerk’s Department (951-956-2925) if you have questions.

Individuals with disabilities requiring any accommodation to participate in the selection process must inform the City Clerk Department at the time this application is submitted.
Interests/Skills/Abilities

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

From volunteering at local hospitals to helping adults become American citizens to cleaning local churches, community involvement has always been an integral component of my life. I believe that as public servant, I am capable of doing more for the community that I grew up in. I recall being interviewed as a high school senior at Rancho Verde, The Press Enterprise interviewer asked what my plans were after graduating from Harvard and I responded wanting to return to Perris and contribute to our community. I am looking forward to adding to an already talented city council. I believe my insights as an engineer, first-generation college student, and Latina in a city that is 72% Latino will be vital for the progress of our City.

Although I intend to run for office in the future, it is unlikely that, if appointed, I would seek reelection after my term is over in 2016.

Supplemental Questionnaire

1. Why do you want to be appointed to the City of Perris City Council?

I would like to be appointed to the City of Perris City Council in order to bridge the gap between City Hall and citizens of the city of Perris, improve the quality of life of our residents, and aid in policy making to ensure the City’s sustainability. I am convinced that my experiences as a lifelong Perris resident, analytical thinking and problem solving skills fostered by an engineering profession, and demonstrated community involvement coupled with leadership roles have given me the tools and abilities necessary to not only perform but excel in this position as councilmember.

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

Lifelong Perris Resident

My family and I have called the City of Perris “home” for the past 20 years. My parents, Mexican immigrants, left their quaint Northern Mexican town and moved to the United States in order to seek a better future for themselves, but mostly to secure a better future for their children. This immigrant story resonated with thousands of residents in our city. My parents toiled though long hours in minimum-wage jobs in order to make ends meet. Education has always been a priority and my parents relied on our local public schools to prepare their children to one day become respected professionals. My siblings and I made countless friendships and memories attending K-12 public schools in the Val Verde Unified School District. Most importantly, these public schools equipped us with the necessary skills needed to gain admission and graduate from
college. Thanks to the public school education we’ve received, my parents’ dreams of having all of their children attend college will become a reality. Education is the key to social mobility and economic progress which is why our local public schools should be a priority. Because I received my entire K-12 schooling in the City, I am aware of the challenges and opportunities a public education can provide.

Engineering Background

Government at every level, from city halls to Congress, lacks the insights provided by those with a technical mindset. While our government is saturated with those who’ve had training in law and education, there are still very few engineers. For example, out of the 545 members of our current 114th Congress, only 8 are engineers. When most people think of engineers, they picture us coding in Silicon Valley, drilling in Texan oilfields or perhaps designing highways, air-conditioners or engines. These technical and industrial sectors rely on the skillset of engineers to keep moving forward. However, the skills honed while tackling engineering problems can and should be used to tackle those in government, starting at city hall. Some of the engineering projects I’ve confronted range from increasing the fuel efficiency in diesel engines to building a test-prep website to identifying new methods of making commercial kitchens more sustainable. Engineers are constantly building, reinventing the way processes are done, and finding clever solutions to today’s most pressing problems. I am convinced that my engineering skillset will be a great addition to an already remarkable city council.

Community Involvement

Since a very young age, I was well aware of the long-term benefits community involvement can foster. My father became a US citizen in the early 90s thanks to the guidance of a local nonprofit. I recall attending his naturalization ceremony and celebrating with other members of the community at Cesar Chavez Public Library. Throughout high school and college, I’ve engaged in a variety of community service projects: volunteering at a Moreno Valley’s Valley Health (now Kaiser Permanente), cleaning Triple Crown Park, teaching youth at Boston’s South End, assisting Harvard University employees in their quest for US Citizenship and interviewing high school seniors for the Harvard Admissions Office. Although every opportunity presented me with new challenges and opportunities, helping people become citizens has been one of the most eye-opening and transformative experiences I’ve had. I was inspired by the enthusiasm employees had at our every one of our sessions. Our meetings were usually around dinertime which meant they had already registered an 8-10 hour shift preparing meals at the University’s kitchens or cleaning University dorms, the kind of work my parents and relatives engaged in. Teaching employees American history (one of my favorite courses in high school), English, and informal discussions about our distinct lives, sparked and confirmed my interest in public service. They were willing to pay the hefty fees that the naturalization application charges, spend what little free time they had to study for the exam and often, renounce citizenship of their home countries to become Americans. I want to do my part in ensuring this country is still seen as the
beacon of hope, liberty and opportunity and attract hardworking people like my tutees, parents and thousands of other immigrants who often lose their lives in search of the American Dream. I believe I can start to do this by holding councilmember positon in City Hall.

3. In your opinion, what are the most important issues facing the City of Perris?

I’ve noticed and benefited from the momentous projects the current and former city councils have already accomplished. Thanks to the hard work of Mayor Busch and Councilmember Rita Rodgers, we will have a Metrolink station minutes from our homes by the end of this year. Those of our residents who work outside the city will save time, money and most importantly decrease the amount of greenhouse emissions. Thanks to the “Live Well Perris” initiative, I’ve lost nearly 30lbs thanks to the free gym membership provided to “Biggest Loser” participants and Saturday group workouts. The city’s parks from May Ranch Park to Liberty Park have been renovated. The City has been recognized by industry for reducing energy consumption at its municipal facilities by 25 percent since 2010. These accolades took time, effort and collaboration from every member of City Council. However, there is always room for improvement which is why if appointed, I would make the following issues my priority:

- Increase voter participation

Democracies work best when most of their citizens are involved. It’s a shame that in these past November elections a mere 7,726 votes were cast in a city with a robust population of 72,326, of which around 22,000 are registered voters. Why aren’t more registered voters casting their votes? Is it political apathy or is there something more? As councilmember, I would continue my efforts to enfranchise residents who have met the residency requirements to go through the naturalization process and become American citizens. Since 2009, I received training through Harvard University’s Institute of Politics to become a civics tutor and aid university employees gain citizenship. In 2011, after learning to code, I created a free, user-friendly website with tutorials, study materials and sample quizzes and since then, have been in contact with nonprofits to spread its use and perfect its functionality.

- Economic revival through educational initiatives

Having attended local public schools, I am aware of the challenges endured by local teachers and students. I would work alongside school board members and administrators to find ways to increase classroom participation by decreasing classroom sizes and decrease summer learning loss by continuing and if possible, increasing city-funded summer programming. I would contribute not only as a public official but as a former student. Enhancing the education of our K-12 students will have a ripple effect in our communities and countless benefits throughout the city.
In addition to working with public school districts, I would also reach out to local employers and work with them to provide adult education to their employees. Such programs could be partially funded by the city and local companies and include preparation for GED and English-language instruction.

Lastly, the city could hold workshops regarding the FAFSA, college applications and student life to make the transition from high school to college easier for the students and their families. Many low-income, first-generation college students that could attend 4-year universities often attend community colleges as a result of little guidance from parents and administrators. I’ve made college presentations at local high schools and middle schools and noticed that at least 70% of the students were the first in their family to be on-track to attend college. These students have the drive to attend great universities, as city officials we should work along other civic organizations (churches, schools, non-profits) and help them and their families achieve their educational goals. Perhaps members of the Youth Action Committee could become ambassadors at their respective high schools.

- Sustainability

Riverside County currently ranks among the worst in the nation for smog and particle pollution. In 2014, the American Lung Association gave the County an “F” and ranked it second, only behind San Bernardino, in ozone pollution and fourth in particle pollution. The EPA gave the City of Perris 13 out of 100, with 100 being the highest, in terms of air quality. The Metrolink station in Perris and additional RTA routes will no doubt help alleviate this environmental detriment. I’m also aware of the recycling efforts currently taken by the City. However, we could do more. We need to encourage people to ride their bikes by adding bike stations and lanes around the busiest parts of the city. In addition, we could educate people on how to be “greener” though simple lifestyle choices. For example, instead of purchasing and using centralized air-conditioners, we should encourage people to buy evaporative coolers since they use only 25% the amount of energy as centralized air-conditioners and are free from refrigerants.

4. What vision do you have for future development in the City of Perris?

In the near future, I hope that the City of Perris would be more viable and livable. We could make the City more economically stable by diversifying the businesses that operate in our city limits. We should encourage more manufacturing and industrial jobs that will pay our families a decent wage and give them a diverse skillset needed in an ever-evolving economy. Better-paid jobs will also encourage young, college-educated Perris natives to return to their communities and contribute not only by paying taxes but also by starting businesses here, volunteering, or even run for local offices! In addition to encouraging our own residents to return, we could also increase the population of middle-class residents by making the City more livable. We should encourage more small businesses, restaurants and retail development in our City.

INTERESTS SKILLS ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

I have volunteered for community outreach programs, assisted with mentoring programs, spearheaded adult literacy and led community group discussions.
My skills includes: Team work-contributes to community projects, participates in educational leadership webinars, trainings, conferences, attend and participates in meetings.
- Collaborate with the community, Organize and plan activities for the community
- Has contributed significant input with respect to education, financing, budgeting, and management
- Great communicator and mediator
- Set priorities to meet workload deadlines
At this present time I have no intentions of running for future public office.
SUPPLEMENTAL QUESTIONNAIRE

To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (if additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. Why do you want to be appointed to the City of Perris City Council?

