Sec. 5.54.010 – Purpose and Intent.

A. The purpose of this chapter is to establish a comprehensive set of regulations with an attendant regulatory permit applicable to the operation of medical marijuana dispensaries. The regulations are intended to ensure such operations are consistent with the overall health, welfare and safety of the City and its populace, and that such operations are in compliance with California’s Compassionate Use Act of 1996, California’s Medical Marijuana Program Act of 2003 and California’s Medical Marijuana Regulation and Safety Act of 2015.

B. The chapter is not intended to permit activities that are otherwise illegal under federal, state or local law. This chapter is not intended to conflict with federal or state law.

C. This chapter and its regulations shall be known as the “Medical Marijuana Dispensary Regulatory Program.”

Sec. 5.54.020 - Operation Prohibited Without Permit.

It shall be unlawful to own, establish, operate, use, or permit the establishment or operation of a medical marijuana dispensary, or to participate with a medical marijuana dispensary as an employee, contractor, agent, volunteer, or in any manner or capacity, other than as provided in this chapter. The general prohibition contained in this section shall include renting, leasing, or otherwise permitting a medical marijuana dispensary to occupy or use a location, vehicle, or other mode of transportation.

Sec. 5.54.030 - Definitions.

The following definitions shall apply to this chapter unless the context clearly denotes otherwise.

A. “Applicant” means a person who is required to file an application for a permit under this chapter.

B. “Attending physician” has the same definition as set forth in Health and Safety Code section 11362.7, and as may be amended, defined as “an individual who possesses a license in good standing to practice medicine or osteopathy issued by the Medical Board of California or the Osteopathic Medical Board of California and who has taken responsibility for an aspect of the medical care, treatment, diagnosis, counseling, or referral of a patient and who has conducted a medical examination of that patient before recording in the patient's medical record the physician's assessment of whether the patient has a serious medical condition and whether the medical use of marijuana is appropriate.”

C. “Attorney General Guidelines” shall refer to the California Attorney General Guidelines for the Security and Non-diversion of Marijuana Grown for Medical Use, issued by the Attorney General’s Office in August, 2008, as amended from time to time, which sets regulations intended to ensure the security and non-diversion of marijuana grown for medical use by qualified patients or primary caregivers.

D. “Cannabis” has the same definition as “marijuana” provided herein.

E. “Community Center” means any facility open to the public at which classes, social activities, recreational activities, educational activities, support and/or public information are offered for all residents of the community.
F. “Cultivation” has the same definition as provided for in Bus. & Prof. Code § 19300.5(l), and as may be amended, defined as “any activity involving the planting, growing, harvesting, drying, curing, grading, or trimming of cannabis.”

G. “Day care center” has the same meaning as the term is defined in Section 26001(o) of the Business & Professions Code and Section 1596.76 of the Health & Safety Code, and as those sections may be amended, except that “day care center” shall also be defined to include “family day care home,” as that term is defined by Section 1596.78 of the Health & Safety Code, and as that section may be amended.”

H. “Delivery” means the act of taking something to a person or place (and includes the definition as provided for in Bus. & Prof. Code § 19300.5(m), and as may be amended, defined as “the commercial transfer of medical cannabis or medical cannabis products from a dispensary, up to an amount determined by the bureau to a primary caregiver or qualified patient as defined in Section 11362.7 of the Health and Safety Code, or a testing laboratory. ‘Delivery’ also includes the use by a dispensary of any technology platform owned and controlled by the dispensary, or independently licensed under this chapter, that enables qualified patients or primary caregivers to arrange for or facilitate the commercial transfer by a licensed dispensary of medical cannabis or medical cannabis products.”)

I. “Director” means the City of Perris Director of Development Services, and includes her or his designee(s).

J. “Dispense” means the selection, measuring, packaging, labeling, distribution or sale of medical marijuana to a qualified patient or a primary caregiver (and includes the term “dispensing” as provided for in Bus. & Prof. Code § 19300.5(o), and as may be amended, defined as “any activity involving the retail sale of medical cannabis or medical cannabis products from a dispensary.”).

K. “Edible” has the same definition as “edible cannabis product” as provided for in Bus. & Prof. Code § 19300.5(s), and as may be amended, defined as “manufactured cannabis that is intended to be used, in whole or in part, for human consumption, including, but not limited to, chewing gum. An edible medical cannabis product is not considered food as defined by Section 109935 of the Health and Safety Code or a drug as defined by Section 109925 of the Health and Safety Code.”

L. “Employee” means any person (whether paid or unpaid) who provides regular labor or regular services for a medical marijuana dispensary, including, but not limited to, at the location of a medical marijuana dispensary.

M. “Identification card” has the same definition as provided for in Health and Safety Code section 11362.7(g), and as may be amended, defined as “a document issued by the State Department of Health Services that document identifies a person authorized to engage in the medical use of marijuana and the person’s designated primary caregiver, if any.”

N. “Labeling” means all labels and other written, printed, or graphic matter (a) upon any marijuana intended for medical use, or (b) accompanying such marijuana intended for medical use.

O. “Location” means any parcel of land, whether vacant or occupied by a building, group of buildings, or accessory buildings, and includes the buildings, structures, yards, open spaces, lot width, and lot area.
P. “Lighting” means the act of illuminating as well as the effect achieved by the arrangement of lights.

Q. “Live scan” means a system for inkless electronic fingerprinting and the automated background check developed by the California Department of Justice (DOJ) which involves digitizing fingerprints and electronically transmitting the fingerprint image data along with personal descriptor information to computers at the DOJ for completion of a criminal record check; or such other comparable inkless electronic fingerprinting and automated background check process as determined by the City Council.

R. “Manager” means an employee responsible for management and/or supervision of a medical marijuana dispensary.

S. “Marijuana” has the same definition as provided for in Bus. & Prof. Code § 19300.5(f) for the term “cannabis,” and as may be amended, defined as “all parts of the plant Cannabis sativa Linnaeus, Cannabis indica, or Cannabis ruderalis, whether growing or not; the seeds thereof; the resin, whether crude or purified, extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or resin. ‘Cannabis’ also means the separated resin, whether crude or purified, obtained from marijuana. ‘Cannabis’ also means marijuana as defined by Section 11018 of the Health and Safety Code as enacted by Chapter 1407 of the Statutes of 1972. ‘Cannabis’ does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted therefrom), fiber, oil, or cake, or the sterilized seed of the plant which is incapable of germination. For the purpose of this chapter, ‘cannabis’ does not mean ‘industrial hemp’ as defined by Section 81000 of the Food and Agricultural Code or Section 11018.5 of the Health and Safety Code.”

T. “Medical marijuana” means marijuana used for medical purposes in accordance with the Compassionate Use Act (Health and Safety Code section 11362.5), the Medical Marijuana Program Act (Health and Safety Code sections 11362.7 et seq.), and the Medical Marijuana Regulation and Safety Act of 2015.

U. “Medical marijuana dispensary” includes any facility or location where marijuana is made available, sold, transmitted, distributed, given or otherwise provided by or to one or more of the following: a primary caregiver, a qualified patient or a person with an identification card (and includes the term “dispensary” as provided for in Bus. & Prof. Code § 19300.5(n), and as may be amended, defined as “a facility where medical cannabis, medical cannabis products, or devices for the use of medical cannabis or medical cannabis products are offered, either individually or in any combination, for retail sale, including an establishment that delivers, pursuant to express authorization by local ordinance, medical cannabis and medical cannabis products as part of a retail sale.”).

V. “Member” means either a qualified patient, a person with an identification card, or a primary caregiver.

W. “Minor” means a person under eighteen (18) years of age.

X. “Owner” means the owner of a medical marijuana dispensary.

Y. “Park” means a public playground, public recreation center or area, and other public areas, created, established, designated, maintained, provided or set aside by the City of Perris, the County of Riverside or any other public entity or agency, for the purposes of public rest, play, recreation, enjoyment or assembly, and all buildings and structures located thereon or therein.

Z. “Permit” means the regulatory license issued pursuant to this chapter for a medical marijuana dispensary
and which constitutes a “local permit, license, or other authorization” as used in Bus. & Prof. Code § 19320(a)

AA. “Person” means any natural person, firm, corporation, partnership, club, or any association or combination of natural persons, whether acting by themselves or through any servant, agent or employee.

BB. “Person with an identification card” has the same definition as provided for in Health and Safety Code section 11362.7(c), and as may be amended, defined as “an individual who is a qualified patient who has applied for and received a valid identification card pursuant to this article.”

CC. “Physician’s referral” means a written recommendation for a patient from a licensed medical doctor indicating that marijuana would be a beneficial treatment for a serious medical condition of the patient.

DD. “Place of worship” means an establishment which has the principal purpose of religious worship (e.g., church, synagogue, mosque, temple), including accessory uses in the principal structure or in separate buildings, including school rooms, assembly rooms, kitchen, library room, one (1) family dwelling unit and day nurseries operated by and on the site of the place of worship.

EE. “Police Chief” means the Riverside County Sheriff’s Department Captain in command of the Perris Station of the Riverside County Sheriff.

FF. “Police Department” means the Riverside County Sheriff which is under contract with the City of Perris for police services, as provided for through the Perris Station of the Riverside County Sheriff’s Department.

GG. “Premises” means a single parcel of property. Where contiguous parcels are under common ownership or control, such contiguous parcels shall be counted as a single “premises.”

HH. “Primary caregiver” has the same definition as provided for in Health and Safety Code section 11362.7(d), and as may be amended, defined as “the individual, designated by a qualified patient or by a person with an identification card, who has consistently assumed responsibility for the housing, health, or safety of that patient or person, and may include any of the following: (1) In any case in which a qualified patient or person with an identification card receives medical care or supportive services, or both, from a clinic licensed pursuant to Chapter 1 (commencing with Section 1200) of Division 2, a health care facility licensed pursuant to Chapter 2 (commencing with Section 1250) of Division 2, a residential care facility for persons with chronic life-threatening illness licensed pursuant to Chapter 3.01 (commencing with Section 1568.01) of Division 2, a residential care facility for the elderly licensed pursuant to Chapter 3.2 (commencing with Section 1569) of Division 2, a hospice, or a home health agency licensed pursuant to Chapter 8 (commencing with Section 1725) of Division 2, the owner or operator, or no more than three employees who are designated by the owner or operator, of the clinic, facility, hospice, or home health agency, if designated as a primary caregiver by that qualified patient or person with an identification card. (2) An individual who has been designated as a primary caregiver by more than one qualified patient or person with an identification card, if every qualified patient or person with an identification card who has designated that individual as a primary caregiver resides in the same city or county as the primary caregiver. (3) An individual who has been designated as a primary caregiver by a qualified patient or person with an identification card who resides in a city or county other than that of the primary caregiver, if the individual has not been designated as a primary caregiver by any other qualified patient or person with an identification card.” A “primary caregiver” shall also meet the requirements of Health and Safety Code section 11362.7(e), and as may be amended, which provide that a “primary caregiver shall be at least 18 years of age, unless the primary caregiver is the parent of a minor child who is a qualified patient or a person with an identification card or the primary caregiver is a person otherwise entitled to make
medical decisions under state law pursuant to Sections 6922, 7002, 7050, or 7120 of the Family Code.”

II. “Qualified Patient” has the same definition as provided for in Health and Safety Code section 11362.7(f), and as may be amended, defined as “a person who is entitled to the protections of Section 11362.5, but who does not have an identification card issued pursuant to this article.”

JJ. “School” means an institution of learning for minors, whether public or private, offering a regular course of instruction required by the California Education Code. This definition includes a nursery school, kindergarten, elementary school, middle or junior high school, senior high school, or any special institution of education, but it does not include a home school, vocational or professional institution of higher education, including a community or junior college, college, or university.

KK. “Serious Medical Condition” has the same definition as set forth in Health and Safety Code section 11362.7(h), and as may be amended, defined as meaning all of the following medical conditions: “(1) Acquired immune deficiency syndrome (AIDS). (2) Anorexia. (3) Arthritis. (4) Cachexia. (5) Cancer. (6) Chronic pain. (7) Glaucoma. (8) Migraine. (9) Persistent muscle spasms, including, but not limited to, spasms associated with multiple sclerosis. (10) Seizures, including, but not limited to, seizures associated with epilepsy. (11) Severe nausea. (12) Any other chronic or persistent medical symptom that either: (A) Substantially limits the ability of the person to conduct one or more major life activities as defined in the Americans with Disabilities Act of 1990 (Public Law 101-336). (B) If not alleviated, may cause serious harm to the patient's safety or physical or mental health.”

LL. “Youth-oriented Facility” means any facility that caters to or provides services primarily intended for minors, or the individuals who regularly patronize, congregate or assemble at the establishment are predominantly minors.

Sec. 5.54.040 - Medical Marijuana Dispensary Permit.

A. Prior to initiating operations as a medical marijuana dispensary and as a continuing requisite to conducting operations, the owner of a medical marijuana dispensary shall obtain a regulatory permit from the Director under the terms and conditions set forth in this chapter.

B. Medical marijuana dispensary permits issued pursuant to this chapter shall automatically expire one year from the date of issuance.

C. Conditions necessary for the continuing validity of any and all regulatory permits issued for the operation of a medical marijuana dispensary include:

1. Strict adherence to each and every requirement of this chapter, as well as any requirements adopted by the City pursuant to the authority of this chapter.

2. Allowing the Director and the Police Department to conduct reasonable inspections of the location of the medical marijuana dispensary at the discretion of the City, including but not limited to inspection of security, inventory, and written records and files pertaining to the medical marijuana dispensary, for the purposes of ensuring compliance with local and state law.

3. Maintaining with the City current and valid contact information of the owner(s) and manager(s) of the medical marijuana dispensary.

4. Maintaining with the City current and valid contact information of a legal representative of the medical
marijuana dispensary.

5. Transferable only if transferee successfully completes all of the requirements that a new applicant for a medical marijuana dispensary permit would otherwise need to meet.

Sec. 5.54.050 - Applications for Medical Marijuana Dispensary Permit.

A. The owner of a proposed medical marijuana dispensary shall file an application with the Director upon a form provided by the City and shall pay a filing fee as established by resolution adopted by the City Council as amended from time to time.

B. An application for a regulatory permit for a medical marijuana dispensary permit shall include, but shall not be limited to, the following information:

01 Address of the location where the medical marijuana dispensary will be located.

02 A list of the names of all current and prospective employees of the medical marijuana dispensary, accompanied by:

   a) the results of a live scan for all such employees which was performed within ninety (90) days prior to the date of the application; and

   b) for each such employee, a color photocopy of either a valid California Driver’s License or equivalent identification approved by the Director.

03 Evidence satisfactory to the Director of compliance with all state law requirements governing medical marijuana dispensaries.

04 Evidence satisfactory to the Director of compliance with all applicable insurance requirements.

05 A site plan and floor plan of the premises denoting all the use of areas on the premises of the medical marijuana dispensary, including storage, exterior lighting, restrooms, and signage.

