

ORDINANCE NUMBER 1120

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PERRIS ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF COMMUNITY FACILITIES DISTRICT NO. 2003-1 (CHAPARRAL RIDGE) OF THE CITY OF PERRIS AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN SAID DISTRICT

THE CITY COUNCIL OF THE CITY OF PERRIS, ACTING IN ITS CAPACITY AS THE LEGISLATIVE BODY OF THE COMMUNITY FACILITIES DISTRICT NO. 2003-1 (CHAPARRAL RIDGE) OF THE CITY OF PERRIS, DOES ORDAIN AS FOLLOWS:

Section 1. By the passage of this Ordinance, the City Council authorizes the levy of a special tax at the rate and formula set forth in Exhibit "A" to Resolution Number 3132, as amended and which for reference purposes is attached hereto as Exhibit "1" and incorporated herein by this reference.

Section 2. The City Council or its designee is hereby further authorized to determine, by ordinance, resolution or by other action if permitted by then applicable law, on or before August 1 of each year, the specific special tax to be levied on each parcel of land in the District. The special tax to be levied shall not exceed the maximum rates set forth in Exhibit "1", but the special tax may be levied at a lower rate. The City Clerk is authorized and directed to file with the county auditor on or before the 10th day of August of each tax year a certified copy of such ordinance or resolution accompanied by a list of all parcels subject to the special tax levy with the tax to be levied on each parcel.

Section 3. Properties or entities of the state, federal or other local governments shall be exempt from the above-referenced and approved special taxes only to the extent set forth in Section [E] of Exhibit "1" hereto and otherwise shall be subject to the tax consistent with the provisions of Section 53317.3 of the Act in effect as of the date of adoption of this Ordinance.

Section 4. All of the collections of the special taxes shall be used only as provided for in the Act and Resolution Number 3132. The special taxes shall be levied only so long as needed to accomplish the purposes described in Resolution Number 3132.

Section 5. The special taxes shall be collected from time to time as necessary to meet the financial obligations of Community Facilities District No 2003-1 (Chaparral Ridge) of the City of Perris (the "District") on the secured real property tax roll in the same manner as ordinary *ad valorem* taxes are collected, or other procedures as may be adopted by the City Council. The City Manager is hereby authorized and directed to provide or to cause to be provided all necessary information to the auditor/tax collector of the County of Riverside and to otherwise take all actions necessary in order to effect proper billing and collection of the special

taxes, so that the special taxes shall be levied and collected in sufficient amounts and at times necessary to satisfy the financial obligations of the District in each fiscal year until the Bonds are paid in full, the Facilities have been paid for, and provision has been made for payment of all of the administrative costs of District. The special taxes may be subject to the same penalties and the same procedure, sale and lien priority in cases of delinquency as provided for *ad valorem* taxes as such procedure may be modified by law of this City Council from time to time.

Notwithstanding the foregoing, the City Manager may collect, or cause to be collected, one or more installments of the special taxes by means of direct billing by the district of the property owners within the District, if, in the judgment of the City Manager, such means of collection will reduce the administrative burden of the District in administering the District where it is otherwise appropriate in the circumstances. In such event, the special taxes shall become delinquent if not paid when due as set forth in any such respective billing to the property owners.

Whether the special taxes are levied in the manner provided in the first or the second preceding paragraph, the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for *ad valorem* taxes. In addition, the provisions of Section 53356.1 of the Act shall apply to delinquent special tax payments.

Section 6. As a cumulative remedy, if any amount levied as a special tax for payment of bond interest or principal, together with any penalties and other charges accruing under this Ordinance, are not paid when due, the City Council may, not later than four years after the due date of the last installment of principal of the Bonds, order that the same be collected by an action brought in the superior court to foreclose the lien of such special tax.

Section 7. This Ordinance relating to the levy of the special taxes shall take effect immediately upon its final passage in accordance with the provisions of Section 36937(a) of the Government Code, and the specific authorization for adoption is pursuant to the provisions of Section 53340 of the Government Code.

Section 8. The City Clerk is hereby directed to execute and cause to be recorded in the office of the County Recorder of the County of Riverside a notice of special tax lien in the form required by the Act, said recording to occur no later than fifteen days following final passage by the City Council of this Ordinance.

Section 9. The Mayor shall sign this Ordinance and the City Clerk shall attest to the Mayor's signature and then cause the same to be published within fifteen (15) days after its passage at least once in the Perris City News, a newspaper of general circulation published and circulated in the City.

Section 10. The City Clerk shall certify to the passage of this Ordinance and shall cause the same to be published as required by law.