I would like to have a direct impact on the decisions and the future planning of the city of Perris. I have lived in Perris for eight years with my husband and I have seen some great changes in the city. I would like to have a role in determining the needs of the community and help establish the parameters necessary to ensure social and economic development and the environment management of the city. Perris is posed to build on its past successes and I would like to help usher in an even more prosperous era for the city.

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

I believe my education will have great impact on my position as a councilmember. I earned a Bachelor of Arts degree in Liberal Arts, a double Master of Arts and Science in Educational Leadership and Special Education and a Doctorate in Educational Leadership. This educational background has prepared me to plan, develop, organize and collaborate with community leaders. My extensive leadership training will allow me to lead activities and facilitate community discussions regarding input for city government. I have held positions as an Instructed Leader for Special Education, Middle and High school principal, Assistant Principal, and a Teacher. I have been involved with the community think tank, African American Coalition, Mentoring programs for youth.

3. In your opinion, what are the most important issues facing the City of Perris?

I believe employment, lack of businesses, and underdeveloped areas are Perris’s most pressing issues. Employment is a big issue in Perris. There are many residents in Perris who are faced with long commutes due to the lack of jobs. When residents are commuting to Los Angeles, Orange and San Diego counties, it takes away from their family commitments and engagement in city affairs. If more jobs were created in Perris, it will increase revenue for our city. If there were a major strip mall that had stores (e.g. Macy’s, JC Penney, Sears, Footlocker and an array of other stores), more revenue would be available for the city and the residents of Perris would have a smaller commute for shopping purposes. There are numerous underdeveloped areas in Perris. With proper zoning designations, they could be converted to revenue-generating areas.

4. What vision do you have for future development in the City of Perris?

I envision a well-rounded city where strong collaboration from the council and the community is set forth. A city that values the interconnectedness of diversity, honesty, and an full commitment with the growth of the community.

5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

I demonstrate strong leadership, analytical and critical thinking skills. These skills will enable me to work in all areas of the city to promote change and growth. My leadership skills provided me the ability to lead a group by example. As an effective leader I develop, plan, organize to get the job done. I am able to analyze issues and take all measures needed in order to solve it. It is important to think critically about every issue that comes forth.
Completed applications must be submitted to the Office of the City Clerk, City of Perris, at 101 North D Street in Perris not later than 6:00 p.m. on Wednesday, June 10, 2015. Original applications and attachments submitted after the above-stated time will not be considered. No e-mails, postmarks or faxes will be accepted. This application is a public record and will be included with the applicable City Council materials and may be posted on the City’s website. Personal contact information will be redacted.

All applicants must be residents and registered voters in the city of Perris at the time of application. Within 30 days of assuming office, the appointed council member will be required to file a Statement of Economic Interests (Fair Political Practices Commission Form 700).

YOUR CONTACT INFORMATION

The City of Perris is governed by five council members who are elected at large. The City operates with a council-manager form of government, where the City Council appoints a City Manager who administers the daily operations of city government. The City Council also appoints a City Attorney who is responsible for advising the Council on legal issues affecting the City of Perris. The members of the City Council serve on various outside agencies and make appointments to the various city commissions and committees. Regular City Council meetings are held on the second and last Tuesday of each month at the City Council Chambers located at 100 North Perris Boulevard. Special meetings, work sessions and other meetings may be called, as needed. This appointment will fill a seat left vacant. The term for this seat expires in December 2016. An election for this seat shall be held on November 8, 2016. Government Code Section 36502 provides that a candidate for City Council must be a registered voter of the City.

Please provide the following information as it appears on your voter registration. Your voter registration will be confirmed.

INTERESTS / SKILLS / ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

Please see additional attached for complete answer for interest/skills/abilities.

In January of this year, I established a committee to run for City Council in 2016. It is a matter of public record, and can be verified with the City Clerk’s office. FPPC # 1374036 - McCarron For Perris City Council 2016.

However the appointment goes, I am planning on running in November 2016.
SUPPLEMENTAL QUESTIONNAIRE

To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (if additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. Why do you want to be appointed to the City of Perris City Council?
   I am a public servant. After 20 years of honorable service in the US Air Force, I retired in 2007. Now I work as a Federal Employee continuing to serve the men, women, and their families stationed overseas. Having a 4/10 work schedule, I am also blessed to be a substitute teacher for the Perris Union High School District on Thursdays and Fridays, inspiring and teaching the youth of the district. For four years I have served on the Planning Commission, now as Vice-Chairman, helping the City Council and City Staff better serve the residents of Perris. I enjoy helping numerous Perris based organizations and working at city events. It would be a great privilege and honor to be appointed to the Council and serve the people of Perris at the highest level possible. I have more to give this great city and if selected I would serve with integrity, dedication, and pride. I am Perris Proud!

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?
   Please see attachment for more in-depth response. This is a compact list of my education and community involvement. Masters Degree, Public Administration, with Honors, Cal State Northridge, 2014 / Masters Degree, Management, U of Phoenix, 2008 / Bachelors Degree, Political Science, Arizona State, Current / Bachelors Degree, Business Administration, Eastern Oregon 2007 / Associates Degree, Public Affairs, CCAF, 1997
   Planning Commission, Vice-Chair, 2011 – Current / Rotary Club of Perris, Member, 2014 – Current / American Legion Post 595 Member / Perris Valley Historical Society, Member / Friends of the Perris Library, Member / Perris Community Partnership, Board of Directors / Measure Z Citizens Oversight Committee, Member / Measure T Bond Committee, Endorsement Chair

3. In your opinion, what are the most important issues facing the City of Perris?
Perris is a wonderfully diverse city that is a great place to live and raise a family. The most important issues facing the city vary upon who you ask and what part of the city they live in. The most important issue is keeping as many citizens as happy as we can. North side residents need commercial development including an overdue and much needed grocery store. The South side needs improved infrastructure to handle to increased population and traffic. Our downtown area would continue to benefit from more beautification projects. But Perris as a whole needs to continue to focus on our youth. They are our future and we need to continue to invest in them as best as we can. As a community we need to continue our partnership with law enforcement and see our crime rates continue their decline. Lastly, as leaders, we need to continue to add to our reserves, and spend our tax dollars wisely and in a way that benefits every citizen of our great city.

4. What vision do you have for future development in the City of Perris?
   This is a very important, in-depth, and lengthy answer. Please see attached for my response.

5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.
   Please see attached for expanded answer.

CERTIFICATION AND AUTHORIZATION

I certify that all statements made in this application are true and complete. In compliance with State law, I understand that I will be required to file a Statement of Economic Interests upon appointment to office, and annually thereafter.

4 June 2015
Date
INTERESTS/ SKILLS/ ABILITIES

Service. Education. Community. Odd choices when asked what your interests, skills, or abilities are. More common answers would be family, politics, sports, and entertainment. Though I am very interested and involved in each of those, my hope is that when people speak of me, the thoughts that come to their minds would be the first three words as much as the latter four. I hope people would say that I have a love, talent, and ability to serve, educate, be a great parent, friend, and worker, and that I enjoy life to the fullest.

Service. I am a firm believer in service above self. I was proud to serve my nation for twenty years, and now I would love the chance to serve my city. To be able to be a public servant should be one of the highest honors possible. History tells us having a public servant in the family used to be a great honor; either military or government. We need to work together every day to get the highest amount of community participation as possible. If we can get city leaders, local businesses, and non-profits to work together as a triad of teamwork as we continue to move our city forward, Perris will no doubt be the best place to live in all of Riverside County.

Education. Education should never end. I started my collegiate career in 1987 at the age of 17 and I am still going today. No matter what state or country I was stationed in, I was always enrolled in college. The students of Perris have proven to be among the best in the county and state. Val Verde and their AP Physics accolades; PUHSD and their AVID awards; As city leaders, we set the example for our youth to be the best. We need to encourage a friendly competition of academic achievement with all of our schools which will only benefit our children and our future. As a council, we should partner with each of the school districts to make Perris an academic powerhouse.

Community. I am very proud and invested in my city. I love being involved in any way I can. I do what I can to promote the wonderful events and programs our city has to offer whenever I have the chance. If I cannot participate, I try to help in other ways. I am proud of the many memberships I have with organizations within the city. I try to donate to many other organizations located in the city as well to help maintain and expand our heritage and culture. As a council member, one of the most important responsibilities is to be an ambassador of the City at all times. To represent the city of Perris in and out of the city is not a job, it is an honor.

I believe the most important interests, skills, and abilities needed to serve as a council member are the dedication to serve, the knowledge of public administration, and overall passion for the community. I feel I have all of the tools necessary to serve as a Council Member for the great city of Perris!
SUPPLEMENTAL QUESTIONNAIRE

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

Earning my Masters Degree in Public Administration with honors from Cal State Northridge as the lone Perris resident in the only cohort to be held in Perris, I learned the ins and outs of how a local government works. With each class and report, I was able to research and highlight a different department within the city as well as one of the local school districts. Classes focused on Public Budgeting, Public Policy, Public Sector Management, Public Labor Relations, Ethics, and Strategic Management. Coupled with my Leadership training and years of experience as a leader and awards for leadership during my 20 years in the Air Force, I feel I have technically prepared myself to be the best Council Member possible.

