WHEREAS, at said hearing evidence was presented to the Council on said matters before it, and this Council at the conclusion of said hearing is fully advised in the premises;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Perris, California, as follows:

Section 1. That the above recitals are all true and correct.

Section 2. Pursuant to Section 53325.1(b) of the Government Code, the Council finds and determines that the proceedings prior hereto were valid and in conformity with the requirements of the Act including, without limitation, the following:

- A. Filing of a petition of a landowner requesting institution of proceedings to establish the District;
- B. Adoption of a Resolution of Intention to establish the District;
- C. Adoption of a Resolution of Intention to Incur Bonded Indebtedness in an amount not to exceed \$16,500,000 within the proposed District;
- D. Publication and mailing of notice of public hearing on the establishment of the District and of the proposed debt issue;
- E. Conducting of a public hearing on the establishment of the District, the proposed public facilities and services and the incurring of the proposed debt, at which time all interested persons or taxpayers not exempt from the special tax were permitted to protest orally or in writing against the establishment of the District, were permitted to file written protests to the regularity or sufficiency of the proceedings, and any person interested, including persons owning property within the District, were permitted to appear and present any matters material to the questions set forth in the Resolution of Intention to Incur Bonded Indebtedness.

Section 3. The Report, as now submitted is hereby approved and is made a part of the record of the hearing, and is ordered kept on file with the transcript of these proceedings and open for public inspection.

Section 4. A community facilities district to be designated "Community Facilities District No. 2005-2 (Harmony Grove) of the City of Perris" ("the District") is hereby established pursuant to the Act.

Section 5. The description and map of the boundaries of the District on file in the City Clerk's office and as described in said Resolution of Intention and incorporated herein by reference, shall be the boundaries of the District. The map of the proposed boundaries of the District has been recorded in the Office of the County Recorder of Riverside County, California in Book 61, Page 97 (Document No. 2005-0272866) of the Book of Maps of Assessments.

Section 6. The type of public facilities ("Facilities") authorized to be provided within the District include certain real and other tangible property with an estimated useful life of five years or longer, including public infrastructure facilities, and other governmental facilities which the City is authorized by law to construct, own or operate, within or without the District, which is necessary to meet increased demands placed upon the City as

result of development or rehabilitation occurring within the District. The Facilities are more fully described in Exhibit "B" attached hereto and by this reference incorporated herein.

Section 7. Except where funds are otherwise available, there shall be levied annually in accordance with procedures contained in the Act a special tax within the District, secured by recordation of a continuing lien against all nonexempt real property in the District, sufficient to pay for: (i) the Facilities and Incidental Expenses; and (ii) the principal and interest and other periodic costs on bonds or other indebtedness issued to finance the Facilities and Incidental Expenses, including the establishment and replenishment of any reserve funds deemed necessary by the District, and any remarketing, credit enhancement and liquidity facility fees (including such fees for instruments which serve as the basis of a reserve fund in lieu of cash). The rate and method of apportionment and manner of collection of the special tax within the District is described in detail in Exhibit "A" attached hereto and incorporated herein by this reference. Exhibit "A" allows each landowner within the District to estimate the maximum amount that may be levied against each parcel.

Section 8. If special taxes of the District are levied against any parcel used for private residential purposes, (i) the maximum special tax rate shall not be increased over time except that it may be increased by an amount not to exceed two percent (2%) per year to the extent permitted in the rate and method of apportionment; (ii) such tax shall be levied for a period not to exceed forty (40) years commencing with Fiscal Year 2005-2006, as further described in Exhibit "A" hereto; and (iii) under no circumstances will such special tax be increased more than ten percent (10%) as a consequence of delinquency or default by the owner of any other parcels within the District by more than ten percent.

