**RESOLUTION OF INTENTION OF THE CITY COUNCIL OF THE CITY OF PERRIS TO ESTABLISH COMMUNITY FACILITIES DISTRICT NO. 2014-1 (AVELINA) OF THE CITY OF PERRIS AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX WITHIN COMMUNITY FACILITIES DISTRICT NO. 2014-1 (AVELINA) OF THE CITY OF PERRIS**

**WHEREAS**, the City Council (the “Council”) of the City of Perris (the “City”) has received a petition (including consent and waiver) (the “Petition”) requesting the institution of proceedings for formation of a community facilities district (the “District”) pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the Government Code of the State of California (the “Act”); and

**WHEREAS**, the Council has determined that the Petition complies with the requirements of Government Code Section 53318 and now intends to form Community Facilities District No. 2014-1 (Avelina) of the City of Perris; and

**WHEREAS**, the Council desires to adopt this resolution of intention as provided in Section 53321 of the Act to establish a community facilities district consisting of the territory described in Exhibit “A” hereto and incorporated herein by this reference, which the Council hereby determines shall be known as “Community Facilities District No. 2014-1 (Avelina) of the City of Perris” (the “Community Facilities District No. 2014-1” or the “District”) pursuant to the Act to finance (1) the purchase, construction, modification, expansion, improvement or rehabilitation of certain real or other tangible property described in Exhibit “B” hereto and incorporated herein by this reference, including all furnishings, equipment and supplies related thereto; (2) the payment of development and other fees (collectively, the “Facilities”), which Facilities have a useful life of five years or longer; and (3) the incidental expenses to be incurred in connection with financing the Facilities and forming and administering the District (the “Incidental Expenses”); and

**WHEREAS**, it is the intention of the Council to consider financing the Facilities and the Incidental Expenses through the formation of Community Facilities District No. 2014-1 and the sale of bonded indebtedness in an amount not to exceed \$5,000,000 within proposed Improvement Area No. 1, \$5,000,000 within proposed Improvement Area No. 2, and \$5,000,000 within Improvement Area No. 3 within the District and the levy of a special tax within each Improvement Area to pay for the Facilities and the Incidental Expenses and to pay debt service on the bonded indebtedness incurred by such District, provided that the bond sales and special tax levies are approved at an election to be held within the District.

**NOW, THEREFORE**, THE CITY COUNCIL OF THE CITY OF PERRIS DOES HEREBY RESOLVE AS FOLLOWS:

**Section 1.** The above recitals are true and correct.

**Section 2.** The Council hereby determines to institute proceedings for the formation of a community facilities district under the terms of the Act, with three separate improvement areas designated pursuant to Section 53350 of the Act. The exterior boundaries of the District and the boundaries of each Improvement Area are hereby specified and described to be as shown on that certain map now on file in the office of the City Clerk entitled “Proposed Boundaries of Community Facilities District No. 2014-1 (Avelina) of the City of Perris,” which map indicates by a boundary line the extent of the territory included in the proposed community facilities district and each Improvement Area and shall govern for all details as to the extent of the District. On the original and one copy of the map of such District on file in the Clerk’s office, the Clerk shall endorse the certificate evidencing the date and adoption of this resolution. The Clerk shall file the original of such map in her office and, within fifteen (15) days after the adoption of this Resolution, the Clerk shall file a copy of such map so endorsed in the records of the County Recorder, County of Riverside, State of California.

**Section 3.** The name of the proposed District shall be “Community Facilities District No. 2014-1 (Avelina) of the City of Perris” and the three proposed Improvement Areas shall be designated as “Improvement Area No. 1”, “Improvement Area No. 2”, and “Improvement Area No. 3”.

**Section 4.** The Facilities proposed to be financed by the District and to be financed in part by each Improvement Area are public infrastructure facilities and other governmental facilities with an estimated useful life of five years or longer, which the City or Eastern Municipal Water District (“EMWD”) is authorized by law to construct, acquire, own, operate or contribute revenue to. The Council hereby finds and determines that the description of the Facilities herein is sufficiently informative to allow taxpayers within the proposed District and each Improvement Area to understand what the funds of each Improvement Area may be used to finance. The Incidental Expenses expected to be incurred include the cost of planning and designing the Facilities, the costs of forming the District, issuing bonds and levying and collecting a special tax within each proposed Improvement Area of the District. The Council hereby finds that the proposed Facilities are necessary to meet increased demands placed upon the City and EMWD as a result of development occurring within the proposed District. Such Facilities need not be physically located within the District.