Being a Council Member is more than having book smarts. A Council Member must know and understand the community they want to represent. I started my community involvement shortly after buying our house in 2008. When a yard of a foreclosed house in the neighborhood began to look worse and worse, I decided to keep the abandoned yard clean for potential buyers. After a few weeks of doing this, I decided to address the council to see if there was a program to assist in keeping foreclosed properties clean. Days after, I was asked by members of the Council to join the Perris Community Partnership. I served for two years until we had to fold when the recession hit its peak and we sadly just did not have the money to keep going. Months after, I applied for and was given the great honor of serving on the Planning Commission, where I currently serve as Vice-Chair.

In the past two years alone, the Commission has approved sixteen (16) new development projects as well as reviewed, updated, or created seven new ordinances, including a more strict sign ordinance and brand new donation drop off bin ordinance, which have all been approved by the City Council as approved by the Planning Commission. A check of the voting record will show that in the past three years I have made the most motions approving those projects or ordinances than all other Commissioners combined. The very first motion I made as a member was to approve Mercado Park; the most recent was approving the Optimus project.

Whenever given the opportunity to represent either the City or Planning Commission of Perris, I am the first to show up to promote the great projects we have coming. City staff has created materials for and I have manned booths promoting projects and answering questions citizens have about what is going on in our great city. My goal is to now take that education, dedication, knowledge of what is going on, and passion for my city to the next level and greater scale as a member of the City Council. There would be no learning curve, I will hit the ground running and be ready to serve immediately.
4. What vision do you have for the future development in the City of Perris?

Development has three critical areas, commercial, residential, and industrial. Recently Perris has been blessed in the industrial area, with the highlight being the Home Depot Point of Sale Center which is adding tax dollars to the city. We have other industrial facilities under construction and therefore we must now focus our attention on commercial and housing. As the Vice-Chair of the Planning Commission, with final approval of the City Council, and the hard work of City Staff, I have had the honor of helping shape the direction of the city development for the past four years and know very well what projects are planned over the next few years and what our needs are. Main priorities at the moment include a grocery store for our north-side residents, sit-down restaurants for all residents, and continuing to work in tandem with the City of Perris 2014-2021 Housing Element General Plan to meet the needs of our housing objectives. At the same time we must stay on top of keeping our infrastructure in peak condition for current residents and visitors. Our city has made wise and careful planning decisions over the years and we must continue to do so in order to continue to make Perris the best place live.

According to our Housing General Plan, we are in need of Multi-Family housing. We cannot keep up with demand. Within the past four years, we have built the Mercado Apartments, Perris Station Apartments, Verano Apartments, and San Jacinto Vista Apartments Phase II. All of which are at capacity, near capacity, or now leasing. This proves that this type of development is needed. I believe a great location for a new mixed population complex would be the Redlands Blvd. area across from the Post Office (New Perris Specific Plan). The location is near the 215, Metro stations, shopping, schools, and jobs within the city. By creating more high density units, we continue to open up to a more diverse population of Perris residents.

As we build, our great city could become the leader in environmental sustainability. Using the examples of the Whirlpool building and KB’s Monument Park Development use of solar power, we can become California’s leader of solar power homes and buildings. We can work with the new home developers to have new homes built with a minimum of 20 percent and up to full solar power on each roof top. This will be a huge draw for buyers to move to Perris over other communities. We can also look at trying to help low income and elderly residents who would need the most assistance with their electric bills obtain solar power. This program could have the same success like the program we have to help first time home owners to buy in our city.

Lastly, we again can be a leading city as the first to use gray water to help fight the drought. Gray water is gently used water from bathroom sinks, showers, and washing machines, that is clean enough to be repurposed to water vegetation, wash cars, and be used at construction sites. We used this system while I was serving in Iraq and the technology is simple and cost efficient. By doing this, we can still have green areas in the city without wasting valuable fresh water.
5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

I am a proud Perris resident. Some people may complain about where they live; some people don't care about the city they live in one way or another. Instead of complaining, or just waiting for change to come eventually, I instead get involved as much as I can to be a part of the fantastic changes our city is going through.

Last year, I ran for a seat on the PUHSD Board and earned the endorsements of a U.S. Congressman, Mayors, Council Members, School Superintendents, Associations, Local Small Business Owners, and many more leaders, organizations, and people from all points on the political spectrum. This broad scope of support from so many is a testament to my dedication to make my community the best it can be. They know the dedicated person I am to making things better and believe in my abilities. The multiple and various endorsements also prove that I am team player who can work with everyone to solve all problems no matter what.

I would love to see an initiative called Perris Proud! This is a program that could be on the same level much like the City's great success with Live Well Perris, a city wide program that has won multiple awards. This Initiative would be a recognition program that would to highlight the great people, organizations, businesses, and moments of success that are Perris based and related. For example, if a resident gets a county award - then they should be highlighted in the Perris Proud program. We can highlight an organization that consistently helps the residents by spotlighting them on the city website. And we can build pride in the city with even more events the residents have come to know and enjoy already. One event we can have to show others the overwhelming pride we have for Perris is "Perris Night at the Angels". With the Metro coming, we can load up the train as a city, take it right to Angels stadium and enjoy a Major League Baseball game as we fellowship with each other. It is a new way to show off the community spirit we have and spotlight our great city! We could even try to arrange for the Mayor, or a selected citizen to throw out the first pitch.

I believe I have done everything possible to make myself a formidable candidate for this appointment. I have enjoyed serving in every capacity the City has allowed me to serve in over the years and my record shows I have nothing but the best interest of the city at heart. I have many ideas to share and would do all I can to assist fellow Council Members ideas become realities. I would be honored and humbled to serve as a Council Member for the next seventeen months. I believe I have the integrity, dedication, and skills needed to serve all of the residents of Perris well and dutifully as a member of the City Council.

INTERESTS, SKILLS, ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

I possess strong leadership qualities, excellent communication skills. I have thoroughly invested my family, my finances and my life in the City of Perris. My daughter attends a local elementary school. I am an active member in a local church. I participate in volunteer work at local thrift and other local churches that help the community. I help with feeding the homeless and offering clothing, toiletries and substance abuse counseling referrals at local parks.
To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (if additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. Why do you want to be appointed to the City of Perris City Council?

I am a homeowner in the City of Perris. We came here as a family seeking a safe and positive environment for our daughter to grow. I see what potential in Perris, I see the Council steps towards progress and want to be actively involved in making Perris a more beautiful and better place to live.

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

I am a registered nurse and have worked in the health care profession for 24 years. 15 of those years I worked with the mentally ill, and currently work in an area trauma center. My most recent experience came when working in collaboration with San Diego Police department in their efforts to tackle an increasing mentally ill, substance abuse and homeless population.

3. In your opinion, what are the most important issues facing the City of Perris?

Lack of community involvement in problem solving efforts related to increased drug activity, gang violence, prostitution, graffiti, and homelessness.

4. What vision do you have for future development in the City of Perris?

The founders of the City of Perris once had a vision, that the open meadows, rocky landscapes, and direct rivershelf to beaches and city would provide the optimal place to live and raise families. Far away from big city traffic and big city problems. I believe one can still accomplish that vision with determination and community involvement.

5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

I am aware that 71% of Perris Residents are Hispanic of which 71% are Spanish speakers only. I am fluent in both English and Spanish language and thus I am able to communicate with the residents of the community which I will serve.

Certification and Authorization

I certify that the above information is true, complete. In compliance with State law, I understand that I will be subject to a background check at the time of appointment to office, and annually thereafter.

Date

1/1/2015

City of Perris – City Council Vacancy Application Form
22 May 2015

To whom it may concern,

My name is James Ford. I'm a retired San Diego Police Officer. During my 25 years working for the Department I did many things. One of the most rewarding specialities I was trained in was being a PERT (Psychiatric Emergency Response Team) member.

Under this program the Officer recieves extensive psychiatric training (much more than a normal officer) and works very closely with a Psychiatric nurse as partners, in the same car, going to most if not all the calls that could be or are related to mental health, suicide, depression, self destruction and even homelessness.

I worked the unit with a permanent partner, Ramona Moll, and we worked very closely from 2000 till 2005. Ramona was highly trained, compassionate and the consumate professional during these years with me. She also worked with other officers prior to myself, and all have spoken very highly of her job skills, knowledge and work ethic.

Ramona has moved on since these times, upgrading her Nurses status, working in other enviroments and raising a family. I think her education, work ethic and extensive nursing experience in both normal health and psychiatric areas makes her a prime candidate for any position she is applying for.

Thank you,

James M. Ford
SDPD (retired)

Escondido, CA 92027
BECOMING A MEMBER OF THE CITY COUNCIL

Qualifications for Candidacy. To qualify as a member of the City Council, you must reside and be registered to vote within the jurisdiction at the time the application issued. More specifically, you must be 1) at least 18 years old, 2) a U.S. citizen, 3) a City of Perris resident, 4) registered to vote in the city, and 5) you must not be on parole or serving time for a felony conviction.