TABLE 1

**Assigned Special Taxes for Developed Property
CFD No. 2003-1
For Fiscal Year 2003/04**

Land Use Class	Description	Residential Floor Area	Assigned Special Tax
1	Residential Property	2,399 sq. ft. or less	\$1,595.75 per unit
2	Residential Property	2,400 sq. ft. to 2,599 sq. ft.	\$1,716.00 per unit
3	Residential Property	2,600 sq. ft. to 2,799 sq. ft.	\$1,782.20 per unit
4	Residential Property	2,800 sq. ft and above	\$1,849.20 per unit
5	Non-Residential Property	N/A	\$5,530.00 per Acre

On July 1st of each Fiscal Year, commencing July 1, 2004, the Assigned Special Tax shall increase by two-percent (2.0%) of the amount in effect in the prior Fiscal Year.

(c). Multiple Land Use Classes

In some instances an Assessor's Parcel of Developed Property may contain more than one Land Use Class. The Assigned Special Tax levied on an Assessor's Parcel shall be the sum of the Assigned Special Taxes for all Land Use Classes located on that Assessor's Parcel. The Maximum Special Tax that can be levied on an Assessor's Parcel shall be the sum of the Maximum Special Taxes that can be levied for all Land Use Classes located on that Assessor's Parcel. For an Assessor's Parcel that contains both Residential Property and Non-Residential Property, the Acreage of such Assessor's Parcel shall be allocated to each type of property based on the amount of Acreage designated for each Land Use Class as determined by reference to the site plan approved for such Assessor's Parcel. The CFD Administrator's allocation to each type of property shall be final.

(d). Backup Special Tax

Each Fiscal Year, each Assessor's Parcel of Residential Property shall be subject to a Backup Special Tax. The Backup Special Tax rate for Residential Property within a Final Subdivision shall be \$1,821.32 for Fiscal Year 2003/04 per Lot. On July 1st of each Fiscal Year commencing July 1, 2004, the Backup Special Tax shall increase by two percent (2.00%) of the amount in effect in the prior Fiscal Year.

If the Final Subdivision is modified, the rate per dwelling unit calculated according to the following formula:

B = Backup Special Tax per Assessor's Parcel for the applicable Fiscal Year

Z = Maximum Special Tax for Undeveloped Property for the applicable Fiscal Year

A = Acreage of Taxable Property, excluding Taxable Public Property or Taxable Property Owner Association Property in such Final Subdivision that lie within the boundaries of CFD No. 2003-1, as determined by the CFD Administrator pursuant to Section VIII

L = Total Assessor's Parcels of Taxable Property within the Final Subdivision that lie within the boundaries of CFD No. 2003-1

If a Final Subdivision includes Assessor Parcels for which building permits for both residential and non-residential construction may be issued, then the Backup Special Tax for each Assessor's Parcel of Residential Property within such Final Subdivision area shall be computed by the CFD Administrator exclusive of the allocable portion of total Acreage of Taxable Property attributable to Assessor Parcels for which building permits for non-residential construction may be issued.

Notwithstanding the foregoing, if Assessor Parcels of Residential Property are subsequently changed or modified by recordation of a Final Subdivision, then the Backup Special Tax shall be recalculated to equal the amount of the Backup Special Tax that would have been generated if such change did not take place.

2. Taxable Property Owner Association Property, Taxable Public Property, and Undeveloped Property.

The Maximum Special Tax for Taxable Property Owner Association Property, Taxable Public Property, and Undeveloped Property shall be \$5,530 per Acre for Fiscal Year 2003-2004. On July 1st of each Fiscal Year Commencing July 1, 2004, the Maximum Special Tax for Taxable Property Owner Association Property, Taxable Public Property, and Undeveloped Property shall increase by two percent (2.00%) of the amount in effect in the prior Fiscal Year.

IV. APPORTIONMENT OF SPECIAL TAX

For each Fiscal Year the Council shall determine the Special Tax Requirement and levy the Special Tax, until the amount of Special Taxes equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied proportionately on each Assessor's Parcel of Developed Property in an amount up to 100% of the applicable Assigned Special Tax as necessary to satisfy the Special Tax Requirement.

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Maximum Special Tax;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased in equal percentages from the Assigned Special Tax up to 100% of the Maximum Special Tax for each such Assessor's Parcel;

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied on each Assessor's Parcel of Taxable Property Owner Association Property or Taxable Public Property at up to 100% of the Maximum Special Tax for Taxable Property Owner Association Property or Taxable Public Property.

Notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2003-1, except for those Residential Properties whose owners are also delinquent or in default on their Special Tax payments for one or more other properties within CFD No. 2003-1.

V. MANNER OF COLLECTION

Collection of the Special Tax shall be by the County in the same manner as ordinary ad valorem property taxes are collected and the Special Tax shall be subject to the same penalties and the same lien priority in the case of delinquency as ad valorem taxes; provided, however, that the Council may provide in the Indenture or in the Resolution of Issuance for (i) other means of collecting the Special Tax, including direct billings thereof to the property owners; and (ii) judicial foreclosure of delinquent Special Taxes.