Section 9. The special tax within the District is based on the expected demand that each parcel of real property the District will place on the Facilities, on the benefit that each parcel derives from the right to access the Facilities, and on other factors. The Council hereby determines the rate and method of apportionment of the special tax set forth in Exhibit "A" to be reasonable. The special tax is apportioned to each parcel on the foregoing basis pursuant to Section 53325.3 of the Act and such special tax is not based upon the value or ownership of real property. In the event that a portion of the property within Community Facilities District No. 2005-2 shall become for any reason exempt, wholly or partially, from the levy of the special tax specified on Exhibit "A", the Council shall, on behalf of the District, cause the levy to be increased, subject to the limitation of the maximum special tax for a parcel as set forth in Exhibit "A," to the extent necessary upon the remaining property within the District which is not delinquent or exempt in order to yield the special tax revenues required for the purposes described herein. The obligation to pay special taxes may be prepaid as set forth in Exhibit "A."

Section 10. Pursuant to and in compliance with the provisions of Government Code Section 50075.1, the City Council hereby establishes the following accountability measures pertaining to the levy by the CFD of the Special Tax described in Section 7 above:

- A. Such Special Tax shall be levied for the specific purposes set forth in Section 6 hereof.

- B. The proceeds of the levy of such Special Tax shall be applied only to the specific purposes set forth in Section 6 hereof.
- C. The CFD shall establish an account or accounts into which the proceeds of such Special Tax shall be deposited.
- D. The City Manager or the Finance Director, or his or her designee, acting for and on behalf of the CFD, shall annually file a report with the City Council as required pursuant to Government Code Section 50075.3.

Section 11. Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the Streets and Highways Code, a continuing lien to secure each levy of the special tax shall attach to all nonexempt real property in the District, and this lien shall continue in force and effect until the special tax obligation is prepaid or otherwise permanently satisfied and the lien cancelled in accordance with law or until collection of the tax by the District ceases.

Section 12. The Council finds that the Facilities are necessary to meet the increased demand put upon the City as a result of the development within the District.

Section 13. The Council finds that there is not an *ad valorem* property tax currently being levied on property within the proposed District for the exclusive purpose of paying principal of or interest on bonds or other indebtedness incurred to finance construction of capital facilities which provide the same services to the territory of the District as provided by the Facilities.

Section 14. An appropriation limit for the District is hereby established as an amount equal to all the proceeds of the special tax collected annually and as defined by Article XIII B of the California Constitution, as adjusted for changes in the cost of living and changes in population.

Section 15. Written protests against the establishment of the District, or against the furnishing of specified services or facilities or the levying of a specified special tax within the District, have not been filed by fifty percent (50%) or more of the registered voters or property owners of one-half (1/2) or more of the area of land within the District.

Section 16. The proposed special tax to be levied in the District to pay for all the proposed facilities has not been precluded by protests by owners of one-half or more of the land in the territory included in the District pursuant to Government Code Section 53324.

Section 17. The Office of the City Manager, 101 North "D" Street, Perris, California 92570, (951) 943-6100, or its designee, is designated to be responsible for preparing annually a current roll of special tax levy obligations by assessor's parcel number and for estimating future special tax levies pursuant to Section 53340.1 of the Government Code.

Section 18. The City Clerk is directed to certify and attest to this Resolution and to take any and all necessary acts to call, hold, canvass and certify an election or elections on the incurring of bonded indebtedness, the levy of the special tax, and the establishment of the appropriation limit.

The Maximum Special Tax for each Assessor's Parcel classified as Developed Property shall be the greater of (i) the amount derived by application of the Assigned Special Tax or (ii) the amount derived by application of the Backup Special Tax.

(ii). Assigned Special Tax

The Zone A and Zone B Assigned Special Tax for the 2005-2006 Fiscal Year is shown in Table 1.

TABLE 1

On July 1st of each Fiscal Year, commencing July 1, 2006, the Assigned Annual Special Tax for Residential Property and Non-Residential Property shall increase by two-percent (2.0%) of the amount in effect in the prior Fiscal Year.

