

PUBLIC INFORMATION MEETING

74/215 Interchange Reconstruction, Perris

Tuesday, May 18, 2010
5 pm - 7 pm*
Holiday Inn Express
480 S. Redlands Avenue
Perris

*Meeting is an open house style
with no formal presentation.
Attend any time between these hours.

Please join the Riverside County Transportation Commission, Caltrans and the City of Perris to learn about construction plans for the 74/215 Interchange in Perris, known locally as the 4th Street Interchange.

The project will replace the current two-lane bridge with a new, eight-lane bridge, realign freeway on-ramps and off-ramps, improve intersections with signals, and add sound walls, retaining walls and sidewalks.

Construction will start this summer and last about two years.

Remember to “Slow for the Cone Zone” during construction.