06 A security plan including the following measures:

   a) Security cameras shall be installed and maintained in good condition, with at least 30 days of digitally recorded documentation in a format approved by the Police Department. The cameras shall be in use 24 hours per day, 7 days per week. The areas to be covered by the security cameras include, but are not limited to, the storage areas, all doors and windows, and any other areas as determined by the Police Department.

   b) The lease/business space site shall be alarmed with a centrally-monitored fire and burglar alarm system, and monitored by an alarm company properly licensed by the State of California Department of Consumer Affairs Bureau of Security and Investigative Services in accordance with Business & Professions Code section 7590 et seq. and whose agents are properly licensed and registered under applicable law.

   c) Entrance to the dispensing area and any storage areas shall be locked at all times, and under the control of employees.
d) Interior Lighting. The premises within which the medical marijuana dispensary is operated shall be equipped with and, at all times during which is open to the public, shall remain illuminated with overhead lighting fixtures of sufficient intensity to illuminate every place to which members of the public or portions thereof are permitted access with an illumination of not less than two foot-candles as measured at the floor level.

e) Exterior Lighting. The exterior of the premises upon which the medical marijuana dispensary is operated shall be equipped with and, at all times between sunset and sunrise, shall remain illuminated with fixtures of sufficient intensity and number to illuminate every portion of the property with an illumination level of not less than one foot-candle as measured at the ground level, including, but not limited to, landscaped areas, parking lots, driveways, walkways, entry areas, and refuse storage areas.

f) All windows on the building that houses the dispensary shall be secured against entry from the outside.

g) All marijuana present or kept at the premises shall be securely stored against both unauthorized access as well as theft.

07 The name, address and current phone number of any person who is managing or responsible for the medical marijuana dispensary’s activities.

08 The name, address and current phone number of the owner and lessor of the real property upon which the medical marijuana dispensary is to be conducted. In the event the applicant is not the legal owner of the property, the application must be accompanied with a notarized acknowledgement from the owner of the property that a medical marijuana dispensary will be operated on his/her property.

09 Authorization for the Director to seek verification of the information contained within the application.

10 A statement in writing by the applicant that he or she certifies under penalty of perjury that all the information contained in the application is true and correct.

11 Any such additional and further information as is deemed necessary by the Director to administer this chapter.

Sec. 5.54.060 - Review of Medical Marijuana Dispensary Permit Applications.

A. The Director shall conduct a review of any application for a medical marijuana dispensary permit authorized under this chapter, and shall prepare a written report on the acceptability of the application.

B. Upon completing the review process, the permit shall be deemed a qualified application, unless the Director finds:

1. The applicant has made one or more false or misleading statements or omissions, either on the written application or during the application process; or

2. A proposed location for the medical marijuana dispensary is not allowed by state or local law, statute, ordinance, or regulation (including this Code); or
3. The applicant is not a primary caregiver, qualified patient, or otherwise qualified to operate a medical marijuana dispensary under the Medical Marijuana Regulation and Safety Act of 2015; or

4. The applicant has not satisfied each and every requirement of this chapter and Code; or

5. The applicant is not in compliance with applicable state law, including, but not limited to, applicable requirements and minimum standards of the Medical Marijuana Regulation and Safety Act of 2015.

C. Based on the information set forth in the application and the Director's review, the Director may impose reasonable terms and conditions on the use of the permit in addition to those specified in this chapter to ensure the safe operation of the dispensary, and to ensure the health, safety and welfare of the citizens and visitors of the City of Perris.

Sec. 5.54.070 - Suspension of Review of Medical Marijuana Dispensary Permit Applications.

Upon a resolution from the City Council that a more rigorous selection process (e.g., a lottery or a scoring system) is warranted for the acceptance of applications for medical marijuana dispensary permits for review, then review of all applications for medical marijuana dispensary permits will be suspended until such a selection process is adopted by the City Council through either a resolution or an ordinance.

Sec. 5.54.080 - Action on Applications for Medical Marijuana Dispensary Permit.

A. Upon receipt of a completed application and payment of the application and license fees, the Director shall investigate the information contained in the application to determine whether the applicant shall be issued the requested permit.

B. If the Director determines that the applicant has completed the application improperly, the Director shall notify the applicant of such fact within thirty (30) days of receipt of the application. The incomplete application upon return as incomplete shall be deemed abandoned. The applicant may then resubmit a new application for a new review pursuant to the requirements of this section.

C. Within sixty (60) days of receipt of the completed application, the Director shall complete the investigation, approve or deny the application in accordance with the provisions of this chapter, and so notify the applicant by United States mail, first class postage prepaid, addressed to the applicant at the address stated in the application.

D. The Director shall grant the application upon findings that the proposed permit meets all of the requirements of this chapter, unless the application is denied for one (1) or more of the reasons set forth in section 5.54.060.

E. If an application is granted a permit will not be issued until and unless subsequent compliance by the successful applicant with the requirements of Section 5.54.090(B).

F. If the Director neither grants nor denies a complete application within sixty (60) days after it is received (except as provided in section 5.54.080(B)), the application shall be forwarded to the City Council at its next regularly scheduled meeting for consideration in strict conformance with the requirements of this chapter.
Sec. 5.54.90 - Obligations of Medical Marijuana Dispensary.

A. A medical marijuana dispensary permit issued by the City constitutes a revocable privilege. The burden of proving qualifications for a medical marijuana dispensary permit rests at all times with an applicant and/or permit holder.

B. Before receiving possession of an approved medical marijuana dispensary permit, as provided for in this chapter, the medical marijuana dispensary permit holder shall to the satisfaction of the Director:

1. Provide written authorization to the Director as well as the Police Department, to conduct reasonable inspections of the location of the medical marijuana dispensary at the discretion of the City, including but not limited to inspection of security, inventory, and written records and files pertaining to the medical marijuana dispensary, for the purposes of ensuring compliance with local and state law.

2. Execute an agreement indemnifying the City, its elected officials, employees, agents, officers, and representatives, and each and all of them individually, from all liability in connection with all claims, damages, attorney’s fees, costs and allegations arising from or in any way related to the operation of the medical marijuana dispensary.

3. Execute an agreement to:

   a) defend, at the medical marijuana dispensary permit holder’s sole expense, any action against the City, its elected officials, employees, agents, officers, and representatives, and each and all of them individually, which arises from the operation of the medical marijuana dispensary.
   
   b) to reimburse the City for any court costs and attorney fees that the City may be required to pay as a result of such action. The City may, at its sole discretion, participate at its own expense in the defense of any such action.

C. Upon and after receiving possession of a medical marijuana dispensary permit as provided for in this chapter, the medical marijuana dispensary permit holder shall:

1. Maintain continuing compliance with all applicable insurance requirements, including, but not limited to, those imposed by the City and as an operation of this chapter.

2. Maintain continuing compliance with background check requirements of Section 5.54.050(B)(2) of this chapter by ensuring that upon the hiring, association or retention of an employee by the medical marijuana dispensary, the requirements of Section 5.54.050(B)(2) are met by immediately providing the Director in writing with:

   a) the results of a live scan for the employee which was performed within ninety (90) days prior to the date of the hiring, association or retention of the employee; and

   b) a color photocopy of either a valid California Driver’s License for the employee, or equivalent identification for the employee approved by the Director.

3. Immediately update the Director in writing with correct and current contact information, when there
is any change in the address or phone number, previously provided to the City in compliance with this
chapter, for any owner(s), manager(s) or legal representative(s) of the medical marijuana dispensary.

D. Failure to perform the aforementioned actions of this Section 5.54.090 shall render the operation of a
medical marijuana dispensary unlawful.

Sec 5.54.100 - Process for Renewing a Medical Marijuana Dispensary Permit.

A. A medical marijuana dispensary permit issued by the City constitutes a revocable privilege. Medical
marijuana dispensary permits issued pursuant to this chapter shall automatically expire one year from the
date of issuance.

B. The following procedures shall govern the process for the renewal of a medical marijuana dispensary
permit:

1. A holder of a medical marijuana dispensary permit may apply for the renewal of an existing permit
no less than 60 days prior to the permit’s expiration date.

2. Renewal applications shall comply with all of the requirements in this chapter for applying for a
new medical marijuana dispensary permit, including but not limited to the requirements in Section
5.54.050.

3. If the holder of a medical marijuana dispensary permit files a renewal application less than 60 days
prior to expiration, the holder must provide a written explanation detailing the circumstances
surrounding the late filing. If the Director accepts the application, then the Director may elect to
administratively extend the permit beyond the expiration date while the Director completes the
renewal permitting process.

4. An application for renewal will only be accepted if it is accompanied by the requisite fees as set
by resolution of the City Council, and as amended from time to time.

C. A medical marijuana dispensary permit is immediately invalid upon expiration if the permit holder has
not filed a timely and/or accepted renewal application and remitted all of the required fees. In the event
the permit is not renewed prior to expiration, the affected medical marijuana dispensary shall not operate
and is considered to be unlawful.

Sec. 5.54.110 - General Operating Standards and Restrictions.

A medical marijuana dispensary shall operate in conformance with the following minimum standards, and such
standards shall be deemed to be part of the conditions of approval on the permit for a medical marijuana dispensary
to ensure that its operation is in compliance with California law, the Attorney General Guidelines, and the Perris
Municipal Code, and to mitigate any potential adverse impacts of the medical marijuana dispensary on the public
health, safety or welfare.

Additional minimum standards may be adopted from time to time either by resolution or ordinance from the City
Council, or by the Director (upon authorization by resolution from the City Council). Such additional standards
may include (but are not limited to) insurance requirements, hours of operation, and labeling and packaging
requirements.
A. Security.

1. Security Cameras. Security cameras shall be installed and maintained in good condition, with at least 30 days of digitally recorded documentation in a format approved by the Director. The cameras shall be in use 24 hours per day, 7 days per week. The areas to be covered by the security cameras include, but are not limited to, the storage areas, cultivation areas, all doors and windows, and any other areas as determined by the Director.

2. Alarm System. The location of the medical marijuana dispensary shall be alarmed with a centrally-monitored fire and burglar alarm system, and monitored by an alarm company properly licensed by the State of California Department of Consumer Affairs Bureau of Security and Investigative Services in accordance with California Business & Professions Code section 7590 et seq. and whose agents are properly licensed and registered under applicable law.

3. Locked Entrances. All entrances into the building housing a medical marijuana dispensary shall be locked from the exterior at all times with entry controlled by employees.

B. Authorizations.

1. The Director shall have the right to enter all areas of the medical marijuana dispensary from time to time unannounced for the purpose of making reasonable inspections to observe and enforce compliance with this chapter and all laws of the City and State of California.

2. Recordings made by security cameras required pursuant to this chapter shall be made available to the Director or the Police Department upon verbal request; no search warrant or subpoena shall be needed to view the recorded materials.

C. Records.

1. Medical marijuana dispensaries shall maintain records reflecting:

   a) The full name, address, and telephone numbers of the owner and lessee of the property, all employees, and all members (if any) who participate in cultivation of marijuana for the medical marijuana dispensary.

   b) Results of annual live scans of all employees.

   c) The state issued identification card number of all members to whom the medical marijuana dispensary provides medical marijuana. If a member does not have a state issued identification card, then the medical marijuana dispensary shall assign the member a unique identifying number for the use of the medical marijuana dispensary, and maintain a written copy of the physician’s referral for the member.

   d) The source (including name, location and contract information) of all medical marijuana dispensed, sold or stored by the medical marijuana dispensary.

   e) The dates upon which all members are dispensed medical marijuana, the amount dispensed,
and the state issued identification card number (or unique identifying number referenced above in Section 5.54.110(C)(1)(c)) of the recipient.

f) The delivery of medical marijuana, from the medical marijuana dispensary by an employee, to a member located outside of the medical marijuana dispensary location, including but not limited to the identity of the recipient, the amount delivered, the date of the delivery, the address of the delivery, the name of the employee making the delivery, and a written receipt from the member confirming the delivery.

g) A written accounting of all expenditures, costs, revenues and profits of the medical marijuana dispensary.

h) A written accounting of all cash and in-kind contributions, reimbursements, and compensation provided by the management members and members to the medical marijuana dispensary.

i) A copy of all insurance policies related to the operation of the medical marijuana dispensary.

j) An inventory record documenting the dates and amounts of medical marijuana received at the medical marijuana dispensary, the daily amounts of medical marijuana stored at the location of the medical marijuana dispensary, and the daily amounts distributed to members.

k) Proof of a valid and current permit issued by the City in accordance with this chapter. Every medical marijuana dispensary shall display at all times during business hours the permit issued pursuant to the provisions of this chapter in a conspicuous place so that it may be readily seen by all persons entering the location of the medical marijuana dispensary.

2. Records shall be maintained on-site, either in paper or electronic form, and secured and verified by the Director as needed (consistent with requirements pertaining to patient confidentiality pursuant to applicable State and Federal law).

3. All records required to be maintained by the medical marijuana dispensary must be maintained for no less than three (3) years and are subject to immediate inspection upon a lawful written request by the Director.

D. Employees.

1. A medical marijuana dispensary shall maintain results of live scans conducted annually by the medical marijuana dispensary on all employees, the written results of such live scans being maintained at the location of the medical marijuana dispensary.

2. No employee convicted within the last ten years of a felony substantially related to the qualifications, functions or duties of an employee of a medical marijuana dispensary (such as a felony conviction for distribution of controlled substances, money laundering, racketeering, etc.) shall be employed by a medical marijuana dispensary, unless such employee has obtained a certificate of rehabilitation (expungement of felony record) under California law or under a similar federal statute or state law where the expungement was granted. At the request of the medical
marijuana dispensary, the Director shall determine the applicability of this section to a potential employee within a reasonable period of time after a written request has been made to the Director for such determination.

3. All employees must possess a valid government issued (or equivalent) form of identification containing an identifying photograph of the employee, the name of the employee, the date of birth of the employee, and the residential address of the employee. Color copies of such identification shall be maintained at the location of the medical marijuana dispensary. A valid California Driver’s license will satisfy this requirement.

4. All owners and managers must have a current and valid identification card.

E. Only Medical Marijuana Products.

Medical marijuana dispensaries shall dispense, offer for sale or provide only products which are closely associated with medical marijuana, such as pipes, rolling papers, etc.

F. No Recommendations On-site.

A medical marijuana dispensary shall not have a physician or an attending physician at the location of the medical marijuana dispensary to evaluate patients or provide a recommendation or physician’s referral for medical marijuana.

G. No Cultivation.

No marijuana cultivation shall occur at a medical marijuana dispensary site.

H. No Alcohol.

Medical marijuana dispensaries shall not hold or maintain a license from the State Department of Alcoholic Beverage Control to sell alcoholic beverages, or operate a business that sells alcoholic beverages.

I. No Lounge or Cafe.

Medical marijuana dispensaries shall not operate as a lounge, cafe or restaurant serving food or drinks for consumption on-site. There shall be no seating area, tables, couches, or chairs for the gathering or congregating of members.

J. Medical Marijuana Dispensary Signage.

1. Signs on the premises shall not obstruct the entrance or the video surveillance system. The size, location, and design of any signage must conform to the sign provisions in the Perris Municipal Code.

2. Business identification signage shall be limited to that needed for identification only, consisting of a single window sign or wall sign that shall comply with the appropriate sign requirements within the applicable zoning district.
K. Use Restrictions.