(iii). Multiple Land Use Classes

In some instances an Assessor's Parcel of Developed Property may contain more than one Land Use Class or may contain both Residential and Non-Residential Property. For Assessor's Parcels of Residential Property containing more than one Land Use Class, the Assigned Special Tax levied on an Assessor's Parcel shall be the sum of the Assigned Special Taxes for all Land Use Classes located on that Assessor's Parcel. The Maximum Special Tax that can be levied on an Assessor's Parcel shall be the sum of the Maximum Special Taxes that can be levied for all Land Use Classes located on that Assessor's Parcel. For an Assessor's Parcel that contains both Residential Property and Non-Residential

Property, the Acreage of such Assessor's Parcel shall be allocated to each type of property based on the amount of Acreage designated for Residential and Non-Residential Property as determined by reference to the site plan approved for such Assessor's Parcel. The CFD Administrator's allocation to each type of property shall be final.

(iv). Backup Special Tax

Each Fiscal Year, each Assessor's Parcel of Residential Property in Zone A and Zone B shall be subject to a Backup Special Tax. In each Fiscal Year, the Backup Special Tax rate for Residential Property within a Final Subdivision in each Zone shall be the rate per dwelling unit calculated according to the following formula:

$$B = \frac{Z \times A}{L}$$

The terms above have the following meanings:

B = Backup Special Tax per Assessor's Parcel within the applicable Final Subdivision

Z = Maximum Special Tax for Undeveloped Property within the applicable Final Subdivision for the Fiscal Year in which the Final Subdivision is recorded.

A = Acreage of Taxable Property, excluding Provisional Undeveloped Property in such Final Subdivision that lie within the boundaries of CFD No. 2005-2, as determined by the CFD Administrator pursuant to Section 8.

L = Total number of Assessor's Parcels of Residential Property within the Final Subdivision that lie within the boundaries of CFD No. 2005-2.

If a Final Subdivision includes Assessor's Parcels for which building permits for both residential and non-residential construction may be issued, then the Backup Special Tax for each Assessor's Parcel of Residential Property within such Final Subdivision area shall be computed by the CFD Administrator exclusive of the allocable portion of total Acreage of Taxable Property attributable to Assessor Parcels for which building permits for non-residential construction may be issued.

Except as provided below (and except for the 2% annual increase), once a Final Subdivision is recorded, the Backup Special Tax for each Assessor's

Parcel within such Final Subdivision shall be fixed and shall not be recalculated. Notwithstanding the foregoing, if Assessor Parcels of Residential Property are subsequently changed or modified by recordation of a subsequent Final Subdivision, then the Backup Special Tax as previously determined will be applied to the unchanged Lots and a Revised Backup Special Tax shall be recalculated to equal the amount of the Backup Special Tax that would have been generated if such change did not take place and applied to the Lots that are part of the changed or modified area based on the following formula:

$$R = \frac{B}{N}$$

The terms above have the following meanings:

R = Revised Backup Special Tax per Assessor's Parcel that applies to the changed or modified lots in a Final Subdivision.

B = Backup Special Tax applicable to the changed or modified lots in a Final Subdivision prior to the change or modification.

N = Total number of new Assessor's Parcels of Residential Property created through the change or modification of the Final Subdivision.

B. Provisional Undeveloped Property and Undeveloped Property.

The Maximum Special Tax for Provisional Undeveloped Property and Undeveloped Property shall be \$16,751 per Acre for Zone A and \$13,943 per Acre for Zone B for Fiscal Year 2005-2006. On July 1st of each Fiscal Year, commencing July 1, 2006, the Maximum Annual Special Tax for Undeveloped Property and Provisional Undeveloped Property shall increase by two-percent (2.0%) of the amount in effect in the prior Fiscal Year.

4. METHOD OF APPORTIONMENT

For each Fiscal Year the Council shall determine the Special Tax Requirement and levy the Special Tax, until the amount of Special Taxes equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property in an amount up to 100% of the applicable Assigned Special Tax as necessary to satisfy the Special Tax Requirement;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Maximum Special Tax;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased Proportionately from the Assigned Special Tax up to 100% of the Maximum Special Tax for each such Assessor's Parcel; and

Fourth: If additional monies are needed to satisfy the Special Tax Requirement after the first three steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Provisional Undeveloped Property at up to 100% of the Maximum Special Tax for Provisional Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2005-2, except for those Residential Properties whose owners are also delinquent or in default on their Special Tax payments for one or more other properties within CFD No. 2005-2.