**Section 5.** Except where funds are otherwise available, it is the intention of the Council to levy annually in accordance with procedures contained in the Act a special tax within each Improvement Area (the “Special Tax”) sufficient to pay for the costs of financing the acquisition and/or construction of the Facilities and Incidental Expenses, including the principal and interest and other periodic costs on bonds or other indebtedness proposed to be issued to finance the Facilities, and Incidental Expenses, the establishment and replenishment of reserve funds, the credit enhancement fees, the costs of administering the levy and collection of the Special Tax and all other costs of the levy of the Special Tax and issuance of the bonds, including any foreclosure proceedings, architectural, engineering, inspection, legal, fiscal, and financial consultant fees, discount fees, interest on bonds due and payable prior to the expiration of one year from the date of completion of Facilities (but not to exceed two years), election costs and all costs of issuance of the bonds, including, but not limited to, fees for bond counsel, disclosure counsel, financing consultants and printing costs, and all other administrative costs of the tax levy and bond issue. The Special Tax will be secured by recordation of a continuing lien

against all non-exempt real property in that Improvement Area. In the first year in which such a Special Tax is levied, the levy shall include a sum sufficient to repay to the City all amounts, if any, transferred to the District pursuant to Section 53314 of the Act and interest thereon. The schedule of the rate and method of apportionment and manner of collection of the Special Tax within each Improvement Area are described in detail in Exhibit "C" attached hereto and by this reference incorporated herein. The Special Tax is based upon the cost of financing the Facilities and Incidental Expenses in the District, the demand that each parcel will place on the Facilities and the benefit (direct and/or indirect) received by each parcel from the Facilities.

The Special Tax within a proposed Improvement Area is apportioned to each parcel within the proposed Improvement Area on the foregoing basis pursuant to Section 53325.3 of the Act. In the event that a portion of the property within a proposed Improvement Area of the District shall become for any reason exempt, wholly or partially, from the levy of the Special Tax, the Council shall, on behalf of the District, increase the levy to the extent necessary upon the remaining property within that Improvement Area which is not delinquent or exempt in order to yield the required payments, subject to the maximum tax. If special taxes of the District are levied against any parcel used for private residential purposes, (i) the maximum special tax rate shall not be increased over time except that it may be increased by an amount not to exceed two percent (2%) per year to the extent permitted in the rate and method of apportionment; (ii) such tax shall be levied for a period not to exceed fifty (50) years commencing with Fiscal Year 2015-2016, as further described in Exhibit "C" hereto; and (iii) under no circumstances will such special tax be increased as a consequence of delinquency or default by the owner of any other parcels within the District by more than ten percent (10%).

**Section 6.** The special tax within the proposed District is based on the expected demand that each parcel of real property within the proposed District will place on the Facilities and on the benefit that each parcel derives from the right to access the Facilities. The Council hereby determines that the proposed Facilities are necessary to meet the increased demand placed upon the City and EMWD and the existing infrastructure in the City as a result of the development of land proposed for inclusion of the District. The Council hereby determines the rate and method of apportionment of the special tax set forth in Exhibit "C" for each proposed Improvement Area to be reasonable.

**Section 7.** A public hearing (the "Hearing") on the establishment of Community Facilities District No. 2014-1, each proposed Improvement Area, the proposed rate and method of apportionment of the Special Tax and the proposed issuance of bonds by the Improvement Area to finance the Facilities and the Incidental Expenses shall be held on November 25, 2014, at 6:00 p.m., or as soon thereafter as practicable, at the chambers of the City Council of the City of Perris, 101 North "D" Street, Perris, California 92570. Should the Council determine to form the District and establish the Improvement Areas, a special election will be held within each Improvement Area to authorize the issuance of bonds and the levy of the Special Tax in accordance with the procedures contained in Government Code Section 53326. If held, the proposed voting procedure at the elections will be a landowner vote with each landowner who is the owner of record of land within an Improvement Area at the close of the Hearing, or the authorized representative thereof, having one vote for each acre or portion thereof owned within the Improvement Area. Ballots for the special election may be distributed by mail or by personal service.

**Section 8.** At the time and place set forth above for the Hearing, any interested person, including all persons owning lands or registered to vote within the proposed District, may appear and be heard.

**Section 9.** Each City officer who is or will be responsible for the Facilities to be financed by the District, if it is established, is hereby directed to study the proposed District and, at or before the time of the above-mentioned Hearing, file a report with the Council, and which is to be made a part of the record of the Hearing, containing a brief description of the Facilities and services by type which will in his or her opinion be required to adequately meet the needs of the District and his or her estimate of the cost of providing the Facilities and services, including an estimate of the fair and reasonable cost of all Incidental Expenses, including the cost of planning and designing the Facilities to be financed pursuant to the Act, the cost of environmental evaluations of such Facilities, all costs associated with the creation of the District, issuance of bonds, determination of the amount of any special taxes, collection of any special taxes, or costs otherwise incurred in order to carry out the authorized purposes of the City with respect to the District, and any other expenses incidental to the construction, completion and inspection of the authorized work to be paid through the proposed financing.

**Section 10.** The City may accept advances of funds or work-in-kind from any sources, including private persons or private entities, and is authorized and directed to use such funds for any authorized purpose, including any cost incurred in creating the District. The District may enter into an agreement to repay all of such funds as are not expended or committed for any authorized purpose at the time of the election on the levy of the Special Tax, if the proposal to levy such tax should fail, and to repay all of such funds advanced if the levy of the Special Tax shall be approved by the qualified electors of the District.

