This preliminary application is for housing development projects seeking a streamlined ministerial approval process pursuant to California Senate Bill (SB) 35 (Government Code section 65913.4). Housing development projects eligible for the streamlined ministerial approval process are those that comply with the Eligibility Checklist and include (1) residential units; (2) a mix of commercial and residential uses with at least two-thirds of the project's square footage used for residential purposes; or (3) transitional or supportive housing.

The scoping consultation process will supplement the proposed housing development's eligibility for streamlined ministerial approval pursuant to SB 35.
- After submittal of this Preliminary Application, an applicant has 180 days to submit a full application, or the Preliminary Application will expire.
- After submittal of this Preliminary Application, if the project is revised to change the number of residential units or square feet by 20 percent or more, excluding any increase resulting from Density Bonus Law, the applicant must resubmit the required information to reflect the revisions.

It is the City of Perris' goal to expedite your proposal through the Preliminary Application by ensuring that all City Departments have thoroughly reviewed your proposal. The more comprehensive your submittal, the more comprehensive the comments from City Departments.