5. COLLECTION OF SPECIAL TAXES

Collection of the Special Tax shall be by the County in the same manner as ordinary ad valorem property taxes are collected and the Special Tax shall be subject to the same penalties and the same lien priority in the case of delinquency as ad valorem taxes; provided, however, that the Council may provide for (i) other means of collecting the Special Tax, including direct billings thereof to the property owners; and (ii) judicial foreclosure of delinquent Special Taxes.

6. PREPAYMENT OF SPECIAL TAX OBLIGATION

Property owners may prepay and permanently satisfy the Special Tax Obligation by a cash settlement with the City as permitted under Government Code Section 53344. Prepayment is permitted only under the following conditions:

The following definition applies to this Section 6:

“**CFD Public Facilities Costs**” means either \$9,800,000 for Zone A and \$2,700,000 for Zone B in 2005 dollars, which shall increase by the Construction Inflation Index on July 1, 2006, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to acquire or construct the facilities to be financed by Zone A and Zone B under the authorized Mello-Roos financing program

for CFD No. 2005-2, or (ii) shall be determined by the Council concurrently with a covenant that it will not issue any more CFD No. 2005-2 Bonds (except refunding bonds) to be supported by Special Taxes.

“**Construction Fund**” means the fund (regardless of its name) established pursuant to the Indenture to hold funds, which are currently available for expenditure to acquire or construct the facilities or pay fees.

“**Future Facilities Costs**” means the CFD Public Facilities Costs minus (i) costs previously paid from the Construction Fund to acquire or construct the facilities, (ii) monies currently on deposit in the Construction Fund, and (iii) monies currently on deposit in an escrow or other earmarked fund that are expected to be available to finance CFD Public Facilities Costs.

“**Outstanding Bonds**” means all Previously Issued Bonds, which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year.

“**Previously Issued Bonds**” means all CFD No. 2005-2 Bonds that have been issued prior to the date of prepayment.

A. Prepayment in Full

The Special Tax Obligation applicable to an Assessor’s Parcel in Zone A or Zone B may be prepaid and the obligation of the Assessor’s Parcel to pay any Special Tax permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor’s Parcel only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel intending to prepay the Special Tax Obligation shall provide the CFD Administrator with written notice of intent to prepay and the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the Prepayment Amount for such Assessor’s Parcel within thirty (30) days of the request and may charge a reasonable fee for providing this service. Prepayment must be made more than 60 days prior to any redemption date for the CFD No. 2005-2 Bonds to be redeemed with the proceeds of such prepaid Special Taxes.

The Prepayment Amount (defined below) shall be calculated as summarized below (capitalized terms as defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Prepayment Amount
plus	Defeasance Amount
plus	Prepayment Administrative Fees and Expenses

2. For Assessor's Parcels of Developed Property, compute the Assigned Special Tax and Backup Special Tax. For Assessor's Parcels of Undeveloped Property for which a building permit has been issued, compute the Assigned Special Tax and Backup Special Tax for that Assessor's Parcel as though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.
3. (a) Divide the Assigned Special Tax computed pursuant to paragraph 2 by the total estimated Assigned Special Taxes for CFD No. 2005-2 based on the Developed Property Special Taxes which could be levied in the current Fiscal Year on all expected development through build-out of CFD No. 2005-2 as determined by the CFD Administrator, excluding any Assessor's Parcels for which the Special Tax Obligation has been prepaid, and (b) Divide the Backup Special Tax computed pursuant to paragraph 2 by the total estimated Backup Special Taxes at build-out for CFD No. 2005-2, excluding any Assessor's Parcels for which the Special Tax Obligation has been prepaid.
4. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (expressed as a percentage), if any, on the Outstanding Bonds to be redeemed at the first available call date (the "Redemption Premium").
6. Compute the current Future Facilities Costs.
7. Multiply the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Prepayment Amount").