Private Versus Public. Becoming a candidate for public office means that information about you will become a matter of public record immediately. With a few exceptions, this includes any and all documents submitted to the city during the course of the application period. As such, these documents must, by law, be available to the public for inspection and/or copying. It is intended that redacted copies of submitted applications will be available on the City website.

Application Filing Requirements. Applications will be accepted in the City Clerk’s Department until 6:00 p.m. on Wednesday June 10, 2015. Originals must be delivered in person or mailed via U.S. Mail. No emails, postmarks or faxes will be accepted. Please feel free to include additional information with your application. Your application must be signed and include your current registered voter information. Voter registration will be confirmed.

Interview Process. Currently, a Special Meeting of the City Council has been scheduled for June 16, 2015, time TBA. At this meeting applicants will have an opportunity to make a presentation to the City Council indicating their qualifications for the position.

Term of Office. The term of this office will be from the day of appointment and will expire in November 2016.

General Information Regarding the Position. Regular meetings of the City Council are held on the second and last Tuesday of each month. Additional meetings may be called as necessary. Councilmembers serve on various outside agencies and internal Ad-Hoc committees. For a current list of these appointments please visit the City of Perris website at www.cityofperris.org.

The City of Perris City Council is the legislative body for the City of Perris. Members of the City Council also sit as members of the City of Perris Successor Agency to the Redevelopment Agency, Public Finance Authority, Public Utility Authority, Housing Authority, Perris Joint Powers Authority and the Economic Development Corporation.

In accordance with Government Code Section 87200 members of the City Council are subject to the State’s financial disclosure laws and Fair Political Practices Commission regulations and will be required to disclose their economic interests upon appointment to this office.

Currently members of the City Council receive a stipend of $890.00 per month.
This application is a public record and will be included with the applicable City Council materials and may be posted on the City’s website. Personal contact information will be redacted.

All applicants must be residents and registered voters in the city of Perris at the time of application. Within 30 days of assuming office, the appointed council member will be required to file a Statement of Economic Interests (Fair Political Practices Commission Form 700).

INTERESTS / SKILLS / ABILITIES
List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

Long time (~40yrs) resident/property owner/businessman City of Perris; Former City Council member (1999-2008); Former MSJC Trustee (1979-1992); Married 32yrs/Ann Motte; Seven Adult Children; Graduate Perris High School (1963); AA Degree RCC (1965); Bachelor of Science - CSU Fullerton (1967).
Restored the Southern Hotel (downtown Perris); Coached (20yrs) Perris Valley Pony Baseball & Basketball League. I do not intend to run for public office in the future.
**SUPPLEMENTAL QUESTIONNAIRE**

To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (if additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. **Why do you want to be appointed to the City of Perris City Council?**
   
   As a former city council member, I understand the responsibility of city government to the residents of Perris for a fiscally sound balanced budget and I was able to work with council members and the mayor in 1999 to bring Perris back from near fiscal insolvency. I also understand the Brown Act and regulations pertaining to closed session issues and legal representation.

2. **How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?**
   
   My business/financial/educational background provides me the ability to understand government budgets and processes; My years of experience with the youth of Perris affirms my strong commitment to youth and while on the council I was instrumental in acquiring additional property to build the additional baseball fields now located on Redlands Ave.

3. **In your opinion, what are the most important issues facing the City of Perris?**
   
   The important issues facing the City of Perris today are public safety; maintenance & upkeep of city assets; recreational opportunities for our youth; continued balanced budgets & reserves; staff outreach for new business development and visionary planning for future growth.

4. **What vision do you have for future development in the City of Perris?**
   
   I would like to see a future "Perris" able to successfully recruit new employment opportunities; provide an atmosphere where people want to live and own property; strong code enforcement on blighted properties; budgeted reserves to support the library, historical society, and youth programs that support both academic & physical achievement.

5. **Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.**
   
   If appointed to this open council seat, I will be diligent in educating myself on all city issues and available to the residents and public for input as to their concerns regarding the City of Perris. Thank you for your consideration of this application.

---

**CERTIFICATION AND AUTHORIZATION**

I certify that all statements made in this application are true and complete. In compliance with State law, I understand that I will disclose all financial interests upon appointment to office, and annually thereafter.

The members of the City Council serve on various outside agencies and make appointments to the various city commissions and committees. Regular City Council meetings are held on the second and last Tuesday of each month at the City Council Chambers located at 100 North Perris Boulevard. Special meetings, work sessions and other meetings may be called, as needed. This appointment will fill a seat left vacant. The term for this seat expires in December 2016. An election for this seat shall be held on November 8, 2016. Government Code Section 36502 provides that a candidate for City Council must be a registered voter of the City.

Please provide the following information as it appears on your voter registration. Your voter registration will be confirmed.

Your Email Address (optional):

INTERESTS, SKILLS, ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

Through community organizations, I have stayed informed with the needs of the community. I have a deep interest in improving the city and community. Yes, I do intend to run for public office in the future.
**SUPPLEMENTAL QUESTIONNAIRE**

To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (if additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. Why do you want to be appointed to the City of Perris City Council?

   The vacant seat was occupied by a Spanish speaking Latino. We, that is the council, will need to listen to this segment of the city's population.

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

   I am an educator. Plus, I have a degree in Economics and a general understanding of the business and community needs. I have been involved in the community and its leaders and thus aware of the community's challenges.

3. In your opinion, what are the most important issues facing the City of Perris?

   The city's challenges are multi-fold. One being its need for retail business in the area. Second, the city needs to address the housing issues.

4. What vision do you have for future development in the City of Perris?

   Retail business must grow in all corners of the city. Further, the city must increase its patrolling. The city is lacking a sense of security.

5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

   Additionally, the city needs to make a strong connection with the local schools and promote education amongst its youth.

---

**CERTIFICATION AND AUTHORIZATION**

I certify that all statements made in this application are true and complete. In compliance with State law, I understand that I will be required to file a Statement of Economic Interests upon appointment to office, and annually thereafter.

INTERESTS / SKILLS / ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

I am a professional Project Manager in the field of Medical Device Manufacturing in which I have acquired the skills and understanding of the 5 core project management process groups: Initiating, Planning, Executing, Monitoring and Controlling, and Closing. By being a project manager I have had extensive training and skill building in the areas of: Team Management, Communication and Collaboration, Dealing with Conflict, and Leading with Emotional Intelligence. The profession of Project Management has afforded me the opportunity to work in a cross-functional environment that has given the professional skills such as process improvement, risk management, and compliance within an FDA regulated industry that I can bring as a resource in serving as a member of City Council.

My professional interests are found in the continuing development of my education and skills; while my personal interests are within gardening and family oriented activities. My community interests are creating and making available the resources needed so that the community can enrich their lives as they feel fit to their interests.

For the 2014/2015 School Academic Year I served as the Co-Chairperson for the School Site Council and am currently serving as a General Member Representative for the Valley Verde Unified School District Bond Oversight Committee.

In the interest of future opportunities for public office, I do hold a significant interest in continuing to serve.
SUPPLEMENTAL QUESTIONNAIRE

To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (if additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. Why do you want to be appointed to the City of Perris City Council?

The reason driving my interest in becoming a member of City Council is that I want to be a part of the change that needs to come to the City of Perris in developing on the unmet needs within the community of Perris as it relates to retail offerings, long term career opportunities, community enrichment programs, and core infrastructure modernization that is needed to sustain and improve the health of the city as a whole.

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

My education encompasses a Bachelor’s Degree in Business Management and a Master’s Degree in Operations and Project Management. I have also received training in many team oriented skills and behavioral programs that builds on the continual improvement process of an organization. In one example of the team environment that I have been involved with was featured in the textbook Contemporary Management for the chapter Effective Groups and Teams. Through my education, training, and community involvement at Sierra Vista Elementary School and the Val Verde Unified School Bond Oversight Committee, I can sympathize in both the needs of the citizens and the necessities of city to further enhance the living satisfaction of the citizens and the managerial satisfaction of the city as a government.

3. In your opinion, what are the most important issues facing the City of Perris?

In my opinion, the most important issues that the City of Perris is facing are the need for long-term career opportunities and development, retail centers to generate business growth and tax revenue for the city, and an infrastructure modernization through the growth and development of the city and opportunities that can be afforded to the community by addressing these issues. These issues can be overcome through proper initiation and planning of projects and efforts that will build and support the restart of Perris as a growing community with an infrastructure to sustain the community in its current ambitions and the ambitions that will drive the future of the city.

4. What vision do you have for future development in the City of Perris?

My vision for the City of Perris is to redesign the process by which the city develops and builds itself. This starts for taking a snapshot of where we stand as a city today for our community needs, business opportunity needs, and infrastructure needs. This will identify the unmet needs of the city currently has and future needs the city will soon face without intervention. From there the development of programs and initiatives to fill those unmet needs can be developed and incorporated along with planning and mitigating future unmet needs of the city. Building on the success of filling the current unmet needs of the city, the infrastructure needed to build grow with the development of retail centers that create tax revenue to further modernize the infrastructure, create long-term career opportunities, expand community development and enrichment programs, and sustain the growth that the city will see and will experience.