Smoking, ingesting or consuming marijuana at the location of the medical marijuana dispensary or within twenty (20) feet of the medical marijuana dispensary is prohibited.

L. No Minors.

1. Minors are prohibited from entering the location of the medical marijuana dispensary unless they are a qualified patient or a primary caregiver and they are in the presence of their parent or legal guardian.

2. No minor shall operate a medical marijuana dispensary in any capacity, including but not limited to, as a management member, employee, contractor or volunteer.

M. Odors.

1. A medical marijuana dispensary shall have an air treatment system that ensures off-site odors shall not result from its operations.

2. This requirement at a minimum means that the medical marijuana dispensary shall be designed to provide sufficient odor absorbing ventilation and exhaust systems so that any odor generated inside the location of the medical marijuana dispensary is not detected outside the building, on adjacent properties or public rights-of-way, or within any other unit located within the same building as the medical marijuana dispensary, if the use only occupies a portion of a building.

N. Site management.

1. The medical marijuana dispensary permit holder shall take all reasonable steps to discourage and correct conditions that constitute a nuisance in parking areas, sidewalks, alleys and areas surrounding the premises and adjacent properties during business hours if related to the members of the subject medical marijuana dispensary.

   a) “Reasonable steps” shall include immediately calling the police upon observation of the activity, and requesting that those engaging in activities that constitute a nuisance or are otherwise illegal to cease those activities, unless personal safety would be threatened in making the request.

   b) “Nuisance” includes but is not limited to disturbances of peace, open public consumption of marijuana, alcohol or controlled substances, excessive pedestrian or vehicular traffic, including the formation of any pedestrian lines outside the building, illegal drug activity, harassment of passersby, excessive littering, excessive loitering, illegal parking, excessive loud noises, especially late at night or early in the morning hours, lewd conduct or police detentions and arrests.

2. The medical marijuana dispensary permit holder shall make available to members who are dispensed medical marijuana a list of the rules and regulations governing medical marijuana use and consumption within the City and recommendations on sensible medical marijuana etiquette.
O. Delivery of Medical Marijuana to Members.

1. All employees who provide delivery of medical marijuana from a medical marijuana dispensary to a member located outside the medical marijuana dispensary location must have a valid identification card at all times with the employee while the delivery is being made.

2. All deliveries must be recorded by the medical marijuana dispensary and maintained in the regular records of the medical marijuana dispensary. These records shall include but not be limited to the identity of the recipient, the amount delivered, the date of the delivery, the address of the delivery, and the name of the employee making the delivery.

3. Upon receipt of a delivery outside of the location of the medical marijuana dispensary, a member must sign for the delivery on a written identifiable receipt to be kept in the regular records of the medical marijuana dispensary.

4. All deliveries must leave the medical marijuana dispensary in sealed containers whose seals will not be broken until receipt of the delivery by the member.

P. Exemptions.

The regulations contained in this chapter shall not apply to a medical marijuana dispensary engaged in the following uses, as long as such use complies strictly with applicable law regulating such use and the location of such use, including, but not limited to, Health and Safety Code sections 11362.5 and 11362.7 et seq.; a clinic permitted pursuant to Chapter 1 of Division 2 of the Health and Safety Code; a health care facility permitted pursuant to Chapter 2 of Division 2 of the Health and Safety Code; a residential care facility for persons with chronic life-threatening illness permitted pursuant to Chapter 3.01 of Division 2 of the Health and Safety Code; a residential care facility for the elderly licensed pursuant to Chapter 3.2 of Division 2 of the Health and Safety Code; a residential hospice; or or a home health agency permitted pursuant to Chapter 8 of Division 2 of the Health and Safety Code.

Sec. 5.54.120 - Administration.

Further rules, regulations, procedures and standards for the administration and implementation of this chapter may be adopted from time to time either by resolution or ordinance from the City Council, or by the Director (upon authorization by resolution from the City Council).

Sec. 5.54.130 - Fees.

A. Fees.

1. An application fee set by resolution of the City Council shall be required for formal processing of every application made under this chapter.

2. The City Council is authorized to pass resolutions to recover any and all fees and costs incurred by the administration and implementation of this chapter through an appropriate fee recovery mechanism to be imposed upon medical marijuana dispensaries and their operations.

B. State Board of Equalization Seller’s Permit Required.
1. The State Board of Equalization has determined that medical marijuana transactions are subject to sales tax, regardless of whether the individual or group makes a profit, and those engaging in transactions involving medical marijuana must obtain a Seller’s Permit from the State Board of Equalization.

2. Such permit shall be conspicuously displayed at the medical marijuana dispensary.

Sec. 5.54.140 - Location Restrictions.

A. Medical marijuana dispensaries shall not be located within six hundred feet of a school, park, place of worship, youth-oriented facility or community center.

B. Medical marijuana dispensaries shall not be located within six hundred feet of a residential zone.

C. No medical marijuana dispensary shall locate and/or operate in any zone of the City of Perris, other than either in the Commercial Neighborhood (CN) Zone (Section 19.36), the Commercial Community (CC) Zone (Section 19.38), or the Industrial Zone (Section 19.44), as defined more fully in Title 19 (Zoning) of the Perris Municipal Code.

Sec. 5.54.150 - Suspension and Revocation.

A. The Director is authorized to suspend and/or revoke a medical marijuana dispensary permit issued pursuant to this chapter upon the determination through written findings of a failure to comply with any provision of this chapter, any condition of approval, or any agreement or covenant as required pursuant to this chapter.

B. The Director may suspend or revoke a medical marijuana dispensary permit if any of the following occur:

1. The Director determines that the medical marijuana dispensary has failed to comply with any aspect of this chapter, any condition or approval, or any agreement or covenant as required pursuant to this chapter; or

2. Operations cease for more than 180 calendar days (including during any change of ownership, if applicable); or

3. Ownership is changed without securing a new medical marijuana dispensary permit; or

4. The medical marijuana dispensary fails to maintain required security camera recordings; or

5. The medical marijuana dispensary fails to allow inspection of the security recordings, the activity logs, the records, or of the premise by authorized City officials.

C. Conditions (if any) of suspension or revocation are at the discretion of the Director and may include, but are not limited to, a prohibition on all owners, operators and employees of the suspended or revoked medical marijuana dispensary from operating within the City for a period of time set forth in writing and/or a requirement (when operations may resume, if at all, pursuant to the Director’s determination) for the holder of the suspended or revoked permit to resubmit an application for a medical marijuana dispensary permit pursuant to the requirements of this chapter.
D. Suspension or revocation of a medical marijuana dispensary permit pursuant to this chapter shall constitute a “revocation” for purposes of Business & Professions Code section 19320(b).

Sec. 5.54.160 - Violations and Penalties.

A. Any violation of the provisions of this chapter shall constitute a separate offense for each and every day during which such violation is committed or continued, and shall be subject to all remedies and enforcement measures authorized by the Perris Municipal Code for violation of the law.

B. To the fullest extent allowed under state law, any person, whether as principal, employee, agent, partner, director, officer, stockholder, or trustee or otherwise, violating or causing the violation of any of the provisions of this chapter shall be guilty of a misdemeanor, and any conviction thereof shall be punishable by a fine of not more than one thousand dollars ($1,000) or by imprisonment for not more than six (6) months, or by both such fine and imprisonment.

Sec. 5.54.170 - Public Nuisance and Abatement.

A. In addition to the penalties set forth in this chapter, any medical marijuana dispensary that is operating in violation of any provisions of this chapter is hereby declared to constitute a public nuisance and, as such, may be abated or enjoined from further operation, in accordance with the procedures set forth in Chapter 7.06 (Property Maintenance) of Title 7 (Health and Welfare) of the Perris Municipal Code.

B. All costs to abate such public nuisance, including attorneys’ fees and court costs, shall be paid by the permit holder of the medical marijuana dispensary. Any appeals to a determination that a medical marijuana dispensary is operating as a public nuisance shall be pursuant to the provisions provided for appeal in Chapter 7.06 (Property Maintenance) of Title 7 (Health and Welfare) of the Perris Municipal Code.

C. In addition to the penalties set forth in this section, failure of a medical marijuana dispensary permit holder to abate a declared public nuisance, after proper notice, shall subject the medical marijuana dispensary permit holder to the enforcement provisions of Chapter 1.16 (Criminal Enforcement of Perris Municipal Code and Ordinance Violations) of Title 1 (General Provisions) of the Perris Municipal Code to the fullest extent allowed under state law.

Sec. 5.54.180 - Appeals.

Any decision regarding approval, conditional approval, denial, suspension or revocation of a medical marijuana dispensary permit may be appealed to the Planning Commission (unless subject to the provisions of Section 5.54.160 or Section 5.54.170 of this chapter) by an applicant, a permit holder or interested party as follows:

A. If the appellant wishes to appeal a decision to the Planning Commission, the appellant must file a written appeal with the Perris City Clerk within ten calendar days of the decision. The written appeal shall specify the person making the appeal, the decision appealed from, shall state the reasons for the appeal, and shall include any evidence in support of the appeal which the applicant seeks to be considered by the Planning Commission.

B. Notice of the time and place of an appeal hearing shall be providing to the appellant within thirty days of receipt by the Perris City Clerk of the written appeal.
C. The appeal hearing shall be held within sixty days of the filing of the written appeal with the Perris City Clerk, unless the sixty day time limit is waived by the appellant, or unless the Planning Commission continues the appeal hearing date for good cause and upon written notification to the appellant.

D. The Planning Commission shall review the facts of the matter, written documents submitted for review, the basis for making the decision which is under appeal, and then determine whether the appealed decision should be reversed or affirmed. The determination made shall be in writing, shall set forth the reasons for the determination, and shall be final unless appealed as provided for below.

E. If the appellant wishes to appeal the determination of the Planning Commission, then the procedures provided in this section shall be followed for an appeal to the City Council, with the exception of the City Council may determine to simply affirm by minute order or resolution the determination of the Planning Commission, without review, within sixty days of receipt by the Perris City Clerk of the written appeal. Any determination of the City Council shall be final.

F. The provisions of section 1094.6 of the Code of Civil Procedure sets forth the procedure for judicial review of any final determination. Parties seeking such judicial review shall file such action within ninety (90) days of a determination being made final.

Sec. 5.54.190 - Prohibitions.

A. All medical marijuana dispensaries in violation of Health and Safety Code Section 11362.7 et seq. and 11362.5, this chapter, or any other applicable State law are expressly prohibited.

B. It is unlawful for any medical marijuana dispensary in the City, or any agent, employee or representative of such medical marijuana dispensary, to permit any breach of peace therein or any disturbance of public order or decorum by any tumultuous, riotous or disorderly conduct on the premises of the medical marijuana dispensary, or to violate any State law, or this chapter.

Sec. 5.54.200 - Nonconforming Use.

No use which purports to have distributed marijuana prior to the enactment of this chapter shall be deemed to have been a legally established use under the provisions of the Perris Zoning Code, the Perris Municipal Code, or any other local ordinance, rule or regulation, and such use shall not be entitled to claim legal nonconforming status.

Sec. 5.54.210 - Severability.

If any section, subsection, subdivision, sentence, clause, phrase, word, or portion of this Ordinance is, for any reason, held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The People of the City of Perris hereby declare that they would have adopted this Ordinance and each section, subsection, subdivision, sentence, clause, phrase, word, or portion thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses, phrases, words or portions thereof be declared invalid or unconstitutional.

Sec. 5.54.220 - Amendment or Repeal.

This chapter may be amended and/or repealed, in part or in whole, by ordinance passed by a majority vote of the City Council, pursuant to Section 9217 of the Elections Code.
Sec. 5.54.230 - Consistency with Statewide Regulation of Marijuana.

A. This chapter shall be read consistent with any statewide regulation of medical marijuana that is promulgated by the California legislature or by voter approval in the future.

Sec. 5.54.240 - Effective Only Upon Successful Passage, and Continuing Enforcement, of Marijuana Tax Ordinance.

This chapter is not effective, and the entire operation of this chapter is suspended indefinitely, until a majority of the voters of the City of Perris, voting at a municipal election, and pursuant to subdivision (b) of Section 2 of Article XIIIC of the California Constitution and Section 53720 et. seq. of the Government Code, vote in favor of a separate ballot measure imposing both a general municipal tax of (at least) up to 10 cents per $1.00 on proceeds of marijuana dispensaries operating in the City of Perris, as well as a general municipal tax of (at least) up to $25 per square foot of space utilized as cultivation area for marijuana cultivation in the City of Perris (“Marijuana Tax Ordinance”). Until such a Marijuana Tax Ordinance is approved by the voters as provided herein, this chapter shall have no effect or force of law in the City of Perris.

The entirety of this chapter shall be immediately repealed and deleted, if county, state and/or federal law operates to preempt in whole or in part the general municipal taxes on marijuana dispensaries and marijuana cultivation provided for by the Marijuana Tax Ordinance referenced above.”

Sec. 5.58.010 - Purpose and intent.

A. The purpose of this chapter is to establish a comprehensive set of regulations with an attendant regulatory permit applicable to the operation of certain types of commercial marijuana operations, while simultaneously establishing an express prohibition on certain other types of commercial marijuana operations.

B. The regulations for, and prohibitions on, specific types of commercial marijuana operations are enacted to preserve the public health, safety, and welfare of the citizens and visitors of the City of Perris, consistent with California’s Compassionate Use Act of 1996, California’s Medical Marijuana Program Act of 2003, the Adult Use of Marijuana Act of 2016 (AUMA) (Proposition 64), the Medicinal and Adult-Use Cannabis Regulation and Safety Act of 2017 (MAUCRSA) and all applicable state laws governing commercial marijuana activities.

C. The issuance of a commercial marijuana operation permit shall constitute a revocable privilege and shall not create or establish any vested rights for the development or use of a property.

D. The chapter is not intended to permit activities that are otherwise illegal under federal, state or local law. This chapter is not intended to conflict with federal or state law.

E. This chapter and its regulations shall be known as the “Commercial Marijuana Operations Regulatory Program.”

F. The regulation of medical marijuana dispensaries (i.e., a “Type 10 = Retailer (medical)” state license classification under Section 26050 of the Business and Professions Code) is governed by Chapter 5.54 (Medical Marijuana Dispensary Regulatory Program) of Title 5 of the Perris Municipal Code.

Sec. 5.58.020 - Commercial marijuana operation prohibited without City permit.

It shall be unlawful to own, establish, operate, use, or permit the establishment or activity of a commercial marijuana operation, or to participate in commercial marijuana operations as an employee, contractor, agent, volunteer, or in any manner or capacity, other than as provided in this chapter and pursuant to both a current and valid City of Perris commercial marijuana operation permit (or for a medical marijuana dispensary as provided for in Chapter 5.54 and pursuant to a current and valid City of Perris medical marijuana dispensary permit as understood by Chapter 5.54), as well as the equivalent state license for such commercial marijuana operation as provided for by Section 26050 of the Business & Professions Code, and as amended. The prohibition contained in this section shall include renting, leasing, or otherwise permitting a commercial marijuana operation to occupy or use a location, vehicle, or other mode of transportation.