**Section 11.** The Clerk is hereby directed to publish a notice (“Notice”) of the Hearing pursuant to Section 6061 of the Government Code in a newspaper of general circulation published in the area of the proposed District. Such Notice shall contain the text or a summary of this Resolution, state the time and place of the Hearing, a statement that the testimony of all interested persons or taxpayers will be heard, a description of the protest rights of the registered voters and landowners in the proposed District as provided in Section 53324 of the Act and a description of the proposed voting procedure for the election required by the Act. Such publication shall be completed at least seven (7) days prior to the date of the Hearing.

**Section 12.** The Clerk may send a copy of the Notice of the Hearing by first-class mail, postage prepaid, to each registered voter and to each landowner within the proposed District as shown on the last equalized assessment roll. Said mailing shall be completed not less than fifteen (15) days prior to the date of the Hearing.

**Section 13.** Pursuant to Section 53344.1 of the Act, the Council hereby reserves to itself, in its sole discretion, the right and authority by subsequent resolution to allow any owner of property within the District, subject to the provisions of Section 53344.1 of the Act and those conditions as it may impose, and any applicable prepayment penalties as prescribed in the bond indenture or comparable instrument or document, to tender to the District treasurer in full payment or part payment of any installment of the special taxes or the interest or penalties thereon which may be due or delinquent, but for which a bill has been received, any bond or

other obligation secured thereby, the bond or other obligation to be taken at par and credit to be given for the accrued interest shown thereby computed to the date of tender.

**Section 14.** The voting procedure with respect to the establishment of the District and the imposition of the special tax shall be by hand delivered ballot election.

**“Outstanding Bonds”** means all Previously Issued Bonds, which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year excluding Bonds to be redeemed at a later date with proceeds of prior Special Tax prepayments.

**“Previously Issued Bonds”** means all Bonds that have been issued prior to the date of prepayment.

The Special Tax Obligation applicable to an Assessor’s Parcel of Developed Property, or Undeveloped Property for which a Building Permit has been issued may be prepaid and the obligation to pay the Special Tax for such Assessor’s Parcel permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor’s Parcel only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel eligible to prepay the Special Tax Obligation shall provide the CFD Administrator with written notice of intent to prepay, and designate or identify the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the Prepayment Amount for such Assessor’s Parcel within thirty (30) days of the request, and may charge a reasonable fee for providing this service. Prepayment must be made at least 60 days prior to any redemption date for the CFD No. 2014-1 IA1 Bonds to be redeemed with the proceeds of such prepaid Special Taxes, unless a shorter period is acceptable to the Trustee and the City.

The Prepayment Amount (defined below) shall be calculated for each applicable Assessor’s Parcel or group of Assessor’s Parcels as summarized below (capitalized terms as defined below):

Bond Redemption Amount  
plus Redemption Premium  
plus Future Facilities Prepayment Amount  
plus Defeasance Amount  
plus Prepayment Administrative Fees and Expenses  
less Reserve Fund Credit  
less Capitalized Interest Credit  
Total: equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

**Step No.:**

1. Confirm that no Special Tax delinquencies apply to such Assessor’s Parcel.
2. For Assessor’s Parcels of Developed Property, determine the Maximum Special Tax. For Assessor’s Parcels of Undeveloped Property for which a Building Permit has been issued, compute the Maximum Special Tax for that Assessor’s Parcel as

though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.

3. Divide the Maximum Special Tax computed pursuant to paragraph 2 by the total expected Maximum Special Tax revenue for CFD No. 2014-1 IA1 assuming all Building Permits have been issued (build-out) within CFD No. 2014-1 IA1, excluding any Assessor's Parcels for which the Special Tax Obligation has been previously prepaid.

4. Multiply the quotient computed pursuant to paragraph 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid for all applicable parcels and round that amount up to the nearest \$5,000 increment (the "Bond Redemption Amount").

5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (expressed as a percentage), if any, on the Outstanding Bonds to be redeemed at the first available call date (the "Redemption Premium").

6. Compute the Future Facilities Costs.

7. Multiply the quotient computed pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Prepayment Amount").

8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the expected redemption date for the Outstanding Bonds which, depending on the Indenture, may be as early as the next interest payment date.

9. Compute the amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Prepayment Amount and the Prepayment Administrative Fees from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.

10. Subtract the amount computed in paragraph 9 from the amount computed in paragraph 8 (the "Defeasance Amount").

11. Calculate the administrative fees and expenses of CFD No. 2014-1 IA1, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 2014-1 IA1, and the costs of recording any notices to evidence the prepayment and the redemption (the "Prepayment Administrative Fees").

12. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment calculation date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "Reserve Fund Credit"). No Reserve Fund Credit shall be granted if, after the Prepayment Amount is calculated, reserve funds are below 100% of the reserve requirement.

13. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the quotient computed pursuant to paragraph 3 by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the “Capitalized Interest Credit”).