5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

The opportunity to serve as a member of the City Council is an honor and privilege. Considering the situation that has brought about this opportunity, I understand and appreciate the fact that I will be held to higher standards and scrutinized more in my decisions, my performance and the manner in which I serve and conduct myself as a member of City Council. In having this opportunity, I understand that I will need to earn the respect of the current City Council members and the governing body of the city along with winning the respect of the community of Perris. In understanding and appreciating this opportunity, I have no reservations in giving of myself what is needed to exceed the expectations of the City Council and community of Perris.

Thank you for your consideration of me in filling the open vacancy for the opportunity to serve as a member of the City Council of Perris.

CERTIFICATION AND AUTHORIZATION

I certify that all statements made in this application are true and complete. In compliance with State law, I understand that I will be required to file a Statement of Economic Interests upon appointment to office, and annually thereafter.

RESEARCH AND DEVELOPMENT PROJECT MANAGER

Self-motivated, reliable, and well-developed Research and Development Project Manager with 6 years of extensive experience in medical device design and manufacturing. Very detailed oriented professional within the 5 core project management process groups: Initiating, Planning, Executing, Monitoring and Controlling, and Closing. Possess a broad knowledge and understanding of the 10 knowledge areas within a cross-functional, balanced matrix team environment. Results-oriented with demonstrated success in managing stakeholder expectations, project goal facilitation and management with a clear, definitive vision and method of ownership.

A proactive and collaborative multi-functional and disciplined team leader skilled in design control, risk management and mitigation, quality and regulatory and project management software. Succeeds in presentation and communication of project milestones and progress. Persistent in maintaining the scope of the project through managing tasks and resources with a positive attitude. Works with resources, functional managers and engineers in developing a complete and thorough work breakdown structure, project scope and schedule to ensure on time delivery of project tasks.

Technical Proficiency: Project Management Software; Microsoft Office: Word, Excel, and PowerPoint

CORE COMPETENCIES

- FDA 21 CFR 820 Projects
- Work Breakdown Structures
- Process Flows
- Quality and Regulatory Management
- Manufacturing Implementation
- Multi-Functional Team Leader
- Risk Management
- Project Management Office
- Design Development

PROFESSIONAL HIGHLIGHTS

- CAPA Project Management – Managed projects related to Corrective and Preventative Actions due to customer complaints. Monitored corrective actions post implementation for effectiveness.
- Quality Design Verification – Verified design of product met marketing requirements based on design input and outputs.
- Testing Research – Managed testing research for solvent and material bonding for specific medical set designs.
- Manufacturing Implementation – Worked with manufacturing engineers to ensure product manufacturability.
- Change Control – Managed change control resulting from customer customization of finish good products.
- Performance Specification – Managed performance specification and test validation for new products.
- Product Management Support – Provided post implementation product support to customer service, manufacturing, and product end users.
- Team Leading and Coaching – Lead several cross functional product and process improvement teams resulting in improved products and streamlined processes.
- Status Reporting – Provides multilevel departmental project status reports to stakeholders, resources, and functional departments

PROFESSIONAL EXPERIENCE

ICU Medical  San Clemente, CA
Project Manager, New Product Development
Jan 2009 to Present

- Validated and implemented IV Therapy products and components per FDA 21 CFR Part 820.
- Manage multiple, multilevel, cross functional projects against project budgets, schedule and within quality standards.
- Provided recovery plans when necessary to achieve budget and schedule targets.
- Managed all aspects of product life cycle from conception to post implementation.
- More than 5500 work hours of project management experience.
- Coordinated implementation of new products through Change Control Board for seamless integration in to production.
Jason Reed

- Scoped, developed, managed and implemented a new product line for IV Start Kits.
- Provided technical, validation and packaging support for peripherally inserted catheter product line project.
- Effectively developed a process to validate standard medical components in a 45 day task oriented time-line.
- Wrote and implemented Regulatory Reference Documents and Procedures to expedite validations.
- Quality Set Design verification for compliance and adherence to set design procedures.
- Quality Review Board member for Custom IV set design and implementation.
- Provided technical and product line support to manufacturing plants for new products for a seamless implementation.
- Corrective and Preventative Action project manager for Quality and Manufacturing complaints.

ICU Medical  San Clemente, CA
Set Design Specialist
- Designed and developed IV Therapy product lines for Medical and Animal Health Industries.
- Designed IV Therapy sets per sales representative requests using Visio based design software.
- Established pricing for sets based on volume and design criteria for different medical fields.
- Managed programs related new product lines such as Oncology and Animal Health device kits.

May 2006 to Dec 2008

OTHER PROFESSIONAL EXPERIENCE

Mike's Fencing  San Bernardino, CA
Estimator and Project Coordinator
- Estimated job costs and material requirements for new and existing residential fence projects.
- Coordinated installation and completion of work orders.

2004 to 2006

EDUCATION

- SOUTHERN NEW HAMPSHIRE UNIVERSITY, Manchester, NH – Master of Science in Operations and Project Management, Anticipated June 2015
- UNIVERSITY OF PHOENIX, San Bernardino, CA – Bachelor of Science in Business Management, March 2007

TRAINING/CERTIFICATION

- ISO 14971 Risk Management Training.

District Dashboard

Measure L was placed on the June 6, 2012 ballot and the winning results, thanks to you, were as follows:
BONDS YEB: 2758 votes (82%)
BONDS NO: 1637 votes (32%)

Your support of Measure L will provide $178 million dollars for Val Verde students and schools and specifically will:
• Keep technology and computer systems up-to-date in classrooms, libraries and science labs
• Improve energy efficiency to provide ongoing savings that will allow us to attract and retain qualified teachers
• Provide academic instruction in core subjects like math, science, reading, writing and technology as well as programs
• That help students struggling with the basics
• Provide facilities and equipment for career and technical education classes so students can compete for high-demand jobs
• Construct a new high school to relieve student overcrowding

The measure will provide $178 million for local schools. You can find out more information about this measure here, or by calling our office at (951) 940-6100.

6/8/2015
How can an entrepreneur use teams to help manage a rapidly growing organization? Dr. George Lopez, an internal medicine physician, founded ICU Medical in San Clemente, California, in 1984 after a patient of his accidentally died when an intravenous (IV) line became inadvertently disconnected. Lopez thought that there must be a better way to design components of IV lines so that these kinds of tragic accidents didn't happen. He developed a product called the Click Lock, which both has a locking mechanism for IV systems and also a protected needle so that health care workers are protected from accidental needle pricks. Today, ICU Medical has approximately 1,480 employees and in 2007, net sales were over $180 million. Lopez is CEO of the company, which is now publicly traded on the NASDAQ stock exchange.

ICU Medical continues to focus on the development and manufacture of products that improve the functioning of IV lines and systems while protecting health care workers from accidental needle pricks. For example, the CLAVE NeedleFree Connector for IV lines is one of ICU Medical's top-selling products.

In the early 1990s, Lopez experienced something not uncommon to successful entrepreneurs as their businesses grow. As the entrepreneur-CEO, he continued to make the majority of important decisions himself; yet, he had close to 100 employees, demand for the CLAVE was very high, and he was starting to feel overloaded to the point where he would often sleep at

That's me in the middle.
nights in the office. After watching one of his son’s hockey games, he realized that a well-functioning team could work wonders; in the case of the hockey game, while the opposing team had an outstanding player, his son’s team really pulled together as a team and was able to win the game despite the rival team’s outstanding member. Lopez decided to empower employees to form teams to work on a pressing goal for ICU Medical, increasing production. While employees did form teams and spent a lot of time engaged in team interactions, the teams did not seem to come up with any real tangible results, perhaps because there were no team leaders in place and the teams had no guidelines or rules for behavior to follow to help them accomplish their goals.8

In an effort to improve team effectiveness, Lopez told employees that teams should elect team leaders. And together with Jim Reitz, who is currently ICU Medical’s director of human resources, Lopez came up with rules or guidelines that teams should follow such as “challenge the issue, not the person” and “stand up for your position, but never argue against the facts.”9 ICU Medical also started to reward team members for their team’s contributions to organizational effectiveness. With these changes, Reitz and Lopez were striving to ensure that teams had leaders, had some guidelines for team member behavior, and were rewarded for their contributions to organizational effectiveness but, at the same time, were not bogged down by unnecessary constraints and structures and were truly self-managing.10

With these changes in place, teams at ICU Medical really did start to live up to their promise. For example, several years ago, Don Ramstead who was responsible for the planning of production schedules, noticed a significant process inefficiency whereby a forklift was used to move parts to and from a molding site to a warehouse. After discussing the issue with coworkers, he suggested that a team be formed to improve the production process for the CLAVE. The team was formed, included managers in charge of logistics and manufacturing, and within six months was able to reduce the number of steps in the process of producing the CLAVE from 27 to 9, for an annual cost savings of around $500,000.11 Importantly, Ramstead and fellow team members were rewarded for their contributions to organizational effectiveness.12

Today, any ICU Medical employee can create a team to address a problem, seize an opportunity, or work on a project ranging from developing a new product to making improvements in the physical work environment.13 The teams are self-managing, and team members divide up the work amongst themselves, assign roles and responsibilities, schedule meetings, and determine their own deadlines. Regardless of the extent of their involvement in teams, employees are still expected to perform all of the regular tasks and responsibilities that make up their individual jobs. On average, teams tend to have between five to seven members, meet once a week, and at the end of each quarter around 12 to 15 teams have completed their projects. On a quarterly basis, ICU Medical makes available $75,000 to reward teams that successfully complete their projects.14 Rewards to teams are based on the sales rise of their members and the success and importance of their projects.15

While Lopez has retained the right to veto any decisions or initiatives teams come up with, he has not yet exercised that right. He believes that teams have to be empowered to make decisions and those decisions should hold even if he or other top managers might have their own misgivings. For example, several years ago, a team...
that ICU Medical provide employees with a 401(k) retirement plan. While Lopez was concerned about the cost and was not in favor of starting such a plan, he went along with the team and instituted a 401(k) plan, which he now realizes has been beneficial in terms of employee retention. According to Lopez, he would only exercise his veto power for a team recommendation he believed would put ICU Medical "on a pathway to destruction."  