Sec. 5.58.030 - Definitions.

The following words and phrases shall, for the purposes of this chapter, have the meanings respectively ascribed to them by this section, as follows:

A. Adult-use (i.e., recreational or non-medical) refers to activity involving marijuana or marijuana products, which is restricted to adults 21 years of age and older and who do not possess a physician’s recommendation, in contrast to activity involving medical marijuana or medical marijuana products.
B. *Applicant* means a person who is required to file an application for a permit under this chapter.

C. *Attending physician* has the same definition as set forth in Health and Safety Code section 11362.7, and as may be amended, defined as “an individual who possesses a license in good standing to practice medicine or osteopathy issued by the Medical Board of California or the Osteopathic Medical Board of California and who has taken responsibility for an aspect of the medical care, treatment, diagnosis, counseling, or referral of a patient and who has conducted a medical examination of that patient before recording in the patient's medical record the physician's assessment of whether the patient has a serious medical condition and whether the medical use of marijuana is appropriate.”

D. *Batch* means a specific quantity of homogeneous marijuana or marijuana product that is one of the following types: (1) Harvest batch. “Harvest batch” means a specifically identified quantity of dried flower or trim, leaves, and other marijuana plant material that is uniform in strain, harvested at the same time, and, if applicable, cultivated using the same pesticides and other agricultural chemicals, and harvested at the same time. (2) Manufactured marijuana batch. “Manufactured marijuana batch” means either of the following: (A) An amount of marijuana concentrate or extract that is produced in one production cycle using the same extraction methods and standard operating procedures. (B) An amount of a type of manufactured marijuana produced in one production cycle using the same formulation and standard operating procedures.

(c) Retail (medical) operations. Retail (medical) commercial marijuana operations (referred to in Chapter 5.54 as "Medical Marijuana Dispensaries") are governed by the requirements of Chapter 5.54 (Medical Marijuana Dispensary Regulatory Program).

Sec. 5.58.060 - Commercial marijuana operation permit.

A. Prior to initiating operation as a commercial marijuana operation and as a continuing requisite to conducting operations, the owner of a commercial marijuana operation shall obtain a regulatory permit from the City under the terms and conditions set forth in this chapter, with the exception of the owner of a retail (medical) commercial marijuana operation, instead of obtaining a regulatory permit under this chapter, shall obtain a regulatory permit from the City under the terms and conditions set forth in Chapter 5.54.

B. Commercial marijuana operation permits issued pursuant to this chapter shall automatically expire one year from the date of issuance, unless specifically provided for otherwise by this chapter.

C. Conditions necessary for the continuing validity of a commercial marijuana operation permit include:

1. Maintaining a current and valid state license under Division 10 of the Business and Professions Code, and as amended. Revocation, suspension or expiration of the state license shall automatically invalidate the equivalent City commercial marijuana operation permit.

2. Strict adherence to each and every requirement of this chapter, as well as any requirements adopted by the City pursuant to the authority of this chapter.

3. Allowing the Director and the Police Department to conduct reasonable inspections of the location of the commercial marijuana operation at the discretion of the City, including but not limited to inspection of security, inventory, and written records and files pertaining to the commercial marijuana operation, for the purposes of ensuring compliance with local and state law.

4. Maintaining with the City current and valid contact information of the owner(s) and manager(s) of the commercial marijuana operation.

5. Maintaining with the City current and valid contact information of a legal representative of the commercial marijuana operation.

6. Transferable only if transferee successfully completes all of the requirements that a new applicant for a commercial marijuana operation permit would otherwise need to meet.

Sec. 5.58.070 - Application for commercial marijuana operation permit.

A. The owner of a proposed commercial marijuana operation shall file an application with the Director upon a form provided by the City and shall pay a filing fee as established by resolution adopted by the City Council, as may be amended from time to time.

B. An application for a commercial marijuana operation permit shall include, but not be limited to, the following information:
a) Activities. A general description of the proposed operation, including how the proposed operation will operate in compliance with this Code and state law, plans for handling cash and transporting marijuana and marijuana products to and from the premises, and the proposed use of all areas on the premises, including but not limited to specific activities, storage, lighting and signage.

b) Security. A security plan detailing measures to the satisfaction of the Director that all applicable security-related requirements under State or local law, including but not limited to the requirements of Section 5.58.100(B), are and will be met.

c) Odor Control. An odor control plan detailing odor control measures in accordance with Section 5.58.100(C), to the satisfaction of the Director.

A description of the statutory entity or business form that will serve as the legal structure for the applicant, the ownership structure of the applicant as filed with the California Secretary of State (e.g. limited liability company, joint partnership, S-Corporation) (an applicant that is a foreign corporation shall include in its application the certificate of qualification issued by the Secretary of State of California), and a copy of the entity’s formation and organizing documents, including, but not limited to, articles of incorporation, certificate of amendment, statement of information, articles of association, bylaws, partnership agreement, operating agreement, and fictitious business name statement.

e) Seller’s Permit. The seller’s permit number issued by the Board of Equalization or evidence that the applicant has applied for a seller’s permit from the Board of Equalization, as applicable.

f) Other Licenses and Permits. Identification of any other licenses or permits for commercial marijuana operations, whether for the City of Perris or for any other licensing or permitting authority:

   I. held currently by the applicant;
   II. pending approval for the applicant; or
   III. denied to, revoked from, or suspended for, the applicant.

g) Physical. A general description of the proposed operation, including the street address, parcel number, the total square footage of the site, and the characteristics of the surrounding area.

h) Floor plan. A scaled floor plan for each level of each building that is part of the business site, including the entrances, exits, walls, and operating areas. The floor plan must be professionally prepared by a licensed civil engineer or architect.

i) Site plan. A scaled site plan of the business site, that will include at a minimum all buildings, structures, driveways, parking lots, landscape areas, and boundaries. The site plan must be professionally prepared by a licensed civil engineer or architect.
j) Hours of Operation. Proposed hours and days of operation.

02 Individuals.

a) Managers. The name, address, e-mail and phone number of any person who is managing or responsible for the commercial marijuana operation’s activities.

b) Community Outreach Manager. The name, e-mail and phone number of an employee designated as Community Outreach Manager, who will be responsible for outreach and communication with the surrounding community, including the neighborhood and nearby businesses.

c) Employees. A list of the names of all current and prospective employees of the commercial marijuana operation, along with any other identifying information requested by the Director.

d) Consent to Criminal Investigation. Written consent from all employees to fingerprinting and a criminal background investigation by the City, upon a form provided by the City, accompanied with payment of appropriate fees to City to cover the costs of performing such criminal background check. At the discretion of the City and in compliance with State law, the City may use live scan to perform criminal background checks.

e) Identification. For each employee, a color photocopy of either a valid California Driver’s License or equivalent identification approved by the Director.

f) Land Owner. The name, address, e-mail and phone number of the owner and lessor of the real property upon which the commercial marijuana operation is to be conducted. In the event the applicant is not the legal owner of the property, the application must be accompanied by a notarized acknowledgement from the owner of the property that a commercial marijuana operation will be operated on his/her property.

03 Miscellaneous.

a) Any additional application requirements specific to the type of commercial marijuana operation permit being sought, including but not limited to as provided for by this chapter.

b) Evidence satisfactory to the Director of compliance with all local and state law requirements governing commercial marijuana operations.

c) Evidence satisfactory to the Director of compliance with all applicable insurance requirements as provided for by this chapter, local law and state law. Minimum insurance levels shall be determined by the Director after an assessment of the risks posed by the commercial marijuana operation, including provision for meeting the requirements of Section 5.58.080(E)(2).
d) Authorization for the Director to seek verification of the information contained within the application.

e) A statement in writing by the applicant that he or she certifies under penalty of perjury that all the information contained in the application is true and correct.

f) Any such additional and further information as is deemed necessary by the Director to administer this chapter.

Sec. 5.58.080 – Issuance of commercial marijuana operation permit.

A. Issuance of a commercial marijuana operation permit constitutes a revocable privilege and shall not create or establish any vested rights for the development or use of a property.

B. Upon receipt of a completed application and payment of the application and license fees, the Director shall investigate the information contained in the application to determine whether the applicant shall be issued the requested permit, and shall prepare a written report on the acceptability of the application.

1. Within ninety (90) days of receipt of a completed application, the Director shall complete the investigation, approve, conditionally approve, or deny the application as being in compliance with the requirements of this chapter, and so notify the applicant.

2. If the Director determines that the application is incomplete, the Director shall notify the applicant in writing explaining the reasons thereof within sixty (60) days of receipt of the application. Applicant shall have thirty (30) days to submit a completed application, in accordance with the Director’s notification. If the application is resubmitted as incomplete, it shall be deemed abandoned. The applicant may then resubmit a new application for a new review pursuant to the requirements of this section.

3. If the Director neither grants nor denies a complete application within ninety (90) days after it is received, except as provided for by Section 5.58.080(B)(4), the application shall be forwarded to the city council at its next (or as soon as practicable thereafter) regularly scheduled meeting for consideration in strict conformance with the requirements of this chapter.

4. At the Director’s sole discretion, the time limits in this section may be extended upon written notification from the Director to the applicant.

C. The Director shall grant the application (subject to subsections (D) and (E) below) upon findings that the proposed permit meets all of the requirements of this chapter, unless the Director finds any of the following:

1. The applicant has made one or more false or misleading statements or omissions, either on the written application or during the application process; or

2. A proposed location for the commercial marijuana operation is not allowed by state or local law, statute, ordinance, or regulation (including this Code); or

3. The applicant has not satisfied each and every requirement of this chapter and Code; or
4. The applicant is not in compliance with applicable state law, including, but not limited to, applicable requirements and minimum standards of the Adult Use of Marijuana Act of 2016 (AUMA) (Proposition 64), the Medicinal and Adult-Use Cannabis Regulation and Safety Act of 2017 (MAUCRSA) and any applicable State regulations.

D. Based on the information set forth in the application and the Director’s review, the Director may impose reasonable terms and conditions on the use of the permit in addition to those specified in this chapter to ensure the safe operation of the commercial marijuana operation, and to ensure the health, safety and welfare of the citizens and visitors of the City of Perris.

E. Before receiving possession of an approved commercial marijuana operation permit, as provided for in this chapter, the commercial marijuana operation permit holder shall to the satisfaction of the Director:

1. Provide written authorization to the Director as well as the Police Department to conduct reasonable unannounced inspections of the location of the commercial marijuana operation at the discretion of the City, including but not limited to inspection of security, inventory, and written records and files pertaining to the commercial marijuana operation, for the purposes of ensuring compliance with this chapter and all laws of the City and the State of California.

2. Execute an agreement: to indemnify, defend and hold harmless (at the commercial marijuana operation permit holder’s sole expense, the ability to do so demonstrated through proof of sufficient insurance coverage to the satisfaction of the City) the City, its elected officials, employees, agents, officers, and representatives, and each and all of them individually, from all liability or harm arising from or in connection with all claims, damages, attorney’s fees, costs and allegations arising from or in any way related to the operation of the commercial marijuana operation; and, to reimburse the City for any costs and attorney’s fees that the City may be required to pay as a result of such action. The City may, at its sole discretion, participate at its own expense in the defense of any such action.

Sec 5.58.090 - Renewal of commercial marijuana operation permit.

A. Commercial marijuana operation permits issued pursuant to this chapter shall automatically expire one year from the date of issuance, unless specifically provided for otherwise by this chapter.

B. The following procedures shall govern the process for the renewal of a commercial marijuana operation permit:

1. A holder of a commercial marijuana operation permit may apply for the renewal of an existing permit no less than sixty (60) days prior to the permit’s expiration date.

2. Renewal applications shall comply with all of the requirements in this chapter for applying for a new commercial marijuana operation permit, including but not limited to the requirements in section 5.58.070.

3. If the holder of a commercial marijuana operation permit files a renewal application less than sixty (60) days prior to expiration, the holder must provide a written explanation detailing the circumstances surrounding the late filing. If the Director accepts the application, then the Director may elect to administratively extend the permit beyond the expiration date while the Director completes the renewal permitting process.
4. An application for renewal will only be accepted if it is accompanied by the requisite fees as set by resolution of the city council, and as amended from time to time.

C. A commercial marijuana operation permit is immediately invalid upon expiration if the permit holder has not filed a timely and/or accepted renewal application and remitted all of the required fees. In the event the permit is not renewed prior to expiration, the affected commercial marijuana operation shall not operate and is considered to be unlawful.

Sec. 5.58.100 - General operating standards and restrictions.

A commercial marijuana operation shall operate in conformance with the following minimum standards, and such standards shall be deemed to be part of the conditions on the permit for a commercial marijuana operation to ensure that its operation is in compliance with California law and the Perris Municipal Code, and to mitigate any potential adverse impacts of the commercial marijuana operation on the public health, safety or welfare.

Additional minimum standards may be adopted from time to time either by resolution or ordinance from the City Council, or by the Director (upon authorization by resolution from the City Council).

A. State Standards. All state requirements and regulations that govern the operation of a commercial marijuana operation, including but not limited to ones related specifically to certain types of commercial marijuana operations, shall apply as minimum requirements and regulations for commercial marijuana operations within the City of Perris, in addition to the requirements and regulations of this chapter and this Code.

B. Security.

1. General. All marijuana, marijuana products and cash present or kept at the premises shall be securely stored against both unauthorized access as well as theft.

2. Licensed Security Guard.

   a) No less than one security guard shall be present at the location of the commercial marijuana operation during all hours of operation.

   b) All security guards shall be licensed by and in good standing with the Bureau of Security and Investigative Services of the California Department of Consumer Affairs (BSIS).

   c) If any security guard is to be armed with a firearm and/or a baton, then that security guard shall possess at all times a valid and current firearms permit and/or baton permit issued by the BSIS.

   d) At the determination of the Director further use of, and requirements for, security guards may be required of permittee.

   a) Security cameras shall be installed and maintained in good condition, with at least thirty (30) days of digitally recorded documentation in a format approved by the Director and the Police Chief.
b) The camera and recording system must be of adequate quality, color rendition, and resolution to allow the identification of any individual present at the site of the commercial marijuana operation.

c) The cameras shall be in continuous use twenty-four (24) hours per day, seven (7) days per week.

d) The recording system must be capable of exporting the recorded video in standard MPEG formats to another common medium approved by the Director, such as DVD and/or a USB drive.

e) The areas to be covered by the security cameras include, but are not limited to, the storage areas, operation areas, all doors and windows, the parking lot, all exterior sides of the property adjacent to the public rights of way, and any other areas as determined by the Director and Police Chief.

f) Remote log-in information will be provided to the Director and the Police Chief to allow them to view live and recorded security camera images remotely at any time.

4. Alarm System. The location of the commercial marijuana operation shall be alarmed with a centrally-monitored fire and burglar alarm system, and monitored by an alarm company properly licensed by the State of California Department of Consumer Affairs Bureau of Security and Investigative Services in accordance with California Business & Professions Code section 7590, et seq. and whose agents are properly licensed and registered under applicable law.