14. The amount to prepay the Special Tax Obligation is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 10, and 11, less the amounts computed pursuant to paragraphs 12 and 13 (the “Prepayment Amount”).

15. From the Prepayment Amount, the sum of the amounts computed pursuant to paragraphs 4, 5, and 10, less the amounts computed pursuant to paragraphs 12 and 13 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make Debt Service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 11 shall be retained by CFD No. 2014-1 IA1.

The Prepayment Amount may be sufficient to redeem an amount other than a \$5,000 increment of CFD No. 2014-1 IA1 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to redeem CFD No. 2014-1 IA1 Bonds to be used with the next prepayment of CFD No. 2014-1 IA1 Bonds.

The CFD Administrator will confirm that all previously levied Special Taxes have been paid in full. With respect to any Assessor's Parcel for which the Special Tax Obligation is prepaid in full, once the CFD Administrator has confirmed that all previously levied Special Taxes have been paid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of the owner of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

## **B. Partial Prepayment**

The Special Tax on an Assessor's Parcel of Developed Property or Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section 6.A.; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E - A) \times F + A$$

These terms have the following meaning:

PP = the partial prepayment

PE = the Prepayment Amount calculated according to Section 6.A

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax Obligation

A = the Prepayment Administrative Fees and Expenses from Section 6.A

The owner of any Assessor's Parcel who desires such partial prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax Obligation, (ii) the percentage by which the Special Tax Obligation shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax Obligation for an Assessor's Parcel within sixty (60) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section 6.A., and (ii) indicate in the records of CFD No. 2014-1 IA1 that there has been a partial prepayment of the Special Tax Obligation and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage  $(1.00 - F)$  of the Maximum Special Tax, shall continue to be levied on such Assessor's Parcel.

Notwithstanding the foregoing, no partial prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed partial prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

## **7. TERM OF SPECIAL TAX**

The Special Tax shall be levied as long as necessary to meet the Special Tax Requirement for a period not to exceed fifty Fiscal Years commencing with Fiscal Year 2015-16, provided however that the Special Tax will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all required interest and principal payments on CFD No. 2014-1 IA1 bonds have been paid.

## **8. EXEMPTIONS**

The CFD Administrator shall classify as Exempt Property (i) Assessor's Parcels of Public Property, (ii) Assessor's Parcels of Property Owner Association Property, or (iii) Assessor's Parcels which are used as places of worship and are exempt from ad valorem property taxes because they are owned by a religious organization and (iv) Assessor's Parcels with public utility easement by the restriction, as determined reasonably by the CFD Administrator, provided that no such classification would reduce the sum of all Taxable Property in CFD No. 2014-1 IA1 to less than 27.37 Acres. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the sum of all Taxable Property in CFD No. 2014-1 IA1 to less than 27.37 Acres shall be classified as Provisional Property and will continue to be subject to the CFD No. 2014-1 IA1 Special Taxes accordingly. Tax exempt status for the purpose of this paragraph will be assigned by the CFD Administrator in the chronological order in which property becomes eligible for classification as Exempt Property.

If the use of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in the first paragraph of Section 8 above that

would make such Assessor's Parcel eligible to be classified as Exempt Property, such Assessor's Parcel shall cease to be classified as Exempt Property and shall be deemed to be Taxable Property.

## **9. APPEALS**

Any landowner who pays the Special Tax and claims the amount of the Special Tax levied on his or her Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error not later than twelve (12) months after first having paid the first installment of the Special Tax that is disputed. If following such consultation, the CFD Administrator determines that an error has occurred, the CFD Administrator may amend the amount of the Special Tax levied on such Assessor's Parcel. If following such consultation and action, if any, by the CFD Administrator, the landowner believes such error still exists, such person may file a written notice with the City Manager or designee of the City appealing the amount of the Special Tax levied on such Assessor's Parcel. Upon the receipt of such notice, the City Manager or designee may establish such procedures as deemed necessary to undertake the review of any such appeal. The City Manager or designee thereof shall interpret this Rate and Method of Apportionment of Special Tax and make determinations relative to the administration of the Special Tax and any landowner appeals as herein specified. The decision of the City Manager or designee shall be final and binding as to all persons.

#### **4. METHOD OF APPORTIONMENT**

For each Fiscal Year, commencing Fiscal Year 2015-16, the CFD Administrator shall levy the Special Tax on all Taxable Property in accordance with the following steps:

Step 1: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property at 100% of the applicable Maximum Special Tax;

Step 2: If additional monies are needed to satisfy the Special Tax Requirement after Step 1 has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Maximum Special Tax for Undeveloped Property;

Step 3: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Provisional Property up to 100% of the Maximum Special Tax for Provisional Property.

Notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2014-1 IA2 by more than ten percent (10%) above what would have been levied in the absence of delinquencies, except for those Assessor Parcel's of whose owners are also delinquent or in default on their Special Tax payments for one or more properties within CFD No. 2014-1 IA2.

