

# Did YOU Know?

## Construction Commenced on a Major Upgrade to the 74/215 Interchange in Perris, California

In response to the growing population within the region a **\$29 million interchange improvement project** is now underway in Perris

The eagerly awaited 74/215 Interchange Project includes **construction of a new eight-lane bridge over I-215 and improvements to the freeway on and off-ramps, local streets and intersections** in Perris

Residents and visitors will enjoy **significantly improved traffic flow, easier access to local businesses** and improved connections to the freeway when the project is completed in 2012

Furthermore, the interchange project will spur new development along the I-215 and **appeal to freeway-oriented** retailers in a growing marketplace