5. Locked Entrances. All entrances into the building housing a commercial marijuana operation shall be locked from the exterior at all times with entry controlled by employees.

6. Windows. All windows on any building that houses the commercial marijuana operation shall be secured against entry from the outside.

7. No employee shall refuse, impede, obstruct or interfere with an inspection conducted pursuant to the authorizations provided by this chapter.

C. Odors.

1. A commercial marijuana operation shall have an air treatment system (e.g., a recycled air system) that ensures off-site odors shall not result from its activities.

2. This requirement at a minimum means that the commercial marijuana operation shall be designed to provide sufficient odor absorbing ventilation and exhaust systems so that any odor generated inside the location of the commercial marijuana operation is not detected outside the building, on adjacent properties or public rights-of-way, or within any other unit located within the same building as the commercial marijuana operation, if the use only occupies a portion of a building.

D. Authorizations.

1. Operations officers shall have the right to enter all areas of the commercial marijuana operation
from time to time unannounced for the purpose of making reasonable inspections to observe and enforce compliance with this chapter and all laws of the City and State of California.

2. Recordings made by security cameras required pursuant to this chapter shall be made available to operations officers upon verbal request; no search warrant or subpoena shall be needed to view the recorded materials.

E. Records.

4. Commercial marijuana operations shall maintain on-site the following records either in paper or electronic form:

   a) The full name, address, and telephone numbers of the owner and lessee of the property.

   b) The name, date of birth, address, and telephone number of each employee of the commercial marijuana operation; the date each was hired; and the nature of each employee’s participation in the commercial marijuana operation.

   c) Copies of all required state licenses.

   d) An inventory record documenting the dates and amounts of marijuana and marijuana products received at the site, the daily amounts of marijuana and marijuana products on the site, and the daily amounts of marijuana and marijuana products leaving the site for any reason, including but not limited to being sold, delivered, or distributed.

   e) A written accounting of all expenditures, costs, revenues and profits of the commercial marijuana operation, including but not limited to cash and in-kind transactions.

   f) A copy of all insurance policies related to the operation of the commercial marijuana operation.

   g) A copy of the commercial marijuana operation’s most recent year’s financial statement and tax return.

   h) Proof of a valid and current permit issued by the City in accordance with this chapter, and the equivalent State of California license to operate the commercial marijuana operation. Every commercial marijuana operation shall display at all times during business hours the City permit issued pursuant to the provisions of this chapter, and the equivalent State license, in a conspicuous place so that it may be readily seen by all persons entering the location of the commercial marijuana operation.

5. All records required to be maintained by the commercial marijuana operation must be maintained for no less than three (3) years and are subject to immediate inspection (consistent with requirements pertaining to patient confidentiality pursuant to applicable State and Federal law) upon a lawful written request by an operations officer.

6. A commercial marijuana operation shall report any loss, damage, or destruction of these records to the Operation Officers within twenty-four (24) hours of the loss, damage, or destruction.

F. Site Management.

1. Commercial marijuana operations shall not result in a nuisance or adversely affect the health,
welfare, or safety of nearby persons by creating dust, glare, heat, noise, noxious gases, odors, smoke, traffic, vibration, or other impacts, or be hazardous due to use or storage of materials, processes, products or waste. The permittee shall promptly and diligently both prevent as well as eliminate conditions on the site of the commercial marijuana operation that constitute a nuisance.

2. The commercial marijuana operation permittee shall maintain the exterior of the site, including any parking lots under the control of the permittee, free of litter, debris, and trash.

3. The commercial marijuana operation permittee shall properly store and dispose of all waste generated on the site, including chemical and organic waste, in accordance with all applicable laws and regulations.

4. Notwithstanding any provisions of this Code to the contrary, the commercial marijuana operation permittee shall remove all graffiti from the site and parking lots under the control of the commercial marijuana operation permittee within seventy-two (72) hours of its application.

G. State Board of Equalization Seller’s Permit Required.

   a) Commercial marijuana operations must obtain a Seller’s Permit from the State Board of Equalization as applicable.

   b) Such permit shall be displayed in a conspicuous place so that it may be readily seen by all persons entering the location of the commercial marijuana operation.

H. Employees.

5. All employees must submit to fingerprinting and criminal background checks by the City.

   a) No employee convicted within the last ten years of a felony substantially related to the qualifications, functions or duties of an employee of a commercial marijuana operation (such as a felony conviction for distribution of controlled substances, money laundering, racketeering, etc.) shall be employed by a commercial marijuana operation, unless such employee has obtained a certificate of rehabilitation (expungement of felony record) under California law or under a similar federal statute or state law where the expungement was granted.

   b) At the request of the commercial marijuana operation, the Director and Police Chief shall determine the applicability of this section to a potential employee within a reasonable period of time after a written request has been made to the Director and Police Chief for such determination.

6. All employees must possess a valid government issued (or equivalent) form of identification containing an identifying photograph of the employee, the name of the employee, the date of birth of the employee, and the residential address of the employee. Color copies of such identification shall be maintained at the location of the commercial marijuana operation. A valid California Driver’s license will satisfy this requirement.

I. Marijuana Transfer Between Permitted Operations Only.
A commercial marijuana operation shall not transfer marijuana or marijuana products to or from another commercial marijuana operation, unless both operations are in possession of all required state and local licenses and permits.

J. Commercial Marijuana Operation Signage.

3. Signs on the premises shall not obstruct the entrance or the video surveillance system. The size, location, and design of any signage must conform to the sign provisions in the Perris Municipal Code.

4. Business identification signage shall be limited to that needed for identification only, consisting of a single window sign or wall sign that shall comply with the appropriate sign requirements within the applicable zoning district.

K. Prohibited Personal Activities.

1. Marijuana Use. No person shall smoke, ingest, or otherwise consume marijuana in any form on, or within 20 feet of, the site of the commercial marijuana operation.

2. Alcohol Use. No person shall possess, consume, or store any alcoholic beverage on the site of the commercial marijuana operation.

L. No Minors. No minor shall be an employee of, or participate in, a commercial marijuana operation in any capacity, including but not limited to, as a manager, employee, contractor, adviser, or volunteer.

M. Exterior Lighting. The exterior of the premises upon which the commercial marijuana operation is operated shall be equipped with and, at all times between sunset and sunrise, shall remain illuminated with fixtures of sufficient intensity and number to illuminate every portion of the property with an illumination level of not less than one foot-candle as measured at the ground level, including, but not limited to, landscaped areas, parking lots, driveways, walkways, entry areas, and refuse storage areas.

N. Building Design. A commercial marijuana operation permittee must maintain the design of the buildings on the site in accordance with the plans that are approved by the City pursuant to this chapter and otherwise approved by the City. No permittee shall modify the buildings on the site contrary to the approved plans, without the approval of the Director.

O. Nuisance. The commercial marijuana operation permittee shall take all reasonable steps to discourage and correct conditions that constitute a nuisance in parking areas, sidewalks, alleys and areas surrounding the premises and adjacent properties during business hours if related to the activities of the subject commercial marijuana operation.

  c) “Reasonable steps” shall include immediately calling the police upon observation of the activity, and requesting that those engaging in activities that constitute a nuisance or are otherwise illegal to cease those activities, unless personal safety would be threatened in making the request.

  d) “Nuisance” includes but is not limited to disturbances of peace, open public consumption of marijuana, alcohol or controlled substances, excessive pedestrian or vehicular traffic, including the formation of any pedestrian lines outside the building.
illegal drug activity, harassment of passersby, excessive littering, excessive loitering, illegal parking, excessive loud noises, especially late at night or early in the morning hours, lewd conduct or police detentions and arrests.

P. Upon and after receiving possession of a commercial marijuana operation permit as provided for in this chapter, the commercial marijuana operation permit holder shall:

1. Immediately update the Director in writing upon the change in status of any of the information previously submitted to the City concerning the commercial marijuana operation, including but not limited to when there is any change in the address, email, phone number, or other identifying information, previously provided to the City in compliance with this chapter, for any owner, manager, community outreach manager, property owner, or legal representative of the commercial marijuana operation.

2. Maintain continuing compliance with criminal background check requirements of this chapter by ensuring that:
   
   a) upon the hiring, association or retention of an employee by the commercial marijuana operation, the requirements of Section 5.58.070(B)(2)(d) are immediately met for such employee by provision of appropriate documentation to the Director; and
   
   b) the Director and Police Chief are immediately informed in writing of any felony conviction as described in Section 5.50.100(H)(1)(a) for any current employee.

3. Maintain continuing compliance with all applicable insurance requirements, including, but not limited to, those imposed by City and this chapter.

Q. Exemption. The regulations contained in this chapter shall not apply to a commercial marijuana operation engaged in the following uses, as long as such use complies strictly with applicable law, including this Code, regulating such use and the location of such use, including, but not limited to, Sections 11362.5, et seq. of the Health and Safety: a clinic licensed pursuant to Chapter 1 of Division 2 of the Health and Safety Code; a health care facility licensed pursuant to Chapter 2 of Division 2 of the Health and Safety Code; a residential care facility for persons with chronic life-threatening illness licensed pursuant to Chapter 3.01 of Division 2 of the Health and Safety Code; a residential care facility for the elderly licensed pursuant to Chapter 3.2 of Division 2 of the Health and Safety Code; and, a residential hospice or a home health agency licensed pursuant to Chapter 8 of Division 2 of the Health and Safety Code.

Sec. 5.58.110 - Cultivation operating standards and restrictions.

A commercial marijuana operation engaged in indoor or mixed-light cultivation (which includes nurseries restricted to indoor or mixed-light cultivation) shall operate in conformance with both the General Operating Standards and Restrictions provided for in Section 5.58.100, as well as the following minimum standards, and such standards shall be deemed to be part of the conditions of the permit for a cultivation commercial marijuana operation to ensure that its operation is in compliance with California law and the Perris Municipal Code, and to mitigate any potential adverse impacts of the commercial marijuana operation on the public health, safety or welfare.

Additional minimum standards may be adopted from time to time either by resolution or ordinance from the City Council, or by the Director (upon authorization by resolution from the City Council).
A. City Permit and State License. No person shall engage in cultivation without both a current and valid City commercial marijuana operation permit issued for cultivation as well as a current and valid equivalent state license as provided for under Division 10 of the Business and Professions Code, and as may be amended.

B. State Standards. All state requirements and regulations that govern cultivation operations, including but not limited to the regulations promulgated by the California Department of Food and Agriculture, and as may be amended, shall apply as minimum requirements and regulations for cultivation commercial marijuana operations within the City of Perris, in addition to the requirements and regulations of this chapter and this Code.

C. Location Restrictions.

1. No cultivation operation shall locate or operate in any area or zone of the City of Perris, other than in the following subareas of the Light Industrial (LI) Zone or the General Industrial (GI) Zone, as defined more fully in Chapter 19.44 (Industrial Zones) of Title 19 (Zoning) of the Perris Municipal Code:
   a) North Perris: North of Perry Street to the city limits, between the Perris Valley Storm Drain Channel and the I-215 Freeway.
   b) South Perris: North of Watson Road, south of Ellis Avenue, between the Perris Valley Storm Drain Channel and Santa Fe Railroad.

2. No cultivation operation shall locate within six hundred (600) feet of a school, park, place of worship, youth-oriented facility, youth center, day care center or residential zone. The distance shall be measured as the horizontal distance measured in a straight line from the property line of one site to the property line of another site.

D. Water.

1. The water supply shall be sufficient for the operations intended, shall comply with all State regulations, and shall be derived from a source that is a regulated water system. Private water supplies shall be derived from a water source that is capable of providing a safe, potable, and adequate supply of water to meet the facility’s needs.

2. Plumbing shall be of adequate size and design and adequately installed and maintained to carry sufficient quantities of water to required locations throughout the operation and that shall properly convey sewage and liquid disposable waste from the operation. There shall be no cross-connections between the potable and waste water lines.

E. Sanitation.

1. The permittee shall establish and implement written procedures that maintain the highest industry standards of sanitation and cleanliness for the operation so as to ensure at all times marijuana remains free of harmful contaminants, including but not limited to pesticides, mold and fungus.

2. Litter and waste shall be properly removed and the operating systems for waste disposal shall be
maintained in an adequate manner so that they do not constitute a source of contamination in areas
where marijuana is exposed.

3. Floors, walls, and ceilings shall be constructed in such a manner that they may be adequately
 cleaned and kept clean and kept in good repair.

F. Site Requirements. The site shall comply with the following requirements:

1. Visibility.

   a) Neither marijuana, marijuana products, nor visible exterior evidence of any cultivation
      activities, shall be visible from the public right-of-way, the unsecured areas surrounding
      the buildings on the site, or the site’s main entrance and lobby.

   b) Building frontage shall be constructed and designed so as to entirely conceal from public
      view both all cultivation activities conducted by the permittee, as well as all marijuana
      and marijuana products at the site.

2. Main Entrance and Lobby. The site shall have a building with a main entrance that is clearly visible
   from the public street or sidewalk. The main entrance shall be maintained clear of barriers,
   landscaping, and other obstructions. Inside of the main entrance, there shall be a lobby to receive
   persons into the site and to verify whether they are allowed in the cultivation commercial marijuana
   operation areas. Members of the general public shall not be allowed in the cultivation commercial
   marijuana operation areas except for reasons of lawful business.

3. Cultivation Area. All cultivation areas in any building on the site shall be separated from the main
   entrance and lobby, and shall be secured by a lock accessible only to employees of the permittee.

4. Storage Area. Each building with a cultivation area shall have adequate storage space for marijuana
   that has completed the cultivation process or is otherwise not being cultivated. The storage areas
   shall be separated from the main entrance and lobby, and shall be secured by a lock accessible
   only to employees of the permittee.

5. Secure Product. All marijuana, whether being cultivated or otherwise, at the site shall be kept in a
   secured manner at all times so as to deter theft and unauthorized access.

6. Transport Area. Each building with a cultivation area shall have an area designed for the secure
   transfer of marijuana from the cultivation area to a vehicle for transportation.

7. Lighting. Sufficient lighting must be used in all areas where marijuana is cultivated and stored,
   and where equipment or utensils are cleaned, so that at all times the items and activities in these
   areas are fully visible to both any security cameras covering the areas as well as the naked eye.

G. Training. The permittee shall establish and implement written procedures that provide for the highest
industry standards of training for employees engaged in cultivation operations.

H. Signs. A permittee shall display conspicuously in the lobby of the site the following signs, so that each
sign may be readily seen by persons entering the site, and each sign must be at least 8 inches by 10 inches
in size:
1. “This site is not open to the public.”

2. “Retail sales of any goods and services is prohibited”

3. “Minors are prohibited from entering this site.”

1. “Smoking, ingesting, or consuming marijuana on or within 20 feet of this site is prohibited.”

I. Restricted Access.

1. The site shall be closed to the general public. No one shall be allowed on the cultivation site, except for employees, or persons with a bona fide business or regulatory purpose for being on the site, such as contractors or inspectors.

2. Minors are prohibited at all times from entering the location of the site.

Sec. 5.58.120 - Testing operating standards and restrictions.