#### **5. COLLECTION OF SPECIAL TAXES**

Collection of the Annual Special Tax shall be made by the County in the same manner as ordinary ad valorem property taxes are collected and the Annual Special Tax shall be subject to the same penalties and the same lien priority in the case of delinquency as ad valorem taxes; provided, however, that the Council may provide for (i) other means of collecting the Special Tax, including direct billings thereof to the property owners; and (ii) judicial foreclosure of delinquent Annual Special Taxes.

#### **6. PREPAYMENT OF SPECIAL TAX OBLIGATION**

##### **A. Prepayment in Full**

Property owners may prepay and permanently satisfy the Special Tax Obligation by a cash settlement with the City as permitted under Government Code Section 53344. The following definitions apply to this Section 6:

**"CFD Public Facilities Costs"** means \$2,657,200 in Fiscal Year 2015-16 dollars, which shall increase by 2% on July 1, 2016, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to acquire or construct the facilities to be financed under the Act and financing program for CFD No. 2014-1 IA2, or (ii) shall be determined by the Council concurrently with a covenant that it will not issue any more Bonds (except refunding bonds).

**"Construction Fund"** means the fund (regardless of its name) established pursuant to the Indenture to hold funds, which are currently available for expenditure to acquire or construct the facilities or pay fees.

**“Future Facilities Costs”** means the CFD Public Facilities Costs minus (i) costs previously paid from the Construction Fund to acquire or construct the facilities, (ii) monies currently on deposit in the Construction Fund, and (iii) monies currently on deposit in an escrow or other designated fund that are expected to be available to finance CFD Public Facilities Costs.

**“Outstanding Bonds”** means all Previously Issued Bonds, which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year excluding Bonds to be redeemed at a later date with proceeds of prior Special Tax prepayments.

**“Previously Issued Bonds”** means all Bonds that have been issued prior to the date of prepayment.

The Special Tax Obligation applicable to an Assessor’s Parcel of Developed Property, or Undeveloped Property for which a Building Permit has been issued may be prepaid and the obligation to pay the Special Tax for such Assessor’s Parcel permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor’s Parcel only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel eligible to prepay the Special Tax Obligation shall provide the CFD Administrator with written notice of intent to prepay, and designate or identify the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the Prepayment Amount for such Assessor’s Parcel within thirty (30) days of the request, and may charge a reasonable fee for providing this service. Prepayment must be made at least 60 days prior to any redemption date for the CFD No. 2014-1 IA2 Bonds to be redeemed with the proceeds of such prepaid Special Taxes, unless a shorter period is acceptable to the Trustee and the City.

The Prepayment Amount (defined below) shall be calculated for each applicable Assessor’s Parcel or group of Assessor’s Parcels as summarized below (capitalized terms as defined below):

Bond Redemption Amount  
plus Redemption Premium  
plus Future Facilities Prepayment Amount  
plus Defeasance Amount  
plus Prepayment Administrative Fees and Expenses  
less Reserve Fund Credit  
less Capitalized Interest Credit  
Total: equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

**Step No.:**

1. Confirm that no Special Tax delinquencies apply to such Assessor’s Parcel.
2. For Assessor’s Parcels of Developed Property, determine the Maximum Special Tax. For Assessor’s Parcels of Undeveloped Property for which a Building Permit has been issued, compute the Maximum Special Tax for that Assessor’s Parcel as

though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.

3. Divide the Maximum Special Tax computed pursuant to paragraph 2 by the total expected Maximum Special Tax revenue for CFD No. 2014-1 IA2 assuming all Building Permits have been issued (build-out) within CFD No. 2014-1 IA2, excluding any Assessor's Parcels for which the Special Tax Obligation has been previously prepaid.

4. Multiply the quotient computed pursuant to paragraph 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid for all applicable parcels and round that amount up to the nearest \$5,000 increment (the "Bond Redemption Amount").

5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (expressed as a percentage), if any, on the Outstanding Bonds to be redeemed at the first available call date (the "Redemption Premium").

6. Compute the Future Facilities Costs.

7. Multiply the quotient computed pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Prepayment Amount").

8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the expected redemption date for the Outstanding Bonds which, depending on the Indenture, may be as early as the next interest payment date.

9. Compute the amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Prepayment Amount and the Prepayment Administrative Fees from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.

10. Subtract the amount computed in paragraph 9 from the amount computed in paragraph 8 (the "Defeasance Amount").

11. Calculate the administrative fees and expenses of CFD No. 2014-1 IA2, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 2014-1 IA2, and the costs of recording any notices to evidence the prepayment and the redemption (the "Prepayment Administrative Fees").

12. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment calculation date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "Reserve Fund Credit"). No Reserve Fund Credit shall be granted if, after the Prepayment Amount is calculated, reserve funds are below 100% of the reserve requirement.

13. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the quotient computed pursuant to paragraph 3 by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the “Capitalized Interest Credit”).

14. The amount to prepay the Special Tax Obligation is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 10, and 11, less the amounts computed pursuant to paragraphs 12 and 13 (the “Prepayment Amount”).