Recognizing that self-managed teams still need rules, guidelines, leadership, and structure, a team of employees developed a 25-page guidebook for effective team functioning. And, in order to ensure that teams learn from each other as well as get feedback, teams are required to put up notes from each of their meetings on ICU Medical's intranet and any employee can provide feedback to any of the teams.

Of course, sometimes teams have problems. For example, manager Colleen Wilder once worked on a team in which she felt some team members, including herself, contributed much more than others who she felt just joined the team to get rewarded (without contributing). She suggested to the team that the team reward be split up among members based upon their contributions to the team project; her fellow team members agreed and those who did little to no work agreed to forego their share of the reward.

Regardless of problems that might crop up with teams, Lopez believes that teams often make better decisions than would have been made by a single individual. For example, a few years ago ICU Medical's information technology group purchased new laptops; many employees who travel a lot think the laptops weigh too much. As Lopez indicates, "That's what happens when you don't form a team... Top-down decisions are frequently wrong." All in all, self-managed teams have helped Lopez manage his rapidly growing business and have substantially contributed to ICU Medical's overall effectiveness.

Overview

ICU Medical is not alone in using groups and teams to improve organizational effectiveness. Managers in companies large and small are using groups and teams to enhance performance, increase responsiveness to customers, spur innovation, and motivate employees. In this chapter we look in detail at how groups and teams can contribute to organizational effectiveness and the types of groups and teams used in organizations. We discuss how different elements of group dynamics influence the functioning and effectiveness of groups, and we describe how managers can motivate group members to achieve organizational goals and reduce social loafing in groups and teams. By the end of this chapter, you will appreciate why the effective management of groups and teams is a key ingredient for organizational performance and effectiveness.

Groups, Teams, and Organizational Effectiveness

A group may be defined as two or more people who interact with each other to accomplish certain goals or meet certain needs. A team is a group whose members work intensely with one another to achieve a specific common goal or objective. As these definitions imply, all teams are groups but not all groups are teams. The two characteristics that distinguish teams from groups are the intensity with which team members work together and the presence of a specific, overriding team goal or objective.

CITY OF PERRIS
City Council Vacancy
Application Form

This application is a public record and will be included with the applicable City Council materials and may be posted on the City’s website. Personal contact information will be redacted.

All applicants must be residents and registered voters in the city of Perris at the time of application. Within 30 days of assuming office, the appointed council member will be required to file a Statement of Economic Interests (Fair Political Practices Commission Form 700).

YOUR CONTACT INFORMATION

The City of Perris is governed by five council members who are elected at large. The City operates with a council-manager form of government, where the City Council appoints a City Manager who administers the daily operations of city government. The City Council also appoints a City Attorney who is responsible for advising the Council on legal issues affecting the City of Perris. The members of the City Council serve on various outside agencies and make appointments to the various city commissions and committees. Regular City Council meetings are held on the second and last Tuesday of each month at the City Council Chambers located at 100 North Perris Boulevard. Special meetings, work sessions and other meetings may be called, as needed. This appointment will fill a seat left vacant. The term for this seat expires in December 2016. An election for this seat shall be held on November 8, 2016. Government Code Section 36502 provides that a candidate for City Council must be a registered voter of the City.

Please provide the following information as it appears on your voter registration. Your voter registration will be confirmed.

INTERESTS, SKILLS, ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future:

Administration, Accounting, Farming, Ranching, Equipment Operator, Human Behavior Consultant, Machinery Appraiser, Work with 4-H, FFA, Heritage Grange, Baseball & Football Coach, Umpire, Inland Empire, Intellectual Disabled, Special Olympics, Knights of Columbus, Relay for Life.
**SUPPLEMENTAL QUESTIONNAIRE**

To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (if additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. Why do you want to be appointed to the City of Perris City Council?

   *Being born and raised in Perris, I have seen vast changes, some good, some bad. I would like to be involved in future growth for the betterment of the people as well as the city.*

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

   *Leadership, loyalty, accountability, military discipline, integrity, understanding youth to adults and personalities.*

3. In your opinion, what are the most important issues facing the City of Perris?

   *Budget, economics, check & balance, proper rate of growth.*

4. What vision do you have for future development in the City of Perris?

   *Continued renovation of certain structures keep in tune with a historical city.*

5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

---

**CERTIFICATION AND AUTHORIZATION**

I certify that all statements made in this application are true and complete. In compliance with State law, I understand that I will be required to file a Statement of Economic Interests upon appointment to office, and annually thereafter.

CITY OF PERRIS
City Council Vacancy
Application Form

This application is a public record and will be included with
the applicable City Council materials and may be posted on
the City’s website. Personal contact information will be
redacted.

All applicants must be residents and registered voters in the city of Perris at the time of
application. Within 30 days of assuming office, the appointed council member will be
required to file a Statement of Economic Interests (Fair Political Practices Commission
Form 700).

YOUR CONTACT INFORMATION

The City of Perris is governed by five council members who are elected at large. The City operates with a council-manager
form of government, where the City Council appoints a City Manager who administers the daily operations of the city government.
The City Council also appoints a City Attorney who is responsible for advising the Council on legal issues affecting the City of
Perris. The members of the City Council serve on various outside agencies and make appointments to the various city
commissions and committees. Regular City Council meetings are held on the second and last Tuesday of each month at the
City Council Chambers located at 100 North Perris Boulevard. Special meetings, work sessions and other meetings may be
called, as needed. This appointment will fill a seat left vacant. The term for this seat expires in December 2016. An election
for this seat shall be held on November 8, 2016. Government Code Section 36502 provides that a candidate for City Council
must be a registered voter of the City.

Please provide the following information as it appears on your voter registration. Your voter registration will be
confirmed.

INTERESTS / SKILLS / ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also state whether you intend to run for public office in the future.

- 18 years on the Perris City Council.
- Assigned as a primary or secondary representative on every agency during my tenure.
- Assigned to work on every Ways and Means committee for the City during my tenure.
- Member of the Sons of the American Legion.
- Member/Past President Optimist International, Perris Valley Chapter.
- Member of the Perris Christmas Parade, 10 years.
- Graduate of Perris High, selected as Alumni of the year 2014 for my civic contributions.
- Worked with City staff to negotiate Solar Shine City solar system. Helen Putnam Award.
- Worked with staff to facilitate an outreach program for the Enchanted Heights Sewer program. Helen Putnam and National League Award.
- Worked with my colleagues and staff earning the City of Perris, three Helen Putnam Awards from the League of California Cities, two of those awards were recognized by the National League of Cities.
- Chairman, RCHCA
- Chairman, March JPA, signed the agreement to build the $300 million dollar Medical City at March Air Reserve base.
- Worked with March JPA staff to bring Space Shuttle to March Museum, Shuttle is now located in Los Angeles.
- Worked with staff to streamline and change conflicting policy language in Washington D.C. regarding Accident Potential Zones.
- Hands on participation of City sponsored events: Tour de Perris, rode the 8 mile, 30 mile, 62 mile and the 100 mile bike rides.
- Worked with staff to develop a water conservation program focused on community outreach, water characters, and videos. The program was launched and ran the duration of the Southern California Fair, 2014.
- Worked with staff on the Lake Perris Dam remediation project. I went city by city, securing resolutions of support ultimately the State funded $140 million dollars for Lake Perris.

May or may not run for future public office, it will just depend on the urgency of the matter. If I can help make a difference, I will consider it.
SUPPLEMENTAL QUESTIONNAIRE

To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (if additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. Why do you want to be appointed to the City of Perris City Council?