A commercial marijuana operation engaged in testing shall operate in conformance with both the General Operating Standards and Restrictions provided for in Section 5.58.100, as well as the following minimum standards, and such standards shall be deemed to be part of the conditions of the permit for a testing commercial marijuana operation to ensure that its operation is in compliance with California law and the Perris Municipal Code, and to mitigate any potential adverse impacts of the commercial marijuana operation on the public health, safety or welfare.

Additional minimum standards may be adopted from time to time either by resolution or ordinance from the City Council, or (upon authorization by resolution from the City Council) by the Director.

A. City Permit and State License. No person shall engage in testing without both a current and valid City commercial marijuana operation permit issued for testing as well as a current and valid equivalent state license as provided for under Division 10 of the Business and Professions Code, and as may be amended.

B. State Standards. All state requirements and regulations that govern testing operations, including but not limited to regulations promulgated by the Bureau of Cannabis Control within the Department of Consumer Affairs, and as may be amended, shall apply as minimum requirements and regulations for testing commercial marijuana operations within the City of Perris, in addition the requirements and regulations of this chapter and this Code.

C. Location Restrictions.

1. No testing operation shall locate or operate in any area or zone of the City of Perris, other than in the Light Industrial (LI) Zone, the General Industrial (GI) Zone, or the Business Park (Industrial) (BP) Zone, as defined more fully in Chapter 19.44 (Industrial Zones) of Title 19 (Zoning) of the Perris Municipal Code.

2. No testing operation shall locate within six hundred (600) feet of a school, youth center or day care center. The distance shall be measured as the horizontal distance measured in a straight line from the property line of one site to the property line of another site.
D. Independent. Permittees shall be independent from all other persons and entities involved in commercial marijuana operations other than testing.

E. Health and Safety; Director Approval

1. General.
   a) Testing operations before commencing operation, and as a continuing prerequisite to continuing operations, shall receive, and maintain, written approval from the Director that any closed-loop system, equipment used and the testing facilities in general, all meet or exceed appropriate health and safety standards as determined by the Director.
   b) These health and safety standards include any required fire, safety and building code requirements specified in the California Fire Code, the National Fire Protection Association (NFPA) standards, the International Building Code (IBC), the International Fire Code (IFC), and any other applicable standards, including complying with all applicable fire, safety, and building codes in processing, handling, and storage of solvents or gasses.

   a) Testing operations shall not commence until written approval is received from the Director for a completed Fire Safety Plan for the operation.
   b) An application for a renewal of a testing commercial marijuana operation permit shall not be approved until an inspection of the site occurs by the Director which affirms that both the operation remains in compliance with the approved Fire Safety Plan (or an amended Fire Safety Plan as determined by the Director) and that any further actions that need to be taken in the determination of the Director are taken to ensure that all applicable and necessary health and safety requirements are met.

3. Certified Industrial Hygienist (CIH).
   a) The permittee must provide for, maintain, and follow a detailed plan prepared by a CIH, and approved by the Director, to insure the appropriate health and safety procedures including, but not limited to, procedures necessary to control hazards, for use of proper protective equipment, for product safety, for compliance with Cal OSHA limits, to provide specifications for ventilation controls, and to ensure environmental protections, are adopted and used by the operation on a continuing basis.
   b) The Director shall establish further written requirements for the plan, including but not limited to required inspections by the CIH and a hazardous materials management plan. Upon reasonable determination by the Director the permittee shall be required to update or amend the approved plan to the satisfaction of the Director.

4. UL (Underwriters Laboratories) Listed. All testing devices and equipment used by the operation must be UL listed, or otherwise approved for the intended use by the Director.

5. Hazardous Materials. All hazardous material used, generated or associated with the operation must
be disposed of in a manner which is approved by the Director before disposal occurs, and which is compliant with all local, State and federal guidelines for the disposal of hazardous materials.

6. Waste Treatment System. The permittee must provide for and maintain a waste treatment system which is approved by the Director so as to prevent contamination in areas where marijuana or marijuana products may be exposed to such a system’s waste or waste by-products.

F. Operation Requirements. The testing operation shall be subject to all applicable regulations developed (including as modified) by the State of California for commercial marijuana testing operations, and shall comply with the following requirements:

1. Conduct all testing in a manner pursuant to Section 26100 of the Business and Professions Code, and as amended, subject to State and local law.

2. Conduct all testing in a manner consistent with general requirements for the competence of testing and calibration activities, including sampling using verified methods.

3. Obtain and maintain ISO/IEC 17025 accreditation as required by the State.

4. Destroy the remains of the sample of marijuana or marijuana products upon the completion of analysis as determined by the State through regulations.

5. Dispose of any waste byproduct resulting from testing operations in the manner required by State and local laws and regulations.

G. Site Requirements. The site shall comply with the following requirements:

1. Indoor Testing Only. All testing shall occur in a fully enclosed building.

2. Fire Sprinklers. The site shall be equipped with an automatic fire sprinkler system, in accordance with NFPA 13, California Fire Code (Section 903), and the Perris Municipal Code with zero (0) square foot requirement.

3. Visibility.
   a) Neither marijuana, marijuana products nor visible exterior evidence of any testing activity, shall be visible from the public right-of-way, the unsecured areas surrounding the buildings on the site, or the site’s main entrance and lobby.
   b) Building frontage shall be constructed and designed so as to entirely conceal from public view both all testing activities conducted by the permittee, as well as all marijuana and marijuana products at the site.

4. Main Entrance and Lobby. The site shall have a building with a main entrance that is clearly visible from the public street or sidewalk. The main entrance shall be maintained clear of barriers, landscaping, and other obstructions. Inside of the main entrance, there shall be a lobby to receive persons into the site and to verify whether they are allowed in the testing areas.

5. Secure Product. All marijuana and marijuana products at the site shall be kept in a secured manner at all times.
6. Testing Area. All testing areas in any building on the site shall be separated from the main entrance and lobby, and shall be secured by a lock accessible only to employees of the marijuana testing permittee.

7. Transport Area. Each building with a testing area shall have an area designed for the secure transfer of marijuana from a vehicle to the testing area.

8. Storage Area. Each building with a testing area shall have adequate storage space for marijuana that has been tested or is waiting to be tested. The storage areas shall be separated from the main entrance and lobby, and shall be secured by a lock accessible only to employees of the permittee.

H. Sanitation. The permittee shall establish and implement written procedures that maintain the highest industry standards of sanitation and cleanliness for the operation so as to ensure the marijuana tested remains free of harmful contaminants.

I. Training. The permittee shall establish and implement written procedures that provide for the highest industry standards of training for employees engaged in testing operations.

J. Signs. A permittee shall display conspicuously in the lobby of the site the following signs, so that each sign may be readily seen by persons entering the testing site, and each sign must be at least 8 inches by 10 inches in size:

1. “This site is not open to the public.”
2. “Retail sales of any goods and services is prohibited”
3. “Minors are prohibited from entering this site.”
4. “Smoking, ingesting, or consuming marijuana on or within 20 feet of this site is prohibited.”

K. Prohibited Activities.

1. No marijuana cultivation or manufacturing shall occur at the site.
2. No retail sales of marijuana or marijuana products shall occur at the site.

L. Restricted Access.

1. The site shall be closed to the general public. No one shall be allowed on the testing site, except for employees, or persons with a bona fide business or regulatory purpose for being on the site, such as contractors or inspectors.
2. Minors are prohibited at all times from entering the location of the site

“Sec. 5.58.124 – Wholesale distribution operating standards and restrictions.”
A commercial marijuana operation engaged in distribution shall operate in conformance with both the General Operating Standards and Restrictions provided for in Section 5.58.100, as well as with the following minimum standards, and such standards shall be deemed to be part of the conditions of the permit for a distribution commercial marijuana operation to ensure that its operation is in compliance with California law and the Perris Municipal Code, and to mitigate any potential adverse impacts of the commercial marijuana operation on the public health, safety or welfare.

Additional minimum standards may be adopted from time to time either by resolution or ordinance from the City Council, or by the Director (upon authorization by resolution from the City Council).

A. City Permit and State License. No person shall engage in distribution without both a current and valid City Commercial Marijuana Operation Permit issued for distribution as well as a current and valid equivalent state license as provided for under Division 10 of the Business and Professions Code, and as may be amended.

B. State Standards. All state requirements and regulations that govern distribution operations, including but not limited to the regulations promulgated by the California Bureau of Cannabis Control within the Department of Consumer Affairs, and as may be amended, shall apply as minimum requirements and regulations for distribution commercial marijuana operations within the City of Perris, in addition to the requirements and regulations of this chapter and this Code.

C. Location Restrictions.

3. No distribution operation shall locate or operate in any area or zone of the City of Perris, other than in the following subareas of the Light Industrial (LI) Zone or the General Industrial (GI) Zone, as defined more fully in Chapter 19.44 (Industrial Zones) of Title 19 (Zoning) of the Perris Municipal Code:

   c) North Perris: North of Perry Street to the city limits, between the Perris Valley Storm Drain Channel and the I-215 Freeway.

   d) South Perris: North of Watson Road, south of Ellis Avenue, between the Perris Valley Storm Drain Channel and Santa Fe Railroad.

2. No distribution operation shall locate within six hundred (600) feet of a school, park, place of worship, residential zone, youth-oriented facility, youth center or day care center. The distance shall be measured as the horizontal distance measured in a straight line from the property line of one site to the property line of another site.

D. Distribution Restrictions.

1. Distribution operations shall distribute marijuana and marijuana products only between licensed marijuana commercial operations.

2. Distribution operations shall not conduct retail sales of marijuana or marijuana products.

3. Distribution operations shall not distribute any marijuana or marijuana products to retail operations unless such marijuana or marijuana products has been properly tested and approved for retail sale pursuant to State law.

4. Upon demand by any Operation Officer a distributor shall make immediately available copies of any required shipping manifests as understood by Section 26070(f) of the Business and Professions Code.

E. Site Requirements. The site shall comply with the following requirements:
1. Visibility.
   a) Neither marijuana, marijuana products, nor visible exterior evidence of any distribution activities, shall be visible from the public right-of-way, the unsecured areas surrounding the buildings on the site, or the site’s main entrance and lobby.
   b) Building frontage shall be constructed and designed so as to entirely conceal from public view both all distribution activities conducted by the permittee, as well as all marijuana and marijuana products at the site.

2. Main Entrance and Lobby. The site shall have a building with a main entrance that is clearly visible from the public street or sidewalk. The main entrance shall be maintained clear of barriers, landscaping, and other obstructions. Inside of the main entrance, there shall be a lobby to receive persons into the site and to verify whether they are allowed in the distribution commercial marijuana operation areas. Members of the general public shall not be allowed in the distribution commercial marijuana operation areas except for reasons of lawful business.

3. Secure Product. All marijuana and marijuana products at the site shall be kept in a secured manner at all times.

4. Transport Area. Each building with a storage area shall have an area designed for the secure transfer of marijuana from vehicles to the storage area.

5. Storage Area. Each building shall have adequate storage space for marijuana. The storage areas shall be separated from the main entrance and lobby, shall be secured by a lock accessible only to employees of the permittee, and shall only be used for the storage of cannabis, cannabis products, and related items.

F. Sanitation. The permittee shall establish and implement written procedures that maintain the highest industry standards of sanitation and cleanliness for the operation so as to ensure the distribution of marijuana and marijuana products free of harmful contaminants.

G. Training. The permittee shall establish and implement written procedures that provide for the highest industry standards of training for employees engaged in distribution operations.

H. Signs. A permittee shall display conspicuously in the lobby of the site the following signs, so that each sign may be readily seen by persons entering the site, and each sign must be at least 8 inches by 10 inches in size:
   1. “This site is not open to the public.”
   2. “Retail sales of any goods and services is prohibited”
   3. “Minors are prohibited from entering this site.”
   4. “Smoking, ingesting, or consuming marijuana on or within 20 feet of this site is prohibited.”

I. Restricted Access.
   1. The site shall be closed to the general public. No one shall be allowed on the distribution site, except for employees, or persons with a bona fide business or regulatory purpose for being on the site, such as contractors or inspectors.
   2. Minors are prohibited at all times from entering the location of the site.”
“Sec. 5.58.126 – Manufacturing operating standards and restrictions.

A commercial cannabis operation engaged in manufacturing shall operate in conformance with both the General Operating Standards and Restrictions provided for in Section 5.58.100, as well as the following minimum standards, and such standards shall be deemed to be part of the conditions on the permit for a manufacturing commercial cannabis operation to ensure that its operation is in compliance with California law and the Perris Municipal Code, and to mitigate any potential adverse impacts of the commercial cannabis operation on the public health, safety or welfare.

Additional minimum standards may be adopted from time to time either by resolution or ordinance from the City Council, or (upon authorization by resolution from the City Council) by the Director.

A. City Permit and State License. No person shall engage in manufacturing without both a current and valid City Commercial Marijuana Operation Permit issued for manufacturing as well as a current and valid equivalent state license as provided for under Division 10 of the Business and Professions Code, and as may be amended.

B. State Standards. All state requirements and regulations that govern manufacturing operations, including but not limited to both regulations promulgated by the State Department of Public Health, as well as all horticultural, labeling and processing standards, shall apply as minimum requirements and regulations and requirements for manufacturing commercial cannabis operations within the City of Perris, in addition to the requirements and regulations of this chapter and this Code.

C. Location Restrictions.

1. No manufacturing operation shall locate or operate in any area or zone of the City of Perris, other than in the following subareas of the Light Industrial (LI) Zone or the General Industrial (GI) Zone, as defined more fully in Chapter 19.44 (Industrial Zones) of Title 19 (Zoning) of the Perris Municipal Code:

   a) North Perris: North of Perry Street to the city limits, between the Perris Valley Storm Drain Channel and the I-215 Freeway.

   b) South Perris: North of Watson Road, south of Ellis Avenue, between the Perris Valley Storm Drain Channel and Santa Fe Railroad.

2. No manufacturing operation shall locate within six hundred (600) feet of a school, park, place of worship, residential zone, youth-oriented facility, youth center or day care center. The distance shall be measured as the horizontal distance measured in a straight line from the property line of one site to the property line of another site.

3. No Manufacturer 2 (Type 7) permittee shall locate or operate within the March Air Reserve Base (ARB) Accident Potential Zones (APZs).

D. Manufacturer 1 (Type 6) permittees (as defined by Division 10 of the Business and Professions Code) shall utilize only manufacturing processes that are either solventless or that employ only nonflammable, nontoxic solvents that are generally recognized as safe pursuant to the federal Food, Drug, and Cosmetic Act (21 U.S.C. Sec. 301 et seq.).

E. Manufacturer 2 (Type 7) permittees shall utilize only manufacturing processes that use solvents exclusively within a closed-loop system that meets all of the following requirements:

1. The system uses only solvents that are generally recognized as safe pursuant to the federal Food, Drug, and Cosmetic Act (21 U.S.C. Sec. 301 et seq.).
2. The system is designed to recapture and contain solvents during the manufacturing process, and otherwise prevent the off-gassing of solvents into the ambient atmosphere to mitigate the risks of ignition and explosion during the manufacturing process.