15. From the Prepayment Amount, the sum of the amounts computed pursuant to paragraphs 4, 5, and 10, less the amounts computed pursuant to paragraphs 12 and 13 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make Debt Service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 11 shall be retained by CFD No. 2014-1 IA2.

The Prepayment Amount may be sufficient to redeem an amount other than a \$5,000 increment of CFD No. 2014-1 IA2 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to redeem CFD No. 2014-1 IA2 Bonds to be used with the next prepayment of CFD No. 2014-1 IA2 Bonds.

The CFD Administrator will confirm that all previously levied Special Taxes have been paid in full. With respect to any Assessor's Parcel for which the Special Tax Obligation is prepaid in full, once the CFD Administrator has confirmed that all previously levied Special Taxes have been paid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of the owner of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

## **B. Partial Prepayment**

The Special Tax on an Assessor's Parcel of Developed Property or Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section 6.A.; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E - A) \times F + A$$

These terms have the following meaning:

PP = the partial prepayment

PE = the Prepayment Amount calculated according to Section 6.A

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax Obligation

A = the Prepayment Administrative Fees and Expenses from Section 6.A

The owner of any Assessor's Parcel who desires such partial prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax Obligation, (ii) the percentage by which the Special Tax Obligation shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax Obligation for an Assessor's Parcel within sixty (60) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section 6.A., and (ii) indicate in the records of CFD No. 2014-1 IA2 that there has been a partial prepayment of the Special Tax Obligation and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage  $(1.00 - F)$  of the Maximum Special Tax, shall continue to be levied on such Assessor's Parcel.

Notwithstanding the foregoing, no partial prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed partial prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

## **7. TERM OF SPECIAL TAX**

The Special Tax shall be levied as long as necessary to meet the Special Tax Requirement for a period not to exceed fifty Fiscal Years commencing with Fiscal Year 2015-16, provided however that the Special Tax will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all required interest and principal payments on CFD No. 2014-1 IA2 bonds have been paid.

## **8. EXEMPTIONS**

The CFD Administrator shall classify as Exempt Property (i) Assessor's Parcels of Public Property, (ii) Assessor's Parcels of Property Owner Association Property, or (iii) Assessor's Parcels which are used as places of worship and are exempt from ad valorem property taxes because they are owned by a religious organization and (iv) Assessor's Parcels with public utility easement by the restriction, as determined reasonably by the CFD Administrator, provided that no such classification would reduce the sum of all Taxable Property in CFD No. 2014-1 IA2 to less than 26.73 Acres. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the sum of all Taxable Property in CFD No. 2014-1 IA2 to less than 26.73 Acres shall be classified as Provisional Property and will continue to be subject to the CFD No. 2014-1 IA2 Special Taxes accordingly. Tax exempt status for the purpose of this paragraph will be assigned by the CFD Administrator in the chronological order in which property becomes eligible for classification as Exempt Property.

If the use of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in the first paragraph of Section 8 above that

would make such Assessor's Parcel eligible to be classified as Exempt Property, such Assessor's Parcel shall cease to be classified as Exempt Property and shall be deemed to be Taxable Property.

## **9. APPEALS**

Any landowner who pays the Special Tax and claims the amount of the Special Tax levied on his or her Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error not later than twelve (12) months after first having paid the first installment of the Special Tax that is disputed. If following such consultation, the CFD Administrator determines that an error has occurred, the CFD Administrator may amend the amount of the Special Tax levied on such Assessor's Parcel. If following such consultation and action, if any, by the CFD Administrator, the landowner believes such error still exists, such person may file a written notice with the City Manager or designee of the City appealing the amount of the Special Tax levied on such Assessor's Parcel. Upon the receipt of such notice, the City Manager or designee may establish such procedures as deemed necessary to undertake the review of any such appeal. The City Manager or designee thereof shall interpret this Rate and Method of Apportionment of Special Tax and make determinations relative to the administration of the Special Tax and any landowner appeals as herein specified. The decision of the City Manager or designee shall be final and binding as to all persons.

### 3. MAXIMUM SPECIAL TAX RATES

#### A. Developed Property

The Maximum Special Tax applicable to an Assessor's Parcel classified as Developed Property for Fiscal Year 2015-16 shall be determined pursuant to Table 1 below.

**Table 1**  
**Maximum Special Tax Rates**  
**Fiscal Year 2015-16**

9	Residential Property	≤ 1,750	\$802 per Residential Unit

Each July 1, commencing July 1, 2016, the Maximum Special Tax for Developed Property shall be increased by two percent (2%) of the amount in effect in the prior Fiscal Year.

#### B. Provisional Property and Undeveloped Property

The Maximum Special Tax for Provisional Property and Undeveloped Property shall be \$7,692 per Acre for Fiscal Year 2015-16. On July 1<sup>st</sup> of each Fiscal Year, commencing July 1, 2016, the Maximum Special Tax for Provisional Property and Undeveloped Property shall increase by two percent (2%) of the amount in effect in the prior Fiscal Year.