VI. DISCHARGE OF SPECIAL TAX OBLIGATION

The Special Tax for any Assessor's Parcel may be prepaid and permanently satisfied or prepaid in part, as described herein, provided that a prepayment may be made only if at the time of the prepayment there are no delinquent Special Taxes with respect to such Assessor's Parcel and all other Assessor's Parcels which are under the same ownership and located within the CFD. An owner of an Assessor's Parcel intending to prepay the Special Tax shall provide the CFD Administrator with written notice of intent to prepay. Within 60 days of receipt of such written notice, the CFD Administrator shall notify such owner of the prepayment amount for such Assessor's Parcel and the date through which the amount of such prepayment shall be valid.

Prepayment in Full

The "Prepayment" shall be an amount equal to the sum of (1) Principal, (2) Premium, (3) Defeasance, and (4) Fees minus the Reserve Fund Credit, where the terms "Principal", "Premium", "Defeasance", "Fees," and "Reserve Fund Credit," have the following meanings:

"Principal" means the principal amount of Bonds to be redeemed from the proceeds of such Prepayment and equals the quotient derived by dividing (a) the applicable Maximum Special Tax for the applicable Assessor's Parcel by (b) the projected aggregate Maximum Special Taxes as determined by the CFD Administrator (and excluding from (b) any Special Taxes for Assessor's Parcels which have fully prepaid the Special Tax), and multiplying the quotient by the principal amount of Bonds outstanding as of the first interest and/or principal payment date following the current Fiscal Year.

"Premium" means an amount equal to the Principal multiplied by the applicable redemption premium, if any, for the Bonds so redeemed with the proceeds of any such Prepayment.

"Defeasance" means an amount equal to the amount needed to pay interest on the Principal to be redeemed until the earliest redemption date as determined by the CFD Administrator for the outstanding Bonds less the amount that is estimated by the CFD Administrator to be received from the reinvestment of the difference of the Prepayment and the Fees. Credit shall also be given for any Special Tax heretofore paid and which will not be needed for purposes of funding the current Fiscal Year's Special Tax Requirement.

“Fees” equal the fees and expenses of CFD No. 2003-1 related to the Prepayment.

“Reserve Fund Credit” shall equal the lessor or (i) the expected reduction in the applicable reserve fund requirement (as defined in the Indenture), if any, following the redemption of Bonds from proceeds of the prepayment or (ii) the amount derived by subtracting the new reserve fund requirement in effect after the redemption of Bonds from the balance in the reserve fund (as such term is defined in the Indenture) on the prepayment date, but in no event shall such amount be less than zero.

The sum of the amounts calculated in the preceding steps shall be paid to CFD No. 2003-1 and shall be used to pay and redeem Bonds in accordance with the Indenture and to pay the Fees. Upon receipt of such Prepayment by CFD No. 2003-1, the obligation to pay the Special Tax for such Assessor’s Parcel shall be deemed to be permanently satisfied, the Special Tax shall not be levied thereafter on such Assessor’s Parcel, and the CFD Administrator shall cause notice of cancellation of the Special Tax for such Assessor’s Parcel to be recorded within 30 working days of receipt of the Prepayment.

Notwithstanding the foregoing, no prepayment shall be allowed unless the amount of Special Taxes that may be levied pursuant to this Rate and Method of Apportionment after the proposed prepayment is at least the sum of (i) the estimated Administrative Expenses, based on the average annual Administrative Expenses to date, and (ii) one hundred ten percent (110%) of the maximum annual debt service for the Bonds, taking into account the Bonds to remain outstanding after such prepayment.

VII. TERM OF “SPECIAL TAX”

The Special Tax shall be levied annually for a period not to exceed the 40 years commencing with Fiscal Year 2003-2004, provided however that Special Taxes will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all required Debt Service payments on all outstanding Bonds have been paid.

VIII. EXEMPTIONS

No Special Tax shall be levied on up to 6.56 Acres of Property Owner Association Property or Public Property. Tax-exempt status will be assigned by the CFD Administrator in the chronological order in which property becomes Property Owner Association Property or Public Property. However, should an Assessor's Parcel no longer be classified as Property Owner Association Property or Public Property, its status as property exempt from the levy of Special Taxes will be revoked.

Property Owner Association Property or Public Property that is not exempt from Special Taxes under this section shall be subject to the levy of the Special Tax and shall be taxed as part of the fourth step in Section IV above, at up to 100% of the applicable Maximum Special Tax for Taxable Property Owner Association Property or Taxable Public Property.