8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.
9. Compute the amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Amount and the Prepayment Administrative Fees and Expenses from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.
10. Take the amount computed pursuant to paragraph 8 and subtract the amount computed pursuant to paragraph 9 (the "Defeasance Amount").
11. Verify the administrative fees and expenses of CFD No. 2005-2, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 2005-2, and the costs of recording any notices to evidence the prepayment and the redemption (the "Prepayment Administrative Fees and Expenses").
12. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "Reserve Fund Credit"). No Reserve Fund Credit shall be granted if reserve funds are below 100% of the reserve requirement.
13. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the larger quotient computed pursuant to paragraph 3(a) or 3(b) by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the "Capitalized Interest Credit").
14. The Special Tax Obligation is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 10, and 11, less the amounts computed pursuant to paragraphs 12 and 13 (the "Prepayment Amount").
15. From the Prepayment Amount, the sum of the amounts computed pursuant to paragraphs 4, 5, 10, 12, and 13 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make Debt Service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 11 shall be retained by CFD No. 2005-2.

The Prepayment Amount may be sufficient to redeem an amount other than a

\$5,000 increment of CFD No. 2005-2 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to redeem CFD No. 2005-2 Bonds to be used with the next prepayment of CFD No. 2005-2 Bonds.

The CFD Administrator will confirm that all previously levied Special Taxes have been paid in full. With respect to any Assessor's Parcel that is prepaid in full, once the CFD Administrator has confirmed that all previously levied Special Taxes have been paid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor's Parcel, and the Special Tax Obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes that may be levied on Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the maximum annual Debt Service on all Outstanding Bonds.

B. Prepayment in Part

The Special Tax on an Assessor's Parcel of Developed Property or Undeveloped Property for which a building permit has been issued may be partially prepaid until the initial occupancy permit has been issued. The amount of the prepayment shall be calculated as in Section 6.A.; except that a partial prepayment shall be calculated according to the following formula:

$$PP = PE \times F.$$

These terms have the following meaning:

PP = the partial prepayment

PE = the Prepayment Amount calculated according to Section 6.A.

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax.

The owner of any Assessor's Parcel who desires such prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax, (ii) the percentage by which the Special Tax shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax for an Assessor's Parcel within sixty (60) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section 6.A., and (ii) indicate in the records of CFD No. 2005-2 that there has been a partial prepayment of the Special Tax and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the remaining Maximum Annual Special Tax, shall continue to

be levied on such Assessor's Parcel pursuant to Section 3.

7. TERM OF SPECIAL TAX

The Special Tax shall be levied annually for a period not to exceed the 40 years commencing with Fiscal Year 2005-2006.

8. EXEMPTIONS

The CFD Administrator shall classify as Exempt Property (i) Assessor's Parcels owned by the State of California, Federal or other local governments, (ii) Assessor's Parcels of Property Owner Association Property, or (iii) Assessor's Parcels which are used as places of worship and are exempt from ad valorem property taxes because they are owned by a religious organization (iv) Assessor's Parcels with public utility easement by the restriction, as determined reasonably by the CFD Administrator, provided that no such classification would reduce the sum of all Taxable Property in CFD No. 2005-2 to less than 41.85 and 13.84 acres for Zone A and Zone B respectively of Acreage. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the sum of all Taxable Property in CFD No. 2005-2 to less than 41.85 and 13.84 acres for Zone A and Zone B respectively acres of Acreage be classified as Provisional Undeveloped Property, and will continue to be subject to the CFD No. 2005-2 Special Taxes accordingly. Tax exempt status for this purpose of this paragraph will be assigned by the CFD Administrator in the chronological order in which property becomes eligible for classification as Exempt Property.

The Special Tax Obligation for any property which would be classified as Public Property upon its transfer or dedication to a public agency but which is classified as Provisional Undeveloped Property pursuant to the first paragraph of Section 8 above shall be prepaid in full by the seller pursuant to Section 8 prior to the transfer/dedication of such property to such public agency. Until the Special Tax Obligation for any such Public Property is prepaid, the property shall continue to be subject to the levy of the Special Tax as Provisional Undeveloped Property.

If the use of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in the first paragraph of Section 8 above that would make such Assessor's Parcel eligible to be classified as Exempt Property, such Assessor's Parcel shall cease to be classified as Exempt Property and shall be deemed to be Taxable Property.