#### **4. METHOD OF APPORTIONMENT**

For each Fiscal Year, commencing Fiscal Year 2015-16, the CFD Administrator shall levy the Special Tax on all Taxable Property in accordance with the following steps:

Step 1: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property at 100% of the applicable Maximum Special Tax;

Step 2: If additional monies are needed to satisfy the Special Tax Requirement after Step 1 has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Maximum Special Tax for Undeveloped Property;

Step 3: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the Special Tax shall be levied Proportionately on each Assessor's Parcel of Provisional Property up to 100% of the Maximum Special Tax for Provisional Property.

Notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel as a consequence of delinquency or default by the owner of any other Assessor's Parcel within CFD No. 2014-1 IA3 by more than ten percent (10%) above what would have been levied in the absence of delinquencies, except for those Assessor Parcel's of whose owners are also delinquent or in default on their Special Tax payments for one or more properties within CFD No. 2014-1 IA3.

#### **5. COLLECTION OF SPECIAL TAXES**

Collection of the Annual Special Tax shall be made by the County in the same manner as ordinary ad valorem property taxes are collected and the Annual Special Tax shall be subject to the same penalties and the same lien priority in the case of delinquency as ad valorem taxes; provided, however, that the Council may provide for (i) other means of collecting the Special Tax, including direct billings thereof to the property owners; and (ii) judicial foreclosure of delinquent Annual Special Taxes.

#### **6. PREPAYMENT OF SPECIAL TAX OBLIGATION**

##### **A. Prepayment in Full**

Property owners may prepay and permanently satisfy the Special Tax Obligation by a cash settlement with the City as permitted under Government Code Section 53344. The following definitions apply to this Section 6:

**"CFD Public Facilities Costs"** means \$2,817,944 in Fiscal Year 2015-16 dollars, which shall increase by 2% on July 1, 2016, and on each July 1 thereafter, or such lower number as (i) shall be determined by the CFD Administrator as sufficient to acquire or construct the facilities to be financed under the Act and financing program for CFD No. 2014-1 IA3, or (ii) shall be determined by the Council concurrently with a covenant that it will not issue any more Bonds (except refunding bonds).

**"Construction Fund"** means the fund (regardless of its name) established pursuant to the Indenture to hold funds, which are currently available for expenditure to acquire or construct the facilities or pay fees.

**“Future Facilities Costs”** means the CFD Public Facilities Costs minus (i) costs previously paid from the Construction Fund to acquire or construct the facilities, (ii) monies currently on deposit in the Construction Fund, and (iii) monies currently on deposit in an escrow or other designated fund that are expected to be available to finance CFD Public Facilities Costs.

**“Outstanding Bonds”** means all Previously Issued Bonds, which remain outstanding as of the first interest and/or principal payment date following the current Fiscal Year excluding Bonds to be redeemed at a later date with proceeds of prior Special Tax prepayments.

**“Previously Issued Bonds”** means all Bonds that have been issued prior to the date of prepayment.

The Special Tax Obligation applicable to an Assessor’s Parcel of Developed Property, or Undeveloped Property for which a Building Permit has been issued may be prepaid and the obligation to pay the Special Tax for such Assessor’s Parcel permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor’s Parcel only if there are no delinquent Special Taxes with respect to such Assessor’s Parcel at the time of prepayment. An owner of an Assessor’s Parcel eligible to prepay the Special Tax Obligation shall provide the CFD Administrator with written notice of intent to prepay, and designate or identify the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the Prepayment Amount for such Assessor’s Parcel within thirty (30) days of the request, and may charge a reasonable fee for providing this service. Prepayment must be made at least 60 days prior to any redemption date for the CFD No. 2014-1 IA3 Bonds to be redeemed with the proceeds of such prepaid Special Taxes, unless a shorter period is acceptable to the Trustee and the City.

The Prepayment Amount (defined below) shall be calculated for each applicable Assessor’s Parcel or group of Assessor’s Parcels as summarized below (capitalized terms as defined below):

Bond Redemption Amount  
plus Redemption Premium  
plus Future Facilities Prepayment Amount  
plus Defeasance Amount  
plus Prepayment Administrative Fees and Expenses  
less Reserve Fund Credit  
less Capitalized Interest Credit  
Total: equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined below) shall be calculated as follows:

**Step No.:**

1. Confirm that no Special Tax delinquencies apply to such Assessor’s Parcel.
2. For Assessor’s Parcels of Developed Property, determine the Maximum Special Tax. For Assessor’s Parcels of Undeveloped Property for which a Building Permit has been issued, compute the Maximum Special Tax for that Assessor’s Parcel as

though it was already designated as Developed Property, based upon the building permit which has already been issued for that Assessor's Parcel.