3. A licensed engineer certifies that the system is commercially manufactured, safe for its intended use, and built to codes of recognized and generally accepted good engineering practices, including, but not limited to, the American Society of Mechanical Engineers (ASME), the American National Standards Institute (ANSI), Underwriters Laboratories (UL), the American Society for Testing and Materials (ASTM), or OSHA Nationally Recognized Testing Laboratories (NRTLs).

4. The system has a certification document that contains the signature and stamp of a professional engineer and the serial number of the extraction unit being certified.

F. Health and Safety; Director Approval

1. General.

   a) Manufacturing operations before commencing operation, and as a continuing prerequisite to continuing operations, shall receive, and maintain, written approval from the Director that any closed-loop system, other equipment used, the on-site storage of compressed gases, the extraction operation, and the manufacturing facilities in general, all meet or exceed appropriate health and safety standards as determined by the Director.

   b) These health and safety standards include any required fire, safety and building code requirements specified in the California Fire Code, the National Fire Protection Association (NFPA) standards, the International Building Code (IBC), the International Fire Code (IFC), and any other applicable standards, including complying with all applicable fire, safety, and building codes in processing, handling, and storage of solvents or gasses.

   a) Manufacturing operations shall not commence until written approval is received from the Director for a completed Fire Safety Plan for the operation.

   b) An application for a renewal of a Manufacturing Commercial Cannabis Operation Permit shall not be approved until an inspection of the site occurs by the Director which affirms that both the operation remains in compliance with the approved Fire Safety Plan (or an amended Fire Safety Plan as determined by the Director) and that any further actions that need to be taken in the determination of the Director are taken to ensure that all applicable and necessary health and safety requirements are met.

3. Certified Industrial Hygienist (CIH).

   a) The permittee must provide for, maintain, and follow a detailed plan prepared by a CIH, and approved by the Director, to insure the appropriate health and safety procedures including, but not limited to, procedures necessary to control hazards, for use of proper protective equipment, product safety, compliance with Cal OSHA limits, to provide specifications for ventilation controls, and ensure environmental protections, are adopted and used by the operation on a continuing basis.

   b) The Director shall establish further written requirements for the plan, including but not limited to required inspections by the CIH and a hazardous materials management plan. Upon reasonable determination by the Director the permittee shall be required to update or
amend the approved plan to the satisfaction of the Director.

4. UL (Underwriters Laboratories) Listed. All processing and analytical testing devices used by the operation must be UL listed, or otherwise approved for the intended use by the Director. Any processing devices using only non-pressurized water are exempt from such approval.

5. Hazardous Materials. All hazardous material used, generated or associated with the operation must be disposed of in a manner which is approved by the Director before disposal occurs, and which is compliant with all local, State and federal guidelines for the disposal of hazardous materials.

6. Waste Treatment System. The permittee must provide for and maintain a waste treatment system which is approved by the Director so as to prevent contamination in areas where cannabis or cannabis products may be exposed to such a system’s waste or waste by-products.

G. Site Requirements. The site shall comply with the following requirements:

1. Indoor Manufacturing Only. All manufacturing shall occur in a fully enclosed building.

2. Fire Sprinklers. The site shall be equipped with an automatic fire sprinkler system, in accordance with NFPA 13, California Fire Code (Section 903), and the Perris Municipal Code, with zero (0) square foot requirement.

3. Visibility. Neither cannabis, cannabis products nor visible exterior evidence of any manufacturing activity, shall be visible from the public right-of-way, the unsecured areas surrounding the buildings on the site, or the site’s main entrance and lobby.

4. Main Entrance and Lobby. The site shall have a building with a main entrance that is clearly visible from the public street or sidewalk. The main entrance shall be maintained clear of barriers, landscaping, and other obstructions. Inside of the main entrance, there shall be a lobby to receive persons into the site and to verify whether they are allowed in the manufacturing areas. Members of the general public shall not be allowed in the manufacturing commercial cannabis operation areas except for reasons of lawful business.

5. Secure Product. All cannabis and cannabis products at the site shall be kept in a secured manner at all times.

6. Manufacturing Area. All manufacturing areas in any building on the site shall be separated from the main entrance and lobby, and shall be secured by a lock accessible only to employees of the permittee.

7. Transport Area. Each building with a manufacturing area shall have an area designed for the secure transfer of cannabis from a vehicle to the manufacturing area.

8. Storage Area. Each building with a manufacturing area shall have adequate storage space for cannabis that has been manufactured or is waiting to be manufactured. The storage areas shall be separated from the main entrance and lobby, and shall be secured by a lock accessible only to employees of the manufacturing permittee.

H. Sanitation. The permittee shall establish and implement written procedures that maintain the highest industry standards of sanitation and cleanliness for the operation so as to ensure the manufacture of cannabis products free of harmful contaminants.

I. Training. The permittee shall establish and implement written procedures that provide for the highest industry standards of training for employees engaged in manufacturing operations.

J. Edible Cannabis Products. All edible cannabis products manufactured by an operation shall be (as
provided for in Section 26130(c) of the Business and Professions Code, and as may be amended):

1. Not designed to be appealing to children or easily confused with commercially sold candy or foods that do not contain cannabis.

2. Produced and sold with a standardized concentration of cannabinoids not to exceed 10 milligrams tetrahydrocannabinol (THC) per serving.

3. Delineated or scored into standardized serving sizes if the cannabis product contains more than one serving and is an edible cannabis product in solid form.

4. Homogenized to ensure uniform disbursement of cannabinoids throughout the product.

5. Manufactured and sold under sanitation standards established by the State Department of Public Health, in consultation with the bureau, that are similar to the standards for preparation, storage, handling, and sale of food products.

6. Provided to customers with sufficient information to enable the informed consumption of the product, including the potential effects of the cannabis product and directions as to how to consume the cannabis product, as necessary.

7. Marked with a universal symbol, as determined by the State Department of Public Health through regulation.

K. Signs. A permittee shall display conspicuously in the lobby of the site the following signs, so that each sign may be readily seen by persons entering the manufacturing site, and each sign must be at least 8 inches by 10 inches in size:

1. “This site is not open to the public.”

2. “Retail sales of any goods and services is prohibited”

3. “Minors are prohibited from entering this site.”

4. “Smoking, ingesting, or consuming cannabis on or within 20 feet of this site is prohibited.”

L. Restricted Access.

1. The site shall be closed to the general public.

2. Minors are prohibited from entering the location of the site.”

Sec. 5.58.127 – Retailer (Adult-use / Non-medical) operating standards and restrictions.

A commercial marijuana operation engaged in business as an adult-use retailer shall operate in conformance with both the General Operating Standards and Restrictions provided for in section 5.58.100, as well as the following minimum requirements and standards provided in this Section 5.58.127, and such standards shall be deemed to be part of the conditions of the permit for an adult-use retailer to ensure that its operation is in compliance with California law and the Perris Municipal Code, and to mitigate any potential adverse impacts of the commercial marijuana operation on the public health, safety or welfare.

Additional minimum standards may be adopted from time to time either by resolution or ordinance from the city council, or by the director (upon authorization by resolution from the city council).
(a) **City permits and state license.** No person shall establish or operate adult-use retail without a current and valid city commercial marijuana operation permit issued for an adult-use retailer, a current and valid city medical marijuana dispensary permit issued pursuant to Chapter 5.54 of Title 5 of the Perris Municipal Code, and a valid equivalent state license for adult-use retailer as provided for under Division 10 of the Business and Professions Code, as may be amended.

(b) **Current and Valid Medical Marijuana Dispensary Permit Required.** No city commercial marijuana operation permit shall be issued for any adult-use retailer unless the adult-use retailer has also been issued a city medical marijuana dispensary permit pursuant to Chapter 5.54 of Title 5 of the Perris Municipal Code.

(c) **State standards.** All state requirements and regulations that govern adult-use retailers, including but not limited to the regulations promulgated by the Bureau of Cannabis Control, and as may be amended, shall apply as minimum requirements and regulations for adult-use retailers within the City of Perris, in addition to the requirements and regulations of this chapter and this Code.

(d) **Adult-Use Retailer Application.**

1. In addition to the application required by Section 5.58.070, the owner of a proposed adult-use retailer shall file an application with the director upon a form provided by the city and shall pay a filing fee as established by resolution adopted by the city council as amended from time to time.

2. In addition to the requirements of this Section 5.58.070, an application for a regulatory permit for an adult-use retailer shall include the following information:

   a) A site plan and floor plan of the premises denoting all the use of areas on the premises of the adult-use retailer, including storage, exterior lighting, restrooms, and signage. The site plan shall be prepared by a professional and licensed civil engineer or architect.

   b) A security plan which details security measures to the satisfaction of the director that all applicable security-related requirements under state or local law, including, but not limited to, the requirements of Section 5.58.127(e), are and will be met.

   c) The applicant’s current and valid medical marijuana dispensary permit.

(e) **Security.** Adult-use retailers shall maintain the following security measures:

1. Entrances to the dispensing area and any storage area shall be locked at all times, shall be only accessible by employees, and shall be under the control of only employees.

2. The interior premises of the adult-use retailer shall be equipped with and, at all times during which it is open to the public, shall remain illuminated with overhead lighting fixtures of sufficient intensity to illuminate every place to which members of the public or portions thereof are permitted access with an illumination of not less than two foot-candles as measured at the floor level.
3. All marijuana present or kept at the adult-use retailer premises shall be securely stored against both unauthorized access and theft.

(f) Location and distance restrictions.

1. No adult-use retailer shall locate or operate in any area or zone of the City of Perris, other than in the following zones:
   a) CN Zone (Commercial Neighborhood).
   b) CC Zone (Commercial Community).
   c) Industrial Zones.

2. No adult-use retailer shall be located or operate as follows:
   a) No adult-use retailer shall locate within 1,000 feet of a school, park, place of worship, youth-oriented facility, youth center, day care center, or community center.
   b) No adult-use retailer shall locate within 600 feet of a residential zone. The distance shall be measured as the horizontal distance measured in a straight line from the property line of one site to the property line of another site.

3. The adult-use retailer shall be located at and operated within the same location and premises for which the applicant’s current and valid medical marijuana dispensary has been issued.

A. Sale Restrictions.

1. Adult-use retailers shall not sell or dispense marijuana or marijuana products to individuals under the age of 21.

2. Adult-use retailers shall not sell or dispense more than 28.5 grams of marijuana in any singular transaction.

B. Records. Adult-use retailers shall maintain records reflecting:

1. The source (including name, location and contract information) of all marijuana dispensed, sold or stored by the adult-use retailer.

2. The dates upon which all customers are sold marijuana and the amount sold.

3. The delivery of marijuana, from the adult-use retailer by an employee, to a customer located outside of the adult-use retailer location, including but not limited to the identity of the recipient, the amount delivered, the date of the delivery, the address of the delivery, the name of the employee making the delivery, and a written receipt from the customer confirming the delivery.

4. Proof of a valid and current permit issued by the city in accordance with this chapter. Every adult-use retailer shall display at all times during business hours the
permit issued pursuant to the provisions of this chapter in a conspicuous place so that it may be readily seen by all persons entering the location of the adult-use retailer.

C. Employees.

1. An adult-use retailer shall maintain results of live scans conducted annually by the adult-use retailer on all employees with the written results of such live scans being maintained at the location of the adult-use retailer.

2. All owners and managers must have a current and valid identification card.

   a) Only marijuana products. Consistent with this Chapter and State law, Adult-use retailers shall only dispense, offer to sell, or provide marijuana, marijuana products, and marijuana-related products. Marijuana-related products include, but are not limited to, pipes used for the consumption of marijuana, rolling papers for the consumption of marijuana, etc.

   b) No alcohol. Adult-use retailers shall not hold or maintain a license from the State Department of Alcoholic Beverage Control to sell alcoholic beverages, or operate a business that sells alcoholic beverages.

   c) No lounge or cafe. Adult-use retailers shall not operate as a lounge, cafe or restaurant serving food or drinks for consumption on-site. There shall be no seating area, tables, couches, or chairs for the gathering or congregating of individuals.

D. Site Management.

1. The adult-use retail permit holder shall take all reasonable steps to discourage and correct conditions that constitute a nuisance in parking areas, sidewalks, alleys and areas surrounding the premises and adjacent properties during business hours if related to the operation of the adult-use retailer.

   a) Reasonable steps shall include immediately calling the police upon observation of the activity, and requesting that those engaging in activities that constitute a nuisance or are otherwise illegal to cease those activities, unless personal safety would be threatened in making the request.

   b) Nuisance includes but is not limited to disturbances of peace, open public consumption of marijuana, alcohol or controlled substances, excessive pedestrian or vehicular traffic, including the formation of any pedestrian lines outside the building, illegal drug activity, harassment of passersby, excessive littering, excessive loitering, illegal parking, excessive loud noises, especially late at night or early in the morning hours, lewd conduct or police detentions and arrests.

2. The adult-use permit holder shall make available to customers who are dispensed, sold, or provided with marijuana or marijuana products a list of the rules and regulations governing marijuana use and consumption within the city.

E. Delivery of marijuana.
1. All employees who provide delivery of marijuana from an adult-use retailer to a customer located outside the adult-use retailer location must have a valid identification card at all times with the employee while the delivery is being made.

2. All deliveries must be recorded by the adult-use retailer and maintained in the regular records of the adult-use retailer. These records shall include but not be limited to the identity of the recipient, the amount delivered, the date of the delivery, the address of the delivery, and the name of the employee making the delivery.

3. Upon receipt of a delivery outside of the location of the adult-use retailer, a customer must sign for the delivery on a written identifiable receipt to be kept in the regular records of the adult-use retailer.

4. All deliveries must leave the adult-use retailer in sealed containers whose seals will not be broken until receipt of the delivery by the customer.”

Section 5.58.128 – Community Benefit Agreement

Prior to operating in the city and issuance of a certificate of occupancy, in addition to the issuance of a Commercial Marijuana Operation Permit, a distribution or manufacturing commercial marijuana operation shall apply for and enter into a community benefit agreement with the city setting forth the terms and conditions under which the commercial marijuana operation will operate that are in addition to the requirements of this chapter, possibly including, but not limited to, public outreach and education, community service, payment of fees and other charges as mutually agreed, and such other terms and conditions that will protect and promote the public health, safety, and welfare of the City and its residents. The procedures for community benefit agreements will comply with this chapter and the Perris Municipal Code.

A. Filing Requirements.

1. An application for a community benefit agreement shall be filed with the City at the same time that an application for the equivalent Commercial Marijuana Operation is filed with the City.

2. Only a qualified applicant may file an application to enter into a community benefit agreement. A qualified applicant is a person who has been issued (or is applying for) the required equivalent state license issued under Division 10 of the Business and Professions Code. The qualified applicant shall provide proof of required permits and licenses (or current application for such permits or licenses), ownership interest, and proof of the authority of the agent or representative to act for the applicant.

3. The Director shall prescribe the form for each application, notice and documents provided for or required under these regulations for the preparation and implementation of community benefit agreements.

