**FOR IMMEDIATE RELEASE**

**City Launches Online Portal and Hotline for COVID-19**

PERRIS, Calif. (March 17, 2020) — The City of Perris has announced the launch of a Public Health Hot Line for questions and information related to COVID-19, also known as “novel coronavirus.”

Although the City of Perris has no confirmed cases of COVID-19 (Coronavirus), the City continues to monitor the situation and adheres to the recommendations provided by the State Governor, Riverside County Department of Public Health, and the CDC, Center for Disease Control and Prevention, guidelines. The information provided on COVID-19 changes rapidly and the launch of the hotline and website is aimed at keeping people up to date on latest developments about the virus.

Residents can now call 951-435-7206 between 8 a.m. and 6 p.m. for the latest information about how this virus is impacting our community and get updates on Parks, Senior Centers, City Utilities, State and Federal Recommendations and other General City Information.

Additionally, the city launched a new section of the city's website dedicated to keeping the residents informed about the spread of COVID-19 coronavirus. This online portal on the city's website will provide up to date information about the virus, how to

reduce its spread and frequently asked questions. To access the COVID-19 Portal, please visit <http://www.cityofperris.org/livewell/covid19.html>.