3. Divide the Maximum Special Tax computed pursuant to paragraph 2 by the total expected Maximum Special Tax revenue for CFD No. 2014-1 IA3 assuming all Building Permits have been issued (build-out) within CFD No. 2014-1 IA3, excluding any Assessor's Parcels for which the Special Tax Obligation has been previously prepaid.

4. Multiply the quotient computed pursuant to paragraph 3 by the Outstanding Bonds to compute the amount of Outstanding Bonds to be retired and prepaid for all applicable parcels and round that amount up to the nearest \$5,000 increment (the "Bond Redemption Amount").

5. Multiply the Bond Redemption Amount computed pursuant to paragraph 4 by the applicable redemption premium (expressed as a percentage), if any, on the Outstanding Bonds to be redeemed at the first available call date (the "Redemption Premium").

6. Compute the Future Facilities Costs.

7. Multiply the quotient computed pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to compute the amount of Future Facilities Costs to be prepaid (the "Future Facilities Prepayment Amount").

8. Compute the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the expected redemption date for the Outstanding Bonds which, depending on the Indenture, may be as early as the next interest payment date.

9. Compute the amount the CFD Administrator reasonably expects to derive from the reinvestment of the Prepayment Amount less the Future Facilities Prepayment Amount and the Prepayment Administrative Fees from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the prepayment.

10. Subtract the amount computed in paragraph 9 from the amount computed in paragraph 8 (the "Defeasance Amount").

11. Calculate the administrative fees and expenses of CFD No. 2014-1 IA3, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 2014-1 IA3, and the costs of recording any notices to evidence the prepayment and the redemption (the "Prepayment Administrative Fees").

12. If reserve funds for the Outstanding Bonds, if any, are at or above 100% of the reserve requirement (as defined in the Indenture) on the prepayment calculation date, a reserve fund credit shall be calculated as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the "Reserve Fund Credit"). No Reserve Fund Credit shall be granted if, after the Prepayment Amount is calculated, reserve funds are below 100% of the reserve requirement.

13. If any capitalized interest for the Outstanding Bonds will not have been expended at the time of the first interest and/or principal payment following the current Fiscal Year, a capitalized interest credit shall be calculated by multiplying the quotient computed pursuant to paragraph 3 by the expected balance in the capitalized interest fund after such first interest and/or principal payment (the “Capitalized Interest Credit”).

14. The amount to prepay the Special Tax Obligation is equal to the sum of the amounts computed pursuant to paragraphs 4, 5, 7, 10, and 11, less the amounts computed pursuant to paragraphs 12 and 13 (the “Prepayment Amount”).

15. From the Prepayment Amount, the sum of the amounts computed pursuant to paragraphs 4, 5, and 10, less the amounts computed pursuant to paragraphs 12 and 13 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make Debt Service payments. The amount computed pursuant to paragraph 7 shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 11 shall be retained by CFD No. 2014-1 IA3.

The Prepayment Amount may be sufficient to redeem an amount other than a \$5,000 increment of CFD No. 2014-1 IA3 Bonds. In such cases, the increment above \$5,000 or integral multiple thereof will be retained in the appropriate fund established under the Indenture to redeem CFD No. 2014-1 IA3 Bonds to be used with the next prepayment of CFD No. 2014-1 IA3 Bonds.

The CFD Administrator will confirm that all previously levied Special Taxes have been paid in full. With respect to any Assessor's Parcel for which the Special Tax Obligation is prepaid in full, once the CFD Administrator has confirmed that all previously levied Special Taxes have been paid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of the owner of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

## **B. Partial Prepayment**

The Special Tax on an Assessor's Parcel of Developed Property or Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section 6.A.; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E - A) \times F + A$$

These terms have the following meaning:

PP = the partial prepayment

PE = the Prepayment Amount calculated according to Section 6.A

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax Obligation

A = the Prepayment Administrative Fees and Expenses from Section 6.A

The owner of any Assessor's Parcel who desires such partial prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax Obligation, (ii) the percentage by which the Special Tax Obligation shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the partial prepayment of the Special Tax Obligation for an Assessor's Parcel within sixty (60) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section 6.A., and (ii) indicate in the records of CFD No. 2014-1 IA3 that there has been a partial prepayment of the Special Tax Obligation and that a portion of the Special Tax with respect to such Assessor's Parcel, equal to the outstanding percentage  $(1.00 - F)$  of the Maximum Special Tax, shall continue to be levied on such Assessor's Parcel.

Notwithstanding the foregoing, no partial prepayment shall be allowed unless the aggregate amount of Maximum Special Taxes less Administrative Expenses that may be levied on Taxable Property, respectively, after the proposed partial prepayment is at least 1.1 times the Debt Service on all Outstanding Bonds in each Fiscal Year.

## **7. TERM OF SPECIAL TAX**

The Special Tax shall be levied as long as necessary to meet the Special Tax Requirement for a period not to exceed fifty Fiscal Years commencing with Fiscal Year 2015-16, provided however that the Special Tax will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all required interest and principal payments on CFD No. 2014-1 IA3 bonds have been paid.

## **8. EXEMPTIONS**