4. The applicant shall complete and submit such an application form to the Director, along with a deposit for the estimated direct and indirect costs of processing the community benefit agreement. The applicant shall deposit any additional amounts for all costs and fees to process the community benefit agreement, including all legal fees, within fifteen (15) days of request by the Director. Upon either completion of the application process or withdrawal of the application, the City shall refund any remaining deposited amounts in excess of the costs of processing.

5. The Director shall require an applicant to submit such information and supporting data as the Director considers necessary to process the application, including but not limited to a community benefit assessment to evaluate the benefits the community benefit agreement will provide to the community.

01006.0001/297305.1
B. Processing and Requirements.

1. The Director shall endorse on the application the date it is received. An application or related document shall not be complete until an estimated deposit for the cost of processing has been paid to the City.

2. The Director shall review the application and determine any additional requirements necessary to complete processing of the agreement. If within thirty (30) days of receiving the application the Director finds that all required information has not been submitted or the application is otherwise incomplete or inaccurate, the processing of the application and the running of any limits shall be suspended upon written notice to the applicant and a new thirty (30) day period shall commence once the required material is received by the Director.

3. If the Director finds that the application is complete it shall be accepted for filing and the applicant so notified. After receiving the required information and the application is determined to be complete, the Director shall within sixty (60) days prepare a report and recommendation to the City Council stating whether or not the agreement as proposed or in an amended form would be consistent with policies of the City and this chapter.

4. The City Council shall review the proposed community benefit agreement and within sixty (60) days of the recommendation of the Director make a final determination whether to approve, approve with modifications or deny the proposed community benefit agreement.

5. At the sole discretion of the Director, the City Council and/or the City Manager, the time limits in this section may be extended upon written notification to the applicant.

C. Findings; Amendment; Termination.

1. The City Council may not approve the community benefit agreement unless the City Council finds that the provisions of the agreement protect and promote the public health, safety, and welfare of the City and its residents, through findings such as, but not limited to, the following:
   a. The proposed operation will provide economic benefits to the City; and/or
   b. The proposed operation will provide employment opportunities for City residents; and/or
   c. The proposed operation will positively impact the community, based on factors such as, without limitation, whether and to what extent the proposed operation will offer or engage in community service, education, outreach and engagement programs.

2. Either party may propose an amendment, extension or termination of an approved community benefit agreement, and such amendment, extension or termination may only be made with the written consent of both parties.”

Sec. 5.58.130 - Administration.

Further rules, regulations, procedures and standards for the administration and implementation of this chapter may be adopted from time to time either by resolution or ordinance from the City Council, by the Director (upon authorization by resolution from the City Council), or as further provided by this chapter.
Sec. 5.58.140 - Fees.

An application fee set by resolution of the City Council shall be required for formal processing of every application made under this chapter. The City Council is authorized to pass resolutions to recover any and all fees and costs incurred by the administration and implementation of this chapter through an appropriate fee recovery mechanism to be imposed upon commercial marijuana operations.

Sec. 5.58.150 - Suspension and revocation.

A. The Director is authorized to suspend and/or revoke a commercial marijuana operation permit issued pursuant to this chapter upon the determination through written findings of a failure to comply with any provision of this chapter, any permit condition, or any agreement or covenant as required pursuant to this chapter.

B. The Director may suspend or revoke a commercial marijuana operation permit if any of the following occur:

C. The Director determines that the commercial marijuana operation has failed to comply with any aspect of this chapter, any permit condition, or any agreement or covenant as required pursuant to this chapter; or

D. The equivalent State license has been revoked by the State of California; or

E. Operations cease for more than one hundred eighty (180) calendar days (including during any change of ownership, if applicable); or

F. Ownership is changed without securing a new commercial marijuana operation permit; or

G. The commercial marijuana operation fails to maintain required security camera recordings; or

H. The commercial marijuana operation fails to allow inspection of the security recordings, the activity logs, the records, or of the premise by operation officers.

I. Conditions (if any) of suspension or revocation are at the discretion of the Director and may include, but are not limited to, a prohibition on all owners, operators, managers and employees of the suspended or revoked commercial marijuana operation from operating within the City for a period of time set forth in writing and/or a requirement (when operations may resume, if at all, pursuant to the Director’s determination) for the holder of the suspended or revoked permit to resubmit an application for a commercial marijuana operation permit pursuant to the requirements of this chapter.

Sec. 5.58.160 - Violations and penalties; public nuisance.

A. Any violation of the provisions of this chapter, at the discretion of the city prosecutor, is punishable as a misdemeanor or an infraction pursuant to Chapter 1.16 of the Perris City Code, except for as preempted by state law; and, any violation of the provisions of this chapter is subject to administrative citation, at the discretion of the City, pursuant to Chapter 1.18 of the Perris City Code.

B. Public nuisance abatement.

C. Any commercial marijuana operation that is conducted in violation of any provisions of this chapter is
hereby declared to constitute a public nuisance and, as such, may be abated or enjoined from further operation, in accordance with the procedures set forth in Chapter 7.06 of the Perris City Code.

D. All costs to abate such public nuisance, including attorneys’ fees and court costs, shall be paid by the person causing the nuisance, including the commercial marijuana operation permittee and the property owner where the nuisance is occurring.

E. The remedies described in this section are not mutually exclusive. Pursuit of any one remedy shall not preclude City from availing itself of any or all available administrative, civil, or criminal remedies, at law or equity.

F. Any violation of the provisions of this chapter shall constitute a separate offense for each and every day during which such violation is committed or continued.

Sec. 5.58.170 - Appeals.

Any decision regarding approval, conditional approval, denial, suspension or revocation of a commercial marijuana operation permit may be appealed to the Planning Commission (unless subject to the provisions of Section 5.58.160 of this chapter) by an applicant, a permit holder or interested party as follows:

a. If the appellant wishes to appeal a decision to the Planning Commission, the appellant must file a written appeal with the Perris City Clerk within ten (10) calendar days of the decision. The written appeal shall specify the person making the appeal, the decision appealed from, shall state the reasons for the appeal, and shall include any evidence in support of the appeal which the applicant seeks to be considered by the Planning Commission.

b. Notice of the time and place of an appeal hearing shall be providing to the appellant within thirty (30) days of receipt by the Perris City Clerk of the written appeal.

c. The appeal hearing shall be held within sixty (60) days of the filing of the written appeal with the Perris City Clerk, unless the sixty-day time limit is waived by the appellant, or unless the Planning Commission continues the appeal hearing date for good cause and upon written notification to the appellant.

d. The Planning Commission shall review the facts of the matter, written documents submitted for review, the basis for making the decision which is under appeal, and then determine whether the appealed decision should be reversed or affirmed. The determination made shall be in writing, shall set forth the reasons for the determination, and shall be final unless appealed as provided for below.

e. If the appellant wishes to appeal the determination of the Planning Commission, then the procedures provided in this section shall be followed for an appeal to the City Council, with the exception of the City Council may determine to simply affirm by minute order or resolution the determination of the Planning Commission, without review, within sixty (60) days of receipt by the Perris City Clerk of the written appeal. Any determination of the City Council shall be final.

f. The provisions of section 1094.6 of the Code of Civil Procedure sets forth the procedure for judicial review of any final determination. Parties seeking such judicial review shall file such action within ninety (90) days of a determination being made final.
Sec. 5.58.180 - Service of notices.

All notices required by this chapter are deemed issued and served upon the date they are either deposited in the United States mail, postage pre-paid, addressed (if to an applicant, a commercial marijuana operation, or an appellant) to the applicant or commercial marijuana operation at the mailing address identified in its application, the last updated address on file with the Director’s office, or the mailing address on the appeal form; or, the date upon which personal service of the notice is provided to a responsible party.

Sec. 5.58.190 - Prohibitions.

A. All commercial marijuana operation in violation of The Adult Use of Marijuana Act, The Medicinal and Adult-Use of Cannabis Regulation and Safety Act, this chapter, or any other applicable local or State law are expressly prohibited.

B. It is unlawful for any commercial marijuana operation in the City, or any agent, employee or representative of such commercial marijuana operation, to permit any breach of peace therein or any disturbance of public order or decorum by any tumultuous, riotous or disorderly conduct on the premises of the commercial marijuana operation, or to violate any State law, or this chapter.

Sec. 5.58.200 - Nonconforming use.

No use which purports to have engaged in a commercial marijuana activity of any nature prior to the enactment of this chapter shall be deemed to have been a legally established use under the provisions of the Perris Zoning Code, the Perris Municipal Code, or any other local ordinance, rule or regulation, and such use shall not be entitled to claim legal nonconforming status.

Sec. 5.58.210 - Severability.

If any section, subsection, subdivision, sentence, clause, phrase, word, or portion of this Ordinance is, for any reason, held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have adopted this Ordinance and each section, subsection, subdivision, sentence, clause, phrase, word, or portion thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses, phrases, words or portions thereof be declared invalid or unconstitutional.
CHAPTER 7.48 PERSONAL MARIJUANA CULTIVATION

7.48.010 Purpose and intent.
7.48.020 Definitions.
7.48.030 Personal marijuana cultivation.
7.48.040 Violations and penalties; public nuisance.

Section 7.48.010 Purpose and intent.

A. The purpose and intent of this chapter is to prohibit throughout the entire city the outdoor cultivation of marijuana, and to establish reasonable regulations, consistent with the meaning of Section 11362.2 of the Health & Safety Code, and as may be amended, for the indoor cultivation of up to six (6) marijuana plants at a private residence.

B. This chapter is not intended to interfere with a patient’s right to medical marijuana as provided for in Section 11362.5 of the Health & Safety Code.

Section 7.48.020 Definitions.

The following words and phrases shall, for the purposes of this chapter, have the meanings respectively ascribed to them by this section, as follows:

A. **Accessory structure** means a building which is attached to or detached from the main building on a parcel or lot, the use of which is ancillary to that of the main building. An accessory building includes, but is not limited to, greenhouse, storage shed, pool house, cabana, barn, stable or workshop.

B. **Cultivation** means any activity involving the planting, growing, harvesting, drying, curing, grading, or trimming of one or more marijuana plants or any part thereof.

C. **Cultivation site** means the real property on which marijuana cultivation occurs.

D. **Director** means the City of Perris Director of Development Services, and includes his/her designee(s).

E. **Marijuana** has the same definition as provided in Section 26001 of the Business & Professions Code for the term “cannabis,” and as may be amended, defined as “all parts of the plant Cannabis sativa Linnaeus, Cannabis indica, or Cannabis ruderalis, whether growing or not; the seeds thereof; the resin, whether crude or purified, extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or resin. ‘Cannabis’ also means the separated resin, whether crude or purified, obtained from cannabis. ‘Cannabis’ does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted therefrom), fiber, oil, or cake, or the sterilized seed of the plant which is incapable of germination.”

F. **Person** means any individual, firm, co-partnership, joint venture, association, corporation, limited liability company, estate, trust, business trust, receiver, syndicate, or any other group or combination acting as a unit.
G. Private residence has the same meaning as the term is defined in Section 11362.2(b)(5) of the Health & Safety Code, and as may be amended, which provides that private residence “means a house, an apartment unit, a mobile home, or other similar dwelling.”

Section 7.48.030 Personal Marijuana Cultivation.

A. Prohibition. Personal marijuana cultivation is prohibited in all zones of the city. No person shall engage in the personal cultivation of marijuana in the city for any purpose.

B. Limited Exemption. The prohibition on personal marijuana cultivation in the above subsection (A) does not apply to the indoor cultivation of marijuana at a private residence conducted in complete adherence to the following regulations:

1. Six plants. Cultivation is limited to no more than six (6) living marijuana plants at any one time.

2. Indoor cultivation only. Cultivation shall occur entirely within a private residence or within an accessory structure to a private residence located upon the grounds of a private residence that is fully enclosed and secure.

3. Accessory structures. Any accessory structure used for cultivation shall comply with all applicable building code and zoning requirements, including but not limited to, setback and accessory structure size/height requirements.

4. Locked space. The six (6) living plants and any marijuana produced by the plants in excess of 28.5 grams shall be kept within a locked space located either within the private residence or upon the grounds of the private residence.

5. Visibility. The six (6) living plants and any marijuana produced by the plants in excess of 28.5 grams shall not be visible from any neighboring property or public right of way, or in any manner be visible by normal unaided vision from a public place.

6. Odor.
   a. The odor resulting from all marijuana cultivation shall not be detectable by human senses from any neighboring property or public right of way.
   b. As necessary (which final determination shall be made by the Director), to ensure that no odor resulting from marijuana cultivation shall be detectable by human senses from any neighboring property or public right of way, a marijuana cultivation site shall install and continuously operate a functioning ventilation and filtration system which complies with all applicable building code regulations, including obtaining all required permits and approvals.

7. Nuisance Activity. Cultivation shall not result in a nuisance or adversely affect the health, welfare, or safety of the resident or nearby residents by creating dust, glare, heat, noise, noxious gases, odors, smoke, traffic, vibration, or other impacts, or be hazardous due to use or storage of materials, processes, products or waste.
8. Fire Extinguisher. A working portable fire extinguisher, which complies with the regulations and standards adopted by the state fire marshal and applicable law, shall be kept in the same room as marijuana cultivation.

9. Electricity.
   a. The collective draw from all electrical appliances at the marijuana cultivation site shall not exceed the maximum rating of the approved electrical panel for the private residence where the marijuana is being cultivated.
   b. The maximum rating shall be as established in the manufacturer specifications for the approved electrical panel.

10. Lighting. Any lighting fixture or combination of lighting fixtures used for marijuana cultivation shall:
    a. not exceed the rated wattage and capacity of the circuit breaker; and
    b. shall be shielded so as to completely confine light and glare to the interior of the private residence or fully enclosed accessory structure.

11. Private Residence. Any private residence used for cultivation shall:
    a. include a fully functional and usable kitchen, as well as bathroom and bedroom areas, for use by the permit holder; and
    b. shall not be used primarily or exclusively for marijuana cultivation.

C. Additional Regulations. Further rules, regulations, procedures, and standards for the administration and implementation of this chapter may be adopted from time to time either by resolution or ordinance from the City Council, or by the Director (upon authorization by resolution of the City Council).

Section 7.48.040 Violations and penalties: public nuisance.

A. Any violation of this chapter, at the discretion of the city prosecutor, is punishable as a misdemeanor or as an infraction pursuant to Chapter 1.16 of this Code, except for as preempted by state law; and, any violation of this chapter is subject to administrative citation, at the discretion of the City, pursuant to Chapter 1.18 of this Code.

B. Public nuisance abatement.

1. Any cultivation of marijuana that is conducted in violation of any provisions of this chapter is hereby declared to constitute a public nuisance and, as such, may be abated or enjoined from further operation, in accordance with the procedures set forth in Chapter 7.06 of this Code as reasonably applied to the operation of this chapter.

2. All costs to abate such public nuisance, including attorneys’ fees and court costs, shall be paid by the person causing the nuisance, including the property owner where the nuisance is occurring.
C. The remedies described in this section are not mutually exclusive. Pursuit of any one remedy shall not preclude city from availing itself of any or all available administrative, civil, or criminal remedies, at law or equity.

D. Any violation of the provisions of this chapter shall constitute a separate offense for each and every day during which such violation is committed or continued.”