There is currently a vacancy that hopefully will be filled through this process to avoid a costly taxpayer burdened special election. As the result of this vacancy, the image and reputation of the City of Perris has been tainted. At first, it was a shock, now it’s a joke. Reminiscent of the mid 90’s when the city was run to the verge of Bankruptcy by a slow economy, bad city councils decisions and an incompotent staff. But with hard work and sacrifice from a newly elected city council and great city staff, Perris was transformed to one of the most fiscally solvent cities in the nation and at the same time brought and enhanced important services back the community such as pro-active public safety, jobs, parks, schools, unique venues such as Orange Empire Railway Museum, Perris Skydive, Drop Zone Water park, Big League Dreams, Perris Auto Speedway, retail and affordable homes.

I'm here, to offer my public service and work as a pro active team to quickly bring the City of Perris back to full speed and to continue to work to make Perris a safe city that values public safety and offers a quality of life environment that everyone can enjoy.

2. How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?

My education started with Automotive Technical training at Perris High School Regional Occupation Program (R.O.P). I competed regionally and was honored as a finalist for the State of California representing Perris High School. I received my Associate of Arts Degree in Automotive Service at Arizona Automotive Institute. I worked for several Volvo car dealers attaining my Masters Rating from the manufacturer as well as my Masters rating from Automotive Service Excellence (ASE). After working for several cars dealers, I opened an independent automotive facility in the City of Perris, offering service and restoration throughout Southern California and the nation.

Our family operates two businesses in the City of Perris, Swedish Speed and Champion towing with 10 employees. My wife Shelly is our company CEO and a standing board member with the Val Verde Unified School district. We network with several local businesses daily which include: car rental agencies, automotive part stores, paint and supply companies, auto body shops, fueling stations (with purchases of $50k annually) hotels, tire stores and restaurants.

As a business owner I can't afford to waste time or money, which explains why I have always been very frugal with the taxpayers money.

As you may know, I've served 18 years on the Perris City Council, and represented the City on every agency and Ad Hoc committee in the county and chaired several including RCTC, RTA, RCHCA, RCA, WRCOG and March JPA.

My wife and I served 15 years with the Perris Valley Optimist Club and Optimist International, raising funds and hosting family events for our community youth. I also served as President for two terms.

I have raised thousands of dollars and worked to support great programs for the American Legion, Sheriffs Posse, March of Dimes and United Way. I am most proud to have facilitated the partnership with the City of Perris, Perris Auto Speedway and the American Cancer Society helping the group raise over $100,000 for Cancer research. In honor of my grand daughter Halle who passed away from Leukemia at the age of 4 in 2012.

I've established and maintained local, regional, State and National relationships and contacts from Perris to Washington DC.
In the 18 years that I served, I never missed a regular city council meeting.

Being self employed, I have the flexibility to attend any and all meetings necessary to advance the interests of Perris and the region.

3. In your opinion, what are the most important issues facing the City of Perris?

a) Public Safety will always be on the top of the list as the reasons are ever changing. We must continue to strive for a pro-active approach to keep our residence and businesses safe.

b) Maintain a solid fiscal posture. With reserves of 50% or better and proven two year budget cycles, the City of Perris is prepared to weather almost any crisis while maintaining important services for the community.

c) Quality services for our community with great quality of life activities we all deserve! Especially for our Seniors and children.

d) A constant Economic Development approach. The City must be able to bring in quality retailers and businesses that are looking at Perris, but also be prepared to go out and find other retailers and businesses and bring them to Perris for all the right reasons; Location, Location, Location!!!

4. What vision do you have for future development in the City of Perris?

We have most of our heavy industrial approved and underway, now that we have surpassed the 50,000 roof tops home threshold and the economy is starting to recover, we need to resume our search for good retailers. Nice supermarkets, more restaurants and small business that can keep revenue here in town. Fun businesses like skating/hockey rinks, bowling alleys. Continue to develop our art and cultural interests. Lake Perris fully restored and filled to capacity! Fairgrounds to become an entertainment center for our community.

5. Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.

I have taken great pride in living and raising my family here in Perris. I've been married for 32 years, I have four children, three are military veterans and the fourth manages one of my businesses. I have five grandchildren and have been a homeowner in the city since 1983.

When asked to run for council years ago, it was apparent that someone needed to step up. I never considered this a task or a hardship even though we went through some of the most difficult financial times and had to make some very difficult decisions. I have always been honored to serve my community as a public servant.

Selecting me to complete the term of the open seat will send a very powerful message to the community and the region that Perris is back in full force. There is no learning curve, no getting up to speed, no orientation, no working the way up the ladder, no dues to pay — just getting back on track and putting the lessons of the past behind us. One of my greatest abilities is working well with others in a solution minded fashion. I've worked with some of the worst and been privileged to have worked with some of the very best.

I look forward to working with our City Council as a team respecting all opinions and backgrounds as an intricate part of our diverse community.

I respectfully ask for your vote of support.

INTERESTS / SKILLS / ABILITIES

List your skills, abilities, related volunteer community service and relevant interest to the office you are seeking. Please also
state whether you intend to run for public office in the future:

Recently, after much personal debate, I have taken up an interest in local government. Thus, I believe my pro-
fessional skills and experience, education, and community service will lend themselves to have developed the
beginning stages to this platform.

My intentions are to create positive relationships through this opportunity so that I may begin to establish a
positive repertoire amongst the current constituents, and in doing so, pursue public office in the near future.
**SUPPLEMENTAL QUESTIONNAIRE**

To assess the expectations you have about City Council service and to understand the expectations other people will have of you as a council member, please respond to each of the following questions (if additional space is needed, please use a separate sheet of paper). If desired, a resume may accompany your application.

1. **Why do you want to be appointed to the City of Perris City Council?**

   I would like to be appointed by the City of Perris City Council because I have been preparing for a position such as this one my whole life; through the development of good moral character, virtues, education, respect, awareness, developmental assets, morals, values, leadership and strong ethics.

2. **How will your education, training, experience and history of community involvement make you a suitable candidate to serve as a member of the City Council?**

   I believe I am a suitable candidate to serve as a member of the City Council. I am suitable because as an educator, advocate, counselor, and leader I am held to a higher standard; and I rise to that expectation each and every day. Thus, becoming involved with City Council will allow me to extend these qualities, as well as my community involvement and appreciation to all the residents of the city of Perris. My degrees in Education, Counseling, Administration and currently Law, coupled with experience in both the public and private sector have afforded me a vast umbrella of knowledge, which will lend itself to this next step.

3. **In your opinion, what are the most important issues facing the City of Perris?**

   In my opinion, the most important issues facing the City of Perris are; a less than welcoming city appeal, gang violence and territories, transportation-infrastructure, local economy, commercial/industrial development, shrinking-fleeing middle class, public safety and education, local economic development, community partnerships and other developments (will discuss further).

4. **What vision do you have for future development in the City of Perris?**

   Given that I have been a resident of the city of Perris since 1980, my vision for the city is based on emotion and the desire for it to be the city that healthy and successful businesses flock to, families thrive in, and education and public safety are at its forefront. Thus, through inviting developers, entrepreneurs and twenty-first century ideas, I believe the city of Perris will become an appealing city for years to come.

5. **Use this space to provide any additional information or statements. Your comments will assist the City Council in giving your application the fullest consideration.**

   I sincerely hope the City Council considers my application and permits me to continue on for an interview. As a dedicated counselor, leader and educator I hope to be able to represent the City of Perris and begin to develop stronger ties with all the educational institutions (districts) and local businesses, as well as new vision. I firmly believe that in order for the city to meet its fullest potential, it must invest in professionals with potential, perseverance, and drive to better our neighborhoods and city.

**CERTIFICATION AND AUTHORIZATION**

I certify that all information provided is true and complete. In compliance with State law, I understand that I will be required to submit a resume upon appointment to office, and annually thereafter.

I am a highly experienced and versatile student-focused educational leader possessing a strong obligation to the development of students and staff, while providing an inspiring, safe, and motivating learning environment. Furthermore, I am a self-motivated visionary leader and unyielding team player with a proven track record in collaborating with the school community, increasing student academics, and maintaining distinction in education. Nonetheless, I am an honorable professional with superior communication skills to develop strong and lifelong relationships with all members of the school community.

CITY COUNCIL
AGENDA SUBMITTAL

Meeting Date: June 16, 2015

SUBJECT: Calling a Special Election to Elect a Councilmember to fill vacancy (if necessary)

REQUESTED ACTION: That if a Councilmember is not appointed to fill the vacancy, the City Council adopt resolutions (next in order) calling a special election for November 3, 2015, entitled:

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PERRIS, COUNTY OF RIVERSIDE, STATE OF CALIFORNIA, ADOPTING REGULATIONS FOR CANDIDATES FOR ELECTIVE OFFICE, PERTAINING TO MATERIALS SUBMITTED TO THE ELECTORATE AND THE COSTS THEREOF FOR THE SPECIAL ELECTION TO BE HELD IN SAID CITY ON NOVEMBER 3, 2015.

CONTACT: Eric Dunn, City Attorney

DISCUSSION:

A vacancy occurred in the office of City Councilmember effective May 11, 2015. The term of office for the vacant seat will end following the normally scheduled election to be held in November 2016.

Pursuant to Government Code Section 36512(b), within 60 days from the commencement of the vacancy, the City Council shall either (i) appoint a qualified resident to fill the vacancy, or (ii) call a Special Election to fill the vacancy. The Special Election must be held at the next regularly established election date, which is on November 3, 2015.

In the event that the City Council does not make an appointment it will be necessary for the City Council to consider and adopt a resolution calling and giving notice of a Special Election in the City of Perris on November 3, 2015 and requesting that the Board of Supervisors of the County of Riverside permit the Registrar of Voters of the County of...
Riverside to render specified election services to the City of Perris. The Registrar of Voters has established an administrative deadline of June 26, 2015 for submission of resolutions calling for consolidation and for offices to be voted on. The nomination period for the November 3, 2015 special election will open on July 13, 2015 at 8:00 a.m. and end on August 6, 2015 at 6:00 p.m.

The City Council is also requested to consider and adopt an additional resolution, pursuant to Election Code 13307, adopting regulations for candidates for elective office and pertaining to the costs associated with candidate statements.

**BUDGET (or FISCAL) IMPACT:**

The cost of the Special Election, if held in November, is estimated to be $13,000-$23,000.

Reviewed by:
City Attorney: Yes
Assistant City Manager:
**Attachments:**

RESOLUTION NUMBER

WHEREAS, a vacancy in the office of City Councilmember was created with the resignation of Councilmember Julio C. Rodriguez effective May 11, 2015; and

WHEREAS, the term of office in which the vacancy occurs ends following the normally scheduled election to be held in November 2016; and

WHEREAS, under the provisions of the laws relating to vacancies in general law cities in the State of California, if a councilmember is not appointed to fill the vacancy the City Council shall call a Special Election which shall be held at the next regularly scheduled election date which is on November 3, 2015; and

WHEREAS, pursuant to Elections Code section 10002, the City Council may by resolution request the Riverside County Board of Supervisors to permit the Registrar of Voters of the County of Riverside to render specified election services to the City of Perris.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PERRIS, CALIFORNIA, DOES HEREBY RESOLVE, DECLARE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. That pursuant to the requirements of the laws of the State of California relating to general law cities, there is called and ordered to be held in the City of Perris, California, on Tuesday, November 3, 2015, a Special Election for the purpose of election of a City Councilmember for the term of office in which the vacancy was created by the resignation of Councilmember Julio C. Rodriguez which ends December, 2016.

Section 2. That the ballots to be used at the Election shall be in form and content as required by law.

Section 3. That the Election Services which the City of Perris requests the Registrar of Voters of the County of Riverside ("Registrar") to perform, and which such officer is hereby authorized and directed to perform, include: the preparation, printing and mailing of sample ballots and polling place cards; the establishment or appointment of precincts, polling
places and election officers; the furnishing of ballots, voting booths and other necessary supplies or materials for polling places; and the performance of such other election services as may be requested by the City Clerk which may be necessary in order to properly and lawfully conduct the Special Election, as more specifically detailed in Exhibit A of this Resolution.

Section 4. That the Registrar is hereby requested to consolidate the Special Election for the City of Perris with any other election, including the statewide election, being held in the same territory, and to be held on the same date, and said Election shall be held in all respects as if there were only one election, and only one form of ballot shall be used, and the Registrar is authorized to canvass the returns and furnish the results of such canvassing to the City Clerk of the City of Perris, as provided by law;

Section 5. That the City Council of the City of Perris, pursuant to Elections Code section 320, hereby designates Nancy Salazar, City Clerk, or her designee, as the City of Perris Elections Official for purposes of this election and its related process.

Section 6. The City and the County understand and agree that the Special Election is the City’s election. Therefore, the City shall be responsible for compliance with all legal requirements for this election, and shall direct the manner in which the election is conducted. The County will work with the City in complying with all legal requirements for the conduct of this election and shall conduct this election pursuant to the direction of the City.

Section 7. The City of Perris recognizes that additional costs will be incurred by the County of Riverside by reason of this consolidation, and agrees to reimburse the County of Riverside for services rendered, upon presentation of a properly detailed invoice to the City Clerk of the City of Perris.

Section 8. That the polls for said Election shall be opened at seven o’clock a.m. (7:00 a.m.) of the day of said Election and shall remain open continuously from said time until eight o’clock p.m. (8:00 p.m.) of the same day, when said polls shall be closed, except as provided in Section 14401 of the Elections Code of the State of California.

Section 9. That the City Clerk of the City of Perris is hereby directed to file a certified copy of this Resolution with the Registrar.

Section 10. That the Registrar is hereby directed to give such further or additional notice of said Special Election, in time, form and manner as required by law.

Section 11. That the City Clerk shall certify to the passage and adoption of this Resolution; shall enter the same in the book of original Resolutions of the City of Perris; and shall make a minute of passage and adoption thereof in the records of the proceedings of the City Council of the City of Perris, in the minutes of the meeting at which same is passed and adopted.
ADOPTED, SIGNED and APPROVED this 16th day of June, 2015.

City Clerk, Nancy Salazar
EXHIBIT A

Detailed list of services to be provided by the Riverside County Registrar of Voters:

1) Prepare all up-to-date election process forms.
2) Provide signature verification services for all nomination papers.
3) Prepare sample ballot materials including candidate statements and translations for review by the City Clerk, prior to distribution.
4) Distribute sample ballots to all qualified City of Perris registered voters.
5) Establish polling places for voting precincts.
6) Provide voting equipment, ballot boxes, ballots, and all other necessary supplies and paraphernalia, for each established polling place.
7) Select, train and issue payment to poll workers and alternate poll workers as required by law for each polling place established. The City shall have the opportunity to review the final list of poll workers assigned to serve in City precincts.
8) Provide training for “Range Inspectors” hired by the County to provide technical support on Election Days.
9) Provide an alphabetical listing of each voter in the City, including their appropriate polling place location, on CD if available.
10) Provide the necessary voter registration lists for all polling locations.
11) Publish and post required notices regarding polling places and poll workers.
12) Provide the County tabulation equipment and the qualified and trained County personnel to operate the same.
13) Provide County personnel for security during the ballot counting and tabulation process.
14) Provide sufficient personnel to deliver, process, count and tabulate the ballots on the night of the general municipal election.
15) Distribute and process all vote by mail ballots.
16) Distribute and process all provisional ballots.
17) Prepare and deliver the election returns of the votes cast at the general municipal election to the Perris City Clerk, to enable the City Clerk to canvass the returns and declare the results.
18) Provide voting precinct maps for use by the City Clerk’s Office and City poll workers, in assisting voters to determine their precinct polling locations.
19) Provide itemized written Invoice prior to December 31, 2015.
RESOLUTION NUMBER

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PERRIS, COUNTY OF RIVERSIDE, STATE OF CALIFORNIA, ADOPTING REGULATIONS FOR CANDIDATES FOR ELECTIVE OFFICE, PERTAINING TO MATERIALS SUBMITTED TO THE ELECTORATE AND THE COSTS THEREOF FOR THE SPECIAL ELECTION TO BE HELD IN SAID CITY ON NOVEMBER 3, 2015.

WHEREAS, Section 13307 of the Elections Code of the State of California provides that the governing body of any local agency shall adopt regulations pertaining to materials to be submitted to the electorate prepared by any candidate for a municipal election, including costs thereof.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PERRIS, CALIFORNIA, DOES HEREBY RESOLVE, DECLARE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. Adoption of Resolution. That the City Council of the City of Perris adopted Resolution Number (next in order) calling for a Special Election to be held on November 3, 2015 to fill a vacancy on the City Council.

Section 2. General Provisions. That pursuant to Section 13307 of the Elections Code of the State of California, each candidate for elective office to be voted for in the Special Election to be held in the City of Perris on November 3, 2015, may prepare a candidate’s statement on an appropriate form provided by the City Clerk. The form, contents, and distribution of this statement shall comply with Elections Code sections 13307 – 13312. Accordingly, such statement shall not include party affiliation of the candidate, nor membership or activity in partisan political organizations. Such statement shall be filed in the office of the City Clerk at the time the candidate’s nomination papers are filed and may be withdrawn until 6:00 p.m. of the next working day after the close of the nomination period. The nomination period begins at 8:00 a.m. on July 13, 2015 and ends at 6:00 p.m. on August 6, 2015.

Section 3. Payment. That the City Clerk shall estimate the total cost of printing, handling and mailing the candidate’s statement filed pursuant to the Elections Code, and request each candidate filing a statement to pay in advance his or her pro rata share as a condition of having his or her statement included in the voter’s pamphlet. The City Clerk shall bill each candidate for any cost in excess of the deposit and shall refund any unused portion of any deposit.

Section 4. That the City Clerk shall provide each candidate a copy of this Resolution at the time nominating petitions are issued.

Section 5. That no candidate will be permitted to include additional materials in the sample ballot package.
Section 6. That the City Clerk shall certify to the passage and adoption of this Resolution; shall enter the same in the book of original Resolutions of said City; and shall make a minute of passage and adoption thereof in the records of the proceedings of the City Council of said City in the minutes of the meeting at which the same is passed and adopted.

ADOPTED, SIGNED AND APPROVED this 16th day of June, 2015.

Mayor, Daryl R. Busch
